INDEPENDENT AUDITOR'S REPORT

Darke County Metropolitan Housing Authority Darke County 1469 Sweitzer Street Greenville, Ohio 45331

To the Board of Commissioners:

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of the Darke County Metropolitan Housing Authority, Darke County, Ohio (the Authority), as of and for the fiscal year ended September 30, 2023, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements as listed in the table of contents.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the financial position of the Darke County Metropolitan Housing Authority, Darke County, Ohio as of September 30, 2023, and the changes in financial position and its cash flows for the fiscal year then ended in accordance with the accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Authority, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Authority's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Darke County Metropolitan Housing Authority Darke County Independent Auditor's Report Page 2

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and Government Auditing Standards, we

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that
 raise substantial doubt about the Authority's ability to continue as a going concern for a reasonable
 period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance.

Darke County Metropolitan Housing Authority Darke County Independent Auditor's Report Page 3

Supplementary information

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the Authority's basic financial statements. The Financial Data Schedule and the Schedule of Expenditures of Federal Awards as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards are presented for purposes of additional analysis and are not a required part of the basic financial statements.

Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Financial Data Schedule and the Schedule of Expenditures of Federal Awards are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated June 4, 2024, on our consideration of the Authority's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Authority's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Authority's internal control over financial reporting and compliance.

This Management's Discussion and Analysis (MD&A) of the Darke County Metropolitan Housing Authority (Authority) provides an introduction and overview to the financial statements of the Authority for the fiscal year ended September 30, 2023. The Authority presents this discussion and analysis of its financial performance during the fiscal year ended September 30, 2023, to assist the reader in focusing on significant financial issues.

Since the Management's Discussion and Analysis (MD&A) is designed to focus on the current year's activities, resulting changes, and currently known facts, please read it in conjunction with the Authority's financial statements (beginning on page 11).

FINANCIAL HIGHLIGHTS

During the fiscal year ended September 30, 2023:

- The Authority's net position decreased from \$586,081 to \$468,911, a decrease of \$117,170 or 20%. Total assets decreased by \$215,594 or 11%, primarily due to a decrease in cash.
- The Authority's liabilities decreased by \$98,424 due to a decrease in accounts payables, and the net forgiveness of notes payable acquired for the purchase and remodel of rental units associated with the Business Activity Program. Total liabilities decreased by 8% for the current fiscal year, from \$1,307,520 to \$1,209,096.
- Total operating revenue decreased from \$1,322,976 to \$1,158,654, a decrease of \$164,322 or 12%.
- Total expenses increased by \$8,132, from \$1,267,692 to \$1,275,824 for the current fiscal year.

USING THIS ANNUAL REPORT

The following is a list of the basic financial statements included in this report:

Management's Discussion and Analysis Basic Financial Statements: Statement of Net Position Statement of Revenues, Expenses and Changes in Net Position Statement of Cash Flows Notes to the Basic Financial Statements

The financial statements are designed to provide readers with a broad overview of the Authority's finances in a manner similar to a private sector business.

The *statement of net position* presents information on all of the Authority's assets and liabilities, with the difference between the two reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the Authority is improving or deteriorating.

The focus of the statement of net position (the "unrestricted" net position) is designed to represent the net available liquid (non-capital) assets, net of liabilities, for the entire Authority. Net position is reported in three broad categories.

<u>Net Investment in Capital Assets:</u> This component of net position consists of capital assets, net of accumulated depreciation, reduced by the outstanding balances of any bonds, mortgages, notes, or other borrowings that have been used for the acquisition, construction, or improvement of those assets.

<u>Restricted Net Position</u>: This component of net position consists of restricted assets, when constraints are placed on the asset by creditors (such as debt covenants), grantors, contributors, laws, regulations, etc.

<u>Unrestricted Net Position</u>: This component of net position consists of net position that does not meet the definition of Net Investment in Capital Assets or Restricted Net Position.

The *statement of revenues, expenses, and changes in net position* is similar to an income statement. This statement includes operating revenues, such as tenant revenue; operating expenses, such as administrative, utilities, maintenance, and depreciation; and non-operating revenue, such as investment income.

The focus of the statement of revenues, expenses, and changes in net position is the Increase (Decrease) in Net Position, which is similar to Net Income or Loss.

The *statement of cash flows* provides information about the Authority's cash receipts and cash payments during the reporting period. The statement reports cash receipts, cash payments, and net changes in cash resulting from operating activities, capital and related financing activities, and investing activities.

