## INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON PROCEDURES

Village of Irondale  
Jefferson County  
PO Box 211  
Irondale, Ohio 43932

We have performed the procedures enumerated below on the Village of Irondale's (the Village) receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2021 and 2020 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the Village. The Village is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2021 and 2020 and certain compliance requirements related to these transactions and balances included in the information provided to us by the Village.

The Village Council, Mayor and the management of the Village have agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of providing assistance in the evaluation of the Village's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2021 and 2020, and certain compliance requirements related to these transactions and balances. No other party acknowledged the appropriateness of the procedures. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of the report and may not meet the needs of all users of the report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes. The sufficiency of the procedures is solely the responsibility of the parties specified in the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

For the purposes of performing these procedures, this report only describes exceptions exceeding \$10.

The procedures and the associated findings are as follows:

### Cash and Investments

1. We recalculated the December 31, 2021 and December 31, 2020 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2020 beginning fund balances for each fund recorded in the Fund Ledger Report to the December 31, 2019 balances in the prior year documentation in the prior year Agreed-Upon Procedures working papers. We found no exceptions. We also agreed the January 1, 2021 beginning fund balances for each fund recorded in the Fund Ledger Report to the December 31, 2020 balances in the Fund Ledger Report. We found no exceptions.
3. We agreed the 2021 and 2020 bank reconciliation as of December 31, 2021 and 2020 to the total fund cash balances reported in the Fund Status Report and the financial statements filed by the Village in the Hinkle System. The amounts agreed.

---

Efficient • Effective • Transparent

4. We confirmed the December 31, 2021 bank account balances with the Village's financial institution. We found no exceptions. We also agreed the confirmed balances to the amounts appearing in the December 31, 2021 bank reconciliation without exception.
5. We selected five reconciling debits (such as outstanding checks) from the December 31, 2021 bank reconciliation:
  - a. We traced each debit to the subsequent January bank statement. We found four debits were still outstanding, all of which were stale-dated checks.
  - b. We traced the amounts and dates to the check register and determined the debits were dated prior to December 31. We found no exceptions.
6. We selected all reconciling credits (such as deposits in transit) from the December 31, 2021 bank reconciliation:
  - a. We traced each credit to the subsequent January bank statement. We found no exceptions.
  - b. We agreed the credit amounts to the Receipts Register and determined they were dated prior to December 31. We found no exceptions.
7. We inspected investments held at December 31, 2021 and December 31, 2020 to determine that they:
  - a. Were of a type authorized by Ohio Rev. Code §§ 135.13, 135.14 or 135.144. We found no exceptions.
  - b. Mature within the prescribed time limits noted in Ohio Rev. Code § 135.13 or 135.14. We found no exceptions.

#### **Property Taxes, Intergovernmental and Other Confirmable Cash Receipts**

1. We selected a total of five receipts from the *Statement of Semiannual Apportionment of Taxes*, State Distribution Transaction Listing (DTL), and the County Auditor Vendor Detail Report for 2021 and a total of five from 2020:
  - a. We compared the amount from the above named reports to the amount recorded in the Receipt Register Report. The amounts agreed.
  - b. We inspected the Receipt Register Report to determine these receipts were allocated to the proper funds as required by Ohio Rev. Code §§ 5705.05-.06 and 5705.10. We found no exceptions.
  - c. We inspected the Receipt Register Report to determine whether the receipt was recorded in the proper year. The receipt was recorded in the proper year. We found no exceptions.
2. We inspected the Receipt Register Report to determine whether it included two real estate tax receipts for 2021 and 2020. The Receipt Register Report included the proper number of tax receipts for each year. We found no exceptions.

#### **Other Receipts**

We selected 10 other receipts from the year ended December 31, 2021 and 10 other receipts from the year ended 2020 and:

- a. Agreed the receipt amount recorded in the Receipt Register Report to supporting documentation. The amounts agreed.
- b. Confirmed the amounts charged complied with rates in force during the period. We found no exceptions.
- c. Inspected the Receipt Register Report to determine the receipt was posted to the proper funds, and was recorded in the proper year. We found no exceptions.

**Debt**

1. From the prior agreed-upon procedures documentation, we observed the following lease was outstanding as of December 31, 2019. The amount agreed to the Village's January 1, 2020 balances on the summary we used in procedure 3.

