AGREED-UPON PROCEDURES

FOR THE YEARS ENDED DECEMBER 31, 2018 AND 2017

OHIO AUDITOR OF STATE KEITH FABER

Crawford Soil and Water Conservation District
Crawford County
3111 State Route 98
Bucyrus, Ohio 44820

We have performed the procedures enumerated below, which were agreed to by the Board of Supervisors (the Board) and the management of the Crawford Soil and Water Conservation District, Crawford County, Ohio, (the District) on the receipts, disbursements and balances recorded in the District's cash-basis accounting records for the years ended December 31, 2018 and 2017, and certain compliance requirements related to these transactions and balances, included in the information provided to us by the management of the District. The District is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2018 and 2017 and certain compliance requirements related to these transactions and balances included in the information provided to us by the District. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

Cash and Investments

1. We recalculated the December 31, 2018 and December 31, 2017 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2017 beginning fund balances recorded in the District's General Ledger Report to the December 31, 2016 balances in the documentation in the prior year Agreed-Upon Procedures working papers. We found no exceptions. We also agreed the January 1, 2018 beginning fund balances recorded in the District's General Ledger Report to the December 31, 2017 balances in the District's Balance Sheet for Month Ending December 31, 2017. We found no exceptions.

4. We confirmed the December 31, 2018 bank account depository balances for the District Fund with the District's financial institutions. We found no exceptions. We also agreed the confirmed balances to the amounts appearing in the December 31, 2018 bank reconciliation without exception.
5. We compared the December 31, 2018 Special Fund depository balance from the *Cash Basis Annual Financial Report* to the amount reported in the Crawford County Fund History Report. We found no exceptions.

Cash and Investments (Continued)

6. We selected three reconciling debits (such as outstanding checks) haphazardly from the December 31, 2018 bank reconciliation:
 - a. We footed the supporting outstanding check list and compared it to the cash reconciliation. We found no exceptions.
 - b. We traced each check to the subsequent January bank statement. We found no exceptions.
 - c. We traced the amounts and dates to the check register, to determine the debits were dated prior to December 31. There were no exceptions.

7. We inspected investments held at December 31, 2018 and December 31, 2017 to determine that they:
 - a. Were of a type authorized by Ohio Rev. Code Sections 135.13, 135.14 or 135.144. We found no exceptions

- 1 We traced the total of the receipts from the State Distribution Transaction Lists (DTL) and the total of the receipts from the Crawford County Auditor's Fund History Report to the total amounts recorded in the respective receipt classification in the Special Fund in the Cash Receipts Journal. The amounts agreed.

- 2 We selected all four other confirmable receipts from the year ended December 31, 2018 and five other confirmable receipts from the year ended December 31, 2017 in the Cash Receipts Journal from funds other than the *Special Fund* such as grants, municipal and district funds.
 - a. We confirmed the amounts paid from the State Distribution Transaction Lists (DTL) to the District. We found no exceptions.
 - b. We inspected the Cash Receipts Journal to determine whether these receipts were allocated to the proper funds. We found no exceptions.

Payroll Cash Disbursements

1. We haphazardly selected one payroll check for all five employees from 2018 and one payroll check for all four employees from 2017 from the Cash Disbursements Journal and:
 - a. We compared the hours and pay rate, or salary recorded in the Cash Disbursements Journal to supporting documentation (timecard, legislatively approved rate or salary). We found no exceptions.

 - c. We inspected the Cash Disbursements Journal to determine whether the check was classified as *salaries* and was posted to the proper year. We found no exceptions.

Payroll Cash Disbursements (Continued)

2. For any new employees selected in procedure 1, we inspected the following information in the Employee's personnel file to determine it was consistent with the information used to compute gross and net pay related to the check:
 - a. Name
 - b. Authorized salary or pay rate
 - c. Retirement system participation and payroll withholding
 - d. Federal, State & Local income tax withholding authorization and withholding
 - e. Any other deduction authorizations (deferred compensation, etc.)

We found no exceptions related to procedures a. – e. above.

 - a. Accumulated leave records
 - b. The employee's pay rate in effect as of the termination date
 - c. The District's payout policy.

The amount paid was consistent with the information recorded in a. through c. above.

