We have reviewed the *Independent Auditor's Report* of the Cuyahoga Community College Foundation, Cuyahoga County, prepared by Ciuni & Panichi, Inc., for the audit period July 1, 2017 through June 30, 2018. Based upon this review, we have accepted these reports in lieu of the audit required by Section 117.11, Revised Code. The Auditor of State did not audit the accompanying financial statements and, accordingly, we are unable to express, and do not express an opinion on them.

Our review was made in reference to the applicable sections of legislative criteria, as reflected by the Ohio Constitution, and the Revised Code, policies, procedures and guidelines of the Auditor of State, regulations and grant requirements. The Cuyahoga Community College Foundation is responsible for compliance with these laws and regulations.

Independent Auditor's Report

To the Board of Directors
Cuyahoga Community College Foundation

Report on the Financial Statements

We have audited the accompanying financial statements of Cuyahoga Community College Foundation (the "Foundation," a nonprofit corporation), a component unit of Cuyahoga Community College, which comprise the statements of financial position as of June 30, 2018 and 2017, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

To the Board of Directors
Cuyahoga Community College Foundation

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Foundation as of June 30, 2018 and 2017, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated November 8, 2018, on our consideration of the Foundation's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Foundation's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Foundation's internal control over financial reporting and compliance.

CUYAHOGA COMMUNITY COLLEGE FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS YEARS ENDED JUNE 30, 2018 AND 2017

1. DESCRIPTION OF ORGANIZATION

The Cuyahoga Community College Foundation (the “Foundation”) was incorporated in August 1973 as a tax-exempt, nonprofit corporation under Section 501(c)(3) of the Internal Revenue Code for the purpose of collecting donations from individuals, corporations, and foundations, located primarily in northeast Ohio, to be distributed as scholarships to persons attending Cuyahoga Community College (the “College”), and to be used for other purposes benefiting the College. The Foundation is a component unit of Cuyahoga Community College.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Financial Statement Presentation—The financial statements of the Foundation are prepared on the accrual basis of accounting. The accompanying financial statements of the Foundation present information regarding its net assets and activities in the following three categories:

Unrestricted - Net assets that are under the discretionary control of the Board of Directors (the “Board”), are free from any and all donor restrictions, and include amounts designated by the Board for specified purposes.

Temporarily Restricted - Net assets that are restricted by the donor for a specific purpose (generally scholarships or educational development programs) or use in a future time period. The income on these net assets is either temporarily restricted or unrestricted based on the intentions of the donor.

Permanently Restricted - Net assets that are subject to the donor’s restriction that the principal remain invested in perpetuity. The income on these net assets may also be restricted by the donor and is generally used for scholarships or educational development programs.

When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

The Foundation follows authoritative guidance issued by the Financial Accounting Standards Board (FASB) which established the Accounting Standards Codification (ASC) as the single source of authoritative accounting principles generally accepted in the United States of America.

Use of Estimates—The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

CUYAHOGA COMMUNITY COLLEGE FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS YEARS ENDED JUNE 30, 2018 AND 2017

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – continued

Cash and Cash Equivalents—Cash and cash equivalents include cash in checking accounts and short-term investments with an original maturity of three months or less. Substantially all of the Foundation’s cash and cash equivalents are composed of investments in money market funds. At times, cash on hand may exceed federally insured limits.

Investments—Investments of the unrestricted, temporarily restricted, and permanently restricted funds are pooled for making investment transactions and are carried at fair value with any realized or unrealized gains and losses reported in the statement of activities. Ten percent of the total interest and dividend income is allocated to the Foundation’s General Operating Fund. The remaining interest and dividend income is allocated proportionally each month and is awarded according to the terms and conditions of the funds. For endowed funds, interest and dividend income and capital gains are considered temporarily restricted unless otherwise specified by the donor.

