## Report on the Financial Statements

We have audited the accompanying financial statements and related notes of Ross County Agricultural Society, Ross County, Ohio (the Society) as of and for the years ended November 30, 2018 and 2017.

## Management's Responsibility for the Financial Statements

Management is responsible for preparing and fairly presenting these financial statements in accordance with the financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03 permit; this responsibility includes designing, implementing, and maintaining internal control relevant to the preparing and fairly presenting financial statements free from material misstatement, whether due to fraud or error.

## Auditor's Responsibility

Our responsibility is to opine on these financial statements based on our audit. We audited in accordance with auditing standards generally accepted in the United States of America and the financial audit standards in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require us to plan and perform the audit to reasonably assure the financial statements are free from material misstatement.

An audit requires obtaining evidence about financial statement amounts and disclosures. The procedures selected depend on our judgment, including assessing the risks of material financial statements misstatement, whether due to fraud or error. In assessing those risks, we consider internal controls relevant to the Society's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not to the extent needed to opine on the effectiveness of the Society's internal control. Accordingly, we express no opinion. An audit also includes evaluating the appropriateness of management's accounting policies and the reasonableness of their significant accounting estimates, as well as our evaluation of the overall financial statement presentation.

We believe the audit evidence we obtained is sufficient and appropriate to support our audit opinion.

Board of Directors Ross County Agricultural Society Independent Auditor's Report

## Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note 2 of the November 30, 2018 and 2017 financial statements, the Society prepared these financial statements using the accounting basis permitted by the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03 (D), which is an accounting basis other than accounting principles generally accepted in the United States of America, to satisfy these requirements.

Although the effects on the financial statements of the variances between the regulatory accounting basis and GAAP are not reasonably determinable, we presume they are material.

Though the Society does not intend these statements to conform to GAAP, auditing standards generally accepted in the United States of America require us to include an adverse opinion on GAAP. However, the adverse opinion does not imply the amounts reported are materially misstated under the accounting basis Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03 (D) permit. Our opinion on this accounting basis is in the *Opinion on Regulatory Basis of Accounting* paragraph below.

## Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the *Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles* paragraph, the financial statements referred to above do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of the Society as of November 30, 2018 and 2017, or changes in financial position for the years then ended.

## Opinion on Regulatory Basis of Accounting

In our opinion, the financial statements referred to above present fairly, in all material respects, the combined cash balances of the Ross County Agricultural Society, Ross County as of November 30, 2018 and 2017, and its combined cash receipts and disbursements for the years then ended in accordance with the financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03 permits, described in Note 2.

## Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued a report dated March 4, 2019 on our consideration of the Society's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, and other matters. That report describes the scope of our internal control testing over financial reporting and compliance, and the results of that testing, and does not opine on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Society's internal control over financial reporting and compliance.

## Note 1 – Reporting Entity

## Description of the Entity

The Agricultural Society of Ross County (the Society), Ross County, is a body politic and corporate established to exercise the rights and privileges conveyed to it by the constitution and laws of the State of Ohio. The Society is a county agricultural society corporation formed under Chapter 1711 of the Ohio Revised Code. The Society was founded in 1944 to operate an annual agricultural fair. The Society sponsors the week – long Ross County Fair during August. During the fair, harness races are held, culminating in the running of the Ross County Fair Harness Races. Ross County is not financially accountable for the Society. The Board of Directors manages the Society. The Board is made up of twenty-one (21) directors serving staggered three-year terms. Society members elect Board members from its membership. Members of the Society must be residents of Ross County and pay an annual membership fee to the Society.

The reporting entity includes all activity occurring on the fairgrounds. This includes the annual fair, harness racing during fair week. Other year round activities at the fairgrounds including facility rental, and community events including the Easyrider Rodeo, American Cancer Society Relay for Life, Scioto County Poultry Association Swap Meet, Chillitown MX motocross racing, Bash for Cash demo derby, Southern Ohio Jeep Fest, NBHA Barrel race, Miller's Swap Meet and Cruise In, Southern Ohio Home and Garden Show, Steer and Heifer Classic and goat show. The reporting entity does not include any other activities or entities of Ross County, Ohio.

