We have reviewed the *Independent Auditor's Report* of Jersey Township, Licking County, prepared by Perry & Associates, Certified Public Accountants, A.C., for the audit period January 1, 2022 through December 31, 2023. Based upon this review, we have accepted these reports in lieu of the audit required by Section 117.11, Revised Code. The Auditor of State did not audit the accompanying financial statements and, accordingly, we are unable to express, and do not express an opinion on them.

Our review was made in reference to the applicable sections of legislative criteria, as reflected by the Ohio Constitution, and the Revised Code, policies, procedures and guidelines of the Auditor of State, regulations and grant requirements. Jersey Township is responsible for compliance with these laws and regulations.

INDEPENDENT AUDITOR'S REPORT

Jersey Township
Licking County
1481 Mink Road
Johnstown, Ohio 43031

To the Board of Trustees:

Report on the Audit of the Financial Statements

Unmodified and Adverse Opinions

We have audited the financial statements of the Jersey Township, Licking County, Ohio (the Township), which comprises the cash balances, receipts and disbursements for each governmental fund type as of and for the years ended December 31, 2023 and 2022, and the related notes to the financial statements.

Unmodified Opinion on Regulatory Basis of Accounting

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the cash balances, receipts and disbursements for each governmental fund type as of and for the years ended December 31, 2023 and 2022, and the related notes to the financial statements, in accordance with the financial reporting provisions which Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(C) permit, described in Note 2.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the *Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles* section of our report, the accompanying financial statements do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of the Township, as of December 31, 2023 and 2022, or the changes in financial position thereof for the years then ended.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Township, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note 2 of the financial statements, the financial statements are prepared by the Township on the basis of the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(C), which is an accounting basis other than accounting principles generally accepted in the United States of America (GAAP), to satisfy these requirements. The effects on the financial statements of the variances between the regulatory basis of accounting described in Note 2 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material and pervasive.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(C) permit. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Township's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and the financial audit standards in the Comptroller General of the United States' *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Township's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Township's ability to continue as a going concern for a reasonable period of time.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated June 28, 2024, on our consideration of the Township's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Township's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Township's internal control over financial reporting and compliance.

JERSEY TOWNSHIP
LICKING COUNTY
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2023

Note 1 – Reporting Entity

The constitution and laws of the State of Ohio establish the rights and privileges of the Jersey Township, Licking County, (the Township) as a body corporate and politic. A publicly elected three-member Board of Trustees directs the Township. The Township provides road and bridge maintenance. The Township contracts with the Johnson-Monroe Fire Department to provide fire protection and emergency medical services. The Licking County Sheriff's Office provides general police patrol.

Jointly Governed Organization

The Township participates in a jointly governed organization. Note 12 to the financial statements provides additional information on this entity.

The Township's management believes these financial statements present all activities for which the Township is financially accountable.

Note 2 – Summary of Significant Accounting Policies

Basis of Presentation

The Township's financial statements consist of a combined statement of receipts, disbursements and changes in fund balances (regulatory cash basis) for all governmental fund types, which is organized on a fund type basis.

Fund Accounting

The Township uses funds to maintain its financial records during the year. A fund is defined as a fiscal and accounting entity with a self-balancing set of accounts. The funds of the Township are presented below:

General Fund The general fund accounts for and reports all financial resources not accounted for and reported in another fund. The general fund balance is available to the Township for any purpose provided it is expended or transferred according to the general laws of Ohio.

Special Revenue Funds These funds account for and report the proceeds of specific revenue sources that are restricted or committed to expenditure for specified purposes other than debt service or capital projects. The Township had the following significant Special Revenue Funds:

Road and Bridge Fund This fund receives property tax money for constructing, maintaining, and repairing Township roads and bridges.

Gasoline Tax Fund This fund receives gasoline tax money to pay for constructing, maintaining, and repairing Township roads.

Fire Fund This fund received property tax money for providing fire protection and EMS services.

JERSEY TOWNSHIP
LICKING COUNTY
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2023

Note 2 – Summary of Significant Accounting Policies (Continued)

Basis of Accounting

These financial statements follow the accounting basis permitted by the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03 (C). This basis is similar to the cash receipts and disbursements accounting basis. The Township recognizes receipts when received in cash rather than when earned, and recognizes disbursements when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03 (C) permit.

Budgetary Process

The Ohio Revised Code requires that each fund be budgeted annually.

