INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

Elkrun Township
Columbiana County
P.O. Box 36
Elkton, Ohio 44415

We have performed the procedures enumerated below, with which the Board of Trustees and the management of Elkrun Township, Columbiana County, Ohio (the Township) and the Auditor of State agreed, solely to assist the Board in evaluating receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2013 and 2012, and certain compliance requirements related to these transactions and balances. Management is responsible for recording transaction; and management and the Board are responsible for complying with the compliance requirements. This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants' attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

Cash

1. We tested the mathematical accuracy of the December 31, 2013 and December 31, 2012 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2012 beginning fund balances recorded in the Fund Ledger Report to the December 31, 2011 balances to documentation in the prior year Agreed-Upon Procedures working papers. We found no exceptions. We also agreed the January 1, 2013 beginning fund balances recorded in the Fund Ledger Report to the December 31, 2012 balances in the Fund Ledger Report. We found no exceptions.
3. We agreed the totals per the bank reconciliation to the total of December 31, 2013 and 2012 fund cash balances reported in the Fund Status Reports. The amounts agreed.
4. We confirmed the December 31, 2013 bank account balance with the Township's financial institution. We found no exceptions. We also agreed the confirmed balances to the amounts appearing in the December 31, 2013 bank reconciliations without exception.
5. We selected three reconciling debits (such as outstanding checks) haphazardly from the December 31, 2013 bank reconciliation:
 - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
 - b. We traced the amounts and dates written to the check register, to determine the debits were dated prior to December 31. We noted no exceptions.
6. We tested interbank account transfers occurring in December of 2013 and 2012 to determine if they were properly recorded in the accounting records and on each bank statement. We found no exceptions.

Property taxes, Intergovernmental and Other Confirmable Cash receipts

1. We selected a property tax receipt from one Statement of Semiannual Apportionment of Taxes (the Statement) for 2013 and one from 2012:
 - a. We traced the gross receipts from the Statement to the amount recorded in the Receipt Register Report. The amount agreed.
 - b. We determined whether the receipt was allocated to the proper funds as required by Ohio Rev. Code 5705.05-.06 and 5705.10. We found no exceptions.
 - c. We determined whether the receipt was recorded in the proper year. The receipt was recorded in the proper year.
2. We scanned the Receipt Register Report to determine whether it included 2 real estate tax receipts for 2013 and 2012. We noted the Receipt Register Report included the proper number of tax receipts for each year.
3. We selected five receipts from the State Distribution Transaction Lists (DTL) from 2013 and five from 2012. We also selected five receipts from the County Auditor's DTL's Cross Reference Report from 2013 and five from 2012:
 - a. We compared the amount from the above reports to the amount recorded in the Receipt Register Report. The amounts agreed.
 - b. We determined whether these receipts were allocated to the proper funds. We found no exceptions.
 - c. We determined whether the receipts were recorded in the proper year. We found no exceptions.

Debt

1. From the agreed-upon procedures documentation, we noted the following notes payable outstanding as of December 31, 2011. This amount agreed to the Townships January 1, 2012 balance on the summary we used in step 3.

<u>Issue</u>	<u>Principal outstanding as of December 31, 2011</u>
Consumers National Bank – Tractor	\$ 8,846

2. We inquired of management, and scanned the Receipt Register Report and Payment Register Detail Report for evidence of debt issued during 2013 or 2012 or debt payment activity during 2013 or 2012. All debt noted agreed to the summary we used in step 3.
3. We obtained a summary of note debt activity for 2013 and 2012 and agreed principal and interest payments from the related debt amortization schedule to Gasoline Tax Fund payments reported in the Payment Register Detail Report. We also compared the date the debt payments were due to the date the Township made the payments. We found no exceptions.

Payroll Cash Disbursements

1. We haphazardly selected one payroll check for five employees from 2013 and one payroll check for five employees from 2012 from the Employee Detail Adjustment Report and:
 - a. We compared the hours and pay rate, or salary recorded in the Employee Detail Adjustment Report to supporting documentation (timecards, legislatively or statutorily-approved rate or salary). We found no exceptions.
 - b. We determined whether the fund and account codes to which the check was posted were reasonable based on the employee's duties as documented in the minute record, timesheets or as required by statute. We also determined whether the payment was posted to the proper year. We found no exceptions.
2. We scanned the last remittance of tax and retirement withholdings for the year ended December 31, 2013 to determine whether remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2013. We noted the following:

Withholding (plus employer share Where applicable)	Due Date	Date Paid	Amount W/H	Amounts
Federal Income Taxes	January 31, 2014	December 27, 2013	\$ 1,390.23	\$ 1,390.23
State Income taxes	January 31, 2014	December 27, 2013	293.81	293.81
OPERS Retirement	January 31, 2014	December 27, 2013	2,618.33	2,618.33

Non-payroll Cash Disbursements

- We haphazardly selected ten disbursements from the Payment Register Detail Report for the year ended December 31, 2013 and ten from the year ended 2012 and determined whether:
- a. The disbursements were for a proper public purpose. We found no exceptions.
 - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found no exceptions.
 - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
 - d. The fiscal officer certified disbursements requiring certification or issued a Then and Now Certificate, as required by Ohio Rev. Code Section 5705.41(D). We found five instances where the certification date was after the vendor invoice date, and there was also no evidence that a *Then and Now Certificate* was issued. Ohio Rev. Code Section 5705.41(D) requires certifying at the time of a commitment, which should be on or before the invoice date, unless a *Then and Now Certificate* is used. Because we did not test all disbursements requiring certification, our report provides no assurance whether or not additional similar errors occurred.

