Independent Accountants' Report on Applying Agreed-Upon Procedures

Village of Village of Harrisburg
Franklin County
1100 High Street
Harrisburg, Ohio 43126

We have performed the procedures enumerated below on the Village of Harrisburg's (the Village) receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2022 and 2021 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the Village. The Village is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2022 and 2021 and certain compliance requirements related to these transactions and balances included in the information provided to us by the Village.

The Village Council, Mayor and the management of the Village have agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of providing assistance in the evaluation of the Village's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2022 and 2021, and certain compliance requirements related to these transactions and balances. Additionally, the Auditor of State has agreed to and acknowledged that the procedures performed are appropriate to meet their purposes. No other party acknowledged the appropriateness of the procedures. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of the report and may not meet the needs of all users of the report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes. The sufficiency of the procedures is solely the responsibility of the parties specified in the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

For the purposes of performing these procedures, this report only describes exceptions exceeding \$10.

The procedures and the associated findings are as follows:

Cash

1. We recalculated the December 31, 2022 and December 31, 2021 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2021 beginning fund balances for each fund recorded in the Cash Summary by Fund Report to the December 31, 2020 balances in the prior year audited statements. We found no exceptions. We also agreed the January 1, 2022 beginning fund balances for each fund recorded in the Cash Summary by Fund Report to the December 31, 2021 balances in the Cash Summary by Fund Report. We found no exceptions.
3. We agreed the 2022 and 2021 bank reconciliation as of December 31, 2022 and 2021 to the total fund cash balances reported in the Cash Summary by Fund Report and the financial statements filed by the Village in the Hinkle System. The amounts agreed.
4. We confirmed the December 31, 2022 bank account balances with Ohio Pooled Collateral System. We found no exceptions. We also agreed the confirmed balances to the amounts appearing in the December 31, 2022 bank reconciliation without exception.

Applying Agreed-Upon Procedures

5. We selected the two reconciling debits (such as outstanding checks) from the December 31, 2022 bank reconciliation:
 - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
 - b. We traced the amounts and dates to the check register and determined the debits were dated prior to December 31. We found no exceptions.
6. We inspected the Cash Summary by Fund Report to determine whether the Findings For Adjustment identified in the prior audit report, due from the General fund, payable to the Street, Construction, Maintenance, and Repair fund, was properly posted to the ledgers and reflected in the fund balances in Procedure 2. We found no exceptions.

Property Taxes, and Intergovernmental Cash Receipts

1. We selected a total of five receipts from the *Statement of Semiannual Apportionment of Taxes*, State Distribution Transaction Listing (DTL), and the County Auditor DLTs for 2022 and a total of five from 2021:
 - a. We compared the amount from the above named reports to the amount recorded in the Receipt Export Report. The amounts agreed.
 - b. We inspected the Receipt Export Report to determine these receipts were allocated to the proper funds as required by Ohio Rev. Code §§ 5705.05-.06 and 5705.10. We found no exceptions.
 - c. We inspected the Receipt Export Report to determine whether the receipt was recorded in the proper year. The receipt was recorded in the proper year. We found no exceptions.
2. We inspected the Receipt Export Report to determine whether it included two real estate tax receipts for 2022 and 2021. The Receipt Export Report included the proper number of tax receipts for each year. We found no exceptions.

Income Tax Receipts

1. We obtained the December 31, 2022 and 2021 Monthly Distribution Summary report submitted by the Regional Income Tax Agency (RITA), the agency responsible for collecting income taxes on behalf of the Village. We agreed the total gross income taxes per year to the Village's Receipt Export Report. The amounts agreed for 2021, however in 2022, the Village recorded income taxes of \$261.23 in excess of the gross amount reported from RITA. This was due to RITA adjustments to the gross distributions that should be netted against the distribution when recording the receipt and not recorded as a disbursement.
2. We obtained the original income tax ordinance which set the rate and effective period. The original ordinance was dated 06/06/1995. We determined there were no additional (council or voter) approved amendments to the original ordinance. We agreed the most recent approved rate to the rate on RITA's supporting documentation. We found no exceptions.

Other Receipts

1. We selected 10 other receipts from the year ended December 31, 2022 and:
 - a. Agreed the receipt amount recorded in the Receipt Export Report to supporting documentation. The amounts agreed.
 - b. Confirmed the amounts charged complied with rates in force during the period. We noted one receipt in the amount of \$200.00 for space rental that didn't agree to the approved charged rates, and there was no formal agreement signed.
 - c. Inspected the Receipt Export Report to determine the receipt was posted to the proper funds, and was recorded in the proper year. We found no exceptions.