Notes 12 and 13, respectively, summarize the Junior Fair Board's and Junior Livestock Sale Committee's financial activity.

The Society's management believes these financial statements present all activities for which the Society is financially accountable.

## Note 2 - Summary of Significant Accounting Policies

## **Basis of Presentation**

The Society's financial statements consist of a statement of receipts, disbursements and changes in fund balances (regulatory cash basis).

## **Basis of Accounting**

The Society's financial statements follow the basis of accounting permitted by the financial reporting provisions of Ohio Revised Code 117.38 and Ohio Administrative Code Section 117-2-03 (D), This basis is similar to the cash receipts and disbursements accounting basis. The Board recognizes receipts when received in cash rather than when earned, and recognizes disbursements are recognized when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03 (D) permit.

## Cash and Investments

The Society's accounting basis includes investments as assets. This basis does not record disbursements for investment purchases or receipts for investment sales. This basis records gains or losses at the time of the sale are recorded as receipts or disbursements, respectively.

## Note 2 – Summary of Significant Accounting Policies – (Continued)

## Property, Plant and Equipment

The Society records disbursements for acquisitions of property, plant, and equipment when paid. The accompanying financial statements do not include these items as assets.

## Accumulated Leave

In certain circumstances, such as upon leaving employment, employees are entitled to cash payments for unused leave. The Society's basis of accounting does not report these amounts as liabilities.

## **Income Tax Status**

This Society is a not-for-profit organization, exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. Management is unaware of any actions or events that would jeopardize the Society's tax status.

## Restricted Support

Restricted support includes amount that donors restrict for specific uses. These include building fund, trophies, race blankets and entertainment donations.

## Race Purse

Ross County Harness stake races are held during the Ross County Fair. The Society pays all Sustaining and Entry Fees and the required portion of the cash received from the Ohio Fairs Fund as Race Purse to winning horses.

Sustaining and Entry Fees – Horse owners and Ohio Colt Racing Association pay fees to the Society to qualify horses for entry into stake races. They must make payment before a horse can participate in a stake race. The accompanying financial statements report these fees as Sustaining and Entry Fees.

*Ohio Fairs Fund* – The State of Ohio contributes money to the Society from the Ohio Fairs Fund to supplement the race purse. See Note 6 for additional information.

## Pari-mutuel Wagering

A wagering system totals the amounts wagered and adjusts the payoff to reflect the relative amount bet on different horses and various odds. The total amount bet (also known as the "handle"), less commission, is paid to bettors in accordance with the payoffs, as the pari-mutuel wagering system determines. The Society contracts with a totalizer service to collect bets and provide the pari-mutuel wagering system.

Pari-mutuel wagering commission (the commission) is the Society's share of total pari-mutuel wagers after payment of amounts to winning bettors. The commission is determined by applying a statutory percentage to the total amount bet and is reflected in the accompanying financial statements as Pari-mutuel Wagering Commission. See Note 6 for additional information.

## Note 1 – Reporting Entity

## Description of the Entity

The constitution and laws of the State of Ohio establish the rights and privileges of the Ross County Agricultural Society, Ross County, (the Society) as a body corporate and politic. The Society is a county agricultural society corporation formed under Chapter 1711 of the Ohio Revised Code. The Society was founded in 1944 to operate an annual agricultural fair. The Society sponsors the week-long Ross County Fair during August. During the fair, harness races are held, culminating in the running of the Ross County Harness Racing Program. Ross County is not financially accountable for the Society. The Board of Directors manages the Society. The Board is made up of twenty-one directors serving staggered three-year terms. Society members elect Board members from its membership. Members of the Society must be residents of Ross County and pay an annual membership fee to the Society.

