**INDEPENDENT ACCOUNTANTS' REPORT**

Village of Moreland Hills  
Cuyahoga County  
4350 SOM Center Road  
Moreland Hills, Ohio 44022

To the Village Council:

We have audited the accompanying financial statements of the Village of Moreland Hills, Cuyahoga County, Ohio, (the Village) as of and for the year ended December 31, 2002. These financial statements are the responsibility of the Village's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1, the Village prepares its financial statements on the basis of accounting prescribed or permitted by the Auditor of State, which is a comprehensive basis of accounting other than generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly, in all material respects, the combined fund cash balances and reserves for encumbrances of the Village of Moreland Hills, Cuyahoga County, Ohio, as of December 31, 2002, and its combined cash receipts and disbursements for the years then ended on the basis of accounting described in Note 1.

In accordance with *Government Auditing Standards*, we have also issued our report dated April 1, 2003 on our consideration of the Village's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

This report is intended solely for the information and use of management, the Village Council, and other officials authorized to receive this report under § 117.26, Ohio Revised Code, and is not intended to be and should not be used by anyone other than these specified parties.

**NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2002**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**A. Description of the Entity**

The Village of Moreland Hills, Cuyahoga County, Ohio, (the Village) is a body corporate and politic established to exercise the rights and privileges conveyed to it by the constitution and laws of the State of Ohio. The Village is directed by a publicly-elected six-member Council. The Village provides general government services, including road maintenance, rubbish collections, sanitary/storm sewer facilities, building inspections, zoning, police services and safety services.

The Village contracts with the Village of Chagrin Falls to provide fire protection and ambulance services.

The Village's management believes these financial statements present all activities for which the Village is financially accountable

The Village is a member of the Northeast Ohio Public Energy Council ("NOPEC"), a jointly governed organization. NOPEC is a regional council of governments formed under Chapter 167 of the Ohio Revised Code. NOPEC was formed to serve as a vehicle for communities wishing to proceed jointly with an aggregation program for the purchase of utilities. NOPEC is currently comprised of over 100 communities who have been authorized by ballot to purchase electricity on behalf of their citizens. The intent of NOPEC is to provide electricity at the lowest possible rates while at the same time insuring stability in prices by entering into long-term contracts with suppliers to provide electricity to the citizens of its member communities.

NOPEC is governed by a General Assembly made up of one representative from each member community. The representatives from each County then elect one person to serve on the eight-member NOPEC Board of Directors. The Board of Directors oversees and manages the operation of the aggregation program. The degree of control exercised by any participating government is limited to its representation in the General Assembly and on the Board of Directors. The Village did not contribute to NOPEC in 2002. Financial information can be obtained by contacting Dan DiLiberto, Board Chairman, 1615 Clark Avenue, Cleveland, Ohio 44109.

**B. Basis of Accounting**

These financial statements follow the basis of accounting prescribed or permitted by the Auditor of State, which is similar to the cash receipts and disbursements basis of accounting. Receipts are recognized when received in cash rather than when earned, and disbursements are recognized when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as prescribed or permitted by the Auditor of State.

**C. Cash and Investments**

Investments are included in fund cash balances. Accordingly, purchases of investments are not recorded as disbursements, and sales of investments are not recorded as receipts. Gains or losses at the time of sale are recorded as receipts or disbursements, respectively.

The Sweep Account and U.S. Government Securities are valued at cost. The investment in STAROhio (the State Treasurer's Investment Pool) is valued at amounts reported by the State Treasurer.

**D. Fund Accounting**

The Village uses fund accounting to segregate cash and investments that are restricted as to use. The Village classifies its funds into the following types:

**1. General Fund**

The General Fund is the general operating fund. It is used to account for all financial resources except those required to be accounted for in another fund.

**2. Special Revenue Funds**

These funds are used to account for proceeds from specific sources (other than from trusts or for capital projects) that are restricted to expenditure for specific purposes. The Village had the following significant Special Revenue Funds:

*Street Construction, Maintenance and Repair Fund* - This fund receives gasoline tax and motor vehicle tax money for constructing, maintaining and repairing Village streets.

*Police and Fire Levy Fund* -This fund receives property tax and state money to provide fire and ambulance services to the Village residence through a contract with the Village of Chagrin Falls.