The notes to the basic financial statements provide additional information essential to a full understanding of the data provided in the basic financial statements.

The Authority's Programs

The Authority has two programs. They include the Housing Choice Voucher Program (HCV) and a Business Activities Program.

- The Housing Choice Voucher Program provides rental assistance to help low-income families afford decent, safe, and sanitary rental housing. The Authority provides rental assistance in the form of a Housing Assistance Payment (HAP) to a landlord on behalf of the tenant. There are currently 299 vouchers funded. Funds are provided by HUD to provide rental assistance payments. The Authority is provided an administrative fee for the purpose of covering the administrative costs of the program. The fee is based on a HUD-established rate earned per voucher leased.
- The Business Activity Program consists of twelve rental properties received from the Darke County Board of Developmental Disabilities and other donations. These rental properties enable persons with developmental disabilities to be integrated into the community.

FINANCIAL ANALYSIS OF THE AUTHORITY

Statement of Net Position

The following table reflects the condensed Statement of Net Position as of September 30 compared to prior fiscal year.

Summary Statement of Net Position

	2023	2022
Current Assets	\$ 452,585	\$ 631,390
Noncurrent Assets	1,225,422	1,262,211
Total Assets	\$ 1,678,007	\$ 1,893,601
Current Liabilities	\$ 283,479	\$ 339,415
Noncurrent Liabilities	925,617	968,105
Total Liabilities	\$ 1,209,096	\$ 1,307,520
Net Investment in Capital Assets	\$ 232,900	\$ 226,958
Restricted	10,049	79,709
Unrestricted	225,962	279,414
Total Net Position	468,911	586,081
Total Liabilities and Net Position	\$ 1,678,007	\$ 1,893,601

Major Factors Affecting the Statement of Net Position

The Authority's current asset balances decreased by \$178,805. This is primarily due to a decrease of \$108,925 in the unrestricted cash balance from \$524,652 in the prior year to \$415,727 in the current year. This decrease resulted primarily from the decrease in current operating accounts payable of \$79,228 and a decrease in government operating grants received. Restricted cash decreased by \$69,660 primarily due to a decrease in government operating grants received and spending of deferred HUD revenues.

The Authority's noncurrent asset balance decreased by \$36,789, which is the net of current year depreciation and the addition of \$23,375 in building improvements for the Business Activities Program. These improvements were acquired through the use of loans from the Darke County Board of Developmental Disabilities. The loans will not be repaid as long as the Authority continues to comply with the Master Agreement in place. Please note the capital asset summary presented in a later section.

Current liabilities decreased by \$55,936, due primarily to a decrease in accounts payable and an increase in unearned revenue.

Non-current liabilities decreased by \$42,488 due to the forgiveness of debt obligations recorded in the current year associated with the Business Activities Program.

The net position of the Authority decreased by \$117,170 compared to the previous fiscal year.

The Authority's unrestricted component of net position changed from \$279,414 to \$225,962, a decrease of \$53,452 or 19.1% for the current year. The unrestricted component of net position is the amount available for future appropriations. This balance is subject to program-specific guidelines.

Individual program balances that comprise the unrestricted component of net position are as follows:

Housing Choice Voucher Program	\$	-0-
Business Activities		225,962
Total Unrestricted Net Assets	<u>\$</u>	<u>225,962</u>

The Authority's restricted component of net position decreased from \$79,709 to \$10,049. This was due to HAP expenditures of \$858,366 exceeding HAP revenues of \$788,078 in the current year. The restricted component of the net position is restricted for the purpose of HAP expenses. Net Investment in Capital Assets increased by \$5,942 as net capital assets decreased by \$36,789 while net debt used to fund the purchase of those assets also decreased by \$42,731.

Statement of Revenues & Expenses and Changes in Net Position

The following table reflects the condensed Statement of Net Position for the fiscal year ended September 30 compared to the prior fiscal year.

	2023	2022
Tenant Revenue	\$ 108,304	\$ 95,935

Net Position, End of Year	\$ 468,911	\$ 586,081

Major Factors Affecting the Statement of Net Position

Revenues of the Authority are principally generated from Federal funding. Total revenues decreased by a total of \$165,080 compared to the previous fiscal year. Tenant revenue increased by \$12,369. Government operating grants decreased by \$186,101 due to a decrease in funding received for HAP expenditures. Other revenue increased by \$8,652 due to lower reimbursed property renovation costs associated with the Business Activities Program.

