Independent Accountant's Report on Applying Agreed-Upon Procedures

Marion Area Convention and Visitors Bureau
Marion County
198 West Center Street
Marion, Ohio 43302

We have performed the procedures enumerated below on the Marion Area Convention & Visitor Bureau's (the Bureau) receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2023 and 2022 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the Bureau. The Bureau is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2023 and 2022 and certain compliance requirements related to these transactions and balances included in the information provided to us by the Bureau.

The Board of Trustees and the management of the Bureau have agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of providing assistance in the evaluation of the Bureau's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2023 and 2022, and certain compliance requirements related to these transactions and balances. Additionally, the Auditor of State has agreed to and acknowledged that the procedures performed are appropriate to meet their purposes. No other party acknowledged the appropriateness of the procedures. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of the report and may not meet the needs of all users of the report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes. The sufficiency of the procedures is solely the responsibility of the parties specified in the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

For the purposes of performing these procedures, this report only describes exceptions exceeding \$10.

The procedures and the associated findings are as follows:

Cash and Investments

1. We recalculated the December 31, 2023 and December 31, 2022 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2022 beginning fund balances recorded in the General Ledger Report to the December 31, 2021 balances in the prior year documentation in the prior year Agreed-Upon Procedures working papers. We found no exceptions. We also agreed the January 1, 2023 beginning fund balances for each fund recorded in the General Ledger Report to the December 31, 2022 balances in the General Ledger Report. We found no exceptions.
3. We agreed the 2023 and 2022 bank reconciliation as of December 31, 2023 and 2022 to the total fund cash balances reported in the General Ledger Report. The amounts agreed.
4. We observed the year-end bank balances on the financial institution's website. The balances agreed. We also agreed the confirmed balances to the amounts appearing in the December 31, 2023 bank reconciliation without exception.
5. We selected the 2 reconciling debits (such as outstanding checks) from the December 31, 2023 bank reconciliation:

 Applying Agreed-Upon Procedures

- a. We traced each of the debits to the subsequent January financial institutions website transaction listing. We found no exceptions.
 - b. We traced the amounts and dates to the check register and determined the debits were dated prior to December 31. We found no exceptions.
6. We traced interbank account transfers occurring in December of 2023 and 2022 to the accounting records and bank statements to determine if they were properly recorded. We found no exceptions.
 7. We inspected investments held at December 31, 2023 and December 31, 2022 to determine that they were of a type authorized by the CVB. We found no exceptions.

Cash Receipts

1. We confirmed with Marion County the lodging taxes it paid to the Bureau during the years ending December 31, 2023 and 2022. Marion County confirmed the following amounts:

Year Ended	Amount
December 31, 2023	\$211,778
December 31, 2022	\$215,358

2. We compared the amounts from step 1 to amounts recorded as lodging tax receipts on the Bureau’s General Ledger Report. We found no exceptions.

Cash Disbursements

1. We inquired of management regarding sources describing allowable purposes or restrictions related to the Bureau’s disbursements of lodging taxes. We listed these sources and summarized significant related restrictions below:

Source of Restrictions

- a. The Bureau’s Articles of Incorporation
- b. The Bureau’s 501(c)(6) Tax Exemption
- c. Marion County Agreement- Resolution No. 2018-0126
- d. Ohio Rev. Code § 5739.092

The Bureau’s tax exemption prohibits it from disbursements supporting a candidate’s election.

Ohio Rev. Code § 5739.092 restricts the Bureau to spending lodging tax “specifically for promotion, advertising, and marketing of the region in which the county is located.”

Auditor of State Bulletin 2003-005 concludes that disbursement of public funds (e.g. lodging taxes) for alcohol are generally improper. However, Auditor of State Bulletin 2014-003 explains when sales of alcohol at public events are permissible.

Marion County Resolution No. 2018-0126 authorized a contract with the Bureau for the purpose of marketing, promotion and publicizing of Marion County in order to bring into the County the patronage and business of tourism to include leisure, conventions, seminars, and meetings, as well as assist in helping existing organizations to bring in the cultural, educational, religious, professional, and sports organizations into the County, for the benefit of the citizens, business community and the attractions of the County thereof.

We selected 10 disbursements of lodging taxes from the General Ledger Report for the year ended December 31, 2023 and 10 disbursements from 2022 and compared the purpose for these disbursements as documented on vendor invoices or other supporting documentation to the sources of restrictions listed in *Cash Disbursements Step 1* above. We found no instances where the purpose described on the invoice or other supporting documentation described a violation the restrictions listed above.