Compliance-Budgetary

1. We compared the total estimated receipts from the *Amended Official Certificate of Estimated Resources*, required by Ohio Revised Code Section 5705.36 (A) (1), to the amounts recorded in the Revenue Status Report for the General Fund, Gasoline Tax Fund, and the Fire Fund for the years ended December 31, 2013 and 2012. The amounts on the Certificate agreed to the amount recorded in the accounting system, except for the General Fund and Gasoline Tax Fund in 2013 and the General Fund, Gasoline Tax Fund and Fire Fund in 2012. In 2013, the Revenue Status Report recorded budgeted (i.e. certified) resources for the General Fund of \$159,490 and for the Gasoline Tax Fund of \$88,851. However, the final *Amended Official Certificate of Estimated Resources* reflected \$159,398 for the General Fund and \$88,829 for the Gasoline Tax Fund. In 2012, the Revenue Status Report recorded budgeted (i.e. certified) resources for the General Fund of \$242,695; for the Gasoline Tax Fund of \$88,453; and for the Fire Fund of \$76,090. However, the final *Amended Official Certificate of Estimated Resources* reflected \$246,149 for the General Fund; \$88,457 for the Gasoline Tax Fund; and \$76,709 for the Fire Fund. The fiscal officer should periodically compare amounts recorded in the Revenue Status Report to amounts recorded on the *Amended Official Certificate of Estimated Resources* to assure they agree. If the amounts do not agree, the Trustees may be using inaccurate information for budgeting and monitoring purposes.
2. We scanned the appropriation measures adopted for 2013 and 2012 to determine whether, for the General Fund, the Gasoline Tax Fund and the Fire Fund, the Trustees appropriated separately for "each office, department, and division, and within each, the amount appropriated for personal services," as is required by Ohio Revised Code Section 5705.38(C). We found no exceptions.
3. We compared total appropriations required by Ohio Revised Code Section 5705.38 and 5705.40, to the amounts recorded in the Appropriation Status Report for 2013 and 2012 for the following funds: General Fund, Gasoline Tax Fund, and the Fire Fund. The amounts on the appropriation resolutions agreed to the amounts recorded in the Appropriation Status report.
4. Ohio Revised Code Sections 5705.36(A) (5) and 5705.39 prohibits appropriations from exceeding the certified resources. We compared total appropriations to total certified resources for the General Fund, Gasoline Tax Fund and the Fire Fund for the years ended December 31, 2013 and 2012. We noted no funds for which appropriations exceeded certified resources.
5. Ohio Revised Code Section 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total appropriations for the years ended December 31, 2013 and 2012 for the General Fund, Gasoline Tax Fund and the Fire Fund, as recorded in the Appropriation Status Report. We noted no funds for which expenditures exceeded appropriations.
6. Ohio Revised Code Section 5705.09 requires establishing separate funds to segregate externally-restricted resources. We scanned the Receipt Register Report for evidence of new restricted receipts requiring a new fund during December 31, 2013 and 2012. We also inquired of management regarding whether the Township received new restricted receipts. We noted no evidence of new restricted receipts for which Ohio Revised Code Section 5705.09 would require the Township to establish a new fund.

Compliance-Budgetary (Continued)

7. We scanned the 2013 and 2012 Revenue Status Reports and Appropriation Status Reports for evidence of interfund transfers exceeding \$5,000 which Ohio Revised Code Sections 5705.14 - .16 restrict. We found no evidence of transfers these Sections prohibit, or for which Section 5705.16 would require approval by the Tax Commissioner and Court of Common Pleas.
8. We inquired of management and scanned the Appropriation Status Reports to determine whether the Township elected to establish reserve accounts permitted by Ohio Revised Code Section 5705.13. We noted the Township did not establish these reserves.
9. We scanned the Cash Summary by Fund Report for the years ended December 31, 2013 and 2012 for negative cash fund balance. Ohio Revised Code Section 5701.10(I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. We noted no funds having a negative cash fund balance.

Compliance – Contracts and Expenditures

1. We inquired of management and scanned the Payment Register Detail Report for the years ended December 31, 2013 and 2012 to determine if the township proceeded by force account (i.e. used its own employees) to maintain or repair roads (cost of project \$15,000-\$45,000) or to construct or reconstruct township roads (cost of project \$5,000-\$15,000/per mile) for which Ohio Revised Code Section 5575.01 requires the county engineer to complete a force account project assessment form (i.e., cost estimate). We identified no projects requiring the county engineer to complete a force account cost estimate.

Client Response: We agree with the findings in this report

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on the Township's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of management, those charged with governance and the Auditor of State and others within the Township, and is not intended to be, and should not be used by anyone other than these specified parties.
