We have completed certain procedures in accordance with Ohio Rev. Code Section 117.01(G) to the accounting records and related documents of the Village of Hartford, Licking County, (the Village) for the years ended December 31, 2019 and 2018.

Our procedures were designed solely to satisfy the audit requirements of Ohio Rev. Code Section 117.11(A). Because our procedures were not designed to opine on the Village's financial statements, we did not follow *generally accepted auditing standards*. We do not provide any assurance on the Village's financial statements, transactions or balances for the years ended December 31, 2019 and 2018.

The Village's management is responsible for preparing and maintaining its accounting records and related documents. Our responsibility under Ohio Rev. Code Section 117.11(A) is to examine, analyze and inspect these records and documents.

Based on the results of our procedures, we found the following significant compliance or accounting issue to report.

## Current Year Observations

- Ohio Rev. Code § 109.43(B) and 149.43(E)(1)** require all state and local elected officials, or their designees, to attend 3 hours of training on Ohio's Public Records Laws during each term of office. The training received must be certified by the Ohio Attorney General. Proof of completion of training must include documentation either from the Attorney General's Office or from another entity certified by the Attorney General to provide the training to the elected official or his/her designee. Attendees who successfully complete the training will receive a certificate to serve as proof of training.

We noted the Village elected officials did not attend the required Certified Public Records Training or have an appropriate designee attend training. This could result in the public offices lacking the knowledge base regarding the offices' duties related to public records requests as well as improper withholding of information from stakeholders.

The elected officials, or their designee(s), should, during their term of office, attend public records training and maintain proof of completion of the training.