Issue	Principal outstanding as of December 31, 2019:
Oskock Capital – Fire Truck Lease	\$80,282

2. We inquired of management, and inspected the Receipt Register Report and Payment Register Detail Report for evidence of debt issued during 2021 or 2020 or debt payment activity during 2021 or 2020. All debt agreed to the summary we used in procedure 3.
3. We obtained a summary of bonds and leases debt activity for 2021 and 2020 and agreed principal and interest payments from the related debt amortization schedules to debt payments reported in the Payment Register Detail Report. We also compared the date the debt service payments were due to the date the Village made the payments. We found the following: In 2021, the Village did not classify \$1,500 of interest paid on the Truck Lease as Interest and Fiscal Charges on the filed financial statements. In addition, the Village posted payments on the Equipment Bonds totaling \$2,270 to the Fire Fund instead of the Street Fund, and the payment was not properly classified as Principal and Interest and Fiscal Charges on the Village's filed financial statements. The Village agreed to and made the adjustment in the accounting system on August 15, 2022. In 2020, interest paid on the Fire Lease and Truck lease totaling \$3,676 and \$1,464 was classified as Principal instead of Interest and Fiscal Charges on the filed financial statements. In addition, two Truck lease payments totaling \$5,952 were not made by the required date. Finally, one Truck lease payment totaling \$3,968 was not properly classified as Principal Retirement and Interest and Fiscal Charges on the Village's filed financial statements.
4. We agreed the amount of debt proceeds received for 2021 and 2020 from the debt documents to amounts recorded in the Receipt Register Report. The amounts did not agree, as the Village did not post 2020 lease proceeds in the amount of \$68,740 to the Receipt Register Report for the Truck lease.
5. For new debt issued during 2021 and 2020, we inspected the debt legislation, which stated the Village must use the proceeds to purchase a truck and an excavator. We inspected the Payment Register Detail Report and observed the Village purchased a truck in April of 2020 and an excavator in June of 2020.

**Payroll Cash Disbursements**

1. We selected one payroll check for five employees from 2021 and one payroll check for five employees from 2020 from the Wage Withholdings Detail Report and:
  - a. We compared the hours and pay rate, or salary recorded in the Wage Detail Report to supporting documentation (timecard, legislatively or statutorily-approved rate or salary).
    - i. We inspected the employees' personnel files for the Retirement system, Federal, State & Local income tax withholding authorization.
    - ii. We agreed these items to the information used to compute gross and net pay related to this check.  
 We found no exceptions.
  - b. We inspected the fund and account code to which the check was posted to determine the posting was allowable based on the employees' duties as documented in the minute record. We found no exceptions.
  - c. We confirmed the payment was posted to the proper year. We found no exceptions.

2. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2021 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period during 2021. We observed the following:

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid
Federal income taxes & Medicare	January 31, 2022	January 13, 2022	\$849	\$849
State income taxes	January 15, 2022	January 13, 2022	78	78
OPERS retirement	January 30, 2022	January 13, 2022	328	328

We found no exceptions.

### Non-Payroll Cash Disbursements

1. We selected 10 disbursements from the Payment Register Detail Report for the year ended December 31, 2021 and 10 from the year ended 2020 and determined whether:
  - a. The disbursements were for a proper public purpose. We found no exceptions.
  - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found no exceptions.
  - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
  - d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code § 5705.41(D). We found three instances where we were not able to determine if disbursements requiring certification were properly certified as an invoice was not provided. Ohio Rev. Code § 5705.41(D) requires certifying at the time of a commitment, which should be on or before the invoice date, unless a *Then and Now Certificate* is used. Because we did not inspect all disbursements requiring certification, our report provides no assurance whether or not additional similar errors occurred.

### Compliance – Budgetary

1. Ohio Rev. Code § 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code §§ 5705.38 and 5705.40) plus any carryover appropriations for the years ended December 31, 2021 and 2020 for the General, Street Construction, Maintenance and Repair, and Permissive Motor Vehicle License funds as recorded in the Appropriation Status Report. The Village did not legislatively adopt appropriations in 2021 and 2020, therefore, General, Street Construction, Maintenance and Repair, and Permissive Motor Vehicle License Tax funds expenditures for 2021 exceeded total appropriations by \$43,282, \$35,415, and \$6,039, respectively and General and Street Construction, Maintenance and Repair funds expenditures for 2020 exceeded total appropriations by \$45,079 and \$68,682, respectively, contrary to Ohio Rev. Code § 5705.41(B).
2. We inspected the Cash Summary by Fund Report for the years ended December 31, 2021 and 2020 for negative cash fund balance. Ohio Rev. Code § 5705.10(l) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. There were no funds having negative cash fund balances.

