INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

Westland Township
Guernsey County
2640 Holmes Road
New Concord, Ohio 43762

We have performed the procedures enumerated below, which were agreed to by the Board of Trustees and the management of Westland Township, Guernsey County, Ohio (the Township), on the receipts, disbursements and balances recorded in the Township's cash basis accounting records for the years ended December 31, 2018 and 2017 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the Township. The Township is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2018 and 2017 and certain compliance requirements related to these transactions and balances included in the information provided to us by the Township. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

Cash

1. We recalculated the December 31, 2018 and December 31, 2017 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2017 beginning fund balances recorded in the Cash Summary by Fund Report to the December 31, 2016 balances in the prior year audited statements. We found no exceptions. We also agreed the January 1, 2018 beginning fund balances recorded in the Cash Summary by Fund Report to the December 31, 2017 balances in the Cash Summary by Fund Report. We found no exceptions.
3. We agreed the totals per the bank reconciliations to the total of the December 31, 2018 and 2017 fund cash balances reported in the Fund Status Report. The amounts agreed.
4. We confirmed the December 31, 2018 bank account balances with the Township's financial institution. We found no exceptions. We also agreed the confirmed balances to the amounts appearing in the December 31, 2018 bank reconciliation without exception.
5. We selected a sample (agreed upon) of five reconciling debits (such as outstanding checks) from the December 31, 2018 bank reconciliation:
 - a. We traced three debits to the subsequent January bank statement. We noted two outstanding checks, in the amounts of \$50 and \$59, dated December 20, 2010 and November 24, 2014, respectively, that were outstanding for greater than one year.

Cash (Continued)

- b. We traced the amounts and dates to the check register, to determine the debits were dated prior to December 31. There were no exceptions.

Property Taxes and Intergovernmental Receipts

1. We selected a property tax receipt from one *Statement of Semiannual Apportionment of Taxes* (the Statement) for 2018 and one from 2017:
 - a. We traced the gross receipts from the *Statement* to the amount recorded in the Receipt Detail Report. The amounts agreed.
 - b. We inspected the Receipt Detail Report to confirm the receipt was allocated to the proper funds as required by Ohio Rev. Code §§ 5705.05-.06 and 5705.10. We found no exceptions.
 - c. We inspected the Receipt Detail Report to confirm whether the receipt was recorded in the proper year. The receipt was recorded in the proper year.
2. We inspected the Receipt Detail Report to determine whether it included two real estate tax receipts for 2018 and 2017. The Receipt Detail Report included the proper number of tax receipts for each year.
3. We selected all receipts from the State Distribution Transaction Lists (DTL) from 2018 and all from 2017. We also selected a sample (agreed upon) of five receipts from the County Auditor's Accounts Payable Report from 2018 and five from 2017.
 - a. We compared the amount from the above reports to the amount recorded in the Receipt Detail Report. The amounts agreed.
 - b. We inspected the Receipt Detail Report to determine that these receipts were allocated to the proper funds. We found one exception in 2018 wherein a Manufactured Home rollback receipt for \$138 was incorrectly coded as Property and Other Local Taxes receipt rather than Intergovernmental Receipts in the General, Road and Bridge, Fire and Road Improvement Funds. We also found one exception in 2017 wherein we noted motor vehicle license tax receipt for \$384 was incorrectly posted in the Motor Vehicle Tax Fund as Motor Vehicle License Tax-State Levied receipt rather than in the Permissive Motor Vehicle License Tax Fund as Motor Vehicle License Tax-County Levied receipt.
 - c. We inspected the Receipt Detail Report to determine whether the receipts were recorded in the proper year. We found no exceptions.

Debt

1. From the prior audit documentation, we observed the following lease was outstanding as of December 31, 2016. This amount agreed to the Township's January 1, 2017 balance on the summary we used in procedure 3.