Contributions Receivable—Contributions received, including unconditional promises to give, are recognized as revenue by net asset class when the donor’s commitment is received. Unconditional promises are recognized at the estimated present value of the future cash flows, net of allowances. The Foundation provides for uncollectible pledges receivable using the allowance method. Promises made that are designated for future periods or restricted by the donor for specific purposes are reported as temporarily restricted or permanently restricted support. Conditional promises are recorded when donor stipulations are substantially met. It is the Foundation’s policy that an initial minimum balance of \$50,000 be required to establish an endowment fund. The policy allows for an annual review to determine if the accumulation of contributions and interest meet the minimum principal balance requirements.

Beneficial Interest in Remainder Unitrust—The Foundation is the beneficiary of a charitable remainder unitrust for which the Foundation is not the trustee. The Foundation recognizes the present value of the estimated future benefits to be received when the unitrust assets are distributed as an asset with changes in the estimated fair value recorded as temporarily restricted contribution revenue.

Contributions and Special Events—Contributions, including bequests, special gifts and other donations, are recorded as revenue when received or by pledge when an unconditional pledge is made. All contributions and gifts are considered to be available for unrestricted use unless specifically restricted by the donor. Noncash bequests, gifts, and donations, if any, would be recorded at the fair value of the asset at the date of donation. Special Event revenue is primarily generated through the annual Presidential Scholarship Luncheon (temporarily restricted) and through parking receipts generated from special events (unrestricted).

CUYAHOGA COMMUNITY COLLEGE FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS YEARS ENDED JUNE 30, 2018 AND 2017

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – continued

In-Kind Gifts—In-kind gifts, when received, are reflected as contributions in the accompanying financial statements at the estimated fair value as of the date of receipt. Such in-kind support is offset by like amounts in educational development, general and administrative, and fundraising expenses.

Program Services Expenses—All scholarships and other program services distributions are approved by the Board. Unconditional gifts to the College are recognized as educational development expense when approved. Gifts approved by the Board that are payable upon performance of specified conditions by the grantee (if any) are recognized in the statement of activities when the specified conditions are satisfied.

Annuities Payable—The Foundation is obligated under two annuity contracts, whereby donors have contributed cash to the Foundation with the agreement that the donors shall be the sole recipient of quarterly annuity payments. These quarterly payments, currently totaling \$930 per year, shall terminate on the last payment date preceding the death of the donors. The discount rates used to estimate the obligations range from 1.4% to 2.4%.

Income Taxes—The Foundation accounts for income taxes in accordance with the “Income Taxes” topic of the FASB ASC. Uncertain income tax positions are evaluated at least annually by management. The Foundation believes that it has appropriate support for any tax positions taken, and as such, does not have any uncertain tax positions that are material to the financial statements. The Foundation files its Form 990 in the U.S. federal jurisdiction and a charitable registration with the office of the state’s attorney general for the State of Ohio.

Subsequent Events—The Foundation has evaluated subsequent events through November 8, 2018, which is the date the financial statements were available to be issued.

Recent Accounting Pronouncements—For fiscal year 2018, the Foundation implemented FASB Accounting Standards Update (ASU) No. 2015-07, “Fair Value Measurement (Topic 820): Disclosures for Investments in Certain Entities That Calculate Net Asset Value per Share (or Its Equivalent)” (ASU 2015-07). The purpose of ASU 2015-07 is to remove the requirement to categorize within the fair value hierarchy all investments where fair value using the net asset value per share is used as a practical expedient. This ASU is effective for the Foundation for its fiscal year beginning after December 15, 2016 and requires retrospective treatment to all periods presented. The Foundation has fully adopted the provisions of ASU 2015-07 as of June 30, 2018 and has presented the financial statements in accordance with this new pronouncement.

CUYAHOGA COMMUNITY COLLEGE FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS YEARS ENDED JUNE 30, 2018 AND 2017

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – continued

Recent Accounting Pronouncements (continued)— In August 2016, the FASB issued ASU 2016-14, “Not-For-Profit Entities (Topic 958): Presentation of Financial Statements of Not-For-Profit Entities” (ASU 2016-14). The purpose of ASU 2016-14 is to improve the current net asset classification requirements and the information presented in financial statements about a not-for-profit entity’s liquidity, financial performance, and cash flows. Organizations may use either a full retrospective or a modified retrospective approach to adopt ASU 2016-14. This ASU is effective for the Foundation for its fiscal year beginning after December 15, 2017. The Foundation is evaluating the potential impact of adopting this guidance on its financial statements.

