#### REPORT OF INDEPENDENT AUDITORS

Board of Trustees Cedarville Township PO Box 13 78 North Main Street Cedarville, Ohio 45314

We have audited the accompanying financial statements of Cedarville Township, Greene County, Ohio (the Township) as of and for the years ended December 31, 1999 and 1998. These financial statements are the responsibility of the Township's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described Note 1, the Township prepares its financial statements on the basis of accounting prescribed or permitted by the Ohio Auditor of State, which is a comprehensive basis of accounting other than generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly, in all material respects, the combined fund cash balances of Cedarville Township, Greene County, as of December 31, 1999 and 1998, and its combined cash receipts and disbursements for the years then ended on the basis of accounting described in Note 1.

In accordance with Government Auditing Standards, we have also issued our report dated April 25, 2000 on our consideration of the Township's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants.

This report is intended solely for the information and use of the officials authorized to receive this report under Section 117.26, Ohio Revised Code. However, this report is a public record, and is available upon specific request.

### NOTES TO THE FINANCIAL STATEMENTS FOR THE FISCAL YEARS ENDED DECEMBER 31, 1999 AND 1998

#### 1. Summary of Significant Accounting Policies

#### A. Description of the Entity

Cedarville Township Greene County, (the Township) is a body corporate and politic established to exercise the rights and privileges conveyed to it by the constitution and laws of the State of Ohio. The Township is directed by a publicly-elected three-member Board of Trustees. The Township provides general governmental services, including road maintenance, zoning, and fire services.

The Township's management believes these financial statements present all activities for which the Township is financially accountable.

#### Basis of Accounting

These financial statements were prepared on the cash basis of accounting. Receipts are recognized when received in cash rather than when earned, and disbursements are recognized when a payment is made rather than when a liability is incurred.

#### C. Cash and Investments

Certificates of deposit are valued at cost.

#### D. Fund Accounting

The Township uses fund accounting to segregate cash and investments that are restricted as to use. The Township classifies its funds into the following types:

#### General Fund

The General Fund is the general operating fund. It is used to account for all financial resources except those required by law or contract to be restricted.

#### Special Revenue Funds

These funds are used to account for proceeds from specific sources (other than from trusts or for capital projects) that are restricted to expenditure for specific purposes. The Township had the following significant Special Revenue Funds:

Gasoline Tax Fund- This fund receives gasoline tax money for constructing, maintaining and repairing Township roads.

Road and Bridge Fund - This fund receives taxes and state support for maintaining and repairing Township roads.

Fire District Fund- This fund receives property tax money to provide fire protection services.

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE FISCAL YEARS ENDED DECEMBER 31, 1999 AND 1998

#### D. Fund Accounting (continued)

#### Capital Project Fund

This fund is used to account for receipts that are restricted for the acquisition or construction of major capital projects (except those financed through enterprise or trust funds). The Township had the following significant capital project fund:

Fire Equipment Fund- This fund receives transfers from the Fire District Fund to purchase equipment.

#### Fiduciary Fund

Trust funds are used to account for resources restricted by legally binding trust agreements. If the agreement requires the Township to maintain the corpus of the trust, the fund is classified as a non-expendable trust fund. The Township had the following significant fiduciary fund:

Cemetery Bequest Fund- This fund receives bequests.

#### E. Budgetary Process

The Ohio Revised Code requires that each fund be budgeted annually.

#### Appropriations

Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the fund, function or object level of control, and appropriations may not exceed estimated resources. The Board of Trustees must annually approve appropriation measures and subsequent amendments. The County Budget Commission must also approve the annual appropriation measure. Appropriations lapse at year end.

#### Estimated Resources

Estimated resources include estimates of cash to be received (budgeted receipts) plus cash as of January 1. The County Budget Commission must also approve estimated resources.

#### **Encumbrances**

The Ohio Revised Code requires the Township to reserve (encumber) appropriations when commitments are made. Encumbrances outstanding at year end are carried over, and need not be reappropriated. A summary of 1999 and 1998 budgetary activity appears in Note 3.

#### F. Property, Plant and Equipment

Acquisitions of property, plant and equipment are recorded as disbursements when paid. These items are not reflected as assets on the accompanying financial statements.

#### G. Unpaid Vacation and Sick Leave

Employees are entitled to cash payments for unused vacation and sick leave in certain circumstances, such as upon leaving employment. Unpaid vacation and sick leave are not reflected as liabilities under the cash basis of accounting used by the Township.

#### 4. Property Tax

Real property taxes become a lien on January 1 preceding the October 1 date for which rates are adopted by Board of Trustees. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable homestead and rollback deductions. Homestead and rollback amounts are then paid by the State, and are reflected in the accompanying financial statements as Intergovernmental Receipts. Payments are due to the County by January 20. If the property owner elects to make semiannual payment, the first half is due January 20. The second half payment is due the following June 20.

Public utilities are also taxed on personal and real property located within the Township.

Tangible personal property tax is assessed by the property owners, who must file a list of such property to the County by each April 30.

The County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the Township.

## REPORT ON COMPLIANCE AND ON INTERNAL CONTROL REQUIRED BY GOVERNMENT AUDITING STANDARDS

Board of Trustees Cedarville Township PO Box 13 78 North Main Street Cedarville, Ohio 45314

We have audited the financial statements of Cedarville Township, Greene County, Ohio (the Township) as of and for the years ended December 31, 1999 and 1998, and have issued our report thereon dated April 25, 2000. We conducted our audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

#### Compliance

As part of obtaining reasonable assurance about whether the Township's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws and regulations, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under Government Auditing Standards

However, we noted other matters involving immaterial non-compliance that do not require inclusion in this report, that we have reported to management of the Township in a separate letter dated April 25, 2000.

#### Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Township's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

However, we noted other matters involving the internal control over financial reporting that do not require inclusion in this report, that we have reported to management of the Township in a separate letter dated April 25, 2000.

This report is intended for the information of the audit committee, management and Board of Trustees However, this report is a matter of public record and its distribution is not limited.
