INDEPENDENT ACCOUNTANTS' REPORT

Milford Township
Knox County
2122 Vanatta Road
Centerburg, Ohio 43011

To the Board of Trustees:

We have audited the accompanying financial statements of Milford Township, Knox County, Ohio, (the Township) as of and for the years ended December 31, 2002, and December 31, 2001. These financial statements are the responsibility of the Township's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As discussed in Note 1, the Township prepares its financial statements on the basis of accounting prescribed or permitted by the Auditor of State, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

In our opinion, the financial statements referred to above present fairly, in all material respects, the combined fund cash balances of the Township as of December 31, 2002, and December 31, 2001, and its combined cash receipts and cash disbursements for the years then ended on the basis of accounting described in Note 1.

In accordance with *Government Auditing Standards*, we have also issued our report dated July 18, 2003, on our consideration of the Township's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2002 AND 2001**

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Description of the Entity

Milford Township, Knox County, (the Township) is a body corporate and politic established to exercise the rights and privileges conveyed to it by the constitution and laws of the State of Ohio. The Township is directed by a publicly-elected three-member Board of Trustees. The Township provides road and bridge maintenance.

The Township's management believes these financial statements present all activities for which the Township is financially accountable.

B. Basis of Accounting

These financial statements follow the basis of accounting prescribed or permitted by the Auditor of State, which is similar to the cash receipts and disbursements basis of accounting. Receipts are recognized when received in cash rather than when earned, and disbursements are recognized when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as prescribed or permitted by the Auditor of State.

C. Cash

The Township maintains an interest bearing checking account.

D. Fund Accounting

The Township uses fund accounting to segregate cash that is restricted as to use. The Township classifies its funds into the following types:

1. General Fund

The General Fund is the general operating fund. It is used to account for all financial resources except those required to be accounted for in another fund.

2. Special Revenue Funds

These funds are used to account for proceeds from specific sources (other than from trusts or for capital projects) that are restricted to expenditure for specific purposes. The Township had the following significant Special Revenue Funds:

Gasoline Tax Fund - This fund receives gasoline tax money to pay for constructing, maintaining and repairing Township roads.

Road and Bridge Fund - This fund receives property tax money for constructing, maintaining, and repairing Township roads and bridges.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

E. Budgetary Process

The Ohio Revised Code requires that each fund be budgeted annually.

1. Appropriations

Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the fund, function, or object level of control, and appropriations may not exceed estimated resources. The Board of Trustees must annually approve appropriation measures and subsequent amendments. The County Budget Commission must also approve the annual appropriation measure. Appropriations lapse at year end.

2. Estimated Resources

Estimated resources include estimates of cash to be received (budgeted receipts) plus cash as of January 1. The County Budget Commission must also approve estimated resources.

3. Encumbrances

The Ohio Revised Code requires the Township to reserve (encumber) appropriations when individual commitments are made.

A summary of 2002 and 2001 budgetary activity appears in Note 3.

F. Property, Plant and Equipment

Acquisitions of property, plant and equipment are recorded as disbursements when paid. These items are not reflected as assets on the accompanying financial statements.

2. EQUITY IN POOLED CASH

The Township maintains a cash pool used by all funds. The Ohio Revised Code prescribes allowable deposits and investments. The carrying amount of cash at December 31 was as follows:

	2002	2001
Demand deposits	<u>\$129,983</u>	<u>\$136,763</u>

Deposits: Deposits are either insured by the Federal Depository Insurance Corporation or collateralized by the financial institution's public entity deposit pool.

Contrary to Ohio Rev. Code Section 5705.41 (D), the Township did not certify the availability of funds prior to incurring obligations in 2002 and 2001.

4. PROPERTY TAX

Real property taxes become a lien on January 1 preceding the October 1 date for which rates are adopted by the Board of Trustees. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable homestead and rollback deductions. Homestead and rollback amounts are then paid by the State, and are reflected in the accompanying financial statements as Intergovernmental Receipts. Payments are due to the County by December 31. If the property owner elects to make semiannual payments, the first half is due December 31. The second half payment is due the following June 20.

LICKING COUNTY**

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2002 AND 2001
(Continued)**

4. PROPERTY TAX (Continued)

Tangible personal property tax is assessed by the property owners, who must file a list of such property to the County by each April 30.

The County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the Township.

5. DEBT

Debt outstanding at December 31, 2002 was as follows:

	<u>Principal</u>	<u>Interest Rate</u>
Notes	\$27,000	6.25%

Notes were issued in 2001 to finance the purchase of a tractor and a loader to be used for various township purposes. The notes are collateralized by a tax levy.

Amortization of the above debt, including interest, is scheduled as follows:

	<u>Sale of Notes</u>
Year ending December 31:	
2003	\$5,062
2004	5,343
2005	5,624
2006	5,905
2007	6,186
2008	6,467
Total	<u><u>\$34,587</u></u>

6. RETIREMENT SYSTEM

The Township's employees belong to the Public Employees Retirement System (PERS) of Ohio. PERS is a cost-sharing, multiple-employer plan. The plan provides retirement benefits, including postretirement healthcare, and survivor and disability benefits to participants as prescribed by the Ohio Revised Code.

Contribution rates are also prescribed by the Ohio Revised Code. For 2002 and 2001, PERS members contributed 8.5% of their gross salaries. The Township contributed an amount equal to 13.55% of participants' gross salaries for 2001 and 2002. The Township has paid all contributions required through December 31, 2002.

