Independent Auditor's Report

Guernsey County Agricultural Society
P.O. Box 208
Old Washington, Ohio 43768

To the Board of Directors:

Report on the Financial Statements

We have audited the accompanying financial statement of the cash balances, receipts and disbursements and related notes of the Guernsey County Agricultural Society, Guernsey County, Ohio, as of and for the fiscal years ended November 30, 2016 and 2015.

Management's Responsibility for the Financial Statements

Management is responsible for preparing and fairly presenting this financial statement in accordance with the financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit; this responsibility includes designing, implementing and maintaining internal control relevant to preparing and fairly presenting a financial statement free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to opine on this financial statement based on our audit. We audited in accordance with auditing standards generally accepted in the United States of America and the financial audit standards in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require us to plan and perform the audit to reasonably assure the financial statement is free from material misstatement.

An audit requires obtaining evidence about financial statement amounts and disclosures. The procedures selected depend on our judgment, including assessing the risks of material financial statement misstatement, whether due to fraud or error. In assessing those risks, we consider internal control relevant to the Guernsey County Agricultural Society's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not to the extent needed to opine on the effectiveness of the Guernsey County Agricultural Society's internal control. Accordingly, we express no opinion. An audit also includes evaluating the appropriateness of management's accounting policies and the reasonableness of their significant accounting estimates, as well as our evaluation of the overall financial statement presentation.

We believe the audit evidence we obtained is sufficient and appropriate to support our audit opinion.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note 2 of the financial statement, the Guernsey County Agricultural Society prepared this financial statement using the accounting basis permitted by the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D), which is an accounting basis other than accounting principles generally accepted in the United States of America, to satisfy these requirements.

Although the effects on the financial statement of the variances between the regulatory accounting basis and GAAP are not reasonably determinable, we presume they are material.

Though the Guernsey County Agricultural Society does not intend this statement to conform to GAAP, auditing standards generally accepted in the United States of America require us to include an adverse opinion on GAAP. However, the adverse opinion does not imply the amounts reported are materially misstated under the accounting basis Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit. Our opinion on this accounting basis is in the *Opinion on Regulatory Basis of Accounting* paragraph below.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the *Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles* paragraph, the financial statement referred to above does not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of the Guernsey County Agricultural Society as of November 30, 2016 and 2015, or changes in financial position or cash flows thereof for the years then ended.

Opinion on Regulatory Basis of Accounting

In our opinion, the financial statement referred to above presents fairly, in all material respects, the cash balances of the Guernsey County Agricultural Society, Guernsey County, Ohio, as of November 30, 2016 and 2015, and its cash receipts and disbursements for the fiscal years then ended in accordance with the financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit, described in Note 2.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated June 21, 2017, on our consideration of the Guernsey County Agricultural Society's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. That report describes the scope of our internal control testing over financial reporting and compliance, and the results of that testing, and does not opine on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Guernsey County Agricultural Society's internal control over financial reporting and compliance.

**Notes to the Financial Statement
For the Fiscal Years Ended November 30, 2016 and 2015**

Note 1 – Reporting Entity

The Agricultural Society of Guernsey County (the “Society”), Guernsey County, is a body politic and corporate established to exercise the rights and privileges conveyed to it by the constitution and laws of the State of Ohio. The Society is a county agricultural society corporation formed under Chapter 1711 of the Ohio Revised Code. The Society was founded in 1872 to operate an annual agricultural fair. The Society sponsors the week – long Guernsey Fair during September. During the fair, harness races are held, culminating in the running of the Guernsey County Harness Racing. Guernsey County is not financially accountable for the Society. The Board of Directors manages the Society. The Board is made up of 24 directors serving staggered three-year terms. Society members elect Board members from its membership. Members of the Society must be residents of Guernsey County and pay an annual membership fee to the Society.

The reporting entity includes all activity occurring on the fairgrounds. This includes the annual fair and harness racing during fair week. Other year-round activities at the fairgrounds including facility rental, track and stall rental, and community events including the Ohio Paul Bunyan Show. The reporting entity does not include any other activities or entities of Guernsey County, Ohio.

