Independent Accountants' Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Required by Government Auditing Standards	11

West Central Community Correctional Facility Union County 18200 State Route 4 North Marysville, Ohio 43040

To the Members of the Judicial Advisory Board and Facility Governing Board:

As you are aware, the Auditor of State's Office (AOS) must modify the *Independent Accountants' Report* we provide on your financial statements due to an interpretation from the American Institute of Certified Public Accountants (AICPA). While Ohio Department of Rehabilitations and Corrections (ODRC) does not legally require your Facility to prepare financial statements pursuant to Generally Accepted Accounting Principles (GAAP), the AICPA interpretation requires auditors to formally acknowledge that you did not prepare your financial statements in accordance with GAAP. Our Report includes an adverse opinion relating to GAAP presentation and measurement requirements, but does not imply the amounts the statements present are misstated under the non-GAAP basis you follow. The AOS report also includes an opinion on the financial statements you prepared using the cash basis and financial statement format the ODRC prescribes and permits.

#### INDEPENDENT ACCOUNTANTS' REPORT

West Central Community Correctional Facility Union County 18200 State Route 4 North Marysville, Ohio 43040

To the Members of the Judicial Advisory Board and Facility Governing Board:

We have audited the accompanying financial statements of West Central Community Correctional Facility, Union County, Ohio (the Facility) as of and for the years ended June 30, 2012 and 2011. These financial statements are the responsibility of the Facility's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require that we plan and perform the audit to reasonably assure whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe our audit provides a reasonable basis for our opinion.

As described more fully in Note 1, the Facility has prepared these financial statements using accounting practices the Ohio Department of Rehabilitations and Corrections prescribes or permits. These practices differ from accounting principles generally accepted in the United States of America (GAAP). Although we cannot reasonably determine the effects on the financial statements of the variances between these regulatory accounting practices and GAAP, we presume they are material.

Instead of the funds the accompanying financial statements present, GAAP require presenting entity wide statements and also presenting the Facility's larger (i.e. major) funds separately. While the Facility does not follow GAAP, generally accepted auditing standards requires us to include the following paragraph if the statements do not substantially conform to GAAP presentation requirements. The Ohio Department of Rehabilitations and Corrections permits, but does not require Facilities to reformat their statements. The Facility has elected not to follow GAAP statement formatting requirements. The following paragraph does not imply the amounts reported are materially misstated under the accounting basis the Ohio Department of Rehabilitation and Corrections permits. Our opinion on the fair presentation of the amounts reported pursuant to its non-GAAP basis is in the second following paragraph.

In our opinion, because of the effects of the matter discussed in the preceding two paragraphs, the financial statements referred to above for the years ended June 30, 2012 and 2011 do not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the Facility as of June 30, 2012 and 2011, or its changes in financial position for the years then ended.

88 East Broad Street, Tenth Floor, Columbus, Ohio 43215-3506 Phone: 614-466-3402 or 800-443-9275 Fax: 614-728-7199 West Central Community Correctional Facility Union County Independent Accountants' Report Page 2

Also, in our opinion, the financial statements referred to above present fairly, in all material respects, the cash balances and unspent obligations as of June 30, 2012 and 2011 of West Central Community Correctional Facility, Union County, Ohio, and its cash receipts and disbursements for the years then ended on the accounting basis Note 1 describes.

In accordance with *Government Auditing Standards*, we have also issued our report dated October 2, 2012, on our consideration of the Facility's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. While we did not opine on the internal control over financial reporting or on compliance, that report describes the scope of our testing of internal control over financial reporting and compliance, and the results of that testing. That report is an integral part of an audit performed in accordance with *Government Auditing Standards*. You should read it in conjunction with this report in assessing the results of our audit.

#### NOTES TO THE FINANCIAL STATEMENTS JUNE 30, 2012 AND 2011

#### 1. Summary of Significant Accounting Policies

#### A. Description of the Entity

The West Central Community Correctional Facility (the Facility) provides an alternative to prison incarceration for felony offenders. The Facility is the last step in the continuum of increasing punishment before prison incarceration. The Facility is a minimum security operation housing approximately 125 offenders. A Facilities Governing Board oversees the Facility's operations. Common pleas judges from the Counties the Facility serves comprise a Judicial Advisory Board. The Judicial Advisory Board appoints two-thirds of the members of the Facility Governing Board and advises the Facilities Governing Board regarding Facility matters. The Board includes at least one common pleas court judge from each county the Facility serves. The Facility serves the following counties:

Champaign County Logan County Morrow County

Clark County Madison County Union County

Delaware County Marion County

For the years ended June 30, 2012 and 2011, the financial statements presents all funds related to the Facility.

#### B. Basis of Accounting

These financial statements follow the basis of accounting the Ohio Department of Rehabilitation and Corrections prescribes or permits. This basis is similar to the cash receipts and disbursements accounting basis. The Facility recognizes receipts when received in cash rather than when earned, and recognizes disbursements when paid rather than when a liability is incurred.

These statements adequately disclose material matters the Ohio Department of Rehabilitation and Corrections requires.

#### C. Deposits and Investments

The Clark County and Union County Treasurer is the custodian of the Facility's grant funds and State appropriations. The Counties hold these Facility assets in the County's deposit and investment pools, valued at the County Treasurer's reported carrying amount. The Facility holds offenders' cash in demand deposit accounts.