The reporting entity includes all activity occurring on the fairgrounds. This includes the annual fair, harness racing during fair week. Other year round activities at the fairgrounds including facility rental, track and stall rental, and community events including the Easyrider Rodeo, American Cancer Society Relay for Life, Swap Meet, Chillitown MX motocross racing, and Ross County 4-H Halloween Campout. The reporting entity does not include any other activities or entities of Ross County, Ohio.

Notes 11 and 12, respectively, summarize the Junior Fair Board's and Junior Livestock Sale Committee's financial activity.

The Society's management believes these financial statements present all activities for which the Society is financially accountable.

## Note 2 – Summary of Significant Accounting Policies

## **Basis of Accounting**

These financial statements follow the accounting basis the Auditor of State prescribes or permits, which is similar to the cash receipts and disbursements basis of accounting. The Board recognizes receipts when received in cash rather than when earned, and recognizes disbursements when paid rather than when a liability is incurred.

These statements include adequate disclosure of material matters, as the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03 (D) permit.

## Cash and Investments

The Society's accounting basis includes investments in its cash balances. Accordingly, this basis does not report investment purchases as disbursements or investment sales as receipts. Gains or losses at the time of the sale are recorded as receipts or disbursements, respectively.

## Property, Plant and Equipment

The Society's accounting basis records acquisitions of property, plant, and equipment as capital outlay disbursements when paid. The accompanying financial statements do not include these items as assets.

Notes to the Financial Statements For the Years Ended November 30, 2017

## **Note 2 – Summary of Significant Accounting Policies** – (Continued)

## Accumulated Leave

In certain circumstances, such as upon leaving employment, employees are entitled to cash payments for unused leave. The Society's basis of accounting does not report these amounts as liabilities.

## **Income Tax Status**

This Society is a not-for-profit organization, exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. The Society is not a private foundation within the meaning of Section 509(a). Contributions to the Society are deductible per Section 170(b)(1)(A)(v1). Management is unaware of any actions or events that would jeopardize the Society's tax status.

## **Restricted Support**

Restricted support includes amount that donors restrict for specific uses. These include building fund, trophies, race blankets and entertainment donations.

## Race Purse

Ross County Harness stake races are held during the Ross County Fair. The Society pays all Sustaining and Entry Fees and the required portion of the cash received from the Ohio Fairs Fund as Race Purse to winning horses.

Sustaining and Entry Fees – Horse owners and Ohio Colt Racing Association pay fees to the Society to qualify horses for entry into stake races. They must make payment before a horse can participate in a stake race. The accompanying financial statements report these fees as Sustaining and Entry Fees.

*Ohio Fairs Fund* – The State of Ohio contributes money to the Society from the Ohio Fairs Fund to supplement the race purse. See Note 5 for additional information.

## Pari-mutuel Wagering

A wagering system totals the amounts wagered and adjusts the payoff to reflect the relative amount bet on different horses and various odds. The total amount bet (also known as the "handle"), less commission, is paid to bettors in accordance with the payoffs, as the pari-mutuel wagering system determines. The Society contracts with a totalizer service to collect bets and provide the pari-mutuel wagering system.

Pari-mutuel wagering commission (the commission) is the Society's share of total pari-mutuel wagers after payment of amounts to winning bettors. The commission is determined by applying a statutory percentage to the total amount bet and is reflected in the accompanying financial statements as Pari-mutuel Wagering Commission. See Note 5 for additional information.

## Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Required By Government Auditing Standards

Board of Directors Ross County Agricultural Society P.O. Box 614 Chillicothe, OH 45601

To the Board of Director:

We have audited, in accordance with auditing standards generally accepted in the United States and the Comptroller General of the United States' *Government Auditing Standards*, the financial statements of the Ross County Agricultural Society, Ross County, Ohio (the Society), as of and for the years ended November 30, 2018 and 2017, and the related notes to the financial statements and have issued our report thereon dated March 4, 2019, wherein we noted the Society followed financial reporting provisions of the Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03 permit.