Total expenses increased by \$8,132. Administration expenses increased by \$50,305 primarily due to an increase in managing fees associated with the Housing Choice Voucher Program and the Business Activities Program. Ordinary maintenance increased by \$10,083 primarily due to an increase in repairs and maintenance associated with the Business Activities Program. Housing assistance payments decreased by \$60,255 due to a decrease of 621 total units leased during the current fiscal year.

CAPITAL ASSETS AND DEBT ADMINISTRATION

Capital Assets

As of September 30, 2023, the Authority's capital assets totaled \$1,225,422 (capital assets net of accumulated depreciation) as reflected in the following schedule.

Summary Statement of Capital Assets

	2023		2022
Land	\$	236,796	\$ 236,796
Buildings		1,616,448	1,593,073
Furniture, Equipment		47,836	62,313
Accumulated Depreciation		(675,658)	 (629,971)
Total Net Capital Assets	\$	1,225,422	\$ 1,262,211

Buildings increased due to the improvements to real estate properties associated with the Business Activities Program. Furniture, Equipment decreased due to disposals of obsolete items.

Debt

At September 30, 2023, the Authority maintained a balance of \$992,521 in outstanding notes payable as compared to \$1,035,252 in 2022. During the year, the Authority incurred one additional loan associated with the Business Activity Program. This loan was used to make necessary improvements to one real estate property.

ECONOMIC CONDITIONS

Significant economic factors affecting the Authority are as follows:

- Federal funding is at the discretion of the of the Department of Housing and Urban Development.
- Local labor supply and demand, which can affect salary and wage rates.
- Local inflationary, recession and employment trends, which can affect resident incomes and therefore the demand for housing assistance.
- Inflationary pressure on utility rates, supplies and other costs.

Due to the 2023 Congressional Appropriations, the 2023 calendar year for the Housing Choice Voucher Program includes a proration of administrative fees at an estimated 89% and HAP funding at 100%. These percentages are down slightly from 2022 rates of 91% and 100.00%.

The Authority has maneuvered though past difficult times by making sound financial decisions including reducing expenses where possible. The Authority will continue to monitor the resources made available to provide the housing services to those we serve.

NOTE 1 – DESCRIPTION OF THE ENTITY

The Darke County Metropolitan Housing Authority was created under the Ohio Revised Code Section 3735.27. The Authority contracts with the United States Department of Housing and Urban Development (HUD) to provide low- and moderate-income persons with safe and sanitary housing through subsidies provided by HUD. The Authority depends on the subsidies from HUD to operate.

The accompanying financial statements comply with the provision of Governmental Accounting Standards Board (GASB) Statement 14 (as amended by GASB Statement No. 61), the Financial Reporting Entity, in that the financial statements include all organizations, activities and functions for which the Authority is financially accountable. This report includes all activities considered by management to be part of the Authority by virtue of Section 2100 of the Codification of Governmental Accounting and Financial Reporting Standards.

Section 2100 indicates that the reporting entity consists of a) the primary government, b) organizations for which the primary government is financially accountable and c) other organizations for which the nature and significance of their relationship with the primary government are such that exclusion would cause the reporting entity's financial statements to be misleading or incomplete.

The definition of the reporting entity is based primarily on the notion of financial accountability. A primary government is financially accountable for the organizations that make up its legal entity.

It is also financially accountable for legally separate organizations if its officials appoint a voting majority of an organization's government body and either it is able to impose its will on that organization or there is a potential for the organization to provide specific financial benefits to, or to impose specific financial burdens on, the primary government. A primary government may also be financially accountable for governmental organizations that are fiscally dependent on it.

A primary government has the ability to impose its will on an organization if it can significantly influence the programs, projects, or activities of, or the level of services performed or provided by, the organization. A financial benefit or burden relationship exists if the primary government a) is entitled to the organization's resources; b) is legally obligated or has otherwise assumed the obligation to finance the deficits of, or provide financial support to, the organization; or c) is obligated in some manner for the debt of the organization.

Management believes the financial statements included in this report represent all of the funds of the Authority over which the Authority is financially accountable.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The basic financial statements of the Authority have been prepared in conformity with accounting principles generally accepted in the United States of America. The Governmental

Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The more significant of the Authority's accounting policies are described below.

