Independent Accountants' Report on Applying Agreed-Up Procedures

Ohio Department of Medicaid
50 West Town Street, Suite 400
Columbus, Ohio 43215

RE: Maryam H. Azadi, D.M.D. NPI: 1548330194
Program Year 5: Meaningful Use Stage 2 Year 4

We have performed the procedures enumerated below, which were agreed to by the Ohio Department of Medicaid (ODM), on Dr. Maryam H. Azadi's (hereafter referred to as the Provider) compliance with the requirements of the Medicaid Provider Incentive Program (MPIP) for the year ended December 31, 2016. The Provider is responsible for compliance with the MPIP requirements. The sufficiency of these procedures is solely the responsibility of ODM. Consequently, we make no representation regarding the sufficiency of the procedures enumerated below either for the purpose for which this report has been requested or for any other purpose.

1. We obtained the Provider's encounters during the patient volume attestation period. We scanned the list and found no duplicate encounters. We also found it included multiple payer sources.
2. We recalculated the Medicaid patient volume from the encounters identified in procedure 1 and confirmed the Provider met the 30 percent patient volume requirement.
3. We did not determine if the current electronic health record software was approved as the Provider did not participate in the MPIP program after program year 2017.
4. We could not perform the procedure to determine if the meaningful use reports included encounters from all locations with the CEHRT installed because no meaningful use reports were received.
5. We did not perform the procedure to obtain supporting documentation for the 10 objectives and clinical quality measures to the applicable criteria, see Procedure 4.

Responsible Party's Written Representation

The Provider did not submit a signed representation letter acknowledging responsibility for maintaining records and complying with applicable MPIP regulations; making available all documentation related to compliance; responding fully to our inquiries; reporting any non-compliance subsequent to the end of the engagement period; and disclosing all communications received from regulatory agencies alleging noncompliance with the Ohio MPIP rules.

This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants' attestation standards. We were not engaged to and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on the Provider's compliance with the requirements of the Medicaid Provider Incentive Program. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported.