## **Internal Control over Financial Reporting**

As part of our financial statement audit, we considered the Society's internal control over financial reporting (internal control) to determine the audit procedures appropriate in the circumstances to the extent necessary to support our opinions on the financial statements, but not to the extent necessary to opine on the effectiveness of the Society's internal control. Accordingly, we have not opined on it.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, when performing their assigned functions, to prevent, or detect and timely correct misstatements. A *material weakness* is a deficiency or combination of internal control deficiencies, resulting in a reasonable possibility that internal control will not prevent or detect and timely correct a material misstatement of the Society's financial statements. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all internal control deficiencies that might be material weaknesses or significant deficiencies. Given these limitations, we did not identify any deficiencies in internal control that we consider a material weakness. However, unidentified material weaknesses may exist.

Board of Director Ross County Agricultural Society, Ross County Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Required By *Government Auditing Standards* 

## **Compliance and Other Matters**

As part of reasonably assuring whether the Society's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, opining on compliance with those provisions was not an objective of our audit and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*.

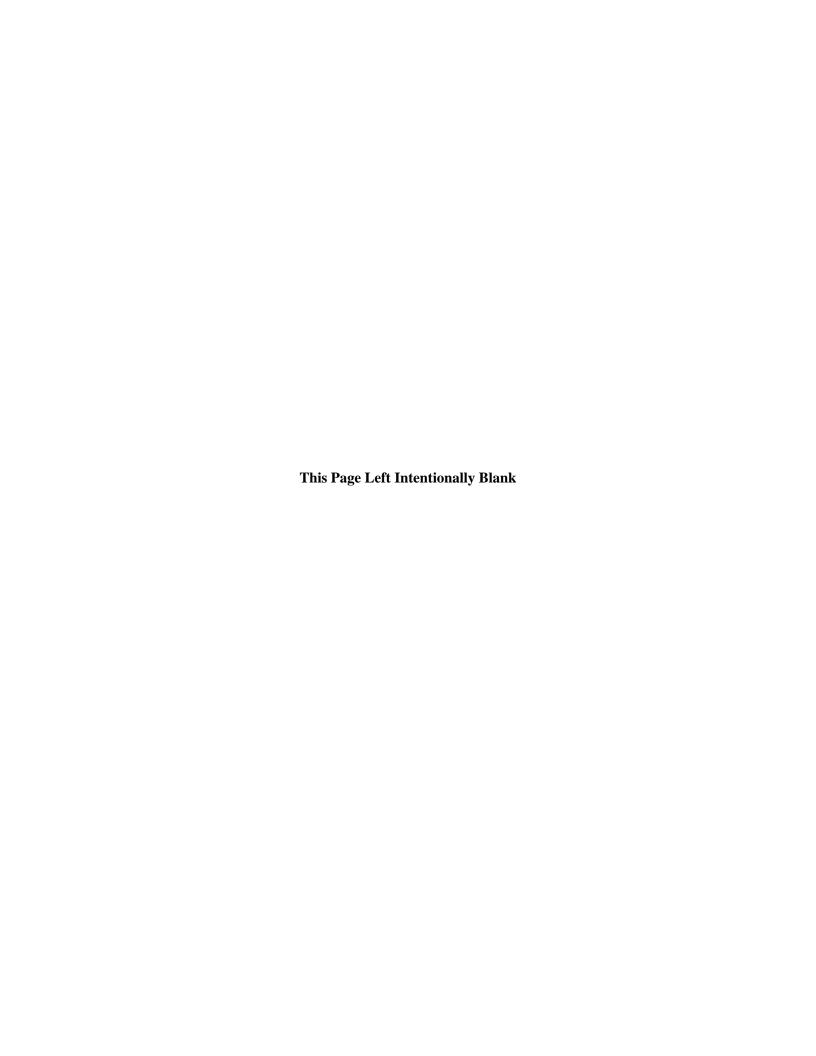

## **Purpose of this Report**

This report only describes the scope of our internal control and compliance testing and our testing results, and does not opine on the effectiveness of the Society's internal control or on compliance. This report is an integral part of an audit performed under *Government Auditing Standards* in considering the Society's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