Basis of Presentation

The Authority's financial statements consist of a statement of net position, a statement of revenues, expenses and changes in net position, and a statement of cash flows.

Fund Accounting

The Authority maintains its accounting records in accordance with the principles of "fund" accounting. Fund accounting is a concept developed to meet the needs of government entities in which legal or other restraints require the recording of specific revenues and expenses.

The Authority uses a single enterprise fund to account for operations (a) that are financed and operated in a manner similar to private business enterprises, where the intent of the Authority is that the costs of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges; or (b) where the governing body has decided that periodic determination of revenues earned, expenses incurred, and/or net income is appropriate for public policy, management control, accountability or other purposes.

Basis of Accounting

Enterprise fund transactions are recorded on the accrual basis of accounting; revenues are recognized when earned and measurable and expenses are recognized as incurred.

Measurement Focus

Enterprise funds are accounted for on a flow of economic resources measurement focus. All assets and all liabilities associated with the operation of these funds are included on the statement of net position. The statement of revenues, expenses, and changes in net position presents increases (revenues) and decreases (expenses) in net position. The statement of cash flows provides information about how the Authority finances and meets the cash flow needs of its enterprise activity.

Cash and Cash Equivalents

The Authority considers all highly liquid investments (including restricted assets) with a maturity of three months or less when purchased to be cash equivalents.

Restricted Cash

Restricted cash represent amounts held due to accumulated HAP revenues in excess of HAP expenditures.

Accounts Receivable

Accounts receivable consist mainly of amounts due from various funding agencies for program costs incurred that have not been reimbursed at year-end. Accounts receivable also include \$19,507 for fraud recovery, \$16,876 of which is considered uncollectable at September 30, 2023.

Capital Assets

Capital assets are stated at cost. The capitalization policy of the Authority is to depreciate all nonexpendable personal property having a useful life of more than one year and purchase price of \$5,000 or more per unit. Expenditures for repairs and maintenance are charged directly to expense as they are incurred. Depreciation is computed using the straight-line method over the following estimated useful lives:

Buildings	39 years
Furniture, equipment, and machinery	3-5 years
Leasehold improvement	15 years

Revenue Recognition

Subsidies and grants received from HUD and other grantors are generally recognized during the periods to which they relate and all eligibility requirements have been satisfied. Eligibility requirements include timing requirements, which specify the year when the resources are required to be used or the year when use is first permitted; matching requirements, in which the Authority must provide local resources to be used for a specified purpose; and expenditure requirements, in which the resources are provided to the Authority on a reimbursement basis. Tenant revenues are recognized during the period of occupancy. Other receipts are recognized when the related expenses are incurred. Expenses are recognized as incurred.

Unearned Revenue

Unearned revenue arises when revenues are received before revenue recognition criteria have been satisfied.

Net Position

Net position represents the difference between assets and liabilities.

Net investment in capital assets consists of capital assets, net of accumulated depreciation, reduced by any outstanding balances of any borrowings that have been used for the acquisition, construction or improvement of those assets.

Net position is reported as restricted when there are limitations imposed on their use either through the enabling legislation adopted by Authority or through external restrictions imposed by creditors, grantors or laws or regulations of other governments.

The Authority applies restricted resources when an expense is incurred for purposes for which both restricted and unrestricted net positions are available.

Revenues and Expenses

The Authority distinguishes operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with an enterprise fund's principal ongoing operations. The principal operating revenues of the Authority's enterprise fund are charges to tenants for rent and operating subsidies from HUD. Operating expenses for the enterprise fund include the costs of facility maintenance, housing assistance payments, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

Income Taxes

No provision for income taxes is recorded as the Authority is a non-profit, tax-exempt entity under the Internal Revenue Code.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statement, and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 3 – DEPOSITS AND INVESTMENTS

State statutes classify monies held by the Authority into three categories.

Active deposits are public deposits necessary to meet current demands on the treasury. Such monies must be maintained either as cash in the Authority's Treasury, in commercial accounts payable or withdrawable on demand, including negotiable order of withdrawal (NOW) accounts, or in money market deposit accounts.

Inactive deposits are public deposits that the Authority has identified as not required for use within the current two-year period of designation of depositories. Inactive deposits must either be evidenced by certificates of deposit maturing not later than the end of the current period of designation of depositories, or by savings or deposit accounts including, but not limited to passbook accounts.