Issue	Principal outstanding as of December 31, 2016:
Dump Truck and Equipment	\$24,603

2. We inquired of management, and inspected the Receipt Detail Report and Payment Register Detail Report for evidence of debt issued during 2018 or 2017 or debt payment activity during 2018 or 2017. All debt agreed to the summary we used in procedure 3.

Debt (Continued)

3. We obtained a summary of lease debt activity for 2018 and 2017 and agreed principal and interest payments from the related debt amortization schedule to debt service fund payments reported in the Payment Register Detail Report. We also compared the date the debt service payments were due to the date the Township made the payments. We found two exceptions in 2017, wherein the principal payment of \$2,795 was partially posted as Other Expense and partially as Interest.
4. For new debt issued during 2018, we inspected the debt legislation, which stated the Township must use the proceeds to purchase a New Holland T5 Series Tractor. We inspected the Payment Register Detail Report and observed the Township purchased a New Holland T5 Series Tractor in November of 2018.

Payroll Cash Disbursements

1. We selected one payroll check for five employees from 2018 and one payroll check for five employees from 2017 from the Payroll Register Report and:
 - a. We compared the hours and pay rate, or salary recorded in the Payroll Register Report to supporting documentation (timecard, legislatively or statutorily-approved rate or salary). We found no exceptions.
 - b. We inspected the fund and account codes to which the check was posted to determine the posting was reasonable based on the employees' duties as documented in the minute record. We also confirmed the payment was posted to the proper year. We found no exceptions.
2. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2018 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2018. We observed the following:

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid
Federal income taxes & Medicare	January 31, 2019	December 31, 2018	\$1,049	\$1,049
State income taxes	January 15, 2019	December 31, 2018	\$296	\$296
OPERS retirement	January 30, 2019	December 31, 2018	\$3,205	\$3,205

3. We inquired of management and inspected the Payment Register Detail Report for the years ended December 31, 2018 and 2017 to determine if township employees and/or trustees were reimbursed for out-of-pocket insurance premiums. The Township passed a Resolution in 2016 to provide a group plan under Ohio Rev. Code § 505.60. The Township passed a Resolution on October 16, 2017 to issue reimbursement under Ohio Rev. Code § 505.601 for out of pocket cost of trustees' and fiscal officer's individual health care premiums limited to \$4,950 for a single health premium and limited to \$10,000 per employee for family health care premiums. The Township passed a Resolution on January 2, 2018 to follow Ohio Rev. Code § 505.601 for 2018 for the elected officials. For 2018, the Township had two health care plans in effect, Ohio Rev. Code § 505.60 for the two full-time employees and Ohio Rev. Code § 505.601 for elected officials. With of the guidance of legal counsel, the Township adopted a single Resolution for the Township to follow Ohio Rev. Code § 505.60 on August 7, 2019.

Non-Payroll Cash Disbursements

We selected a sample (agreed upon) of 10 disbursements from the Payment Register Detail Report for the year ended December 31, 2018 and 10 from the year ended 2017 and determined whether:

- a. The disbursements were for a proper public purpose. We found no exceptions.
- b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found no exceptions.
- c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found one exception in 2018 and one exception in 2017, in the amounts of \$62 and \$58 in 2018 and 2017, respectively, wherein two telephone disbursements were coded to the Permissive Motor Vehicle License Tax Fund instead of only a portion of the disbursement being paid out of this fund should have been allocated to the General Fund.
- d. We found one instance in 2018, in the amount of \$62, where the certification date was after the vendor invoice date and there was also no evidence that a *Then and Now Certificate* was issued. Ohio Rev. Code § 5705.41(D) requires certifying at the time of a commitment, which should be on or before the invoice date, unless a *Then and Now Certificate* is used. Because we did not inspect all disbursements requiring certification, our report provides no assurance whether or not additional similar errors occurred.

