## REPORT OF INDEPENDENT ACCOUNTANTS

Madison Township  
Perry County  
13833 Mt. Perry Road NE  
Mount Perry, Ohio 43760

To the Board of Trustees:

We have audited the accompanying financial statements of Madison Township, Perry County, Ohio (the Township), as of and for the years ended December 31, 2000 and 1999. These financial statements are the responsibility of the Township's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As discussed in Note 1, the Township prepares its financial statements on the basis of accounting prescribed or permitted by the Auditor of State, which is a comprehensive basis of accounting other than generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly, in all material respects, the combined fund cash balances of Madison Township, Perry County, as of December 31, 2000 and 1999, and its combined cash receipts and disbursements for the years then ended on the basis of accounting described in Note 1.

In accordance with *Government Auditing Standards*, we have also issued our report dated March 19, 2001, on our consideration of the Township's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

**MADISON TOWNSHIP  
PERRY COUNTY**

**NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2000 AND 1999**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**A. Description of the Entity**

Madison Township, Perry County (the Township), is a body corporate and politic established to exercise the rights and privileges conveyed to it by the constitution and laws of the State of Ohio. The Township is directed by a publicly-elected three-member Board of Trustees and a publicly-elected Township Clerk. The Township provides general governmental services, including road and bridge maintenance, ambulance services and fire protection.

The Township's management believes the financial statements present all activities for which the Township is financially accountable.

**B. Basis of Accounting**

The financial statements follow the basis of accounting prescribed or permitted by the Auditor of State, which is similar to the cash receipts and disbursements basis of accounting. Receipts are recognized when received in cash rather than when earned, and disbursements are recognized when paid rather than when a liability is incurred.

These statements include adequate disclosure of material matters, as prescribed or permitted by the Auditor of State.

**C. Cash and Investments**

The Township Clerk invests all available funds of the Township in an interest-bearing checking account.

**D. Fund Accounting**

The Township uses fund accounting to segregate cash and investments that are restricted as to use. The Township classifies its funds into the following types:

**1. General Fund**

The General Fund is the general operating fund. It is used to account for all financial resources except those required to be accounted for in another fund.

**2. Special Revenue Funds**

These funds are used to account for proceeds from specific sources (other than from trusts or for capital projects) that are restricted to expenditure for specific purposes. The Township had the following significant Special Revenue Funds:

*Motor Vehicle License Tax Fund* - This fund receives motor vehicle license tax money for constructing, maintaining and repairing Township roads.

*Gasoline Tax Fund* - This fund receives gasoline tax money for constructing, maintaining and repairing Township roads.

*Fire Fund* - This fund receives property taxes to provide fire protection to Township

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**E. Budgetary Process**

The Ohio Revised Code requires that each fund be budgeted annually.

**1. Appropriations**

Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the function level of control, and appropriations may not exceed estimated resources. The Board of Trustees must annually approve appropriation measures and subsequent amendments. The County Budget Commission must also approve the annual appropriation measure. Appropriations lapse at year end.

**2. Estimated Resources**

Estimated resources include estimates of cash to be received (budgeted receipts) plus cash as of January 1. The County Budget Commission must also approve estimated resources.

**3. Encumbrances**

The Ohio Revised Code requires the Township to reserve (encumber) appropriations when individual commitments are made. Encumbrances outstanding at year end are canceled, and reappropriated in the subsequent year.

A summary of 2000 and 1999 budgetary activity appears in Note 3.

**F. Property, Plant and Equipment**

Acquisitions of property, plant and equipment are recorded as disbursements when paid. These items are not reflected as assets on the accompanying financial statements.

**2. EQUITY IN POOLED CASH AND INVESTMENTS**

The Township maintains a cash and investments pool used by all funds. The Ohio Revised Code prescribes allowable deposits and investments. The carrying amount of cash and investments at December 31 was as follows:

	<u>2000</u>	<u>1999</u>
Demand Deposits	\$ 93,609	\$ 89,280

**Deposits:** Deposits are insured by the Federal Deposit Insurance Corporation.

**4. PROPERTY TAX**

Real property taxes become a lien on January 1 preceding the October 1 date for which rates are adopted by Board of Trustees. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable homestead and rollback deductions. Homestead and rollback amounts are then paid by the State, and are reflected in the accompanying financial statements as Intergovernmental Receipts. Payments are due to the County by December 31. If the property owner elects to make semiannual payment, the first half is due December 31. The second half payment is due the following June 20.

Public utilities are also taxed on personal and real property located in the Township.

Tangible personal property tax is assessed by the property owners, who must file a list of such property to the County by each April 30.

The County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the Township.

**5. RETIREMENT SYSTEM**

The Township's elected officials and employees belong to the Public Employees Retirement System (PERS) of Ohio. PERS is a cost-sharing, multiple-employer plan. The plan provides retirement benefits, including postretirement healthcare, and survivor and disability benefits to participants as prescribed by the Ohio Revised Code.

Contribution rates are also prescribed by the Ohio Revised Code. For 2000 and 1999, PERS members contributed 8.5% of their gross salaries. The Township contributed an amount equal to 13.55% of participants' gross salaries through June 30, 2000. For the period July 1, 2000 through December 31, 2000, PERS temporarily reduced the employer's contribution rate to 8.13% of participants gross salaries. The Township has paid all contributions required through December 31, 2000.

**6. RISK MANAGEMENT**

The Township is insured with Ohio Township Association Risk Management Authority (OTARMA). OTARMA assumes the risk of loss up to the limits of the Township's policies. Coverage is subject to deductibles and scheduled property. The following risks are covered by OTARMA:

- General Liability
- Public Officials' Liability
- Vehicles
- Property

**REPORT OF INDEPENDENT ACCOUNTANTS ON COMPLIANCE AND  
ON INTERNAL CONTROL REQUIRED BY GOVERNMENT AUDITING STANDARDS**

Madison Township  
Perry County  
13833 Mount Perry Road NE  
Mount Perry, Ohio 43760

To the Board of Trustees:

We have audited the accompanying financial statements of Madison Township, Perry County, Ohio (the Township), as of and for the year ended December 31, 2000 and 1999, and have issued our report thereon dated March 19, 2001. We conducted our audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

**Compliance**

As part of obtaining reasonable assurance about whether the Township's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*. However, we noted immaterial instances of noncompliance that we have reported to management of the Township in a separate letter dated March 19, 2001.

**Internal Control Over Financial Reporting**

In planning and performing our audit, we considered the Township's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses. However, we noted other matters involving the internal control over financial reporting that do not require inclusion in this report, that we have reported to management of the Township in a separate letter dated March 19, 2001.