Appropriations Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the fund, function or object level of control, and appropriations may not exceed estimated resources. The Board of Trustees must annually approve appropriation measures and subsequent amendments. Unencumbered appropriations lapse at year end.

Estimated Resources Estimated resources include estimates of cash to be received (budgeted receipts) plus unencumbered cash as of January 1. The County Budget Commission must approve estimated resources.

Encumbrances The Ohio Revised Code requires the Township to reserve (encumber) appropriations when individual commitments are made. Encumbrances outstanding at year end are carried over, and need not be reappropriated.

A summary of 2023 budgetary activity appears in Note 3.

Deposits

The Township maintains a demand deposit account.

Capital Assets

The Township records disbursements for acquisitions of property, plant, and equipment when paid. The accompanying financial statements do not report these items as assets.

Accumulated Leave

In certain circumstances, such as upon leaving employment, employees are entitled to cash payments for unused leave. The financial statements do not include a liability for unpaid leave.

Note 2 – Summary of Significant Accounting Policies (Continued)

Fund Balance

Fund balance is divided into five classifications based primarily on the extent to which the Township must observe constraints imposed upon the use of its governmental-fund resources. The classifications are as follows:

Nonspendable The Township classifies assets as *nonspendable* when legally or contractually required to maintain the amounts intact. For regulatory purposes, nonspendable fund balance includes unclaimed monies that are required to be held for five years before they may be utilized by the Township and the nonspendable portion of the corpus in permanent funds.

Restricted Fund balance is *restricted* when constraints placed on the use of resources are either externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments; or is imposed by law through constitutional provisions.

Committed Trustees can *commit* amounts via formal action (resolution). The Township must adhere to these commitments unless the Trustees amend the resolution. Committed fund balance also incorporates contractual obligations to the extent that existing resources in the fund have been specifically committed to satisfy contractual requirements.

Assigned Assigned fund balances are intended for specific purposes but do not meet the criteria to be classified as *restricted* or *committed*. Governmental funds other than the general fund report all fund balances as *assigned* unless they are restricted or committed. In the general fund, *assigned* amounts represent intended uses established by Township Trustees or a Township official delegated that authority by resolution, or by State Statute. For regulatory purposes, assigned fund balance in the general fund is limited to encumbrances outstanding at year end.

Unassigned Unassigned fund balance is the residual classification for the general fund and includes amounts not included in the other classifications. In other governmental funds, the unassigned classification is used only to report a deficit balance.

The Township applies restricted resources first when expenditures are incurred for purposes for which either restricted or unrestricted (committed, assigned, and unassigned) amounts are available. Similarly, within unrestricted fund balance, committed amounts are reduced first followed by assigned, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

For regulatory purposes, limited disclosure related to fund balance is included in Note 10.

Note 3 – Budgetary Activity

Budgetary activity for the year ending December 31, 2023 follows:

2023 Budgeted Vs Actual Receipts			
Fund Type	Budgeted Receipts	Actual Receipts	Variance
General	\$ 1,232,712	\$ 1,262,554	\$ 29,842
Special Revenue	1,839,334	1,977,627	138,293
Total	\$ 3,072,046	\$ 3,240,181	\$ 168,135

Note 3 – Budgetary Activity (Continued)

2023 Budgeted vs. Actual Budgetary Basis Expenditures			
Fund Type	Appropriation Authority	Budgetary Expenditures	Variance
General	\$ 1,302,465	\$ 1,053,527	\$ 248,938
Special Revenue	2,907,325	2,033,049	874,276
Total	\$ 4,209,790	\$ 3,086,576	\$ 1,123,214

Note 4 – Deposits

To improve cash management, cash received by the Township is pooled. Monies for all fund are maintained in this pool. The Ohio Revised Code prescribes allowable deposits and investments. A summary of the Township’s deposit and investment accounts are as follows:

	2023
Demand deposits	\$ 3,002,276

The Township does not use a separate payroll clearing account. The expenditures included in the accompanying financial statements reflect net payroll plus all remitted payroll withholdings. At December 31, 2023, the Township is holding \$13,045 in unremitted employee payroll withholdings.

Deposits

Deposits are insured by the Federal Deposit Insurance Corporation; or collateralized through the Ohio Pooled Collateral System (OPCS), a collateral pool of eligible securities deposited with a qualified trustee and pledged to the Treasurer of State to secure the repayment of all public monies deposited in the financial institution.