Compliance – Budgetary

1. We compared the total estimated receipts from the *Certificate of the Total Amount From All Sources Available For Expenditures and Balances*, required by Ohio Rev. Code § 5705.36(A)(1), to the amounts recorded in the Revenue Status Report for the General, Gasoline Tax and Fire Levy .06 Funds for the years ended December 31, 2018 and 2017. The amounts agreed.
2. We inspected the appropriation measures adopted for 2018 and 2017 to determine whether, for the General, Gasoline Tax and Fire Levy .06 Funds, the Trustees appropriated separately for "each office, department, and division, and within each, the amount appropriated for personal services," as is required by Ohio Rev. Code § 5705.38(C). We found no exceptions.
3. We compared total appropriations required by Ohio Rev. Code §§ 5705.38 and 5705.40, to the amounts recorded in the Appropriation Status Report for 2018 and 2017 for the following funds: General, Gasoline Tax and Fire Levy .06. The amounts on the appropriation resolutions agreed to the amounts recorded in the Appropriation Status Report.
4. Ohio Rev. Code §§ 5705.36(A)(5) and 5705.39 prohibits appropriations from exceeding the certified resources. We compared total appropriations to total certified resources for the General, Gasoline Tax and Fire Levy .06 Funds for the years ended December 31, 2018 and 2017. There were no funds for which appropriations exceeded certified resources.
5. Ohio Rev. Code § 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total appropriations for the years ended December 31, 2018 and 2017 for the General, Gasoline Tax and Fire Levy .06 Funds, as recorded in the Appropriation Status Report. There were no funds for which expenditures exceeded appropriations.

Compliance – Budgetary (Continued)

6. Ohio Rev. Code § 5705.09 requires establishing separate funds to segregate externally-restricted resources. We inspected the Receipt Detail Report for evidence of new restricted receipts requiring a new fund during December 31, 2018 and 2017. We also inquired of management regarding whether the Township received new restricted receipts. The Township established the Special Levy-Road Improvement Levy Fund during 2017 to segregate Road Improvement Levy receipts and disbursements, in compliance with Ohio Rev. Code § 5705.09.
7. For funds existing in prior years, we inspected the fund activity to determine whether the fund is still being used for the statutorily approved purpose and that all the required funds were established. All the required funds were established and no funds for which the statutorily approved purpose was no longer valid were included on the accounting records.
8. We inspected the 2018 and 2017 Revenue Status Reports and Appropriation Status Reports for evidence of interfund transfers exceeding \$1,000 which Ohio Rev. Code §§ 5705.14 - .16 restrict. We found no evidence of transfers these Sections prohibit, or for which § 5705.16 would require approval by the Tax Commissioner (effective after June 30, 2017) or Court of Common Pleas (effective through June 30, 2017).
9. We inquired of management and inspected the Appropriation Status Reports to determine whether the Township elected to establish reserve accounts permitted by Ohio Rev. Code § 5705.13. The Township did not establish these reserves.
10. We inspected the Cash Summary by Fund Report for the years ended December 31, 2018 and 2017 for negative cash fund balances. Ohio Rev. Code § 5705.10(I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. No funds had a negative cash fund balance.

Compliance – Contracts & Expenditures

We inquired of management and inspected the Payment Register Detail Report for the years ended December 31, 2018 and 2017 to determine if the Township proceeded by force account (i.e. used its own employees) to maintain or repair roads (cost of project \$15,000-\$45,000) or to construct or reconstruct Township roads (cost of project \$5,000-\$15,000/per mile) for which Ohio Rev. Code § 5575.01 requires the County engineer to complete a force account project assessment form (i.e., cost estimate). We identified no projects requiring the county engineer to complete a force account cost estimate.

Other Compliance

Ohio Rev. Code § 117.38 requires Townships to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the Township filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy, within the allotted timeframe for the years ended December 31, 2018 and 2017 in the Hinkle system. There were no exceptions.

This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on the Township's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is to provide assistance in the evaluation of the Township's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2018 and 2017, and certain compliance requirements related to these transactions and balances and is not suitable for any other purpose.

Keith Faber
Auditor of State
Columbus, Ohio