### Sunshine Law Compliance

1. We obtained and inspected the Village's Public Records Policy to determine the policy was in accordance with Ohio Rev. Code §§ 149.43(E)(2) and 149.43(B)(7)(c) and did not limit the number of responses that may be made to a particular person, limit the number of responses during a specified period of time, or establish a fixed period of time before it will respond unless that period is less than eight hours. We found no exceptions.
2.
  - a. We inquired with Village management and determined that the Village did not have any completed public records requests during the engagement period.
  - b. The Village did not have any denied public records requests during the engagement period.
  - c. The Village did not have any public records requests with redactions during the engagement period.
3. We inquired with Village management and determined that the Village did not have a records retention schedule during the engagement period and therefore could not make it readily available to the public as required by Ohio Rev. Code § 149.43(B)(2).
4. We inspected written evidence that the Public Records Policy was provided to the records custodian/manager as required by Ohio Rev. Code § 149.43(E)(2). We found no written evidence that the public records policy was provided to the records custodian/manager.
5. We inquired with Village management and determined that the Village did not have a policy manual during the engagement period; therefore, the public records policy could not be included as required by Ohio Rev. Code § 149.43(E)(2).
6. We observed that the Village's poster describing their Public Records Policy was displayed conspicuously in all branches of the Village as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.
7. We inquired with Village management and determined that the Village did not have any applications for record disposal submitted to the Records Commission during the engagement period.
8. We inspected public records training database and individual training certificates and determined whether each elected official in accordance with Ohio Rev. Code § 149.43(E)(1) (or his/her designee) successfully attended a certified three-hour Public Records Training for each term of office as required by Ohio Rev. Code § 109.43(B). We found four elected officials did not attend a certified three-hour Public Records Training during the term of office which ended during the audit period.
9. We inspected the public notices for the public meetings held during the engagement period and determined the Village notified the general public and news media of when and where meetings during the engagement period were to be held as required by Ohio Rev. Code § 121.22(F). We found no exceptions.
10. We inspected the minutes of public meetings during the engagement period in accordance with Ohio Rev. Code § 121.22(C) and determined whether they were:
  - a. Prepared – a file is created following the date of the meeting
  - b. Filed – placed with similar documents in an organized manner
  - c. Maintained - retained, at a minimum, for the engagement period
  - d. Open to public inspection – available for public viewing or request.We found no exceptions.

11. We inspected the minutes from the engagement period in accordance with Ohio Rev. Code § 121.22(G) and determined the following:
  - a. Executive sessions were only held at regular or special meetings.
  - b. The purpose for the meetings and going into an executive session (when applicable) correlated with one of the matters listed in Ohio Rev. Code § 121.22(G).
  - c. Formal governing board actions were adopted in open meetings.We found no exceptions.

#### **HB 481 / HB 614 Coronavirus Relief Fund (CRF) Compliance**

1. We inquired of management and those charged with governance and documented how the Village decided to spend their CRF allocations and how the Village documented their compliance with the CARES Act three-prong test. We then selected all transactions including payroll, non-payroll, and subgrant/subloan transactions. and determined the Village:
  - a. Spent the CRF money (including additional distributions or redistributions) in accordance with use of funds requirements and
  - b. Maintained appropriate supporting documentation.We found no exceptions.
2. We inquired with management and inspected the Fund Activity Report to determine the local government did not have an unencumbered balance of money to pay back to the county treasurer. We found no exceptions.

#### **Contract Compliance:**

1. We inspected the Minutes and identified the Village had expenditures subject to competitive bidding. We found no exceptions.
2. We selected one contract over \$50,000 for 2021 and one for 2020 and
  - a. We inspected the contract and other bids for the contracted expenditure and determined:
    - i. The Village accepted the lowest bid and met the requirements of Ohio Rev. Code § 735.05.
    - ii. No bid splitting occurred
    - iii. No deliberate attempts to evade bid limitations occurred, such as successive contracts just under the bid amount, occurred.
    - iv. No apparent interest in the contract by a public official occurred.We found no exceptions.
  - b. We inspected the advertisements of the proposals for bids in the newspaper and determined they were made as required by Ohio Rev. Code § 731.14. We found no exceptions.

#### **Other Compliance**

1. Ohio Rev. Code § 117.38 requires villages to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies, regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the Village filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy within the allotted timeframe for the years ended December 31, 2021 and 2020 in the Hinkle system. We found no exceptions.

2. We inquired of the fiscal officer and inspected the Fiscal Integrity Act Portal (<http://www.ohioauditor.gov/fiscalintegrity/default.html>) to determine whether the fiscal officer obtained the training required by Ohio Rev. Code §§ 507.12 and 733.81. Fiscal Officer obtained 0 of the required 6 hours of training.

We were engaged by the Village to perform this agreed-upon procedures engagement and conducted our engagement in accordance with the attestation standards established by the AICPA and the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review engagement, the objective of which would be the expression of an opinion or conclusion, respectively, on the Village's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We are required to be independent of the Village and to meet our ethical responsibilities, in accordance with the ethical requirements established by the Comptroller General of the United States' *Government Auditing Standards* related to our agreed upon procedures engagement.