In May 2014, the FASB issued ASU 2014-09, “Revenue from Contracts with Customers” (ASU 2014-09), which is a comprehensive new revenue recognition standard that will supersede existing revenue recognition guidance. The core principle of the guidance is that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects consideration to which the entity expects to be entitled in exchange for those goods or services. FASB issued ASU 2015-14 which deferred the effective date for the Foundation until annual periods beginning after December 15, 2018. Earlier adoption is permitted subject to certain limitations. The amendments in this update are required to be applied retrospectively to each prior reporting period presented or with the cumulative effect being recognized at the date of initial application. The Foundation is evaluating the potential impact of adopting this guidance on its financial statements.

In June 2018, the FASB issued ASU 2018-08, “Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made,” to address questions stemming from ASU 2014-09 regarding its implications on the grants and contracts of not-for-profit organizations. This ASU provides guidance on determining whether a transfer of assets is a contribution or an exchange transaction, and, if a contribution, whether the contribution is conditional. The ASU clarifies that a transfer of assets is an exchange transaction if the resource provider is receiving commensurate value in return for the resources transferred and provides points of consideration in making this determination. It also states that a contribution is conditional if the agreement includes both (a) a barrier that must be overcome before the recipient is entitled to the assets and (b) a right of return of the assets transferred or a right of release of a promisor’s obligation to transfer assets. This ASU is effective for fiscal years beginning after December 15, 2018, with early adoption permitted. Retrospective application of the amendments in this update is permitted, although a modified prospective application is recommended. The Foundation is evaluating the potential impact of adopting this guidance on its financial statements.

3. INVESTMENTS

For investment purposes, assets of the various unrestricted, temporarily restricted and permanently restricted classifications are pooled. Realized and unrealized gains and losses and investment income are allocated according to the net asset classifications of the individual funds until appropriated and disbursed in accordance with the agreements of the donors.

Description	2018	2017
Mutual Funds	\$ 65,573,022	\$ 57,964,998

Alternative Investments	7,848,507	8,108,932
Total	<u>\$ 73,823,980</u>	<u>\$ 66,412,700</u>

The investments are exposed to various risks such as interest rate, market, and credit risks. The Foundation is required to give up to 95 days advance notice of its intent to withdraw from the alternative investments.

4. CONTRIBUTIONS RECEIVABLE

For fiscal years 2018 and 2017, the recorded value of contributions receivable is the present value of estimated future cash receipts using a discount rate of 4.75%. Management has established an allowance of 0.5% of gross contributions receivable for uncollectible promises to give. Amounts due are as follows:

	2018	2017
Less than one year	\$ 2,266,633	\$ 2,619,430

5. BENEFICIAL INTEREST IN REMAINDER UNITRUST

The beneficial interest in the charitable remainder unitrust totaled \$417,695 and \$458,438 at June 30, 2018 and 2017, respectively, representing the estimated portion of the unitrust for which the Foundation is the designated beneficiary.

6. CASH SURRENDER VALUE OF INSURANCE

The Foundation is the owner of certain life insurance policies on various donors who have named the Foundation as beneficiary. These policies are valued at their cash surrender values. The cash surrender value of these policies totaled \$137,785 and \$141,780 at June 30, 2018 and 2017, respectively.

7. RELATED PARTY TRANSACTIONS

The Foundation recognized contributions and special events revenue from the College during the years ended June 30, 2018 and 2017 of \$890,761 and \$870,874, respectively. The amounts owed to the Foundation as of June 30, 2018 and 2017 are \$40,013 and \$54,005, respectively, which are reported as due from related party on the statements of financial position.

The Foundation recognizes contributed services received from the College when those services (a) create or enhance non-financial assets, or (b) require specialized skills, are provided by College employees possessing those skills, and would typically need to be purchased if not provided by the donation. The Foundation recognized \$242,335 and \$227,268 of contributed services as contribution revenue and as administrative, general, and fundraising expenses in fiscal years 2018 and 2017.