At December 31, 2023, \$141,049 of deposits were not insured or collateralized due to the OPCS allowing the financial institution to have a reduced collateral rate.

Note 5 – Property Taxes

Real property taxes become a lien on January 1 preceding the October 1 date for which the Trustees adopted tax rates. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable non-business, owner occupancy, and homestead exemption credits and/or homestead and rollback deductions. The financial statements include these credits and/or deduction amounts the State pays as Intergovernmental Receipts. Payments are due to the County by December 31. If the property owner elects to pay semiannually, the first half is due December 31. The second half payment is due the following June 20.

Public utilities are also taxed on personal and real property located within the Township.

The County is responsible for assessing property and for billing, collecting, and distributing all property taxes on behalf of the Township.

JERSEY TOWNSHIP
LICKING COUNTY
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2023

Note 6 – Risk Management

Workers' Compensation

Workers' Compensation coverage is provided by the State of Ohio. The Township pays the State Workers' Compensation System a premium based on a rate per \$100 of salaries. This rate is calculated based on accident history and administrative costs.

Commercial Insurance

The Township has obtained commercial insurance for the following risks:

- Comprehensive property and general liability;
- Vehicles; and
- Errors and omissions.

Note 7 – Defined Benefit Pension Plans

Ohio Public Employees Retirement System

Some of the Township's employees belong to the Ohio Public Employees Retirement System (OPERS). OPERS is a cost-sharing, multiple-employer plan. The Ohio Revised Code prescribes this plan's benefits, which include postretirement health care and survivor and disability benefits.

The Ohio Revised Code also prescribes contribution rates. OPERS members contributed 10 percent of their gross salaries, and the Township contributed an amount equaling 14 percent of participants' gross salaries. The Township has paid all contributions required through December 31, 2023.

Social Security

Some of the Township's employees contributed to Social Security. This plan provides retirement benefits, including survivor and disability benefits to participants.

Employees contributed 6.2 percent of their gross salaries. The Township contributed an amount equal to 6.2 percent of participants' gross salaries. The Township has paid all contributions required through December 31, 2023.

Note 8 – Postemployment Benefits

OPERS offers cost-sharing, multiple-employer defined benefit postemployment plans. OPERS offers a health reimbursement arrangement (HRA) allowance to benefit recipients meeting certain age and service credit requirements. The HRA is an account funded by OPERS that provides tax-free reimbursement for qualified medical expenses such as monthly post-tax insurance premiums, deductibles, co-insurance, and co-pays incurred by eligible benefit recipients and their dependents. For calendar year 2023, the portion of OPERS employer contributions allocated to health care was 0 percent for members in the traditional pension plan and 2 percent for members in the combined plan. For 2023, the portion of employer contributions OPERS allocated to health care for members in the member-directed plan was 4.0 percent; however, a portion of the health care rate was funded with reserves.

JERSEY TOWNSHIP
LICKING COUNTY
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2023

Note 9 – Contingent Liabilities

Amounts grantor agencies pay to the township are subject to audit and adjustment by the grantor. The grantor may require refunding any disallowed costs. Management cannot presently determine amounts grantors may disallow. However, based on prior experience, management believes any refunds would be immaterial.

Note 10 – Fund Balances

Encumbrances are commitments related to unperformed contracts for goods or services. Encumbrance accounting is utilized to the extent necessary to assure effective budgetary control and accountability and to facilitate effective cash planning and control. At year end the balances of these amounts were as follows:

Fund Balances	General	Special Revenue	Total
Outstanding Encumbrances	\$ 2,935	\$ 4,808	\$ 7,743
Total	\$ 2,935	\$ 4,808	\$ 7,743

The fund balance of special revenue funds is either restricted or committed. These restricted and committed amounts in the special revenue funds would include the outstanding encumbrances. In the general fund, outstanding encumbrances are considered assigned.

Note 11 – COVID-19

The United States and the State of Ohio declared a state of emergency in March of 2020 due to the COVID-19 pandemic. Ohio’s state of emergency ended in June 2021 while the national state of emergency ended in April 2023. The Township will continue to spend available COVID-19 funding consistent with the applicable program guidelines.

Note 12 – Jointly Governed Organizations

West Licking Joint Fire District - The West Licking Joint Fire District, a jointly governed organization, is a political subdivision governed by a Board of Trustees which possesses its own contracting and budgeting authority. The Board of Trustees consists of one representative from each of the participating governments: City of Pataskala, the Village of Kirkersville, Harrison Township, Etna Township, City of Reynoldsburg and Jersey Township. The Township made no contributions during 2023 for the operation of the West Licking Joint Fire District.

