#### To the Board of Trustees:

As you are aware, the Auditor of State's Office (AOS) must modify the *Independent Accountants' Report* we provide on your financial statement due to an interpretation from the American Institute of Certified Public Accountants (AICPA). While AOS does not legally require your government to prepare your financial statement pursuant to Generally Accepted Accounting Principles (GAAP), the AICPA interpretation requires auditors to formally acknowledge that you did not prepare your financial statement in accordance with GAAP. Our Report includes an adverse opinion relating to GAAP presentation and measurement requirements, but does not imply the amounts the statements present are misstated under the non-GAAP basis you follow. The AOS report also includes an opinion on the financial statement you prepared using the cash basis and financial statement format the AOS permits.

#### INDEPENDENT ACCOUNTANTS' REPORT

Law Library Association Noble County 300 County Court House Caldwell, Ohio 43724

To the Board of Trustees:

We have audited the accompanying financial statement of the General Fund and the Retained Monies Fund of the Law Library Association, Noble County, Ohio (the Library), as of and for the year ended December 31, 2009. This financial statement is the responsibility of the Library's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require that we plan and perform the audit to reasonably assure whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe our audit provides a reasonable basis for our opinion.

The financial statement presents only the General Fund and the Retained Monies Fund and does not intend to present fairly the financial position or results of operations of all the Library funds.

As described more fully in Note 1, the Library has prepared this financial statement using accounting practices the Auditor of State prescribes or permits. These practices differ from accounting principles generally accepted in the United States of America (GAAP). Although we cannot reasonably determine the effects on the financial statement of the variances between these regulatory accounting practices and GAAP, we presume they are material.

While the Library does not follow GAAP, generally accepted auditing standards requires us to include the following paragraph if the statement does not substantially conform to GAAP presentation requirements. The Auditor of State permits, but does not require law library associations to reformat their statement. The Library has elected not to follow GAAP statement formatting requirements. The following paragraph does not imply the amounts reported are materially misstated under the accounting basis the Auditor of State permits. Our opinion on the fair presentation of the amounts reported pursuant to its non-GAAP basis is in the second following paragraph.

In our opinion, because of the effects of the matter discussed in the preceding two paragraphs, the financial statement referred to above for the year ended December 31, 2009 does not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the Library as of December 31, 2009, or its changes in financial position for the year then ended.

Also, in our opinion, the financial statement referred to above presents fairly, in all material respects, the fund cash balances of the Law Library Association, Noble County, Ohio, General Fund and the Retained Monies Fund as of December 31, 2009, and its cash receipts and disbursements for the years then ended on the accounting basis Note 1 describes.

As described in Note 1, per HB 420 of the 127th General Assembly, the Library must transfer its public cash and property purchased with public funds to the County on or before January 1, 2010. Effective January 1, 2010, the County will report the Law Library operations in a Law Library Resources Special Revenue Fund (LLRF). As described in Note 4, the Library deposited its General and Retained money funds to the County on February 22, 2010. These LLRF transactions will be included within the scope of the County audit for fiscal year ending December 31, 2010 and subsequent years.

The Library has not presented Management's Discussion and Analysis, which accounting principles generally accepted in the United States of America has determined is necessary to supplement, although not required to be part of, the financial statement.

In accordance with *Government Auditing Standards*, we have also issued our report dated March 10, 2010, on our consideration of the Library's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. While we did not opine on the internal control over financial reporting or on compliance, that report describes the scope of our testing of internal control over financial reporting and compliance, and the results of that testing. That report is an integral part of an audit performed in accordance with *Government Auditing Standards*. You should read it in conjunction with this report in assessing the results of our audit.

### NOTES TO THE FINANCIAL STATEMENT DECEMBER 31, 2009

#### 1. Summary of Significant Accounting Policies

#### A. Description of the Entity

The Law Library Association, Noble County (the Library), is governed by a board of 3 trustees. Members of the Noble County Bar Association elected tri-annually elect the board members. The Library provides access to all county officers and the judges of the several courts within the county.

The Library operates by receiving a portion of fine and forfeiture monies from the courts (and any associated interest) under Ohio Revised Code (ORC) §§ 3375.50 to .53, inclusive. ORC § 3375.54 authorizes the Library to disburse funds to purchase, lease or rent law books; computer communications consoles to access a system of computerized legal research; microfilm materials and equipment, videotape materials and equipment; audio or visual materials and equipment; and other services, materials, and equipment that provide legal information or facilitate legal research.

ORC §3375.49 requires the Noble County Commissioners to provide adequate facilities for the Library, including suitable bookcases, heating and lighting for the rooms.

