INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

Village of Riverlea
Franklin County
240 West Riverglen Drive
Worthington, OH 43085-3826

To the Village Council:

We have performed the procedures enumerated below, with which the Village Council and Mayor, and the management of Village of Riverlea (the Village) have agreed, solely to assist the Council and Mayor in evaluating receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2013 and 2012, and certain compliance requirements related to these transactions and balances. Management is responsible for recording transactions; and management, the Mayor, and / or the Council are responsible for complying with the compliance requirements. This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants' attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

Cash (Continued)

6. We tested interbank account transfers occurring in December of 2013 to determine if they were properly recorded in the accounting records and each bank reconciliation. We found no exceptions.
7. We tested investments held at December 31, 2013 to determine that they:
 - a. Were of a type authorized by Ohio Rev. Code Sections 135.13, 135.14 or 135.144. We found no exceptions.
 - b. Mature within the prescribed time limits noted in Ohio Rev. Code Section 135.13 or 135.14. We noted no exceptions.

Property Taxes, Intergovernmental and Other Confirmable Cash Receipts

1. We selected a property tax receipt from one *Statement of Semiannual Apportionment of Taxes* (the Statement) for 2013 and one from 2012:
 - a. We traced the gross receipts from the *Statement* to the amount recorded in the Receipt Register Report. The amounts agreed.

Debt

1. The prior audit documentation disclosed no debt outstanding as of December 31, 2011.
2. We inquired of management, and scanned the Receipt Register Report and Payment Register Detail Report for evidence of debt issued during 2013 or 2012 or debt payment activity during 2013 or 2012. All new debt noted agreed to the summary we used in step 3 below.
3. We obtained a summary of debt activity for 2013 and noted the first installment is due in 2014. There were no payments due or paid in the fiscal period. We found no exceptions.
4. We agreed the amount of debt proceeds from the debt documents to amounts recorded in the Capital Project fund per the Receipt Register Report. The amounts agreed.
5. For new debt issued during 2013, we inspected the debt legislation, noting the Village must use the proceeds to improve Sanitary Sewer Lines. We scanned the Payment Register Detail Report and noted the Village used the proceeds to replace Sanitary Sewer Lines, Pipe Lining, and bypass pumping.

Payroll Cash Disbursements

1. We haphazardly selected one payroll check for five employees from 2013 and one payroll check for five employees from 2012 from the Employee Detail Adjustment Report and:
 - a. We compared the hours and pay rate, or salary recorded in the Employee Detail Adjustment Report to supporting documentation (timecard, legislatively or statutorily-approved rate or salary). We found no exceptions.
 - b. We recomputed gross and net pay and agreed it to the amount recorded in the payroll register. We found no exceptions.
 - c. We determined whether the fund and account codes to which the check was posted were reasonable based on the employees' duties as documented in the minute record. We also determined whether the payment was posted to the proper year. We found no exceptions.

2. For any new employees selected in step 1 we determined whether the following information in the minute record was consistent with the information used to compute gross and net pay related to this check:
 - a. Name
 - b. Authorized salary or pay rate
 - c. Department(s) and fund(s) to which the check should be charged
 - d. Retirement system participation and payroll withholding
 - e. Federal, State & Local income tax withholding authorization and withholding
 - f. Any other deduction authorizations (deferred compensation, etc.)

We found no exceptions related to steps a. – f. above.

3. We scanned the last remittance of tax and retirement withholdings for the year ended December 31, 2013 to determine whether remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period during 2013. We noted the following:

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid
Federal income taxes & Medicare (and social security, for employees not enrolled in pension system)	January 31, 2014	January 8, 2014	\$1,904	\$1,904
State income taxes	January 15, 2014	January 13, 2014	\$300	\$300

Non-Payroll Cash Disbursements

1. From the Payment Register Detail Report, we re-footed checks recorded as General Fund disbursements for *security of persons and property*, and checks recorded as *public works* in the General fund for 2013. We found no exceptions.

Non-Payroll Cash Disbursements (Continued)

2. We haphazardly selected ten disbursements from the Payment Register Detail Report for the year ended December 31, 2013 and ten from the year ended 2012 and determined whether:
 - a. The disbursements were for a proper public purpose. We found no exceptions.
 - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found no exceptions.
 - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
 - d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code Section 5705.41(D). Ohio Rev. Code Section 5705.41(D) requires certifying at the time of a commitment, which should be on or before the invoice date, unless a *Then and Now Certificate* is used. We found no exceptions.

Compliance – Budgetary

1. We compared the total estimated receipts from the *Certificate of the Total Amount From All Sources Available For Expenditures and Balances*, required by Ohio Rev. Code Section 5705.36(A)(1), to the amounts recorded in the Revenue Status Report for the General, Permissive Tax and Street Construction Maintenance & Repair funds for the years ended December 31, 2013 and 2012. The amounts agreed.
2. We scanned the appropriation measures adopted for 2013 and 2012 to determine whether, for the General, Special Revenue and Capital Project funds, the Council appropriated separately for “each office, department, and division, and within each, the amount appropriated for personal services,” as is required by Ohio Rev. Code Section 5705.38(C). We found no exceptions.
3. We compared total appropriations required by Ohio Rev. Code Sections 5705.38 and 5705.40, to the amounts recorded in the Appropriation Status Report for 2013 and 2012 for the following funds: General, Special Revenue and Capital Projects. The amounts on the appropriation resolutions agreed to the amounts recorded in the Appropriation Status report.
4. Ohio Rev. Code Sections 5705.36(A)(5) and 5705.39 prohibits appropriations from exceeding the certified resources. We compared total appropriations to total certified resources for the General, Special Revenue and Capital Project funds for the years ended December 31, 2013 and 2012. We noted no funds for which appropriations exceeded certified resources.
5. Ohio Rev. Code Section 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total appropriations for the years ended December 31, 2013 and 2012 for the General, Special Revenue and Capital Project fund, as recorded in the Appropriation Status Report. We noted no funds for which expenditures exceeded appropriations.
6. Ohio Rev. Code Section 5705.09 requires establishing separate funds to segregate externally-restricted resources. We scanned the Receipt Register Report for evidence of new restricted receipts requiring a new fund during December 31, 2013 and 2012. We also inquired of management regarding whether the Village received new restricted receipts. The Village established the Capital Project fund during 2013 to segregate Ohio Public Works Commission receipts and disbursements, in compliance with Section 5705.09.

Compliance – Budgetary (Continued)

7. We scanned the Cash Summary by Fund Report for the years ended December 31, 2013 and 2012 for negative cash fund balance. Ohio Rev. Code Section 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. We noted no funds having a negative cash fund balance.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on the Village's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of management, those charged with governance, and others within the Village, and is not intended to be, and should not be used by anyone other than these specified parties.
