Darke County
208 South Main Street
PO Box 177
Arcanum, Ohio 45304

We have performed the procedures enumerated below, with which the Board of Trustees and the management of the Arcanum Joint Ambulance District (the District) agreed, solely to assist the Board in evaluating receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2013 and 2012, and certain compliance requirements related to these transactions and balances. Management is responsible for recording transactions; and management and the Board are responsible for complying with the compliance requirements. This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants' attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

5. We tested investments held at December 31, 2013 and December 31, 2012 to determine that they:

- b. Mature within the prescribed time limits noted in Ohio Rev. Code Section 135.13 or 135.14. We noted no exceptions.

Property Taxes and Intergovernmental Receipts

1. We selected a property tax receipt from one *Statement of Semiannual Apportionment of Taxes* (the Statement) for 2013 and one from 2012.
 - a. We traced the gross receipts from the *Statement* to the amount recorded in the Profit and Loss Detail Report. The amounts agreed.

Debt

1. The prior agreed-upon procedures documentation disclosed no debt outstanding as of December 31, 2011.
2. We inquired of management, and scanned the Profit and Loss Detail Report for evidence of debt issued during 2013 or 2012 or debt payment activity during 2013 or 2012. We noted no new debt issuances, nor any debt payment activity during 2013 or 2012.

Non-Payroll Cash Disbursements

1. We selected all four disbursements from the Profit and Loss Detail Report for the year ended December 31, 2013 and all seven from the year ended 2012 and determined whether:
 - a. The disbursements were for a proper public purpose. We found no exceptions.

Non-Payroll Cash Disbursements (Continued)

- b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Profit and Loss Detail Report and to the names and amounts on the supporting invoices. We found no exceptions.
- c. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code Section 5705.41(D). We found no exceptions.

Compliance – Budgetary

1. We compared the total estimated receipts from the *Amended Official Certificate of Estimated Resources*, required by Ohio Rev. Code Section 5705.36(A)(1), to the amounts recorded in the accounting system for the years ended December 31, 2013 and 2012. The amounts on the Certificate were not recorded in the accounting system. The entity did not use a Revenue Ledger to record budgeted (i.e. certified) resources for the General Fund in 2013 and 2012. The fiscal officer should use a Revenue Ledger to record the budgeted and actual amount and periodically compare amounts recorded in the Revenue Ledger to amounts recorded on the *Amended Official Certificate of Estimated Resources* to assure they agree. If the amounts are not recorded, the Trustees may be using inaccurate information for budgeting and monitoring purposes
2. We scanned the appropriation measures adopted for 2013 and 2012 to determine whether the Trustees appropriated separately for “each office, department, and division, and within each, the amount appropriated for personal services,” as is required by Ohio Rev. Code Section 5705.38(C). We found no exceptions.
3. We compared total appropriations required by Ohio Rev. Code Sections 5705.38 and 5705.40 to the amounts recorded in the accounting system for 2013 and 2012. The amounts on the appropriation resolutions were not recorded in the accounting system. The fiscal officer should use an Appropriation Ledger to record the appropriations and actual expenditures and periodically compare amounts recorded in the Appropriation Ledger to amounts approved by the Trustees to assure they agree. If the amounts are not recorded, the Trustees may be using inaccurate information for budgeting and monitoring purposes.
4. Ohio Rev. Code Sections 5705.36(A)(5) and 5705.39 prohibits appropriations from exceeding the certified resources. We compared total appropriations to total certified resources for the years ended December 31, 2013 and 2012. We noted no funds for which appropriations exceeded certified resources.
5. Ohio Rev. Code Section 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total appropriations for the years ended December 31, 2013 and 2012. We noted no funds for which expenditures exceeded appropriations.

Compliance – Budgetary (Continued)

6. Ohio Rev. Code Section 5705.09 requires establishing separate funds to segregate externally-restricted resources. We scanned the Profit and Loss Detail Report for evidence of new restricted receipts requiring a new fund during December 31, 2013 and 2012. We also inquired of management regarding whether the District received new restricted receipts. We noted no evidence of new restricted receipts for which Ohio Rev. Code Section 5705.09 would require the District to establish a new fund.
7. We inquired of management and scanned the Profit and Loss Detail Report to determine whether the District elected to establish reserve accounts permitted by Ohio Rev. Code Section 5705.13. We noted the District did not establish these reserves.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on the District's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of management, those charged with governance, and others within the District, and is not intended to be, and should not be used by anyone other than these specified parties.