The Board of Trustees hires a librarian and not more than two assistant law librarians. The Judges of the Court of Common Pleas of Noble County fix these librarians' compensation pursuant to ORC § 3375.48. If the Library provides free access to all county officers and the judges of the several courts, the County treasury pays the librarians' salary. If the Library does not provide free access, the Library must pay the librarians' salary.

House Bill 66 amended Ohio Rev. Code Section 3375.48 effective September 29, 2005 to transfer the authority to fix the compensation of the law librarian and assistant law librarians from the judges of the common pleas court to the county law library association's board of trustees. During 2009, the County Commissioners were responsible for compensating the librarian and up to two assistants and for the costs of the space and utilities.

As of January 1, 2010, a Law Library Resources Board (LLRB) will govern county law libraries. Each county will establish a county law library resources fund (LLRF) as required by Ohio Revised Code Section 307.514. On or about January 1, 2010 the Library must transfer money and property purchased with fine and penalties monies to the LLRB. Expenditures from the LLRF fund shall be made pursuant to the annual appropriation measure adopted by the commissioners.

The Library's management believes the financial statement presents all public funds for which the Library is financially accountable. The Library does not maintain any private monies.

#### **B.** Accounting Basis

The financial statement follows the accounting basis the Auditor of State prescribes or permits. This basis is similar to the cash receipts and disbursements accounting basis. The Library recognizes receipts when received in cash rather than when earned, and recognizes disbursements when paid rather than when a liability is incurred.

The statement includes adequate disclosure of material matters, as the Auditor of State prescribes or permits.

## NOTES TO THE FINANCIAL STATEMENT DECEMBER 31, 2009 (Continued)

#### 1. Summary of Significant Accounting Policies (Continued)

#### C. Fund Accounting

The Library uses fund accounting to segregate cash that is restricted as to use. The Library classifies its funds into the following types:

#### 1. General Fund

The General Fund reports all financial resources except those required to be accounted for in another fund.

#### 2. Retained Monies Fund

The Retained Monies Fund reports funds the Library retains under Ohio Revised Code § 3375.56. At the end of each calendar year the Library may retain up to ten percent of their unencumbered balance.

#### D. Property, Plant, and Equipment

The Library records disbursements for acquisitions of property, plant, and equipment when paid. The accompanying financial statement does not report these items as assets.

#### 2. Equity in Pooled Deposits and Investments

The Library maintains a cash pool all funds use. The Ohio Revised Code prescribes allowable deposits. The carrying amount of deposits at December 31 was as follows:

	2009
Demand deposits	\$202

**Deposits:** Deposits are insured by the Federal Deposit Insurance Corporation.

#### 3. Risk Management

#### **Commercial Insurance**

The Library has obtained commercial insurance through the Noble County Commissioners for the following risks:

- · Comprehensive property and general liability; and
- · Errors and omissions.

#### 4. Subsequent Event

The Library deposited its General and Retained Monies Funds, in the amount of \$202.69, to the County on February 22, 2010. The Library had no equipment or property requiring transfer to the County per HB 420.

## INDEPENDENT ACCOUNTANTS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY GOVERNMENT AUDITING STANDARDS

Law Library Association Noble County 300 County Court House Caldwell, Ohio 43724

To the Library Board of Trustees:

We have audited the financial statement of the Law Library Association, Noble County, Ohio (the Library), as of and for the year ended December 31, 2009, and have issued our report thereon dated March 10, 2010, wherein we noted the Library prepared its financial statements using accounting practices the Auditor of State prescribes or permits rather than accounting principles generally accepted in the United States of America. We also disclosed the financial statement includes only the General Fund and the Retained Monies Fund. In addition, we disclosed that this is the Library's final audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*.

#### **Internal Control Over Financial Reporting**

In planning and performing our audit, we considered the Library's internal control over financial reporting as a basis for designing our audit procedures for the purpose of expressing our opinions on the financial statements, but not for the purpose of opining on the effectiveness of the Library's internal control over financial reporting. Accordingly, we have not opined on the effectiveness of the Library's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, when performing their assigned functions, to prevent or detect and timely correct misstatements. A material weakness is a deficiency, or combination of internal control deficiencies resulting in more than a reasonable possibility that a material misstatement of the Library's financial statements will not be prevented, or detected and timely corrected.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider material weaknesses, as defined above.

#### **Compliance and Other Matters**

As part of reasonably assuring whether the Library's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*.

We intend this report solely for the information and use of the management and the Board of Trustees. We intend it for no one other than these specified parties.