7. RISK MANAGEMENT

Risk Pool Membership

The Township belongs to the Ohio Township Association Risk Management Authority (OTARMA), a risk-sharing pool available to Ohio townships. OTARMA provides property and casualty coverage for its members. OTARMA is a member of the American Public Entity Excess Pool (APEEP). Member governments pay annual contributions to fund OTARMA. OTARMA pays judgments, settlements and other expenses resulting from covered claims that exceed the members' deductibles.

**MILFORD TOWNSHIP
LICKING COUNTY**

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2002 AND 2001
(Continued)**

7. RISK MANAGEMENT (Continued)

Casualty Coverage

OTARMA retains casualty risks up to \$250,000 per claim, including loss adjustment expenses. Claims exceeding \$250,000 are reinsured with APEEP up to \$1,750,000 per claim and \$5,000,000 in the aggregate per year. Governments can elect additional coverage, from \$2,000,000 to \$10,000,000, from the General Reinsurance Corporation.

If losses exhaust OTARMA's retained earnings, APEEP covers OTARMA losses up to \$5,000,000 per year, subject to a per-claim limit of \$2,000,000.

Property Coverage

OTARMA retains property risks, including automobile physical damage, up to \$10,000 on any specific loss with an annual aggregate of \$700,000 for 2001 and \$1,250,000 for 2002. The Travelers Indemnity Company reinsures losses exceeding \$10,000 if the annual aggregate is reached and all specific losses exceeding \$100,000. APEEP's Operating Fund and Guarantee Fund pay for losses and loss adjustment expenses should they exceed operating contributions.

The aforementioned casualty and property reinsurance agreements do not discharge OTARMA's primary liability for claims payments on covered losses. Claims exceeding coverage limits are the obligation of the respective government.

Financial Position

OTARMA's financial statements (audited by other accountants) conform with generally accepted accounting principles, and reported the following assets, liabilities and retained earnings at December 31:

<u>Casualty Coverage</u>	<u>2002</u>	<u>2001</u>
Assets	\$23,757,036	\$23,703,776
Liabilities	(9,197,512)	(9,379,003)

<u>Property Coverage</u>	<u>2002</u>	<u>2001</u>
Assets	\$6,596,996	\$5,011,131
Liabilities	(1,204,326)	(647,667)
Retained earnings	<u>\$5,392,670</u>	<u>\$4,363,464</u>

**INDEPENDENT ACCOUNTANTS' REPORT ON COMPLIANCE AND ON INTERNAL CONTROL
REQUIRED BY GOVERNMENT AUDITING STANDARDS**

Milford Township
Knox County
2122 Vanatta Road
Centerburg, Ohio 43011

To the Board of Trustees:

We have audited the accompanying financial statements of Milford Township, Knox County, Ohio, (the Township) as of and for the years ended December 31, 2002, and December 31, 2001, and have issued our report thereon dated July 18, 2003. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether the Township's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed an instance of noncompliance that is required to be reported under *Government Auditing Standards* which is described in the accompanying schedule of finding as item 2002-001.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Township's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses. However, we noted a matter involving the internal control over financial reporting that does not require inclusion in this report, that we have reported to management of the Township in a separate letter dated July 18, 2003.

DECEMBER 31, 2002 AND 2001**

**FINDING RELATED TO THE FINANCIAL STATEMENTS
REQUIRED TO BE REPORTED IN ACCORDANCE WITH GAGAS**

FINDING NUMBER 2002-001

Prior Certification

Ohio Rev. Code Section 5705.41(D) states no subdivision shall make any contract or order any expenditure of money unless the certificate of the fiscal officer is attached. The fiscal officer must certify that the amount required to meet such a commitment has been lawfully appropriated and is in the treasury or in the process of collection to the credit of an appropriate fund free from any previous encumbrance by the issuance of a regular certificate, a blanket certificate, or a super blanket certificate. Blanket certificates can be issued for an amount not exceeding \$5,000 against any specific line item account over a period not exceeding 3 months, and not extending beyond the end of the current fiscal year. A super blanket certificate may be issued for any amount from a specific line item appropriation account in a specific fund, for most recurring or reasonable predictable operating expenditures. Super blanket certificates may not extend beyond the end of the current fiscal year.

This section also provides two exceptions to the above requirements:

- A. If no certificate is furnished as required, upon receipt of the fiscal officer's certificate that a sufficient sum was both at the time of the contract or order and at the time of the certificate appropriated and free of any previous encumbrances, the Township may authorize the issuance of a warrant in payment of the amount due upon such contract or order by resolution within 30 days from the receipt of such certificate (a then and now certificate), if such expenditure is otherwise valid.
- B. If the amount involved is less than one thousand dollars, the fiscal officer may authorize it to be paid without the affirmation of the Board of Trustees upon a completion of a then and now certificate, provided that the expenditure is otherwise lawful. As of April 7, 2003, this amount was increased to three thousand dollars.

Ninety-four percent of the transactions tested were not certified by the fiscal officer at the time the commitment was incurred and neither of the exceptions provided for were used. Unless the exceptions noted above are used, prior certification is not only required by statute but is a key control in the disbursement process to assure that purchase commitments receive prior approval. To improve controls over disbursements and to help reduce the possibility of Township funds being over expended or exceeding budgetary spending limitations, we recommend that the Township Clerk certify that the funds are or will be available prior to obligation by Township personnel. When prior certification is not possible, then and now certification should be utilized.
