INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON PROCEDURES

Wayne Township

Lisbon, Ohio 44432

We have performed the procedures enumerated below on the Wayne Township's (the Township) receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2021 and 2020 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the Township. The Township is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2021 and 2020 and certain compliance requirements related to these transactions and balances included in the information provided to us by the Township.

The Board of Trustees and the management of the Township have agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of providing assistance in the evaluation of the Township's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2021 and 2020, and certain compliance requirements related to these transactions and balances. No other party acknowledged the appropriateness of the procedures. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of the report and may not meet the needs of all users of the report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes. The sufficiency of the procedures is solely the responsibility of the parties specified in the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

For the purposes of performing these procedures, this report only describes exceptions exceeding \$10.

The procedures and the associated findings are as follows:

Cash

1. We recalculated the December 31, 2021 and December 31, 2020 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2020 beginning fund balances for each fund recorded in the Fund Ledger Report to the December 31, 2019 balances in the prior year audited statements. We found no exceptions. We also agreed the January 1, 2021 beginning fund balances for each fund recorded in the Fund Ledger Report to the December 31, 2020 balances in the Fund Ledger Report. We found no exceptions.

3. We agreed the 2021 and 2020 Bank Reconciliation adjusted UAN Balances and Adjusted Bank Balances as of December 31, 2021 and 2020 to the total fund cash balances reported in the Fund Status Report and the financial statements filed by the Township in the Hinkle System. The amounts agreed.
4. We confirmed the December 31, 2021 bank account balance on the Ohio Pooled Collateral System (OPCS). We found no exceptions. We also agreed the confirmed balances to the amounts appearing in the December 31, 2021 bank reconciliation without exception.
5. We selected five reconciling debits (such as outstanding checks) from the December 31, 2021 bank reconciliation:
 - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
 - b. We traced the amounts and dates to the check register, and determined the debits were dated prior to December 31. We found no exceptions.

Property Taxes and Intergovernmental Receipts

1. We selected a total of five receipts from the *Statement of Semiannual Apportionment of Taxes*, State Distribution Transaction Lists (DTL), and the Columbiana County Auditor Reference Report by Vendor Number for 2021 and a total of five from 2020:
 - a. We compared the amount from the above named reports to the amount recorded in the Receipt Register Report. The amounts agreed.
 - b. We inspected the Receipt Register Report to determine these receipts were allocated to the proper fund) as required by Ohio Rev. Code §§ 5705.05-.06 and 5705.10. We found no exceptions.
 - c. We inspected the Receipt Register Report to determine whether the receipt was recorded in the proper year. The receipt was recorded in the proper year. We found no exceptions.
2. We inspected the Receipt Register Report to determine whether it included two real estate tax receipts for 2021 and 2020. The Receipt Register Report included the proper number of tax receipts for each year. We found no exceptions.

Debt

1. From the prior audit documentation, we observed the following notes were outstanding as of December 31, 2019. A variance of \$510.26 was noted due to the amount recorded on the 2020 Schedule of Outstanding Debt including interest of \$510.26.

Issue	Principal outstanding as of December 31, 2019:
General Obligation Note	\$22,650

2. We inquired of management, and inspected the Receipt Register Report and Payment Register Detail Report for evidence of debt issued during 2021 or 2020 or debt payment activity during 2021 or 2020. The debt issuance of \$118,577 in 2021 was not recorded in the accounting system. Additionally, a \$40,000 down payment on a truck was reported as principal payment, however this amount was not part of the loan and did not reduce the loan amount outstanding.
3. We obtained a summary of note debt activity for 2021 and 2020 and agreed principal and interest payments from the related debt amortization schedules to debt service fund payments reported in the Payment Register Detail Report. Principal payments recorded in the UAN system for 2021 are \$40,000 higher than the loan amortization schedule, due to recording the down payment as principal. We also compared the date the debt service payments were due to the date the Township made the payments. One payment due November 25, 2020 was paid December 10, 2020.

4. We compared the amount for debt proceeds from the debt documents to amounts recorded on the Receipt Register Report. Per review of the financial statements and the Receipt Register Report the Township did not record loan proceeds for the truck.
5. For new debt issued during 2021 and 2020, we inspected the debt legislation, which stated the Township must use the proceeds to purchase a truck. The Township did not record the capital outlay expenditures for receiving the truck in 2021.

Payroll Cash Disbursements

1. We selected one payroll check for five employees from 2021 and one payroll check for five employees from 2020 from the Wage Withholdings Detail Report and:
 - a. We compared the hours and pay rate, or salary recorded in the Wage Detail Report to supporting documentation (timecard, legislatively or statutorily-approved rate or salary).
 - i. We inspected the employees' personnel files for the Retirement system, Federal, State & Local income tax withholding authorization.
 - ii. We agreed these items to the information used to compute gross and net pay related to this check.
 We found no exceptions.
 - b. We inspected the fund and account codes to which the check was posted to determine the posting was allowable based on the employees' duties as documented in the minute record or as required by statute. We found no exceptions.
 - c. We confirmed the payment was posted to the proper year. We found no exceptions.
2. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2021 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2021. We observed the following:

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid
Federal income taxes & Medicare (and social security, for employees not enrolled in pension system)	January 31, 2022	January 13, 2022	\$1,372.02	\$1,372.02
State income taxes	January 15, 2022	January 12, 2022	\$269.23	\$269.23
OPERS retirement	January 31, 2022	January 27, 2022	\$2,288.23	\$2,288.23

We found no exceptions.

3. For the pay periods ended October 31, 2021 and June 30, 2020, we
 - a. Recomputed the allocation of the Boards' salary amounts to the General, Gasoline Tax and Road and Bridge Fund per the Wage Detail Report.
 - b. Traced the Boards' pay for time or services performed to supporting certifications the Revised Code requires.
 We found no exceptions.
4. We compared total gross pay for the fiscal officer and each board member for 2021 and 2020 to the compensation permitted by Ohio Revised Code §§ 507.09 and 505.24, respectively. We found the Fiscal Officer was under compensated by \$283 and one trustee was under compensated by \$180 in 2021. The underpayments occurred since the Fiscal Officer did not increase pay rates in January 2021.

5. We inquired of management and inspected the Payment Register Detail Report for the years ended December 31, 2021 and 2020 to determine if township employees and/or trustees were reimbursed for out-of-pocket insurance premiums. No such reimbursements occurred.

Non-Payroll Cash Disbursements

1. We selected 10 disbursements from the Payment Register Detail Report for the year ended December 31, 2021 and 10 from the year ended 2020 and determined whether:
 - a. The disbursements were for a proper public purpose. We found no exceptions.
 - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found no exceptions.
 - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
 - d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code § 5705.41(D). We found no exceptions.

Compliance – Budgetary

1. Ohio Rev. Code § 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code §§ 5705.38 and 5705.40) plus any carryover appropriations for the years ended December 31, 2021 and 2020 for the General, Motor Vehicle License Tax and Fire District fund as recorded in the Appropriation Status Report. Expenditures did not exceed appropriations.
2. We inspected the Cash Summary by Fund Report for the years ended December 31, 2021 and 2020 for negative cash fund balances. Ohio Rev. Code § 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. No funds had a negative cash fund balances.

This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the Township filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy, within the allotted timeframe for the years ended December 31, 2021 and 2020 in the Hinkle system.
