### INDEPENDENT ACCOUNTANTS' REPORT

Law Library Association  
Hocking County  
30 West Main Street  
Logan, Ohio 43138

To the Board of Trustees:

We have audited the accompanying financial statement of the General Fund of the Law Library Association, Hocking County, Ohio (the Library), as of and for the years ended December 31, 2002 and 2001. This financial statement is the responsibility of the Library's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As discussed in Note 1, the Library prepares its financial statement on the basis of accounting prescribed or permitted by the Auditor of State, which is a comprehensive basis of accounting other than generally accepted accounting principles. Also, the financial statement presents only the General Fund and is not intended to present fairly the financial position and results of operations of the Library in conformity with the basis of accounting as described in Note 1.

In our opinion, the financial statement referred to above presents fairly, in all material respects, the fund cash balances and reserves for encumbrances of the Library's General Fund as of December 31, 2002 and 2001, and its combined cash receipts and disbursements for the years then ended on the basis of accounting described in Note 1.

In accordance with *Government Auditing Standards*, we have also issued our report dated May 8, 2003 on our consideration of the Library's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**A. Description of the Entity**

The Law Library Association, Hocking County (the Library), is directed by a board of four trustees who are elected by members of the Hocking County Bar Association. The Library provides free access for all county officers and the judges of the several courts within the County.

The Library operates by receiving a portion of fine and forfeiture monies from the courts (and any associated interest) under Ohio Revised Code Sections 3375.50 to .53, inclusive. The Library is permitted to expend funds under Ohio Rev. Code Section 3375.54. The funds of the Library are expended on the purchase, lease or rental of lawbooks; computer communications consoles to access a system of computerized legal research; microfilm materials and equipment, videotape materials and equipment; audio or visual materials and equipment; and other services, materials, and equipment that provide legal information or facilitate legal research.

The Hocking County Commissioners are required by Ohio Rev. Code Section 3375.49 to provide adequate facilities for the Library. The Board of County Commissioners is required to provide suitable bookcases, heating and lighting for the rooms.

The Board of Trustees hires a librarian and not more than two assistant law librarians. The Judge of the Court of Common Pleas of Hocking County fixes the compensation of the librarian and up to two assistant librarians pursuant to Ohio Rev. Code Section 3375.48. If the Library provides free access to all county officers and the judges of the several courts, the salary of the law librarian and up to two assistants should be paid from the county treasury. If the conditions above are not met, then the salary of the librarian and any assistants should be paid by the Library.

The Library's management believes this financial statement presents all public funds for which the Library is financially accountable. Some funds received by the Library are considered private monies. Private monies include: membership dues, overdue book charges and photocopying charges. Fees collected for the use of books and copiers remain private even though the books and copiers may have been purchased with public funds. Private monies can be disbursed at the discretion of the Library. The accompanying financial statement does not present private monies.

**B. Basis of Accounting**

This financial statement follows the basis of accounting prescribed or permitted by the Auditor of State, which is similar to the cash receipts and disbursements basis of accounting. Receipts are recognized when received in cash rather than when earned, and disbursements are recognized when paid rather than when a liability is incurred. The Reserve for Encumbrances on the financial statement represents commitments for purchases the Library has made. Encumbrances are recognized when a commitment is made.

This statement includes adequate disclosure of material matters, as prescribed or permitted by the Auditor of State.

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**C. Cash and Investments**

The Clerk invests all available funds of the Library in a non interest-bearing checking account.

**D. Fund Accounting**

The Library uses fund accounting to segregate cash and investments that are restricted as to use. The Library classifies its funds into the following type:

**General Fund**

The General Fund is the general operating fund. It is used to account for all financial resources except those required to be accounted for in another fund.

**E. Budgetary Process**

The Library is not required to budget annually; however, under Ohio Rev. Code Section 3375.56 the Library is permitted to encumber funds equal to their commitments outstanding at year-end. Encumbrances outstanding at year end are carried over to the subsequent year.

**F. Property, Plant and Equipment**

Acquisitions of equipment are recorded as equipment disbursements when paid. These items are not reflected as assets on the accompanying financial statement. Items purchased which are deemed to be equipment are computers, copiers, fax machines, and other items related toward facilitating the use of the equipment.

**2. CASH AND INVESTMENTS**

The Ohio Revised Code prescribes allowable deposits and investments. The carrying amount of cash at December 31 follows:

	<u>2002</u>	<u>2001</u>
Demand deposits	\$ 999	\$ 204

**Deposits:** Deposits are insured by the Federal Deposit Insurance Corporation.

**3. CALCULATION OF REFUND TO RELATIVE INCOME SOURCES**

In any year that revenues exceed disbursements, the Library refunds at least ninety percent of the unencumbered balance to the political subdivisions who provided the funds. This refund process is referred to as the application of Ohio Rev. Code Section 3375.56, or refund to relative income sources.

For the year ended December 31, 2002, the Library refunded \$9,502 to Hocking County and \$610 to the City of Logan from revenues received from these sources. The balance of cash was encumbered at year-end. For the year ended December 31, 2001, disbursements exceeded revenues and no refund was due. The balance of cash was encumbered at year-end. However, during 2001, Hocking County received \$35,943 and the City of Logan received \$1,420 for refunds due from 2000 or earlier.

**INDEPENDENT ACCOUNTANTS' REPORT ON COMPLIANCE AND ON  
INTERNAL CONTROL REQUIRED BY *GOVERNMENT AUDITING STANDARDS***

Law Library Association  
Hocking County  
30 West Main Street  
Logan, Ohio 43138

To the Board of Trustees:

We have audited the accompanying financial statement of the Law Library Association, Hocking County, Ohio (the Library), as of and for the years ended December 31, 2002 and 2001, and have issued our report thereon dated May 8, 2003. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

**Compliance**

As part of obtaining reasonable assurance about whether the Library's financial statement is free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

**Internal Control Over Financial Reporting**

In planning and performing our audit, we considered the Library's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statement and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses. However, we noted other matters involving the internal control over financial reporting that do not require inclusion in this report, that we have reported to management of the Library in a separate letter dated May 8, 2003.
