Montgomery Township  
Wood County  
1950 Mermill Road  
P.O. Box 462  
Bradner, Ohio 43406-0462

We have performed the procedures enumerated below on Montgomery Township, Wood County, Ohio's (the Township) receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2020 and 2019 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the Township. The Township is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2020 and 2019 and certain compliance requirements related to these transactions and balances included in the information provided to us by the Township.

The Board of Trustees and the management of the Township have agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of providing assistance in the evaluation of the Township's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2020 and 2019, and certain compliance requirements related to these transactions and balances. No other party acknowledged the appropriateness of the procedures. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of the report and may not meet the needs of all users of the report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes. The sufficiency of the procedures is solely the responsibility of the parties specified in the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

For the purposes of performing these procedures, this report only describes exceptions exceeding \$10.

The procedures and the associated findings are as follows.

### Cash

1. We recalculated the December 31, 2020 and December 31, 2019 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2019 beginning fund balances recorded in the Fund Ledger Report to the December 31, 2018 balances in the prior year documentation in the prior year Agreed-Upon Procedures working papers. We found no exceptions. We also agreed the January 1, 2020 beginning fund balances for each fund recorded in the Fund Ledger Report to the December 31, 2019 balances in the Fund Ledger Report. We found no exceptions.

3. We agreed the totals per the bank reconciliations to the total of the December 31, 2020 and 2019 fund cash balances reported in the Fund Status Report and the financial statements filed by the Township in the Hinkle System. The amounts agreed.
4. We confirmed the December 31, 2020 bank account balances with the Township's financial institution. We found no exceptions. We also agreed the confirmed balances to the amounts appearing in the December 31, 2020 bank reconciliation without exception.
5. We selected five reconciling debits (such as outstanding checks) from the December 31, 2020 bank reconciliation:
  - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
  - b. We traced the amounts and dates to the check register, and determined the debits were dated prior to December 31. There were no exceptions.

#### **Property Taxes and Intergovernmental Cash Receipts**

1. We selected a total of five receipts from the *Statement of Semiannual Apportionment of Taxes*, State Distribution Transaction Lists (DTL), and the County Auditor Detail Expense Transaction Report for 2020 and a total of five from 2019:
  - a. We compared the amount from the above named reports to the amount recorded in the Receipt Detail Report. The amounts agreed.
  - b. We inspected the Receipt Detail Report to determine these receipts were allocated to the proper funds as required by Ohio Rev. Code §§ 5705.05-.06 and 5705.10. We found no exceptions.
  - c. We inspected the Receipt Detail Report to determine whether the receipt was recorded in the proper year. The receipt was recorded in the proper year. We found no exceptions.
2. We inspected the Receipt Detail Report to determine whether it included two real estate tax receipts for 2020 and 2019. The Receipt Detail Report included the proper number of tax receipts for each year.

#### **Debt**

1. The prior agreed-upon procedures documentation disclosed no debt outstanding as of December 31, 2018.
2. We inquired of management, and inspected the Receipt Detail Report and Payment Register Detail Report for evidence of debt issued during 2020 or 2019 or debt payment activity during 2020 or 2019. All debt did not agree to the summary we used in procedure 3, the Township did not record loan proceeds and capital outlay expenditures in the amount of \$400,000 in 2019 to the accounting system.
3. We obtained a summary of loan debt activity for 2020 and 2019 and agreed principal and interest payments from the related debt amortization schedule to debt service payments reported in the Payment Register Detail Report. We also compared the date the debt service payments were due to the date the Township made the payments.

During 2020, the Township recorded principal and interest payments in the amounts of \$10,767 and \$5,000 in the Gasoline Tax and Permissive Motor Vehicle License Tax Funds, respectively. The debt payments were to pay debt on a building which houses the South East Ambulance District. The use of Gasoline Tax and Permissive Motor Vehicle License Tax Funds to pay such debt is not in accordance with the allowable uses of said funds as enumerated in Ohio Rev. Code Chapters 4504 and 5735. The Township has posted adjustments to the accounting system.

4. For new debt issued during 2020 and 2019, we inspected the debt legislation, which stated the Township must use the proceeds to construct a building. We inspected the Payment Register Detail Report and observed the Township constructed a building in 2019.

In 2019, the Township obtained a commercial loan with a local bank to finance the construction of a building. This type of debt is not authorized in Ohio Rev. Code Chapter 133. The Township has no statutory authority to incur debt through either installment loans or promissory notes with any banking institutions. Without a statutory provision authorizing this method of incurring debt, the Township was not permitted to use such a method.

  - a. We compared the hours and pay rate, or salary recorded in the Wage Detail Report to supporting documentation (timecard, legislatively approved rate or salary).
    - i. We inspected the employees' personnel files for the Retirement system, Federal, State and Local income tax withholding authorization.
    - ii. We agreed these items to the information used to compute gross and net pay related to this check.  
 We found no exceptions.
  - b. We inspected the fund and account codes to which the check was posted to determine the posting was allowable based on the employees' duties as documented in the employees' personnel files. We found no exceptions.
  - c. We confirmed the payment was posted to the proper year. We found no exceptions.
2. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2020 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2020. We observed the following:

<b>Withholding (plus employer share, where applicable)</b>	<b>Date Due</b>	<b>Date Paid</b>	<b>Amount Due</b>	<b>Amount Paid</b>
Federal income taxes and Medicare (and social security, for employees not enrolled in pension system)	January 31, 2021	December 31, 2020	\$3,363.55	\$3,363.55
State income taxes	January 15, 2021	December 31, 2020	556.74	556.74

### **Non-Payroll Cash Disbursements**

We selected 10 disbursements from the Payment Detail Report for the year ended December 31, 2020 and 10 from the year ended December 31, 2019 and determined whether:

- a. The disbursements were for a proper public purpose. We found no exceptions.
- b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Detail Report and to the names and amounts on the supporting invoices. We found no exceptions.
- c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.

The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code Section 5705.41(D). We found no exceptions.

### **Compliance – Budgetary**

1. Ohio Rev. Code § 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. There were no funds for which expenditures exceeded appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code §§ 5705.38 and 5705.40) plus any carryover appropriations for the year ended December 31, 2019 for the General, Gasoline Tax, and Hedge Bequest funds, as recorded in the Appropriation Status Report. There were no funds for which expenditures exceeded appropriations.
2. We inspected the Cash Summary by Fund Report for the years ended December 31, 2020 and 2019 for negative cash fund balances. Ohio Rev. Code Section 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. No funds had a negative cash fund balances.