**3. Debt Service Funds**

These funds are used to accumulate resources for the payment of bonds and note indebtedness. The Village had the following significant Debt Service Funds:

*Special Assessment Bond Retirement Fund* – This fund receives assessments from local taxpayers for the retirement of bonds.

*General Bond Retirement Fund* – This fund receives property tax, state money, and note proceeds for the retirement of debt.

**4. Capital Project Funds**

These funds are used to account for receipts that are restricted for the acquisition or construction of major capital projects (except those financed through enterprise or trust funds). The Village had the following significant Capital Project Funds:

*Rt. 91/Miles Road Fund* - This fund receives proceeds from the Ohio Public Works Commission grant and advances. The proceeds are being used for the project that will widen the intersection at Rt. 91 and Miles Road.

*Hiram Trail Fund* – This fund receives proceeds from advances. The proceeds are being used for the resurfacing of Hiram Trail.

A summary of the 2002 budgetary activity appears in Note 3.

F. **Property, Plant and Equipment**

Acquisitions of property, plant and equipment are recorded as disbursements when paid. These items are not reflected as assets on the accompanying financial statements.

**INDEPENDENT ACCOUNTANTS' REPORT ON COMPLIANCE AND ON INTERNAL CONTROL  
REQUIRED BY *GOVERNMENT AUDITING STANDARDS***

Village of Moreland Hills  
Cuyahoga County  
4350 SOM Center Road  
Moreland Hills, Ohio 44022

To the Village Council:

We have audited the financial statements of the Village of Moreland Hills, Cuyahoga County, Ohio, (the Village) as of and for the year ended December 31, 2002, and have issued our report thereon dated April 1, 2003. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

**Compliance**

As part of obtaining reasonable assurance about whether the Village's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed instances of noncompliance that are required to be reported under *Government Auditing Standards* which are described in the accompanying schedule of findings as items 2002-30818-001 and 2002-30818-002. We also noted certain immaterial instances of noncompliance that we have reported to management of the Village in a separate letter dated April 1, 2003.

**Internal Control Over Financial Reporting**

In planning and performing our audit, we considered the Village's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses. However, we noted other matters involving the internal control over financial reporting that do not require inclusion in this report, that we have reported to management of the Village in a separate letter dated April 1, 2003.

**SCHEDULE OF FINDINGS  
FOR THE YEAR ENDED DECEMBER 31, 2002**

<b>FINDINGS RELATED TO THE FINANCIAL STATEMENTS REQUIRED TO BE REPORTED IN ACCORDANCE WITH GAGAS</b>
--

<b>Finding Number</b>	<b>2002-30818-001</b>
-----------------------	-----------------------

Ohio Revised Code Section 5705.39 states, total appropriations should not exceed total estimated revenue.

During our mid-year testing, September 30, 2002, the following funds had total appropriations in excess of estimated resources:

	<b>Estimated Revenues Plus Carryover Balance</b>	<b>Appropriations</b>	<b>Excess</b>
<b>Special Revenue Funds:</b>			
Police Firing Range	\$0	\$196,000	\$196,000
SCMR	728,246	983,481	255,235
<b>Debt Service Fund:</b>			
General Bond Retirement	554,278	582,522	28,244
<b>Capital Project Funds:</b>			
Rt. 91/Miles Road	417,549	961,258	543,709
Hiram Trail	0	310,640	310,640
Jackson Road Resurfacing	0	611,184	611,184

These variances were corrected by December 31, 2002.

We recommend the Village not appropriate in excess of its estimated revenues and make adjustments, as appropriate, to the certificate and/or the appropriations throughout the year to ensure compliance with the above requirement.

<b>Finding Number</b>	<b>2002-30818-002</b>
-----------------------	-----------------------

Ohio Revised Code Section 5705.10 states, in part, money paid into any fund shall be used only for purposes for which the fund is established. Fund balances at September 30, 2002, included the following individual fund deficits:

<b>Capital Project Funds:</b>	
Rt. 91/Miles Road Fund	\$490,901
Hiram Trail Fund	288,250
Jackson Road Resurfacing Fund	492,869

These negative fund balances were corrected by December 31, 2002, through advances from the General Fund.

We recommend that the Village take the appropriate measures to ensure no negative cash fund balances exist throughout the year.