The Foundation received grants restricted for educational development programs at the College from various donors of \$2,570,720 and \$3,532,134 in fiscal years 2018 and 2017, respectively. These grants are classified as temporarily restricted until the College meets certain conditions. The undistributed amounts for which the College has met the conditions are \$1,404,754 and \$2,937,540 as of June 30, 2018 and 2017, respectively, which are reported as due to related party on the statements of financial position.

CUYAHOGA COMMUNITY COLLEGE FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS YEARS ENDED JUNE 30, 2018 AND 2017

8. NET ASSETS

Net assets are restricted primarily for scholarships and educational purposes. Net assets were released from restriction for the following purposes during the years ended June 30:

	<u>2018</u>	<u>2017</u>
Scholarships	\$ 1,900,910	\$ 1,500,549
Educational Development	2,444,104	4,840,294

9. INVESTMENT OBJECTIVES AND ENDOWMENT FUNDS

The Foundation places great importance on risk reduction through asset allocation and style diversification. Investment results are measured using a rolling five to seven year period or a full market cycle. The following are the investment performance objectives, in order of importance, for the portfolio:

- To generate a minimum annual real rate of return of approximately 5.0% after deducting for advisory, money management, custodial fees, and total transaction costs.
- To obtain a total return on the portfolio, net of all investment related fees, that exceeds the total return of the policy benchmark.
- Performance will be evaluated versus achievement of spending policy and comparisons to a similar set of investments.

The goals of the strategic asset allocation policy are to establish a long-term asset allocation plan for the Foundation's portfolio that is consistent with objectives and guidelines contained in this policy and carried out in an efficient manner. To that end, this policy establishes an acceptable range, defined to be any percentage above a minimum and below a maximum percentage of the portfolio allocated to a particular asset class, and a target percentage, defined to be the percentage goal for the investment of the portfolio in that asset class.

Market value fluctuations and operational needs may cause variations from the strategic asset allocation policy ranges stated in this policy. Depending upon market conditions, the percentage allocation to each asset class may vary as much as plus or minus 5.0%. The Foundation does not deem it acceptable to time the market with tactical allocation shifts. Asset mixes and the possibilities for rebalancing are considered on a monthly basis. The intention of this policy is to avoid short-term judgments that introduce significant unplanned risk.

Distributions from endowment funds are spent in compliance with the donor's restrictions applicable to the funds being distributed. The Foundation classifies as permanently restricted net assets (a) the original value of the gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund.

9. INVESTMENT OBJECTIVES AND ENDOWMENT FUNDS – continued

The remaining portion of the donor-restricted endowment fund that is not classified as permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the College in a manner consistent with the standard of prudence prescribed by the Uniform Prudent Management of Institutional Funds Act (UPMIFA). In accordance with UPMIFA, the College considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

1. The duration and preservation of the fund
2. The purposes of the Foundation and the donor-restricted endowment fund
3. General economic conditions
4. The possible effect of inflation and deflation
5. The expected total return from income and the appreciation of investments
6. Other resources of the College
7. The investment policies of the Foundation

From time to time, the fair value of assets associated with individual donor restricted endowment funds may fall below the level that the donor or UPMIFA requires the Foundation to retain as a fund of perpetual duration. In accordance with accounting principles generally accepted in the United States of America, deficiencies of this nature are reported as a reduction of unrestricted net assets. There were no deficits of this nature in fiscal years 2018 or 2017.

10. INVESTMENTS AND FAIR VALUE MEASUREMENTS

Generally accepted accounting principles provides a framework for measuring fair value, requires disclosure about fair value measurements, and establishes a three level hierarchy for disclosure to show the extent and the level of judgment used to estimate fair value measurements:

Level 1 – Uses unadjusted quoted prices that are available in active markets for identical assets or liabilities as of the reporting date. Active markets are those in which transactions for the asset or liability occur in sufficient frequency and volume to provide pricing information on an ongoing basis.

Level 2 – Uses inputs other than Level 1 that are either directly or indirectly observable as of the reporting date through correlation with market data, including quoted prices for similar assets or liabilities in active markets and quoted prices in markets that are not active. Level 2 also includes assets and liabilities that are valued using models or other pricing methodologies that do not require significant judgment since the input assumptions used in the models, such as interest rates and volatility factors, are corroborated by readily observable data.