#### D. Fund Accounting

The Facility uses fund accounting to segregate amounts that are restricted as to use. The Facility has the following funds:

#### **State Appropriations and Grants**

Ohio Department of Rehabilitation and Corrections (ODRC) 501-501 Funding: ODRC grants this funding, appropriated from the State's General Fund, to the Facility to support general operating costs.

#### NOTES TO THE FINANCIAL STATEMENTS JUNE 30, 2012 AND 2011 (Continued)

#### 1. Summary of Significant Accounting Policies (Continued)

#### D. Fund Accounting (Continued)

#### **State Appropriations and Grants (Continued)**

<u>Federal</u>: Reports amounts received from the Federal government, including amounts passed through ODRC. The Facility received ABLE and Title I funding for contracting instructors and specialists to aid in the rehabilitation of offenders.

<u>Capital CAP 003</u>: Reports amounts received from the ODRC to finance all or part of the cost of the renovating or building facilities.

<u>Probation:</u> Reports amounts received from the ODRC for a Probation Improvement and Incentive Funding grant for the purpose of adopting and administering evidence-based programs, policies, projects, or practices to reduce the number of felony offenders on community control who violate the conditions of their supervision and are admitted to prison.

#### Offender Funds

Resident Fund: The Facility receives and holds amounts in a custodial capacity for each offender while confined. The Facility holds personal funds, including salaries offenders earn while confined, and maintains separate balances for each offender. The Facility makes payments as directed by the offender or per program requirements. Upon release, the Facility pays remaining funds to the offender.

<u>Family Fund</u>: This fund receives other Offender Funds, such as telephone and commissary commissions, and per diem rates charged to employed offenders. This fund pays for programs and services benefiting offenders, such as indigent offenders' supplies and entertainment. The Resident Fund reimburses this Fund for costs chargeable to Offender Funds.

#### E. Budgetary Process

#### 1. Appropriations

The Facility must budget its intended uses of ODRC 501-501 funding as part of its funding application to ODRC. After ODRC approves the budget, the Board formally adopts it. The Facility cannot spend or obligate (i.e., encumber) more than the appropriation. Facilities must obtain approval from ODRC to transfer amounts between budget categories.

Disbursements from State appropriations and Grants are subject to Clark and Union County's payment approval process. The County Auditor must approve (i.e., certify and encumber) certain payments when the Facility commits to make a payment. The budgetary disbursement amounts reported in Note 2 include cash disbursed against the current year budget plus amounts spent within ninety days of June 30 to liquidate year-end commitments. Amounts not liquidated within ninety days of June 30 are subject to refund to ODRC, unless ODRC approves an extension. (See Note 4.)

A summary of 2012 and 2011 budgetary activity appears in Note 2.

#### NOTES TO THE FINANCIAL STATEMENTS JUNE 30, 2012 AND 2011 (Continued)

#### 1. Summary of Significant Accounting Policies (Continued)

#### F. Property, Plant, and Equipment

The Facility records disbursements for acquisitions of property, plant, and equipment when paid. The accompanying financial statements do not report these acquisitions as assets.

#### G. Accumulated Leave

In certain circumstances, such as upon leaving employment, employees are entitled to cash payments for unused leave. The financial statements do not include a liability for unpaid leave.

#### 2. Budgetary Activity

Budgetary activity for ODRC 501-501 funding for the years ending June 30, 2012 and 2011 follows:

#### NOTES TO THE FINANCIAL STATEMENTS JUNE 30, 2012 AND 2011 (Continued)

#### 4. Refund To ODRC

The agreement between the County and ODRC permits the Facility to retain a maximum of one-twelfth of the grant award after liquidating encumbrances outstanding at June 30. The Facility must refund any excess over this amount to ODRC. The schedule below computes the refund to ODRC for the years ending June 30. Disbursements below include cash paid to liquidate encumbrances outstanding at June 30 and exclude disbursements made during the fiscal year against amounts encumbered the prior June 30. The Facility refunds amounts computed below in the fiscal year following the computation below.

# INDEPENDENT ACCOUNTANTS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY GOVERNMENT AUDITING STANDARDS

West Central Community Correctional Facility Union County 18200 State Route 4 North Marysville, Ohio 43040

To the Members of the Judicial Advisory Board and Facility Governing Board:

We have audited the financial statements of West Central Community Correctional Facility, Union County, Ohio (the Facility) as of and for the years ended June 30, 2012 and 2011, and have issued our report thereon dated October 2, 2012, wherein we noted the Facility followed accounting practices the Ohio Department of Rehabilitations and Corrections prescribes rather than accounting principles generally accepted in the United States of America. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*.

#### **Internal Control Over Financial Reporting**

In planning and performing our audit, we considered the Facility's internal control over financial reporting as a basis for designing our audit procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of opining on the effectiveness of the Facility's internal control over financial reporting. Accordingly, we have not opined on the effectiveness of the Facility's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, when performing their assigned functions, to prevent, or detect and timely correct misstatements. A material weakness is a deficiency, or combination of internal control deficiencies resulting in more than a reasonable possibility that a material misstatement of the Facility's financial statements will not be prevented, or detected and timely corrected.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider material weaknesses, as defined above.

Financial Reporting and on Compliance and Other Matters
Required by Government Auditing Standards

#### **Compliance and Other Matters**

As part of reasonably assuring whether the Facility's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*.

We did note certain matters not requiring inclusion in this report that we reported to the Facility's management in a separate letter dated October 2, 2012.

We intend this report solely for the information and use of management, the audit committee, Judicial Advisory Board, Facility Governing Board, and others within the Facility. We intend it for no one other than these specified parties.