Notes 7 and 8, respectively; summarize the Junior Fair Board’s and Junior Livestock Sale Committee’s financial activity.

The Society’s management believes these financial statements present all activities for which the Society is financially accountable.

Note 2 – Summary of Significant Accounting Policies

Basis of Presentation

The Society’s financial statements consist of a statement of receipts, disbursements and changes in fund balances (regulatory cash basis).

Basis of Accounting

These financial statements follow the accounting basis permitted by the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D). This basis is similar to the cash receipts and disbursements accounting basis. The Board recognizes receipts when received in cash rather than when earned, and recognizes disbursements when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made.

These statements include adequate disclosure of material matters, as the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit.

Capital Assets

The Society records disbursements for acquisitions of property, plant, and equipment when paid. The accompanying financial statements do not report these items as assets.

For the Fiscal Years Ended November 30, 2016 and 2015**

Note 2 – Summary of Significant Accounting Policies (Continued)

Income Tax Status

The Society is a not-for-profit organization, exempt from income taxes under Section 501(c) (3) of the Internal Revenue Code. The Society is not a private foundation within the meaning of Section 509 (a). Contributions to the Society are deductible per Section 170(b) (1) (A) (v1). Management is unaware of any actions or events that would jeopardize the Society’s tax status.

Race Purse

Guernsey County Harness Racing stake races are held during the Guernsey County Fair. The Society pays all Sustaining and Entry fees and the required portion of the cash received from the Ohio Fairs Fund as Race Purse to winning horses.

Sustaining and Entry Fees Horse owners and the Southern Valley Colt Circuit pay fees to the Society to qualify horses for entry into stake races. They must make payment before a horse can participate in a stake race. The accompanying financial statement report these fees as Sustaining and Entry Fees.

Ohio Fairs Fund The State of Ohio contributes money to the Society from the Ohio Fairs Fund to supplement the race purse. See Note 4 for additional information.

Pari-mutuel Wagering

A wagering system totals the amounts wagered and adjusts the payoff to reflect the relative amount bet on different horses and various odds. The total amount bet (also known as the “handle”), less commission, is paid to bettors in accordance with the payoffs, as the pari-mutuel wagering system determines. The Society contracts with a totalizer service to collect bets and provide the pari-mutuel wagering system.

Pari-mutuel wagering commission (the commission) is the Society’s share of total pari-mutuel wagers after payment of amounts to winning bettors. The commission is determined by applying a statutory percentage to the total amount bet and is reflected in the accompanying financial statement as Pari-mutuel Wagering Commission. See Note 4 for additional information.

Note 3 – Deposits

The Society maintains a deposit pool all funds use. The Ohio Revised Code prescribes allowable deposits and investments. The carrying amount of deposits and investments at November 30 was as follows:

	2016	2015
Demand deposits	\$32,837	\$46,475
Other Time Deposits (savings and NOW accounts)	221,675	221,337
Total Deposits	<u>\$254,512</u>	<u>267,812</u>

Note 3 – Deposits (Continued)

Deposits

Deposits are insured by the Federal Depository Insurance Corporation; or collateralized by the financial institution's public entity deposit pool.

Note 4 – Horse Racing

State Support Portion of Purse

The financial statements report Ohio Fairs Fund money, received to supplement purse for the year ended November 30, 2016 and 2015 respectively, were \$64,276 and \$ 68,695, as State Support.

Pari-mutuel Wagering

The Society does not record the Total Amount Bet or the Payoff to Bettors in the accompany financial statement, rather, it records the Pari-mutuel Wagering Commission (commission) which is the Society's share of total pari-mutuel wagers after paying winning bettors. The expenses of providing the pari-mutuel wagering system are called Tote Services, and these expenses are included in Professional Service Disbursements, State taxes, which are also paid from Pari-mutuel Wagering Commission, are reflected in Other Operating Disbursements, and the amount remaining is the Society's net portion. The Society conducted pari-mutuel wagering during the 2016 and 2015 Guernsey County Fair. The Society's commission from these activities was insignificant.