2022 Budgeted vs. Actual Budgetary Basis Expenditures			
Fund Type	Appropriation Authority	Budgetary Expenditures	Variance
General	\$ 501,699	\$ 293,733	\$ 207,966
Special Revenue	3,001,192	1,714,663	1,286,529
Total	\$ 3,502,891	\$ 2,008,396	\$ 1,494,495

Note 4 – Deposits

To improve cash management, cash received by the Township is pooled. Monies for all fund are maintained in this pool. The Ohio Revised Code prescribes allowable deposits and investments. A summary of the Township's deposit and investment accounts are as follows:

	2022
Demand deposits	\$ 2,840,928

The Township does not use a separate payroll clearing account. The expenditures included in the accompanying financial statements reflect net payroll plus all remitted payroll withholdings. At December 31, 2022, the Township is holding \$12,335 in unremitted employee payroll withholdings.

Deposits

Deposits are insured by the Federal Deposit Insurance Corporation; or collateralized through the Ohio Pooled Collateral System (OPCS), a collateral pool of eligible securities deposited with a qualified trustee and pledged to the Treasurer of State to secure the repayment of all public monies deposited in the financial institution.

At December 31, 2022, \$113,445 of deposits were not insured or collateralized due to the OPCS allowing the financial institution to have a reduced collateral rate.

Note 5 – Property Taxes

Real property taxes become a lien on January 1 preceding the October 1 date for which the Trustees adopted tax rates. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable non-business, owner occupancy, and homestead exemption credits and/or homestead and rollback deductions. The financial statements include these credits and/or deduction amounts the State pays as Intergovernmental Receipts. Payments are due to the County by December 31. If the property owner elects to pay semiannually, the first half is due December 31. The second half payment is due the following June 20.

Public utilities are also taxed on personal and real property located within the Township.

The County is responsible for assessing property and for billing, collecting, and distributing all property taxes on behalf of the Township.

Note 6 – Risk Management

Workers' Compensation

Workers' Compensation coverage is provided by the State of Ohio. The Township pays the State Workers' Compensation System a premium based on a rate per \$100 of salaries. This rate is calculated based on accident history and administrative costs.

Commercial Insurance

The Township has obtained commercial insurance for the following risks:

- Comprehensive property and general liability;
- Vehicles; and
- Errors and omissions.

Note 7 – Defined Benefit Pension Plans

Ohio Public Employees Retirement System

Some of the Township's employees belong to the Ohio Public Employees Retirement System (OPERS). OPERS is a cost-sharing, multiple-employer plan. The Ohio Revised Code prescribes this plan's benefits, which include postretirement health care and survivor and disability benefits.

The Ohio Revised Code also prescribes contribution rates. OPERS members contributed 10 percent of their gross salaries, and the Township contributed an amount equaling 14 percent of participants' gross salaries. The Township has paid all contributions required through December 31, 2022.

Social Security

Some of the Township's employees contributed to Social Security. This plan provides retirement benefits, including survivor and disability benefits to participants.

Employees contributed 6.2 percent of their gross salaries. The Township contributed an amount equal to 6.2 percent of participants' gross salaries. The Township has paid all contributions required through December 31, 2022.

Note 8 – Postemployment Benefits

OPERS offers cost-sharing, multiple-employer defined benefit postemployment plans, which include multiple health care plans including medical coverage, prescription drug coverage, deposits to a Health Reimbursement Arrangement, and Medicare Part B premium reimbursements, to qualifying benefit recipients. The portion of employer contributions allocated to health care for OPERS members in the traditional pension plan and combined plan was 0 percent during calendar year 2022. The portion of employer contributions allocated to health care for OPERS members in the member-directed plan was 4.0 percent during calendar year 2022.

Effective January 1, 2022, OPERS discontinued the group plans currently offered to non-Medicare retirees and re-employed retirees. Instead, eligible non-Medicare retirees will select an individual medical plan. OPERS will provide a subsidy or allowance via an HRA allowance to those retirees who meet health care eligibility requirements. Retirees will be able to seek reimbursement for plan premiums and other qualified medical expenses.

