1. We obtained and inspected the Society's Public Records Policy to determine the policy was in accordance with Ohio Rev. The Auditor of State established policies, regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the Society filed their complete financial statements, as defined by AOS Bulletin 2015-007 and the Auditor of State established policy within the allotted timeframe for the years ended November 30, 2021 and 2020 in the Hinkle system. We found no exceptions.

We were engaged by the Society to perform this agreed-upon procedures engagement and conducted our engagement in accordance with the attestation standards established by the AICPA and Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination, or review engagement, the objective of which would be the expression of an opinion or conclusion, respectively, on the Society's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We are required to be independent of the Society and to meet our ethical responsibilities, in accordance with the ethical requirements established by the Comptroller General of the United States' *Government Auditing Standards* related to our agreed upon procedures engagement.