Note 5 – Risk Management

The Society provided workers compensation coverage on all employees through the State of Ohio workers compensation fund. Coverage is currently in effect through July 2017.

The Guernsey County Commissioners provide general insurance coverage for all the buildings on the Guernsey County Fairgrounds pursuant to Ohio Revised Code § 1711.24. A private company general liability and vehicle insurance, with limits of \$ 2,000,000 and \$ 2,000,000 aggregate. The Society's general manager is bonded with coverage of \$ 100,000.

Casualty and Property Coverage

The Government is exposed to various risks of property and casualty losses, and injuries to employees.

The Government insures against injuries to employees through the Ohio Bureau of Worker’s Compensation.

The Government belongs to the Public Entities Pool of Ohio (PEP), a risk-sharing pool available to Ohio local governments. PEP provides property and casualty coverage for its members. York Insurance Services Group, Inc. (York) functions as the administrator of PEP and provides underwriting, claims, loss control, risk management, and reinsurance services for PEP. PEP is a member of the American Public Entity Excess Pool (APEEP), which is also administered by York. Member governments pay annual contributions to fund PEP. PEP pays judgments, settlements and other expenses resulting from covered claims that exceed the members’ deductibles.

Casualty and Property Coverage

APEEP provides PEP with an excess risk-sharing program. Under this arrangement, PEP retains insured risks up to an amount specified in the contracts. At December 31, 2016, PEP retained \$350,000 for casualty claims and \$100,000 for property claims.

The aforementioned casualty and property reinsurance agreement does not discharge PEP’s primary liability for claims payments on covered losses. Claims exceeding coverage limits are the obligation of the respective government.

Financial Position

PEP’s financial statements (audited by other auditor’s) conform with generally accepted accounting principles, and reported the following assets, liabilities and net position at December 31, 2016.

	2016	2015
Assets	\$ 42,182,281	\$ 38,307,677
Liabilities	(13,396,700)	(12,363,257)

**GUERNSEY COUNTY AGRICULTURAL SOCIETY
GUERNSEY COUNTY**

**Notes to the Financial Statement
For the Fiscal Years Ended November 30, 2016 and 2015**

Note 5 – Risk Management (Continued)

At December 31, 2016, the liabilities above include approximately 12.0 million of estimated incurred claims payable. The assets above also include approximately \$11.5 million of unpaid claims to be billed. The Pool's membership increased to 520 members in 2016. These amounts will be included in future contributions from members when the related claims are due for payment. As of December 31, 2016, the Government's share of these unpaid claims collectible in future years is approximately \$15,000.

Based on discussions with PEP, the expected rates PEP charges to compute member contributions, which are used to pay claims as they become due, are not expected to change significantly from those used to determine the historical contributions detailed below. By contract, the annual liability of each member is limited to the amount of financial contributions required to be made to PEP for each year of membership.

<u>2016 Contributions to PEP</u>	<u>2015 Contributions to PEP</u>
\$ 29,982	\$ 28,635

After one year of membership, a member may withdraw on the anniversary of the date of joining PEP, if the member notifies PEP in writing 60 days prior to the anniversary date. Upon withdrawal, members are eligible for a full or partial refund of their capital contributions, minus the subsequent year's contribution. Withdrawing members have no other future obligation to PEP. Also upon withdrawal, payments for all casualty claims and claim expenses become the sole responsibility of the withdrawing member, regardless of whether a claim occurred or was reported prior to the withdrawal.

Note 6 – Social Security

Society employees contributed to Social Security. This plan provides retirement benefits, including a survivor and disability benefits to participants.

Employees contributed 6.2 percent of their gross salaries. The Society contributed an amount equal to 6.2 percent of participants' gross salaries. The Society has paid all contributions required through November 30, 2016.

