REPORT OF INDEPENDENT ACCOUNTANTS

Community Emergency Medical Service District Portage County P.O. Box 9 Garrettsville, Ohio 44231

To the Board of Trustees:

We have audited the accompanying financial statements of Community Emergency Medical Service District, Portage County (the District), as of and for the years ended December 31, 2001 and 2000. These financial statements are the responsibility of the District's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As discussed in Note 1, the District prepares its financial statements on the basis of accounting prescribed or permitted by the Auditor of State, which is a comprehensive basis of accounting other than generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly, in all material respects, the combined fund cash balances and reserves for encumbrances of the District, as of December 31, 2001 and 2000, and its combined cash receipts and disbursements for the years then ended on the basis of accounting described in Note 1.

In accordance with *Government Auditing Standards*, we have also issued our report dated February 8, 2002 on our consideration of the District's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2001 AND 2000

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Description of the Entity

Community Emergency Medical Service District, Portage County, (the District) is a body corporate and politic established to exercise the rights and privileges conveyed to it by the constitution and laws of the State of Ohio. The District provides emergency medical services to the residents of the Village of Garrettsville, Freedom Township, and Nelson Township.

The District is directed by a Board of Trustees. The Board is comprised of three appointed members - one trustee from each division that it provides service to. The District contracts with Community Ambulance Inc. to provide ambulance services.

The District renewed their agreement with Community Ambulance Inc.for the period of January 1, 2000 until December 31, 2003. The agreement requires the District to pay the sum of one hundred and seven-six thousand four dollars (\$176,004) per year, in monthly installments of fourteen thousand six hundred sixty-seven dollars (\$14,667). Conditionally, payment terms are to be reviewed every six months as needed.

The District's management believes these financial statements present all activities for which the District is financially accountable.

B. Basis of Accounting

These financial statements follow the basis of accounting prescribed or permitted by the Auditor of State, which is similar to the cash receipts and disbursements basis of accounting. Receipts are recognized when received in cash rather than when earned, and disbursements are recognized when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as prescribed or permitted by the Auditor of State.

C. Cash and Investments

Investments are included in fund cash balances. Accordingly, purchases of investments are not recorded as disbursements, and sales of investments are not recorded as receipts. Gains or losses at the time of sale are recorded as receipts or disbursements, respectively.

Certificates of deposit are valued at cost.

D. Fund Accounting

The District uses fund accounting to segregate cash and investments that are restricted as to use. The District classifies its funds as a General Fund. The General Fund is the general operating fund. It is used to account for all financial resources except those required to be accounted for in another fund.

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2001 AND 2000 (Continued)

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

E. Budgetary Process

The Ohio Revised Code requires that the General Fund be budgeted annually.

1. Appropriations

Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the fund, function or object level of control, and appropriations may not exceed estimated resources. The Board of Trustees must annually approve appropriation measures and subsequent amendments. The County Budget Commission must also approve the annual appropriation measure. Unencumbered appropriations lapse at year end.

2. Estimated Resources

Estimated resources include estimates of cash to be received (budgeted receipts) plus unencumbered cash as of January 1. The County Budget Commission must also approve estimated resources.

3. Encumbrances

The Ohio Revised Code requires the District to reserve (encumber) appropriations when commitments are made. Encumbrances outstanding at year end are carried over, and need not be reappropriated.

A summary of 2001 and 2000 budgetary activity appears in Note 3.

F. Property, Plant and Equipment

Acquisitions of property, plant and equipment are recorded as capital outlay disbursements when paid. These items are not reflected as assets on the accompanying financial statements.

2. EQUITY IN POOLED CASH AND INVESTMENTS

The District maintains a cash and investment pool used by all funds. The Ohio Revised Code prescribes allowable deposits and investments. The carrying amount of cash and investments at December 31 follows:

0004

	2001	2000
Demand deposits Certificates of deposit	\$80,465 10,000	\$145,997 10,000
Total deposits	\$90,465	\$155,997

Deposits: Deposits are either insured by the Federal Depository Insurance Corporation or collateralized by the financial institution's public entity deposit pool.

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2001 AND 2000 (Continued)

3. BUDGETARY ACTIVITY

Budgetary activity for the years ended December 31, 2001 and 2000 follows:

	2001 Bu	dgeted vs. Actua	al Receipts	
Fund Type		Budgeted	Actual	Variance
Fund Type		Receipts	Receipts	variance
General Fund		\$335,717	\$282,833	(\$52,884)
	Total	\$335,717	\$282,833	(\$52,884)
0004.5			.

2000 E		\$286,438 Actual Budgetar Appropriation	\$245,136 \$245,136 y Basis Expenditur Budgetary	(\$41,302) (\$41,302)

4. PROPERTY TAX

Real property taxes become a lien on January 1 preceding the October 1 date for which rates are adopted by the Board of Trustees. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable homestead and rollback deductions. Homestead and rollback amounts are then paid by the State, and are reflected in the accompanying financial statements as Intergovernmental Receipts. Payments are due to the County by December 31. If the property owner elects to make semiannual payment, the first half is due December 31. The second half payment is due the following June 20.

Public utilities are also taxed on personal and real property located within the District.

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2001 AND 2000 (Continued)

4. PROPERTY TAX (Continued)

Tangible personal property tax is assessed by the property owners, who must file a list of such property to the County by each April 30.

The County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the District.

5. RETIREMENT SYSTEMS

The District's employees belong to the Public Employees Retirement System (PERS) of Ohio. PERS are cost-sharing, multiple-employer plans. This plans provide retirement benefits, including postretirement healthcare, and survivor and disability benefits to participants as prescribed by the Ohio Revised Code.

Contribution rates are prescribed by the Ohio Revised Code. PERS member employees contributed 8.5% of their gross salaries. The District contributed an amount equal to 13.55% of participants' gross salaries through June 30, 2000. PERS temporarily reduced employer contributions to 8.13% effective July 1, 2000. The District has paid all contributions required through December 31, 2001.

6. RISK MANAGEMENT

The District has obtained commercial insurance for the following risks:

- · Commercial General Liability Coverage; and
- Management Liability

REPORT OF INDEPENDENT ACCOUNTANTS ON COMPLIANCE AND ON INTERNAL CONTROL REQUIRED BY GOVERNMENT AUDITING STANDARDS

Community Emergency Medical Service District Portage County P.O. Box 9 Garrettsville, Ohio 44231

To the Board of Trustees:

We have audited the accompanying financial statements of Community Emergency Medical Service District, Portage County (the District) as of and for the years ended December 31, 2001 and 2000, and have issued our report thereon dated February 8, 2002. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether the District's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under Government Auditing Standards.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the District's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses. However, we noted one matter involving the internal control over financial reporting that does not require inclusion in this report, that we have reported to management of the District in a separate letter dated February 8, 2002.
