INDEPENDENT AUDITOR'S REPORT

Hardin County Airport Authority
Hardin County
20533 County Road 120
Kenton, Ohio 43326

To the Members of the Governing Board:

Report on the Financial Statements

We have audited the accompanying financial statement of the cash balances, receipts and disbursements and related notes of the Hardin County Airport Authority, Hardin County, Ohio (the Airport) as of and for the year ended December 31, 2018.

Management's Responsibility for the Financial Statements

Management is responsible for preparing and fairly presenting this financial statement in accordance with the financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit; this responsibility includes designing, implementing and maintaining internal control relevant to preparing and fairly presenting a financial statement free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to opine on this financial statement based on our audit. We audited in accordance with auditing standards generally accepted in the United States of America and the financial audit standards in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require us to plan and perform the audit to reasonably assure the financial statement is free from material misstatement.

An audit requires obtaining evidence about financial statement amounts and disclosures. The procedures selected depend on our judgment, including assessing the risks of material financial statement misstatement, whether due to fraud or error. In assessing those risks, we consider internal control relevant to the Airport's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not to the extent needed to opine on the effectiveness of the Airport's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of management's accounting policies and the reasonableness of their significant accounting estimates, as well as our evaluation of the overall financial statement presentation.

We believe the audit evidence we obtained is sufficient and appropriate to support our audit opinion.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note 2 of the financial statement, the Airport prepared this financial statement using the accounting basis permitted by the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D), which is an accounting basis other than accounting principles generally accepted in the United States of America (GAAP), to satisfy these requirements.

Although the effects on the financial statement of the variances between the regulatory accounting basis and GAAP are not reasonably determinable, we presume they are material.

Though the Airport does not intend this statement to conform to GAAP, auditing standards generally accepted in the United States of America require us to include an adverse opinion on GAAP. However, the adverse opinion does not imply the amounts reported are materially misstated under the accounting basis Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit. Our opinion on this accounting basis is in the *Opinion on Regulatory Basis of Accounting* paragraph below.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the *Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles* paragraph, the financial statement referred to above does not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of the Airport as of December 31, 2018, and the respective change in financial position thereof for the year then ended.

Opinion on Regulatory Basis of Accounting

In our opinion, the financial statement referred to above presents fairly, in all material respects, the cash balances, receipts and disbursements and related notes of the Hardin County Airport Authority, Hardin County as of December 31, 2018, for the year then ended in accordance with the financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit, described in Note 2.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated August 7, 2019, on our consideration of the Airport's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. That report describes the scope of our internal control testing over financial reporting and compliance, and the results of that testing, and does not opine on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Airport's internal control over financial reporting and compliance.

**HARDIN COUNTY AIRPORT AUTHORITY
HARDIN COUNTY**

**NOTES TO THE FINANCIAL STATEMENT
FOR THE YEAR ENDED DECEMBER 31, 2018**

1. DESCRIPTION OF THE ENTITY

The constitution and laws of the State of Ohio establish the rights and privileges of the Hardin County Airport Authority, Hardin County, (the Airport) as a body corporate and politic. The Hardin County Commissioners appoints seven Board members to direct the Airport. The Airport is responsible for the safe and efficient operation and maintenance of the Hardin County Airport Authority.

The Airport management believes these financial statements present all activities for which the Airport is financially accountable.

The Airport is considered a component unit of Hardin County.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Presentation

The Airport's financial statements consist of a statement of receipts, disbursements and change in fund balances (cash basis).

B. Accounting Basis

This financial statement follows the accounting basis permitted by the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D). This basis is similar to the cash receipts and disbursements accounting basis. The Board recognizes receipts when received in cash rather than when earned, and recognizes disbursements when paid rather than when a liability is incurred.

This statement includes adequate disclosure of material matters, as the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit.

C. Deposits and Investments

The Airport maintains all money in a checking account which is valued at cost.

D. Capital Assets

The Airport records disbursements for acquisitions of property, plant, and equipment when paid. The accompanying financial statement does not report these items as assets.

E. Operating Receipts and Disbursements

Operating receipts are those receipts that are generated directly from primary activities. For the Airport, these receipts are for sale of fuel and hangar rent. Operating disbursements are the necessary costs incurred to provide the services that are the primary activity. All receipts and disbursements not meeting these definitions are reported as non-operating.

F. Fund Accounting

The Airport uses fund accounting to segregate cash and investments that are restricted as to use. The Airport classifies its fund into the following type:

**HARDIN COUNTY AIRPORT AUTHORITY
HARDIN COUNTY**

**NOTES TO THE FINANCIAL STATEMENT
FOR THE YEAR ENDED DECEMBER 31, 2018
(Continued)**

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Enterprise Fund

This fund accounts for operations that are similar to private business enterprises, where management intends to recover the significant costs of providing certain goods or services through user charges.

3. DEPOSITS

The Airport maintains all money in a deposit account. The Ohio Revised Code prescribes allowable deposits. The carrying amount of deposits at December 31 was:

Checking Account	\$130,689
------------------	-----------

Deposits: Deposits are insured by the Federal Depository Insurance Corporation.

4. RISK MANAGEMENT

The Airport has premises insurance under the policy of Hardin County. Aviation insurance is provided by Old Republic Insurance Group.

5. CONTINGENT LIABILITIES

Amounts grantor agencies pay to the Airport are subject to audit and adjustment by the grantor. The grantor may require refunding any disallowed costs. Management cannot presently determine amounts grantors may disallow. However, based on prior experience, management believes any refunds would be immaterial.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY GOVERNMENT AUDITING STANDARDS

Hardin County Airport Authority
Hardin County
20533 County Road 120
Kenton, Ohio 43326

To the Members of the Governing Board:

We have audited, in accordance with auditing standards generally accepted in the United States and the Comptroller General of the United States' *Government Auditing Standards*, the financial statement of the cash balances, receipts, and disbursements of the Hardin County Airport Authority, Hardin County, (the Airport) as of and for the year ended December 31, 2018, and the related notes to the financial statement, and have issued our report thereon dated August 7, 2019, wherein we noted the Airport followed financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit.

Internal Control Over Financial Reporting

As part of our financial statement audit, we considered the Airport's internal control over financial reporting (internal control) to determine the audit procedures appropriate in the circumstances to the extent necessary to support our opinion on the financial statement, but not to the extent necessary to opine on the effectiveness of the Airport's internal control. Accordingly, we have not opined on it.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, when performing their assigned functions, to prevent, or detect and timely correct misstatements. A *material weakness* is a deficiency, or combination of internal control deficiencies resulting in a reasonable possibility that internal control will not prevent or detect and timely correct a material misstatement of the Airport's financial statements. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all internal control deficiencies that might be material weaknesses or significant deficiencies. Given these limitations, we did not identify any deficiencies in internal control that we consider material weaknesses. However, unidentified material weaknesses may exist.

Compliance and Other Matters

As part of reasonably assuring whether the Airport's financial statement is free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, opining on compliance with those provisions was not an objective of our audit and accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*.

Purpose of this Report

This report only describes the scope of our internal control and compliance testing and our testing results, and does not opine on the effectiveness of the Airport's internal control or on compliance. This report is an integral part of an audit performed under *Government Auditing Standards* in considering the Airport's internal control and compliance. Accordingly, this report is not suitable for any other purpose.
