Independent Auditor's Report

We have audited the accompanying statement of assets and net assets - income tax basis of Muskingum Area Technical College Foundation (the "Foundation") (a non-profit organization), as of June 30, 2000, and the related statement of revenue, expenses, and changes in net assets - income tax basis for the year then ended. These financial statements are the responsibility of the Foundation's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1, these financial statements were prepared on the income tax basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets and net assets of Muskingum Area Technical College Foundation as of June 30, 2000, and its revenue, expenses, and the changes in its net assets for the year then ended, on the basis of accounting described in Note 1.

In accordance with *Government Auditing Standards*, we also have issued our report dated December 18, 2000 on our consideration of the Muskingum Area Technical College Foundation's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

NOTES TO FINANCIAL STATEMENTS

NOTE 1: DESCRIPTION OF THE FOUNDATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Description of the Foundation

The Muskingum Area Technical College Foundation (hereinafter “the Foundation”) is a not-for-profit organization as determined by section 501 (c) (3) of the Internal Revenue Code, further, the Foundation is organized under section 509 (a) (1) and 170 (b) (1) (a) (iv) of the Internal Revenue Code.

The Foundation is organized and shall be operated exclusively for directorial, scientific or charitable purposes by conducting or supporting activities which benefit, or carry out the purpose of Muskingum Area Technical College, a state institution of higher learning, authorized under Chapter 3357 of the Ohio Revised Code including, but not limited to the creation of an endowment fund for annual scholarships in each technology program, the improvement of technical laboratory equipment, and opportunities for the professional development of college employees.

Solely for the above purpose, the Foundation is empowered to exercise all rights and powers conferred by the laws of the State of Ohio upon nonprofit corporations, including, but not limited to:

- A.** To accept, acquire, receive, take, and hold by bequest, devise, grant, gift, purchase, exchange, lease, transfer, judicial order or decree, or otherwise, for any of its objects and purposes, any property, both real and personal, whatever kind, nature or description and wherever situated;
- B.** To seal, exchange, convey, mortgage, lease, transfer, or otherwise dispose of any such property, both real and personal, as the objects and purposes of the Foundation may require, subject to such limitations as may be prescribed by law;
- C.** To invest and reinvest its funds in such savings account, stock, bonds, debentures, mortgages, or in such other securities, investments, and property as the Board of Directors shall deem advisable, subject to the limitations and conditions contained in any bequest, devise, grant, or gift, provided such limitations and conditions are not in conflict with those provisions of the Internal Revenue Code and its regulations dealing with organizations exempt from taxation under Section 501 (c) (3), as such provisions now exist or as they may hereafter be amended.

NOTES TO FINANCIAL STATEMENTS

NOTE 1: DESCRIPTION OF THE FOUNDATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Financial Statement Presentation

The accompanying financial statements have been prepared on the income tax basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles.

The support and revenue of the Foundation is recorded in the financial statements as "cash is received." Consequently, amounts due or receivable from contributors are not recorded in the financial statements. The disbursements of the Foundation are recorded in the financial statements as program or support expenses when "cash is disbursed." Consequently, accounts or grants payable are not recorded in the financial statements.

Summary of Significant Accounting Policies

- (a) In the accompanying financial statements, assets with similar characteristics have been combined in the following net asset groups:

Unrestricted Assets - These assets are used for continuing activities, scholarships, and operations of the Foundation at the discretion of the Foundation's governing body.

Temporarily Restricted Assets - A donor imposed restriction that permits the Foundation to expend the donated assets as specified by the donor. The restriction remains in effect until satisfied by either the passage of time or by actions of the Foundation. The Foundation's expenditures of temporarily restricted assets are restricted to scholarships and faculty activities.

Permanently Restricted Assets - A donor imposed restriction that stipulates that resources be maintained permanently but permits the Foundation to expend part or all of the income or other economic benefit derived from the donated asset. The Foundation's income derived from these resources is restricted to expenditures on scholarships.

- (b) Investments are reported at their market value. Securities traded on a national securities exchange are valued at the last reported sales price on the last business day of the year; investments traded in the over-the-counter market and listed securities for which no sale was reported on that date are valued at fair value based upon the most recently reported bid prices. Short-term debt securities are valued at cost which approximates market. Securities with original maturities of three months or less are reported as cash equivalents.

The net gain or loss on the investment portfolio is determined by calculating the differences between the market value of investment assets held at the end of the year and their market value as of the beginning of the year. Investment expense of \$8,573 has been netted against unrealized loss on investment portfolio.

Independent Auditor's Report on Compliance and Internal Control Over Financial Reporting Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards

We have audited the accompanying financial statements of Muskingum Area Technical College Foundation (the "Foundation") as of and for the year ended June 30, 2000, and have issued our report thereon dated December 18, 2000. We conducted our audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether Foundation's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Foundation's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the accompanying financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the general purpose financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses. However, we noted other matters involving the internal control over financial reporting that we have reported to management of the foundation in a separate letter dated December 18, 2000.

This report is intended for the information of the Board of Directors and management of the Foundation and is not intended to be and should not be used by anyone other than these specified parties.