Non-Payroll Cash Disbursements

1. We haphazardly selected five disbursements from the *Special Fund* and five disbursements from the *District Fund* and other funds from the Cash Disbursements Journal for the year ended December 31, 2018 and five from the *Special Fund* and five from the *District Fund* and other funds for the year ended 2017 and determined whether:
 - a. The disbursements were for a proper public purpose. We found no exceptions.
 - b. For *District Fund* and other funds disbursements, we determined whether:
 - i. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the similar data recorded in the Cash Disbursements Journal and to the names and amounts on the supporting invoices. We found no exceptions.
 - ii. The payment was posted to a fund consistent with the purpose for which the fund's cash can be used. We found no exceptions.
 - c. For *Special Fund* disbursements, we determined whether:

 - ii. The names and amounts on the voucher agreed to supporting invoices. We found no exceptions.
 - iii. The invoice was signed by the fiscal officer and approved by a majority of the Board of Supervisors. We found no exceptions.

Special Fund Budgetary Compliance

1. We inspected the District's Special Fund Budget Request submitted to the County Commissioners for the years ended December 31, 2018 and 2017. The request included the Special Fund's *Needs, Income* and *Balances* anticipated for carry over from the current year, as required by the SWCD Administrative Handbook, Chapter 5. We also compared the budget amounts to the Special Fund Budgetary Activity footnote of the Cash Basis Annual Financial Report. The amounts agreed.

Special Fund Budgetary Compliance (Continued)

2. We compared the total estimated receipts reported on the Special Fund Budgetary Activity footnote of the Cash Basis Annual Financial Report to the *Certificate of the Total Amount From All Sources Available For Expenditures and Balances*, required by Ohio Rev. Code Section 5705.36(A)(1), and to the amounts recorded in the Revenue Account Report for the Special Fund for the years ended December 31, 2018 and 2017. The amounts agreed.
3. We inspected the appropriation measures adopted for 2018 and 2017 to determine whether the Supervisors appropriated separate amounts within the Special Fund for "each office, department, and division, and within each, the amount appropriated for personal services," as is required by Ohio Rev. Code Section 5705.38(C). We found no exceptions.
4. We compared total appropriations required by Ohio Rev. Code Sections 5705.38 and 5705.40, to the amounts recorded in the Appropriation Report for the Special Fund for 2018 and 2017, and to the appropriations reported on the Special Fund Budgetary Activity footnote of the Cash Basis Annual Financial Report. The amounts agreed.
5. Ohio Rev. Code Sections 5705.36(A)(5) and 5705.28(B)(2)(C) prohibit appropriations from exceeding estimated resources. We compared total appropriations to total estimated resources for the Special Fund for the year ended December 31, 2018 and 2017. Appropriations did not exceed estimated resources for the Special Fund.
4. Ohio Rev. Code Section 5705.41(B) prohibits expenditures (disbursements plus year-end certified commitments (i.e. encumbrances)) from exceeding appropriations. We compared total disbursements plus outstanding year-end encumbrances to total appropriations for the year ended December 31, 2018 and 2017 for the "Special" Fund, as recorded in the Cash Basis Annual Financial Report. Expenditures did not exceed appropriations for the Special Fund.
7. We inspected the Cash Basis Annual Financial Report for the years ended December 31, 2018 and 2017 for negative cash fund balances. Ohio Rev. Code Section 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. No funds had negative cash fund balances.
8. We inquired of management and inspected the Appropriation Reports to determine whether the District elected to establish a contingency, not designated for any particular purpose (contingency reserve balance - spending reserve) permitted by Ohio Rev. Code Section 5705.29(A)(1). The District did not establish these reserves.

Compliance – Contracts & Expenditures

1. We inquired of management and inspected the Cash Disbursements Journal for the years ended December 31, 2018 and 2017 to determine if the District purchased equipment and services allowed by ORC 940.08 or purchased goods or services allowed by ORC 940.06 whose cost, other than personal service compensation or office space rent, exceeded \$50,000. There were no purchases exceeding \$50,000.

Other Compliance

1. Ohio Rev. Code Section 117.38 requires Districts to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the District filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy, within the allotted timeframe for the years ended December 31, 2018 and 2017 in the Hinkle system. There were no exceptions.
2. For all credit card accounts we obtained:
 - copies of existing internal control policies,
 - a list(s) of authorized users, and
 - a list of all credit card account transactions.
 - a. We inspected the established policy obtained above and determined it is:
 - i. in compliance with the HB 312 statutory requirements, and
 - ii. implemented by the District.
 - b. We selected 5 credit card transactions made by employees and 3 credit card transactions from each of the Program Administrator and the Administrative Assistant for testing. For selected transactions we inspected documentation to determine that:
 - i. Use was by an authorized user within the guidelines established in the policy, and
 - ii. Each transaction was supported with original invoices and for a proper public purpose.

We found no exceptions related to procedures a. and b. above.

This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on the District's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is to provide assistance in the evaluation of the District's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2018 and 2017, and certain compliance requirements related to these transactions and balances and is not suitable for any other purpose.
