5. We selected five reconciling debits (such as outstanding checks) from the December 31, 2020 bank reconciliation
 - a. We traced each debit to the subsequent January and February bank statements. We found no exceptions.
 - b. We traced the amounts and dates to the check register and determined the debits were dated prior to December 31. There were no exceptions.
6. We traced interbank account transfers occurring in December of 2020 and 2019 to the accounting records and bank statements to determine if they were properly recorded. We found no exceptions.
7. We inspected investments held at December 31, 2020 and December 31, 2019 to determine that they:
 - a. Were of a type authorized by Ohio Rev. Code §§ 135.13, 135.14 or 135.144. We found no exceptions.
 - b. Mature within the prescribed time limits noted in Ohio Rev. Code § 135.13 or 135.14. We noted no exceptions.

Property Taxes, Intergovernmental and Other Confirmable Cash Receipts

1. We selected a total of five receipts from the *Statement of Semiannual Apportionment of Taxes*, State Distribution Transaction Listing (DTL), and the Jefferson County Detail Vendor Expenditure Report for 2020 and a total of five from 2019:
 - a. We compared the amount from the above named reports to the amount recorded in the Receipt Register Report. The amounts agreed.
 - b. We inspected the Receipt Register Report to determine these receipts were allocated to the proper funds as required by Ohio Rev. Code §§ 5705.05-.06 and 5705.10. We found no exceptions.

- b. Confirmed the amounts charged complied with rates in force during the period. We found no exceptions.
- c. Inspected the Receipt Register Report to determine the receipt was posted to the proper fund, and was recorded in the proper year. We found no exceptions.

Water Fund

1. We selected 10 Water Fund collection cash receipts from the year ended December 31, 2020 and 10 Water Fund collection cash receipts from the year ended 2019 recorded in the Receipt Register Report and determined whether the:
 - a. Receipt amount per the Cash Journal/Transaction Report agreed to the amount recorded to the credit of the customer's account in the Receipt History Report. The amounts agreed.
 - b. Amount charged for the related billing period:
 - i. Agreed with the debit to accounts receivable in the Receipt History Report for the billing period. We found no exceptions.

 - c. Receipt was posted to the proper funds, and was recorded in the year received. We found no exceptions.
2. The Village provides water utilities to its customers. The Village does have an accounts receivable system, however, once the Final Notice Report is run it is no longer available. This report is ran before the next month bills and shows customers who have not paid in the previous 30 days and have a balance over \$100. In addition, the Village does not have a formal process for non-cash adjustments as they are very rare and only to be used for water main breaks. Without accounts receivable information readily available, the Village could lack reliable information on overdue amounts, systems-derived documentation on non-cash adjustments and approval of non-cash adjustments, and information upon which to judge whether the Village should write off or follow up on uncollectible amounts. Jefferson County is in the process of taking over the Village's water utilities service in 2021.
3. We observed the Receipt Adjustments Report.
 - a. This report listed a total of \$7,965 and \$40 non-cash receipts adjustments for the years ended December 31, 2020 and 2019, respectively.
 - b. We selected the two non-cash adjustments from 2020 and the one non-cash adjustment from 2019, and observed that the Council approved each adjustment.

Debt

1. The prior agreed-upon procedures documentation disclosed no debt outstanding as of December 31, 2018.
2. We inquired of management, and inspected the Receipt Register Report and Payment Register Detail Report for evidence of debt issued during 2020 or 2019 or debt payment activity during 2020 or 2019. There were no new debt issuances, nor any debt payment activity during 2020 or 2019.

Payroll Cash Disbursements

1. We selected one payroll check for five employees from 2020 and one payroll check for five employees from 2019 from the Wage Withholdings Detail Report and:
 - a. We compared the hours and pay rate, or salary recorded in the Wage Detail Report to supporting documentation (timecard, legislatively or statutorily-approved rate or salary).
 - i. We inspected the employees' personnel files for the Retirement system, Federal, State & Local income tax withholding authorization.
 - ii. We agreed these items to the information used to compute gross and net pay related to this check. We found no exceptions.
 - b. We inspected the fund and account codes to which the check was posted to determine the posting was allowable based on the employees' duties as documented in the minute record. We found no exceptions.
 - c. We confirmed the payment was posted to the proper year. We found no exceptions.
2. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2020 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period during 2020. We observed the following:

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid
Federal income taxes & Medicare (and social security, for employees not enrolled in pension system)	January 31, 2021	January 4, 2021	\$364	\$364
State income taxes	January 15, 2021	January 1, 2021	60	60
OPERS retirement	January 30, 2021	January 1, 2021	584	584

Non-Payroll Cash Disbursements

1. We selected 10 disbursements from the Payment Register Detail Report for the year ended December 31, 2020 and 10 from the year ended 2019 and determined whether:
 - a. The disbursements were for a proper public purpose. We found no exceptions.
 - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found no exceptions.
 - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
 - d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code § 5705.41(D). We found no exceptions.

Compliance – Budgetary

1. Ohio Rev. Code § 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code §§ 5705.38 and 5705.40) plus any carryover appropriations for the years ended December 31, 2020 and 2019 for the General, Street and Police Levy funds, as recorded in the Appropriation Status Report. We observed no funds for which expenditures exceeded appropriations.
2. We inspected the interfund transfer from 2019 Revenue Status Report and Appropriation Status Report for compliance with Ohio Rev. Code §§ 5705.14 - .16. We found no evidence of transfers these Sections prohibit, or for which Section 5705.16 would require approval by the Tax Commissioner.
3. We inspected the Cash Summary by Fund Report for the years ended December 31, 2020 and 2019 for negative cash fund balance. Ohio Rev. Code § 5705.10(l) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. There were no funds having negative cash fund balances.

1. We obtained and inspected the Village's Public Records Policy to determine the policy was in accordance with Ohio Rev. Code §§ 149.43(E)(2) and 149.43(B)(7)(c) and did not limit the number of responses that may be made to a particular person, limit the number of responses during a specified period of time, or establish a fixed period of time before it will respond unless that period is less than eight hours. We found no exceptions.

 - b. The Village did not have any denied public records requests during the engagement period.
 - c. The Village did not have any public records requests with redactions during the engagement period.

We inspected the public notices for the public meetings held during the engagement period and determined the Village notified the general public and news media of when and where meetings during the engagement period were to be held as required by Ohio Rev. Code § 121.22(F). We found no exceptions.
10. We inspected the minutes of public meetings during the engagement period in accordance with Ohio Rev. Code § 121.22(C) and determined whether they were:

1. Ohio Rev. Code § 117.38 requires villages to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. We confirmed the Village filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy within the allotted timeframe for the years ended December 31, 2020 and 2019 in the Hinkle system.  - ii. Ending statement balance was paid in full, and
 - iii. Statement contained no interest or late fees.
- We found no exceptions.

We were engaged by the Village to perform this agreed-upon procedures engagement and conducted our engagement in accordance with the attestation standards established by the AICPA and the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review engagement, the objective of which would be the expression of an opinion or conclusion, respectively, on the Village's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.