Interim deposits are deposits of interim monies. Interim monies are those monies, which are not needed for immediate use, but which will be needed before the end of the current period of designation of depositories. Interim deposits must be evidenced by time certificates of deposit maturing not more than one year from the date of deposit or by savings or deposit accounts including passbook accounts.

Protection of Authority's deposits is provided by the Federal Deposit Insurance Corporation (FDIC) or the Ohio Pooled Collateral System (OPCS).

At September 30, 2023, the carrying amount of the Authority's deposits totaled \$425,776 and its bank balances were \$427,216. Based on the criteria described in GASB Statement No. 40, "Deposit and Investment Risk Disclosure," as of September 30, 2023, \$427,216 of the Authority's bank balances were covered by the FDIC. Should the Authority's bank balances exceed FDIC coverage, that excess would be exposed to custodial credit risk as discussed below.

Custodial credit risk is the risk that, in the event of bank failure, the Authority's deposits may not be returned. The Authority's policy is to place deposits with major local banks approved by the Authority's Board. All deposits are collateralized with eligible securities in amounts equal to at least 105 percent of the carrying value of deposits. Such collateral, as permitted by Chapter 135 of the Ohio Revised Code, is held in financial institution pools at Federal Reserve Banks, or at member banks of the federal reserve system, in the name of the respective depository bank and pledged as a pool of collateral against the public deposits it holds or as specific collateral held at the Federal Reserve Bank in the name of the Authority.

Interim monies may be deposited or invested in the following securities:

- 1. United States Treasury bills, notes, bonds, or any other obligation or security issued by the United States Treasury or any other obligation guaranteed as to principal and interest by the United States;
- 2. Bonds, notes, debentures, or any other obligations or securities issued by any federal government agency or instrumentality including but not limited to, the Federal National

Mortgage Corporation, Federal Home Loan Bank, Federal Farm Credit Bank, Federal Home Loan Mortgage Corporation, and Government National Mortgage Association. All federal agency securities shall be direct issuances of federal government agencies or instrumentalities;

- 3. Written repurchase agreements in the securities listed above provided that the market value of the securities subject to the repurchase agreement must exceed the principal value of the agreement by at least two percent and be marked to market daily and that the term of the agreement must not exceed thirty days;
- 4. Bonds and other obligations of the State of Ohio, and with certain limitations including a requirement for maturity within ten years from the date of the settlement, bonds and other obligations of political subdivisions of the State of Ohio, if training requirements have been met;
- 5. Time certificates of deposit or savings or deposit accounts including but not limited to, passbook accounts;
- 6. No-load money market mutual funds consisting exclusively of obligations described in items 1 and 2 above and repurchase agreements secured by such obligations, provided that investments in securities described in this division are made only through eligible institutions;
- 7. The State Treasurer's investment pool (STAR Ohio); and
- 8. Certain bankers' acceptances and commercial paper notes for a period not to exceed 180 and 270 days, respectively, from the purchase date in an amount not to exceed 40 percent of the interim monies available for investment at any one time, if training requirements are met.

NOTE 4 – RELATED PARTY TRANSACTIONS

The Authority contracts with Miami Valley Community Action Partnership (MVCAP) to provide financial services for the housing authority. The Authority does not have any employees; instead, services are contracted from MVCAP. MVCAP designates certain employees to maintain the Authority's records. MVCAP is a nonprofit entity providing resources for the purpose of assisting low-income individuals through a variety of programs supported by federal and state government grants.

The Authority and MVCAP have entered into a Master Housing Contract with the Darke County Board of Developmental Disabilities (Board) in order to improve the availability of housing for individuals with disabilities in Darke County. MVCAP responsibilities are to provide fiscal services for the properties that the Authority received from the Darke County Board of Developmental Disabilities.

The Authority has several notes outstanding with MVCAP due to some of the properties received from the Board. The details of these notes are listed in footnote 6, below. During the fiscal year, the Authority paid the MVCAP Agency \$177,896 for management and fiscal services.

NOTE 7 – RISK MANAGEMENT

The Authority is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees and natural disasters. During the fiscal year 2023, the Authority contracted with Cincinnati Insurance Company for vehicle insurance, commercial property and general liability, employee dishonesty and directors' and officers' liability.

Vehicle insurance carries a \$250 per vehicle comprehensive deductible. Property and general insurance carries a \$250 deductible. Settled claims have not exceeded this coverage in any of the last three years. There has been no significant reduction in coverage from last year.