Level 3 – Uses inputs that are unobservable and are supported by little or no market activity and reflect the use of significant management judgment. These values are generally determined using pricing models and market assumptions.

Financial assets are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Foundation's assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the valuation of fair value assets and their placement within the fair value hierarchy levels.

The following is a description of the valuation methodologies used for instruments measured at fair value:

Common Stock—Common stock is valued at the closing price reported on the active markets in which the individual securities are traded and therefore is classified as Level 1.

Equity Mutual Funds—Equity mutual funds primarily invest in common stock of domestic and international corporations in a variety of industries. Quoted prices in active markets are used to value the equity mutual funds and therefore are classified as Level 1.

Fixed Income Mutual Funds—Fixed income mutual funds primarily invest in U.S. Treasuries and corporate bonds. Quoted prices in active markets are used to value the fixed income mutual funds and therefore are classified as Level 1.

10. INVESTMENTS AND FAIR VALUE MEASUREMENTS – continued

Alternative Investments—Alternative investments do not have readily determined fair values as they are not listed on national exchanges or over-the-counter markets. Fair value has been determined based on the individual fund’s net asset valuation provided by the investment managers, based on the guidelines established by those investment managers. As a result, the Foundation has not classified these investments within the fair value hierarchy. The Foundation obtains and considers the audited financial statements of these investments when evaluating the overall reasonableness of the carrying value. The fund’s annual financial statements are prepared in accordance with accounting principles generally accepted in the United States of America and the underlying investments are reported at fair value.

Beneficial Interest in Charitable Remainder Unitrust—The fair value of the beneficial interest in the charitable remainder unitrust is estimated at the present value of the projected proceeds that will be received from the unitrust as calculated annually according to IRS Publication 1458, *Actuarial Valuations*. As such, the fair value of the beneficial interest is considered to be determined based on Level 3 inputs.

Cash Surrender Value of Insurance—The cash surrender value of insurance is presented at fair value based on the amount in cash upon cancellation of the insurance policy before maturity as of the reporting period. The fair value is determined by the insurer and represents the exit price from the perspective of the Foundation. Since the valuation is unobservable, the cash surrender value calculation is considered a Level 3 input.

Alternative Investments Institutional, L.P. is a limited partnership that uses a collaborative approach to building hedge fund portfolios and is designed for U.S. tax-exempt investors and non-U.S. investors. Its objective is to earn attractive rates of return, protect capital in down markets and provide lower volatility compared to broad equity markets by allocating to highly talented, smaller, lesser-known managers. There are currently no redemption restrictions other than the required notice period.

Maverick Stable Fund, Ltd. is a Cayman Islands exempted company with limited liability that was organized in May 2002. This company's objective is to preserve and grow capital by identifying high-quality investment managers with above-average investment histories and investing assets in private investment vehicles managed by such portfolio managers. There are currently no redemption restrictions other than the required notice period.

Standard Life Investments Global Absolute Return Strategies Fund (the "Fund") is a unit trust incorporated in the United Kingdom. Its objective is to provide positive investment returns in all market conditions over the medium to long term. The Fund utilizes a combination of traditional assets (equities and bonds) and investment strategies based on advanced derivative techniques resulting in a highly diversified portfolio. There are currently no redemption restrictions other than the required notice period.

**Independent Auditor’s Report on Internal Control over Financial Reporting
and on Compliance and Other Matters Based on an Audit of Financial Statements
Performed in Accordance with *Government Auditing Standards***

To the Board of Directors
Cuyahoga Community College Foundation

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Cuyahoga Community College Foundation (the “Foundation,” a nonprofit corporation), which comprise the statement of financial position as of June 30, 2018, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated November 8, 2018.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Foundation’s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Foundation’s internal control. Accordingly, we do not express an opinion on the effectiveness of the Foundation’s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

To the Board of Directors
Cuyahoga Community College Foundation

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Foundation's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Foundation's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Foundation's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
