BASIC AUDIT REPORT

Benton Township
Monroe County
42050 Trail Run Road
New Matamoras, Ohio 45767

We have completed certain procedures in accordance with Ohio Rev. Code § 117.01(G) to the accounting records and related documents of the Benton Township, Monroe County, Ohio (the Township), for the years ended December 31, 2022 and 2021.

Our procedures were designed solely to satisfy the audit requirements of Ohio Rev. Code § 117.11(A). Because our procedures were not designed to opine on the Township's financial statements, we did not follow *generally accepted auditing standards*. We do not provide any assurance on the Township's financial statements, transactions or balances for the years ended December 31, 2022 and 2021.

The Township's management is responsible for preparing and maintaining its accounting records and related documents. Our responsibility under Ohio Rev. Code § 117.11(A) is to examine, analyze and inspect these records and documents.

Based on the results of our procedures, we found the following significant compliance or accounting issues to report.

Current Year Observation

1. We noted the Township did not display the public records policy at the Board of Trustees' meeting site. Ohio Rev. Code § 149.43(E)(2) requires all public offices take certain actions with regard to their public record policy. Public offices must distribute their Public Records Policy to the employee who is the records custodian/manager or otherwise has custody of the records of that office and have that employee acknowledge receipt of the Public Records Policy; create and display in a conspicuous place in all locations where the public office has branch offices a poster describing the public records policy; and, if the public office has a manual or handbook of its general policies and procedures for all employees, include the public records policy in that manual or handbook. The Township should display its public records policy at all locations.
2. We noted two Trustees did not complete the required public records training for their terms ended December 31, 2021. Ohio Rev. Code § 149.43(E)(1) and 109.43(B) state, in part, to ensure that all employees of public offices are appropriately educated about a public office's obligations under division (B) of this section, all elected officials or their appropriate designees shall attend training approved by the attorney general as provided in § 109.43 of the Revised Code. The attorney general shall develop, provide, and certify training programs and seminars for all elected officials or their appropriate designees, in order to enhance the officials' knowledge of the duty to provide access to public records as required by § 149.43 of the Revised Code. The training shall be three hours for every term of office for which the elected official was appointed or elected to the public office involved. The Township officials or their designees should attend at least 3 hours of training on Ohio's Public Records Laws during their term of office.
