REPORT OF INDEPENDENT ACCOUNTANTS

Regional Planning Commission
Van Wert County
114 East Main Street
Van Wert, Ohio 45891

To the Board of Commissioners:

We have audited the accompanying financial statements of Regional Planning Commission (the Commission), Van Wert County, as of and for the years ended December 31, 2001 and 2000. These financial statements are the responsibility of the Commission's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As discussed in Note 1, the Commission prepares its financial statements on the basis of accounting prescribed or permitted by the Auditor of State, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

In our opinion, the financial statements referred to above present fairly, in all material respects, the fund cash balances and reserves for encumbrances of the Commission as of December 31, 2001 and 2000, and its cash receipts and disbursements for the years then ended on the basis of accounting described in Note 1.

In accordance with *Government Auditing Standards*, we have also issued our report dated January 11, 2002 on our consideration of the Commission's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

This report is intended solely for the information and use of the audit committee, management, the Board of Commissioners, and other officials authorized to receive this report under § 117.26, Ohio Revised Code, and is not intended to be and should not be used by anyone other than these specified parties.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Description of the Entity

The Regional Planning Commission (the Commission), Van Wert County, is a body corporate and politic established to exercise the rights and privileges conveyed to it by the constitution and laws of the State of Ohio. The Commission is directed by a thirty member member Board. The Board consists of representatives from participating political subdivisions, the county commissioners, and appointed citizens. The Commission formulates and reviews plans affecting long and short term social, economic, and governmental development within the region. The participating subdivisions are:

City of Van Wert	Village of Convoy	Village of Middle Point
Village of Ohio City	Village of Scott	Village of Venedocia
Village of Willshire	Village of Wren	Harrison Township
Hoaglin Township	Jackson Township	Jennings Township
Liberty Township	Pleasant Township	Ridge Township
Tully Township	Union Township	Washington Township
Willshire Township		

The Commission's management believes these financial statements present all activities for which the Commission is financially accountable.

B. Basis of Accounting

These financial statements follow the basis of accounting prescribed or permitted by the Auditor of State, which is similar to the cash receipts and disbursements basis of accounting. Receipts are recognized when received in cash rather than when earned, and disbursements are recognized when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as prescribed or permitted by the Auditor of State.

C. Cash and Investments

As required by Ohio Revised Code, the Van Wert County Treasurer is the custodian of the Commission's monies. The Commission's assets are held in the County's cash and investment pool, and are valued at the County Treasurer's reported carrying amount.

D. Fund Accounting

The Commission uses fund accounting to segregate cash and investments that are restricted as to use. The Commission classifies its funds into the following type:

1. General Fund

The General Fund is the general operating fund. It is used to account for all financial resources except those required to be accounted for in another fund.

E. Budgetary Process

The Commission budgets each fund annually.

1. Appropriations

The Board annually approves appropriations and subsequent amendments. Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the fund, function or object level of control. Unencumbered appropriations lapse at year end.

2. Estimated Resources

Estimated resources include estimates of cash to be received (budgeted receipts) plus unencumbered cash as of January 1.

3. Encumbrances

The Commission reserves (encumbers) appropriations when commitments are made. Encumbrances outstanding at year end are carried over, and need not be reappropriated.

A summary of 2001 and 2000 budgetary activity appears in Note 2.

F. Property, Plant and Equipment

Acquisitions of property, plant and equipment are recorded as capital outlay disbursements when paid. These items are not reflected as assets on the accompanying financial statements.

G. Accumulated Leave

In certain circumstances, such as upon leaving employment, employees are entitled to cash payments for unused leave. Unpaid leave is not reflected as a liability under the basis of accounting the Commission uses.

2. BUDGETARY ACTIVITY

Budgetary activity for the years ended December 31, 2001 and 2000 follows:

	2001 Budgeted vs. Actual Receipts		
Fund Type	Budgeted Receipts	Actual Receipts	Variance
General	\$18,740	\$34,042	\$15,302
Total	\$18,740	\$34,042	\$15,302

3. RETIREMENT SYSTEM

The Commission's employees belong to the Public Employees Retirement System (PERS) of Ohio. PERS is a cost-sharing, multiple-employer plan. This plan provides retirement benefits, including postretirement healthcare, and survivor and disability benefits to participants as prescribed by the Ohio Revised Code.

Contribution rates are also prescribed by the Ohio Revised Code. For 2001 and 2000, PERS members contributed 8.5% of their gross salaries. The Commission contributed an amount equal to 13.55 % of participants' gross salaries through June 30, 2000 and for 2001. PERS temporarily reduced employer contributions to 8.13% effective July 1, 2000 to December 31, 2000. The Commission has paid all contributions required through December 31, 2001.

4. RISK MANAGEMENT

Commercial Insurance

The Commission is included in Van Wert County's commercial insurance policies for the following risks:

- Comprehensive property and general liability;
- Public Officials Liability.

The Commission's full time employees are covered under the County's health insurance and dental and vision coverage through a private carrier.

**REPORT OF INDEPENDENT ACCOUNTANTS ON COMPLIANCE AND ON INTERNAL CONTROL
REQUIRED BY GOVERNMENT AUDITING STANDARDS**

Regional Planning Commission
Van Wert County
114 East Main Street
Van Wert, Ohio 45891

To the Board of Commissioners:

We have audited the financial statements of Regional Planning Commission (the Commission), Van Wert County, as of and for the years ended December 31, 2001 and 2000, and have issued our report thereon dated January 11, 2002. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether the Commission's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Commission's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses. However, we noted other matters involving the internal control over financial reporting that do not require inclusion in this report, that we have reported to management of the Commission in a separate letter dated January 11, 2002.