Sewer Fund

1. We obtained the December 31, 2022 and 2021 Franklin County Vendor Report reports submitted by Franklin County, the organization responsible for collecting utility payments on behalf of the Village. We agreed the total gross utilities per year to the Village's Receipt Export Report. The amounts agreed.

Debt

1. From the prior audit documentation, we observed the following loans were outstanding as of December 31, 2020.
 - a. These amounts agreed to the Village's January 1, 2021 balances on the summary we used in procedure 3.
 - b. We inspected the debt's final offering documents for all outstanding debt, and we confirmed the Village does not have any debt covenants.

Issue	Principal outstanding as of December 31, 2020:
OWDA Loan #5372	\$444,417
OWDA Loan #5379	\$134,698
OPWC Loan #CT06I	\$109,295
OPWC Loan #CC05J	\$462,523

2. We inquired of management and inspected the Receipt Export Report and Payment Export Report for evidence of debt issued during 2022 or 2021 or debt payment activity during 2022 or 2021. All debt agreed to the summary we used in procedure 3.
3. We obtained a summary of loans debt activity for 2022 and 2021 and agreed principal and interest payments from the related debt amortization schedules to sewer operating fund payments reported in the Payment Export Report. We also compared the date the debt service payments were due to the date the Village made the payments. We found no exceptions.

Payroll Cash Disbursements

1. We selected one payroll check for five employees from 2022 and one payroll check for five employees from 2021 from the Payroll Details Report and:
 - a. We compared the hours and pay rate, or salary recorded in the Payroll Details Report to supporting documentation (timecard, legislatively or statutorily-approved rate or salary). We found no exceptions.
 - b. We inspected the fund and account codes to which the check was posted to determine the posting was allowable based on the employees' duties as documented in the employees' personnel files. We found no exceptions.
 - c. We confirmed the payment was posted to the proper year. We found no exceptions.
2. We selected the two new employees and Council Members from 2022 and three new employees and Council Members from 2021 and:
 - a. We inspected the employees'/Council Members' personnel files for the Retirement system, Federal, State & Local income tax withholding authorization.
 - b. We agreed the items in a above to the Payroll Details Report.

We found that of the 5 employees tested, none of them had signed OPERS withholding authorization forms.

3. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2022 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period during 2022. We observed the following:

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid
Federal income taxes & Medicare (and social security, for employees not enrolled in pension system)	January 31, 2023	12/19/2022	\$96.15	\$96.15
State income taxes	January 15, 2023	12/19/2022	\$15.59	\$15.59
Village of Harrisburg income tax	January 31, 2023	12/19/2022	\$18.50	\$18.50
Johnstown-Monroe Local School District income tax	January 17, 2023	12/19/2022	\$2.50	\$2.50
Southwest Local School District income tax	January 17, 2023	12/19/2022	\$3.01	\$3.01
OPERS retirement	January 30, 2023	1/3/2023	\$444.00	\$444.00

We found no exceptions.

Non-Payroll Cash Disbursements

1. We selected 10 disbursements from the Payment Export Report for the year ended December 31, 2022 and 10 from the year ended 2021 and determined whether:
 - a. The disbursements were for a proper public purpose. We found no exceptions.
 - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Export Report and to the names and amounts on the supporting invoices. We found no exceptions.
 - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
 - d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code § 5705.41(D). We found three instances in 2021 and six in 2022 where the certification date was after the vendor invoice date, and there was also no evidence that a *Then and Now Certificate* was issued. Ohio Rev. Code § 5705.41(D) requires certifying at the time of a commitment, which should be on or before the invoice date, unless a *Then and Now Certificate* is used. Because we did not inspect all disbursements requiring certification, our report provides no assurance whether or not additional similar errors occurred.

Mayor's Court Transactions and Cash Balances

1. We recalculated the December 31, 2022 and December 31, 2021 bank reconciliations. We found no exceptions.
2. We compared the reconciled cash totals as of December 31, 2022 and December 31, 2021 to the Mayor's Court Fund balance reported in the Fund Status Reports. The balances agreed.
3. We agreed the totals per the bank reconciliations to the total of December 31, 2022 and 2021 listing of unpaid distributions as of each December 31. The amounts agreed.
4. We confirmed the December 31, 2022 bank account balance with the Mayor's Court financial institution. We found no exceptions. We also agreed the confirmed balances to the amounts appearing in the December 31, 2022 bank reconciliation without exception.

5. We selected five cases from the court cash book and agreed the payee and amount posted to the:
 - a. Duplicate receipt book.
 - b. Docket, including comparing the total fine paid to the judgment issued by the judge (i.e. mayor).
 - c. Case file.

The amounts recorded in the cash book, receipts book, docket and case file agreed.

