We found no exceptions.
3. We agreed the totals per the bank reconciliations to the total of the December 31, 2020 and 2019 fund cash balances reported in the Fund Status Report and the financial statements filed by the Village in the Hinkle System. The amounts agreed.

5. We selected five reconciling debits (such as outstanding checks) from the December 31, 2020 bank reconciliation:
 - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
 - b. We traced the amounts and dates to the check register and determined the debits were dated prior to December 31. There were no exceptions.

Property Taxes and Intergovernmental Cash Receipts

1. We selected a total of five receipts from the *Statement of Semiannual Apportionment of Taxes*, State Distribution Transaction Listing (DTL), and the County Auditor's DTL for 2020 and a total of five from 2019:
 - a. We compared the amount from the above named reports to the amount recorded in the Receipt Register Report. The amounts agreed.

Sewer Fund

1. We selected 10 Sewer Fund collection cash receipts from the year ended December 31, 2020 and 10 Sewer Fund collection cash receipts from the year ended 2019 recorded in the Receipt Register Report and determined whether the:
 - a. Receipt amount per the Receipt Register Report agreed to the amount recorded to the credit of the customer's account in the Month to Date Receipt List Report. The amounts agreed.
 - b. Amount charged for the related billing period:
 - i. Agreed with the debit to accounts receivable in the Month to Date Receipt List Report for the billing period. We found no exceptions.
 - ii. Complied with rates in force during the audit period. We found no exceptions.
 - c. Receipt was posted to the proper fund, and was recorded in the year received. We found no exceptions.

3. We inquired with the Village and determined that there were no non-cash adjustments during 2019 or 2020.

Debt

1. From the prior audit documentation, we observed the following loans were outstanding as of December 31, 2018. These amounts agreed to the Villages January 1, 2019 balances on the summary we used in procedure 3.

Issue	Principal outstanding as of December 31, 2018:
OWDA Loan 4229	\$1,842,318

2. We inquired of management, and inspected the Receipt Register Report and Payment Register Detail Report for evidence of debt issued during 2020 or 2019 or debt payment activity during 2020 or 2019. All debt agreed to the summary we used in procedure 3.
3. We obtained a summary of loans debt activity for 2020 and 2019 and agreed principal and interest payments from the related debt amortization schedule to debt service fund payments reported in the Payment Register Detail Report. We also compared the date the debt service payments were due to the date the Village made the payments. We found no exceptions.

Payroll Cash Disbursements

1. We selected one payroll check for five employees from 2020 and one payroll check for five employees from 2019 from the Wage Detail Report and:
 - a. We compared the hours and pay rate, or salary recorded in the Wage Detail Report to supporting documentation (timecard, legislatively or statutorily-approved rate or salary).
 - i. We inspected the employees' personnel files for the Retirement system, Federal, State & Local income tax withholding authorization.
 - ii. We agreed these items to the information used to compute gross and net pay related to this check.

We found that federal income taxes were not withheld from employees' payroll checks. We brought this to management's attention. Because we did not compare all timecards, our report provides no assurance whether or not other similar errors occurred.
 - b. We inspected the fund and account codes to which the check was posted to determine the posting was allowable based on the employees' duties as documented in the employees' personnel files. We found no exceptions.
 - c. We confirmed the payment was posted to the proper year. We found no exceptions.

2. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2020 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period during 2020. We observed the following:

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid
State income taxes	January 15, 2021	March 12, 2021	\$98.51	\$98.51
OPERS retirement	January 30, 2021	December 31, 2020	\$342.31	\$342.31

During procedures it was noted, as of the date of this report, the Village did has not remitted federal income taxes, medicare or social security during 2019 and 2020. Additionally, as stated above Village did not remit state income taxes by the due date noted above.

Non-Payroll Cash Disbursements

 - a. The disbursements were for a proper public purpose. We found no exceptions.

 - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.

 - a. Duplicate receipt book.
 - b. Docket, including comparing the total fine paid to the judgment issued by the judge (i.e. mayor)
 - c. Case file.

The amounts recorded in the cash book, receipts book, docket and case file agreed.
2. From the cash book, we selected one month from the year ended December 31, 2020 and one month from the year ended 2019 and determined whether:
 - a. The monthly sum of fines and costs collected for those months agreed to the amounts reported as remitted to the Village, State or other applicable government in the following month. We found no exceptions.
 - b. The totals remitted for these two months per the cash book agreed to the returned canceled checks. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the cash book.

Compliance – Budgetary

1. Ohio Rev. Code § 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code §§ 5705.38 and 5705.40) plus any carryover appropriations for the years ended December 31, 2020 and 2019 for the General, Street Construction and Sewer Operating funds, as recorded in the Appropriation Status Report. We observed no funds for which expenditures exceeded appropriations.
2. We inspected the Cash Summary by Fund Report for the years ended December 31, 2020 and 2019 for negative cash fund balance. Ohio Rev. Code § 5705.10(l) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. There were no funds having negative cash fund balances.

 - No unpaid beginning balance was carried forward to the current billing cycle,
 - Ending statement balance was paid in full, and
 - Statement contained no interest or late fees.We found no exceptions.

We were not engaged to, and did not conduct an examination or review engagement, the objective of which would be the expression of an opinion or conclusion, respectively, on the Village's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.
