### Special Fund Budgetary Compliance

1. We inspected the District's Special Fund Budget Request submitted to the County Commissioners for the years ended December 31, 2021 and 2020. The request included the Special Fund's *Needs, Income* and *Balances* anticipated for carry over from the current year, as required by the SWCD Administrative Handbook, Chapter 5. We also compared the budget amounts to the Special Fund Budgetary Activity footnote of the Cash Basis Annual Financial Report. The amounts agreed.

We also compared the budget amounts to the Special Fund Budgetary Activity footnote of the Cash Basis Annual Financial Report. The 2020 budgeted receipts in the Special Fund Budgetary Activity footnote of \$308,612 did not agree to the approved receipts of \$320,043 for a difference of \$11,431. The 2020 approved appropriation in the Special Fund Budgetary Activity footnote of \$309,145 did not agree to approved appropriations of \$319,905 for a difference of \$10,760. The 2021 budgeted receipts in the Special Fund Budgetary Activity footnote of \$286,873 did not agree to the approved receipts of \$296,215 for a difference of \$9,342. The 2021 approved appropriation in the Special Fund Budgetary Activity footnote of \$369,601 did not agree to approved appropriations of \$387,531 for a difference of \$17,930.

2. Ohio Rev. Code § 5705.41(B) prohibits expenditures (disbursements plus year-end certified commitments) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code §§ 5705.38 and 5705.40) plus any carryover appropriations for the year ended December 31, 2021 and 2020 for the "Special" Fund. Special Fund expenditures for 2020 exceeded total appropriations by \$8,253, contrary to Ohio Rev. Code § 5705.41(B).
3. We inspected the Annual Cash Basis Financial Report for the years ended December 31, 2021 and 2020 for negative cash fund balances. Ohio Rev. Code § 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative

fund cash balance indicates that money from one fund was used to cover the expenses of another. There were no funds having negative cash fund balances

### **Other Compliance**

Ohio Rev. Code § 117.38 requires Districts to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies, regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the District filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy, within the allotted timeframe for the years ended December 31, 2021 and 2020 in the Hinkle system. We found no exceptions.

We were engaged by the District to perform this agreed-upon procedures engagement and conducted our engagement in accordance with the attestation standards established by the AICPA and the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review engagement, the objective of which would be the expression of an opinion or conclusion, respectively, on the District's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We are required to be independent of the District and to meet our ethical responsibilities, in accordance with the ethical requirements established by the Comptroller General of the United States' *Government Auditing Standards* related to our agreed upon procedures engagement.