6. From the cash book, we selected one month from the year ended December 31, 2022 and one month from the year ended 2021 and determined whether:
 - a. The monthly sum of fines and costs collected for those months agreed to the amounts reported as remitted to the Village, State, or other applicable government in the following month. We found no exceptions.
 - b. The totals remitted for these two months per the cash book agreed to the returned canceled checks. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the cash book.

Compliance – Budgetary

1. Ohio Rev. Code § 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code §§ 5705.38 and 5705.40) plus any carryover appropriations for the years ended December 31, 2022 and 2021 for the General, Coronavirus Relief, and Sewer Operating funds as recorded in the Appropriation Status Report. Sewer Operating fund expenditures for 2021 exceeded total appropriations by \$36,154, contrary to Ohio Rev. Code § 5705.41(B).
2. We inspected interfund transfers from 2022 and 2021 Revenue Status Reports and Appropriation Status Reports for compliance with Ohio Rev. Code §§ 5705.14 - .16. We found no evidence of transfers these Sections prohibit, or for which Section 5705.16 would require approval by the Tax Commissioner.
3. We inspected the Cash Summary by Fund Report for the years ended December 31, 2022 and 2021 for negative cash fund balance. Ohio Rev. Code § 5705.10(l) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. At December 31, 2022, the Court Computer fund and the Sewer Operating fund had negative balances of \$526.77 and \$10,625.11, respectively. At December 31, 2021, the Sewer Operating fund had a negative balance of \$36,146.09.

Sunshine Law Compliance

1. We inquired with Village management and determined that the Village did not have a public records policy during the engagement period as required by Ohio Rev. Code § 149.43(E)(2).
2. We inquired with Village management and determined that the Village did not have any records requests (completed, denied, or redacted) during the engagement period.
3. We inquired whether the Village had a records retention schedule and observed that it was readily available to the public as required by Ohio Rev. Code § 149.43(B)(2). We found no exceptions.
4. We inquired with Village management and determined that the Village did not have a public records policy during the engagement period therefore could not provide it to the records custodian/manager as required by Ohio Rev. Code § 149.43(E)(2).
5. We inquired with Village management and determined that the Village did not have a public records policy during the engagement period therefore it could not be included in a policy manual as required by Ohio Rev. Code § 149.43(E)(2).

6. We inquired with Village management and determined that the Village did not have a public records policy during the engagement period therefore it could not be displayed in all the branches of the Village as required by Ohio Rev. Code § 149.43(E)(2).
7. We inquired with Village management and determined that the Village did not have any applications for record disposal submitted to the Records Commission during the engagement period.
8. We inspected individual proof of attendance and determined whether each elected official in accordance with Ohio Rev. Code § 149.43(E)(1) (or his/her designee) successfully attended a certified three-hour Public Records Training for each term of office as required by Ohio Rev. Code § 109.43(B). We noted for the elected officials whose term ended during 2022 or 2021, no one (or their designee) attended a certified three-hour Public Records Training.
9. We inspected the public notices for the public meetings held during the engagement period and determined the Village notified the general public and news media of when and where meetings during the engagement period were to be held as required by Ohio Rev. Code § 121.22(F). We found no exceptions.
10. We inspected the minutes of public meetings during the engagement period in accordance with Ohio Rev. Code § 121.22(C) and determined whether they were:
 - a. Prepared – a file is created following the date of the meeting
 - b. Filed – placed with similar documents in an organized manner
 - c. Maintained - retained, at a minimum, for the engagement period
 - d. Open to public inspection – available for public viewing or request.We found no exceptions.
11. We inspected the minutes from the engagement period in accordance with Ohio Rev. Code § 121.22(G) and determined the following:
 - a. Executive sessions were only held at regular or special meetings.
 - b. The purpose for the meetings and going into an executive session (when applicable) correlated with one of the matters listed in Ohio Rev. Code § 121.22(G).
 - c. Formal governing board actions were adopted in open meetings.We found no exceptions.

HB 481 / HB 614 Coronavirus Relief Fund (CRF) Compliance

1. We inquired of management and those charged with governance and documented how the Village decided to spend their CRF allocations and how the Village documented their compliance with the CARES Act three-prong test. We then selected five transactions including payroll, non-payroll, and subgrant/subloan transactions. and determined the Village:
 - a. Spent the CRF money (including additional distributions or redistributions) in accordance with use of funds requirements and
 - b. Maintained appropriate supporting documentation.We found no exceptions.

Other Compliance

1. Ohio Rev. Code § 117.38 requires villages to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies, regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the Village filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy within the allotted timeframe for the years ended December 31, 2022 and 2021 in the Hinkle system. We found no exceptions.