**Independent Auditor's Report on Internal Control Over Financial Reporting and on
Compliance and Other Matters Required By *Government Auditing Standards***

Guernsey County Agricultural Society
P.O. Box 208
Old Washington, Ohio 43768

To the Board of Directors:

We have audited in accordance with auditing standards generally accepted in the United States and the Comptroller General of the United States' *Government Auditing Standards*, the financial statement of the Guernsey County Agricultural Society, Guernsey County, Ohio, as of and for the fiscal years ended November 30, 2016 and 2015 and the related notes to the financial statement and have issued our report thereon dated June 21, 2017, wherein we noted the Guernsey County Agricultural Society followed financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit.

Internal Control Over Financial Reporting

As part of our financial statement audit, we considered the Guernsey County Agricultural Society's internal control over financial reporting (internal control) to determine the audit procedures appropriate in the circumstances to the extent necessary to support our opinion on the financial statements, but not to the extent necessary to opine on the effectiveness of the Guernsey County Agricultural Society's internal control. Accordingly, we have not opined on it.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, when performing their assigned functions, to prevent, or detect and timely correct misstatements. A *material weakness* is a deficiency, or combination of internal control deficiencies resulting in a reasonable possibility that internal control will not prevent or detect and timely correct a material misstatement of the Guernsey County Agricultural Society's financial statement. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all internal control deficiencies that might be material weaknesses or significant deficiencies. Therefore, unidentified material weaknesses or significant deficiencies may exist. We did identify a certain deficiency in internal control, described in the accompanying schedule of findings and responses that we consider a material weakness. We consider finding 2016-001 to be a material weakness.

Board of Directors
Guernsey County Agricultural Society

Compliance and Other Matters

As part of reasonably assuring whether the Guernsey County Agricultural Society's financial statement is free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, opining on compliance with those provisions was not an objective of our audit and accordingly, we do not express an opinion. The results of our tests disclosed an instance of noncompliance or other matters we must report under *Government Auditing Standards* which is described in the accompanying schedule of findings and responses at item 2016-001.

Guernsey County Agricultural Society's Response to Finding

The Guernsey County Agricultural Society's response to the finding identified in our audit is described in the accompanying schedule of findings and responses. We did not audit the Guernsey County Agricultural Society's response and, accordingly, we express no opinion on it.

Purpose of this Report

This report only describes the scope of our internal control and compliance testing and our testing results, and does not opine on the effectiveness of the Guernsey County Agricultural Society's internal control or on compliance. This report is an integral part of an audit performed under *Government Auditing Standards* in considering the Guernsey County Agricultural Society's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

FINDINGS RELATED TO THE FINANCIAL STATEMENTS REQUIRED TO BE REPORTED IN ACCORDANCE WITH GAGAS

Material Weakness/Noncompliance – Untimely Deposits

Ohio Revised Code Section 9.38 requires that deposits of public money be made in a timely manner. Public money must be deposited with the treasurer of the public office or to a designated depository on the business day following the receipt, unless the public office of which that person is a public official adopts a policy permitting a different time period, not to exceed three business days following the day of receipt.

It was noted during the audit that the Society held funds of varying amounts greater than the allowable 1 or 3 business days without depositing them in accordance with the Ohio Revised Code Section 9.38. It was also noted that the Society has not adopted a formal policy permitting a period of up to three days for deposit under \$1,000. Of the total receipts tested in fiscal years 2016 and 2015, it was noted 39.47% and 21.05%, respectively, were not deposited timely.

As a result, not only is there risk of loss from burglary, misplacement, or misappropriation, but the cash is not available for expenditures or investment.

We recommend that the Society monitor collections and ensure that monies are deposited in accordance with state statute, as well as approving a formal policy permitting a time period, not to exceed three business days following the day of receipt. This will improve cash flow and reduce the risk of loss. Further guidance regarding specific dollar amounts may be found in the Ohio Compliance Supplement.

Client Response:

The Society was unaware of the 1 day depositing ruling from ORC. Internal changes are now in place to eliminate the lapse in deposit time.
