Morral, Ohio 43337

We have performed the procedures enumerated below on the Village of Morral's (the Village) receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2021 and 2020 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the Village. The Village is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2021 and 2020 and certain compliance requirements related to these transactions and balances included in the information provided to us by the Village.

The Village Council, Mayor and the management of the Village have agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of providing assistance in the evaluation of the Village's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2021 and 2020, and certain compliance requirements related to these transactions and balances. No other party acknowledged the appropriateness of the procedures. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of the report and may not meet the needs of all users of the report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes. The sufficiency of the procedures is solely the responsibility of the parties specified in the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

For the purposes of performing these procedures, this report only describes exceptions exceeding \$10.

2. We agreed the January 1, 2020 beginning fund balances for each fund recorded in the Fund Ledger Report to the December 31, 2019 balances in the prior year Basic Audit working papers. We found no exceptions. We also agreed the January 1, 2021 beginning fund balances for each fund recorded in the Fund Ledger Report to the December 31, 2020 balances in the Fund Ledger Report. We found no exceptions.
3. We agreed the 2021 and 2020 bank reconciliation adjusted UAN Balances and Adjusted Bank Balances as of December 31, 2021 and 2020 to the total fund cash balances reported in the Fund Status Report and the financial statements filed by the Village in the Hinkle System. The amounts agreed.

Cash (Continued)

4. We confirmed the December 31, 2021 bank account balance with the Ohio Pooled Collateral System. We found no exceptions. We also agreed the confirmed balances to the amounts appearing in the December 31, 2021 bank reconciliation without exception.
5. We selected five reconciling debits (such as outstanding checks) from the December 31, 2021 bank reconciliation:
 - a. We traced each debit to the December (for unbooked expenses) or subsequent January and March (for outstanding checks) bank statements. We found no exceptions.
 - b. We traced the amounts and dates to the check register and determined the debits were dated prior to December 31. We found no exceptions.

Intergovernmental Receipts

1. We selected a total of five receipts from the State Distribution Transaction Listing (DTL) and the Marion County Auditor Audit Trail by Vendor report for 2021 and a total of five from 2020:
 - a. We compared the amount from the above named reports to the amount recorded in the Receipt Register Report. The amounts agreed.
 - b. We inspected the Receipt Register Report to determine these receipts were allocated to the proper fund(s) as required by Ohio Rev. Code §§ 5705.05-.06 and 5705.10. We found no exceptions.
 - c. We inspected the Receipt Register Report to determine whether the receipt was recorded in the proper year. The receipt was recorded in the proper year. We found no exceptions.

We agreed the total gross income taxes per month to the Village's Receipt Register Report. The amounts agreed.

Debt

1. The prior basic audit documentation disclosed no debt outstanding as of December 31, 2019.
2. We inquired of management, and inspected the Receipt Register Report and Payment Register Detail Report for evidence of debt issued during 2021 or 2020 or debt payment activity during 2021 or 2020. Debt issued during 2021 agreed to the summary we used in procedure 3. There was no new debt issuance, nor any debt payment activity during 2020.
3. We obtained a summary of loan debt activity for 2021 and noted from the related debt amortization schedule that no principal or interest payments were due during 2021.
4. We agreed the amount of debt proceeds received for 2021 from the debt documents to amounts recorded in the Sewer Operating fund per the Receipt Register Report. The amounts agreed.
5. For new debt issued during 2021, we inspected the debt legislation, which stated the Village must use the proceeds for planning, design, and/or construction of wastewater facilities. We inspected the Payment Register Detail Report and observed the Village paid for sanitary sewer technical services and a related fees.

Payroll Cash Disbursements

1. We selected one payroll check for five employees from 2021 and one payroll check for five employees from 2020 from the Wage Detail Report and:
 - a. We compared the hours and pay rate, or salary recorded in the Wage Detail Report to supporting documentation (timecard, legislatively or statutorily-approved rate or salary).
 - i. We inspected the employees' personnel files for the Retirement system, Federal, State & Local income tax withholding authorization.
 - ii. We agreed these items to the information used to compute gross and net pay related to this check.

We found one instance where State and Local income taxes was withheld for an employee without a corresponding authorization form in the employee's personnel file. Because we did not inspect all employees' personnel files, our report provides no assurance whether or not other similar errors occurred.
 - b. We inspected the fund and account code(s) to which the check was posted to determine the posting was allowable based on the employees' duties as documented in the employees' personnel files and/or minute record. We found no exceptions.
 - c. We confirmed the payment was posted to the proper year. We found no exceptions.
2. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2021 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period during 2021. We observed the following:

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid
Federal income taxes & Medicare (and social security, for employees not enrolled in pension system)	January 27, 2022	January 19, 2022	\$372.40	\$372.40
State income taxes	March 29, 2022	January 19, 2022	\$27.50	\$27.50
Village of Morral income tax	April 14, 2022	January 25, 2022	\$18.29	\$18.29
Ridgedale School District income tax	January 27, 2022	January 19, 2022	\$18.29	\$18.29
OPERS retirement	January 31, 2022	January 20, 2022	\$360.96	\$360.96

We found no exceptions.

Non-Payroll Cash Disbursements

- We selected 10 disbursements from the Payment Register Detail Report for the year ended December 31, 2021 and 10 from the year ended 2020 and determined whether:
- a. The disbursements were for a proper public purpose. We found no exceptions.
 - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found no exceptions.
 - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.

Non-Payroll Cash Disbursements (Continued)

- d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code § 5705.41(D). We found one instance where the certification date was after the vendor invoice date, and there was also no evidence that a *Then and Now Certificate* was issued. Ohio Rev. Code § 5705.41(D) requires certifying at the time of a commitment, which should be on or before the invoice date, unless a *Then and Now Certificate* is used. Because we did not inspect all disbursements requiring certification, our report provides no assurance whether or not additional similar errors occurred.

Compliance – Budgetary

1. Ohio Rev. Code § 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code §§ 5705.38 and 5705.40) plus any carryover appropriations for the years ended December 31, 2021 and 2020 for the General, Street Construction, Maintenance, and Repair, and Permissive Sales Tax funds as recorded in the Appropriation Status Report. Expenditures did not exceed appropriations.
2. We inspected the interfund transfer from the 2020 Revenue Status Report and Appropriation Status Report for compliance with Ohio Rev. Code §§ 5705.14 - .16. We found no evidence of transfers these Sections prohibit, or for which Section 5705.16 would require approval by the Tax Commissioner.
3. We inspected the Cash Summary by Fund Report for the years ended December 31, 2021 and 2020 for negative cash fund balance. Ohio Rev. Code § 5705.10(I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. There were no funds having negative cash fund balances.

Ohio Rev. Code § 117.38 requires villages to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. We confirmed the Village filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy within the allotted timeframe for the years ended December 31, 2021 and 2020 in the Hinkle system.
