INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

Sharon Township
Richland County
43 West Main St
Second Floor, Room 2
Shelby, Ohio 44875

We have performed the procedures enumerated below, with which the Board of Trustees and the management of Sharon Township, Richland County, Ohio and the Auditor of State agreed, solely to assist the Board in evaluating receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2011 and 2010, and certain compliance requirements related to these transactions and balances. Management is responsible for recording transactions; and management and the Board are responsible for complying with the compliance requirements. This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants' attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The Township processes its financial transactions with the Auditor of State's Uniform Accounting Network (UAN). *Government Auditing Standards* considers this service to impair the independence of the Auditor of State to provide attest services to the Township because the Auditor of State designed, developed, implemented, and as requested, operates UAN. However, *Government Auditing Standards* permits the Auditor of State to perform this engagement, because Ohio Revised Code § 117.101 requires the Auditor of State to provide UAN services, and Ohio Revised Code § 117.11(A) mandates the Auditor of State to perform attest services for Ohio governments.

This report only describes exceptions exceeding \$10.

Payroll Cash Disbursements

1. We haphazardly selected one payroll check for five employees from 2011 and one payroll check for five employees from 2010 from the Employee Detail Adjustment Report and:

Compliance – Budgetary

1. We compared the total from the Amended Official Certificate of Estimated resources, required by Ohio Rev. Code Section 5705.36(A)(1), to the amounts recorded in the Cash Summary and Comp. of Budgetary and Actual Receipts by Fund for the General Fund, the Motor Vehicle License Tax Fund and the Gasoline Tax Fund for the years ended December 31, 2011 and 2010. The amounts agreed.
2. We scanned the appropriation measures adopted for the 2010 and 2011 year for the General Fund, the Motor Vehicle License Tax Fund and the Gasoline Tax Fund, where appropriated separately for "each office, department, and division, and within each, the amount appropriated for personal services," as is required by Ohio Rev. Code Section 5705.38(C). We found no exceptions.
3. We compared total appropriations required by Ohio Rev. Code Sections 5705.38 and 5705.40, to the amounts recorded in the Comp. of Disb./ Encumbrances for 2011 and 2010 for the following funds: General Fund, Motor Vehicle License Tax Fund and Gasoline Tax Fund. The amounts on the appropriation resolutions agreed to the amounts recorded in the Comp. of Disb./ Encumbrances. No exceptions noted.
4. Per scan of the Comp. of Disb./ Encumbrances we noted no appropriations exceeding the certified resources, prohibited by the Ohio Rev. Code Sections 5075.36(A)(5) and 5705.39. We also inquired of management regarding whether the Township received new restricted receipts. We noted no evidence of new restricted receipts for which Ohio Rev. Code Section 5705.09 would require the Township to establish a new fund.
7. We scanned the 2011 and 2010 Revenue Status Reports and Appropriation Status Reports for evidence of interfund transfers exceeding \$5,000 which Ohio Rev. Code Sections 5705.14 -- .16 restrict. We found no evidence of transfers these Sections prohibit, or for which Section 5705.16 would require approval by the Tax Commissioner and Court of Common Pleas.
8. We inquired of management and scanned the Appropriation Status Reports to determine whether the Township elected to establish reserve accounts permitted by Ohio Rev. Code Section 5705.13. We noted the Township did not establish these reserves.

For 2011 we identified a contract exceeding the \$45,000 amount subject to Ohio Rev. Code Section 5575.01. For this project, we noted that the Board advertised the project in a local newspaper, and selected the only bid

2. We inquired of management and scanned the Payment Register Detail Report for the years ended December 31, 2011 and 2010 to determine if the township proceeded by force account (i.e. used its own employees) to maintain or repair roads (cost of project \$15,000-\$45,000) or to construct or reconstruct township roads (cost of project \$5,000-\$15,000/per mile) for which Ohio Rev. Code Section 5575.01 requires the county engineer to complete a force account project assessment form (i.e., cost estimate). We identified no projects requiring the county engineer to complete a force account cost estimate.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on the Township's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of management, those charged with governance and is not intended to be, and should not be used by anyone other than these specified parties.