NOTE 8 – CONTINGENCIES

Amounts grantor agencies pay to the Authority are subject to audit and adjustment by the grantor, principally the federal government. Grantors may require refunding any disallowed costs. Management cannot presently determine amounts grantors may disallow. However, based on prior experience, management believes any refunds would be immaterial.

NOTE 9 – COVID-19

The United States and the State of Ohio declared a state of emergency in March of 2020 due to the COVID-19 pandemic. Both states of emergency have since ended. The financial impact of COVID-19 and the continuing emergency measures may impact subsequent periods of the Authority. The impact on the Authority's future operating costs, revenues, and additional recovery from emergency funding, either federal or state, cannot be estimated.

NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS 2 CFR 200.510(b)(6) FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2023

NOTE A – BASIS OF PRESENTATION

The accompanying Schedule of Expenditures of Federal Awards (the Schedule) includes the federal award activity of the Darke County Metropolitan Housing Authority (the Authority) under programs of the federal government for the fiscal year ended September 30, 2023. The information on this Schedule is prepared in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the Authority, it is not intended to and does not present the financial position, changes in net position, or cash flows of the Authority.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in Uniform Guidance wherein certain types of expenditures may or may not be allowable or may be limited as to reimbursement.

NOTE C – INDIRECT COST RATE

The Authority has elected not to use the 10-percent de minimis indirect cost rate as allowed under the Uniform Guidance.

NOTE D - SUBRECIPIENTS

The Authority provided no federal awards to subrecipients during the fiscal year ended September 30, 2023.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY *GOVERNMENT AUDITING STANDARDS*

Darke County Metropolitan Housing Authority Darke County 1469 Sweitzer Street Greenville, Ohio 45331

To the Board of Commissioners:

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*), the financial statements of the Darke County Metropolitan Housing Authority, Darke County, (the Authority) as of and for the fiscal year ended September 30, 2023, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements and have issued our report thereon dated June 4, 2024.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Authority's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, we do not express an opinion on the effectiveness of the Authority's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Authority's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Darke County Metropolitan Housing Authority Darke County Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Required by Government Auditing Standards Page 2

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Authority's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Authority's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Authority's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE WITH REQUIREMENTS APPLICABLE TO THE MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Darke County Metropolitan Housing Authority Darke County 1469 Sweitzer Street Greenville, Ohio 45331

To the Board of Commissioners:

Report on Compliance for the Major Federal Program

Opinion on the Major Federal Program

We have audited Darke County Metropolitan Housing Authority's, Darke County, (the Authority) compliance with the types of compliance requirements identified as subject to audit in the U.S. Office of Management and Budget (OMB) *Compliance Supplement* that could have a direct and material effect on Darke County Metropolitan Housing Authority's major federal program for the fiscal year ended September 30, 2023. Darke County Metropolitan Housing Authority's major federal program is identified in the *Summary of Auditor's Results* section of the accompanying schedule of findings.

In our opinion, Darke County Metropolitan Housing Authority complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on its major federal program for the fiscal year ended September 30, 2023.

Basis for Opinion on the Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Authority and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for the major federal program. Our audit does not provide a legal determination of the Authority's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

The Authority's Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Authority's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Authority's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Authority's compliance with the requirements of the major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material noncompliance, whether due to fraud or error, and design
 and perform audit procedures responsive to those risks. Such procedures include examining, on a
 test basis, evidence regarding the Authority's compliance with the compliance requirements
 referred to above and performing such other procedures as we considered necessary in the
 circumstances.
- obtain an understanding of the Authority's internal control over compliance relevant to the audit in
 order to design audit procedures that are appropriate in the circumstances and to test and report
 on internal control over compliance in accordance with the Uniform Guidance, but not for the
 purpose of expressing an opinion on the effectiveness of the Authority's internal control over
 compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control other compliance with a type of compliance is a network deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance is a deficiency or a combination of deficiencies, in internal control over compliance with a type of compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Darke County Metropolitan Housing Authority Darke County Independent Auditor's Report on Compliance with Requirements Applicable to the Major Federal Program and on Internal Control Over Compliance Required by the Uniform Guidance Page 3

Our consideration of internal control over compliance was for the limited purpose described in the *Auditor's Responsibilities for the Audit of Compliance* section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance that we found to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of this testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
