## BASIC AUDIT REPORT

Vinton County Soil and Water Conservation District  
Vinton County  
31935 State Route 93  
McArthur, Ohio 45651

We have completed certain procedures in accordance with Ohio Rev. Code § 117.01(G) to the accounting records and related documents of the Vinton County Soil and Water Conservation District, Vinton County, (the District) for the years ended December 31, 2020 and 2019.

Our procedures were designed solely to satisfy the audit requirements of Ohio Rev. Code § 117.11(A). Because our procedures were not designed to opine on the Corporation's financial statements, we did not follow *generally accepted auditing standards*. We do not provide any assurance on the Corporation's financial statements, transactions or balances for the years ended December 31, 2020 and 2019.

The District's management is responsible for preparing and maintaining its accounting records and related documents. Our responsibility under Ohio Rev. Code § 117.11(A) is to examine, analyze and inspect these records and documents.

Based on the results of our procedures, we found the following significant compliance or accounting issues to report.

### Current Year Observations

**Ohio Rev. Code §§ 109.43(B) and 149.43(E)(1)** require all state and local elected officials, or their designees, to attend 3 hours of training on Ohio's Public Records Laws during each term of office. The training received must be certified by the Ohio Attorney General. Proof of completion of training must include documentation either from the Attorney General's Office or from another entity certified by the Attorney General to provide the training to the elected official or his/her designee. Attendees who successfully complete the training will receive a certificate to serve as proof of training.

All of the District's officials with terms ending in 2020, did not, during their term of office, attend a required Certified Public Records Training or have an appropriate designee attend a training, due to deficiencies in internal controls over public record laws training procedures and monitoring. This could result in improper education of public offices regarding the offices' duties related to public records requests as well as improper withholding of information from stakeholders.

The elected officials, or their designee(s), should, during their term of office, attend public records training and maintain proof of completion of the training.