Note 9 – Contingent Liabilities

Amounts grantor agencies pay to the township are subject to audit and adjustment by the grantor. The grantor may require refunding any disallowed costs. Management cannot presently determine amounts grantors may disallow. However, based on prior experience, management believes any refunds would be immaterial.

Note 10 – Fund Balances

Encumbrances are commitments related to unperformed contracts for goods or services. Encumbrance accounting is utilized to the extent necessary to assure effective budgetary control and accountability and to facilitate effective cash planning and control. At year end the balances of these amounts were as follows:

Fund Balances	General	Special Revenue	Total
Outstanding Encumbrances	\$ 2,715	\$ 4,667	\$ 7,382
Total	\$ 2,715	\$ 4,667	\$ 7,382

The fund balance of special revenue funds is either restricted or committed. These restricted and committed amounts in the special revenue funds would include the outstanding encumbrances. In the general fund, outstanding encumbrances are considered assigned.

Note 11 – COVID-19

The United States and the State of Ohio declared a state of emergency in March of 2020 due to the COVID-19 pandemic. Ohio's state of emergency ended in June, 2021 while the national state of emergency continues. During 2022, the Township received COVID-19 funding. The financial impact of COVID-19 and the continuing emergency measures will impact subsequent periods of the Township. The impact on the Township's future operating costs, revenues, and additional recovery from emergency funding, either federal or state, cannot be estimated.

Note 12 – Jointly Governed Organizations

West Licking Joint Fire District - The West Licking Joint Fire District, a jointly governed organization, is a political subdivision governed by a Board of Trustees which possesses its own contracting and budgeting authority. The Board of Trustees consists of one representative from each of the participating governments: City of Pataskala, the Village of Kirkersville, Harrison Township, Etna Township, City of Reynoldsburg and Jersey Township. The Township made no contributions during 2022 for the operation of the West Licking Joint Fire District.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
REQUIRED BY GOVERNMENT AUDITING STANDARDS**

Jersey Township
Licking County
1481 Mink Road
Johnstown, Ohio 43031

To the Board of Trustees:

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*), the financial statements of the cash balances, receipts, and disbursements for each governmental fund type of Jersey Township, Licking County, (the Township) as of and for the years ended December 31, 2023 and 2022, and the related notes to the financial statements, and have issued our report thereon dated June 28, 2024, wherein we noted the Township followed financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code 117-2-03(C) permit.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Township's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Township's internal control. Accordingly, we do not express an opinion on the effectiveness of the Township's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Township's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. We identified a certain deficiency in internal control, described in the accompanying schedule of audit findings as item 2023-001 that we consider to be a material weakness.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Township's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Township's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Township's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**SCHEDULE OF FINDINGS
FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022**

FINDINGS RELATED TO THE FINANCIAL STATEMENTS REQUIRED TO BE REPORTED IN ACCORDANCE WITH GAGAS
--

FINDING NUMBER 2023-001

Material Weakness

Financial Reporting

The Township is responsible for establishing procedures and controls to help prevent and detect errors in financial reporting.

During 2023, receipts and disbursements were not always posted or classified correctly. The following posting errors were noted:

- A \$797,751 receipt from the City of New Albany was classified as Miscellaneous rather than Intergovernmental in the General Fund;
- A \$31,153 liaison wage reimbursement check from the Ohio Public Works Commission was classified as Miscellaneous rather than intergovernmental in the Road and Bridge Fund;
- A portion of rollback revenue received from the State of Ohio was classified as Property Tax in the Road and Bridge and Fire funds and the entire receipt of \$48,264 was recorded twice in the accounting system;
- Tax collection fees of \$727 from the above-mentioned rollback were recorded twice in the accounting system; and
- Outstanding Checks on the December 2023 bank reconciliation were overstated by \$47,537 due to the double posting of the State Rollback receipt.

Not posting receipts and disbursements accurately resulted in the financial statements requiring several reclassification and adjusting entries. The Financial Statements reflect all reclassifications and adjustments. The Township has made these adjustments to their accounting system.

To help ensure accuracy and reliability in the financial reporting process, we recommend management perform a detailed review of its draft financial statements. Such review should include procedures to ensure that all sources of revenues are properly identified and classified on the financial statements.

We also recommend the Fiscal Officer refer to the Ohio Township Handbook for guidance to determine the proper establishment of receipt and disbursement accounts and posting of receipts and disbursements.

Officials' Response – We did not receive a response from Officials to this finding.
