Board of Trustees  
555 West Goodale New Community Authority  
555 Edgar Waldo Way  
Columbus, OH 43215

We have reviewed the *Independent Auditor's Report* of the 555 West Goodale New Community Authority, Franklin County, prepared by BHM CPA Group, Inc., for the audit period January 1, 2023 through December 31, 2023. Based upon this review, we have accepted these reports in lieu of the audit required by Section 117.11, Revised Code. The Auditor of State did not audit the accompanying financial statements and, accordingly, we are unable to express, and do not express an opinion on them.

Our review was made in reference to the applicable sections of legislative criteria, as reflected by the Ohio Constitution, and the Revised Code, policies, procedures and guidelines of the Auditor of State, regulations and grant requirements. The 555 West Goodale New Community Authority is responsible for compliance with these laws and regulations.

Keith Faber  
Auditor of State  
Columbus, Ohio

## INDEPENDENT AUDITOR'S REPORT

555 West Goodale New Community Authority  
Franklin County  
555 Edgar Waldo Way  
Columbus, Ohio 43215

To the Board of Trustees:

### **Report on the Audit of the Financial Statements**

#### ***Opinions***

We have audited the financial statements of the 555 West Goodale New Community Authority, Franklin County, Ohio (Authority), as of and for the years ended December 31, 2023 and 2022, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements as listed in the table of contents.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the respective financial position of the 555 West Goodale New Community Authority, Franklin County, Ohio as of December 31, 2023 and 2022, and the respective changes in financial position and its cash flows thereof for the years then ended in accordance with the accounting principles generally accepted in the United States of America.

#### ***Basis for Opinions***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Authority, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### ***Emphasis of Matter***

As discussed in Note 3 to the financial statements, the Authority has an accumulated deficit net position. This deficit is a result of how the Authority is structured and its basic operations. We did not modify our opinion regarding this matter.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Authority's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Authority's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Required Supplementary Information***

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated December 20, 2024, on our consideration of the Authority's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Authority's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Authority's internal control over financial reporting and compliance.

**MANAGEMENT'S DISCUSSION & ANALYSIS  
FOR THE YEAR ENDED DECEMBER 31, 2023  
(UNAUDITED)**

The Management's discussion and analysis of financial performance of the 555 West Goodale New Community Authority, Franklin County, Ohio (the Authority), provides an overview of the Authority's financial activities for the year ended December 31, 2023. The intent of this discussion and analysis is to look at the Authority's financial performance as a whole; readers should also review the basic financial statements and related notes to enhance their understanding of the Authority's financial performance.

**Financial Highlights**

1. The Authority supports a multi-faceted redevelopment of just over 19 acres in Columbus, Ohio.
2. The redevelopment is taking place in a phased approach over several years with the bulk of the activity completed by late 2021. Consistent with the construction activity, additional draws were made in 2021 against the loan agreements established with the Ohio Water Development Authority and the full amounts available have now been drawn on all loans. Further details are included in the notes to the financial statements.
3. Net position at December 31, 2023 totaled a deficit of \$11.0 million. The deficit position is expected and consistent with the structure and operation of the Authority as the deficit will be reduced gradually as Community Development Charges are collected over the life of the project.

**Overview of the Basic Financial Statements**

This annual report consists of a series of basic financial statements and notes to those statements. These statements are organized so the reader can understand the Authority's financial activities and financial position. The Statement of Net Position and Statement of Revenues, Expenses and Change in Net Position provide information about the activities of the Authority, including all short-term and long-term financial resources and obligations. Enterprise accounting uses a flow of economic resources measurement focus. With this measurement focus, all assets and all liabilities are included in the Statement of Net Position. The Statement of Net Position represents the financial position of the Authority. The Statement of Revenues, Expenses and Change in Net Position presents increases (e.g., revenues) and decreases (e.g., expenses) in net position. The Statement of Cash Flows reflect how the Authority finances and meets its cash flow needs. Finally, the notes to the basic financial statements provide additional information that is essential to a full understanding of the information provided in the basic financial statements.

**Statement of Net Position, Statement of Revenues, Expenses, and Change in Net Position and the Statement of Cash Flows**

These basic financial statements look at all transactions and ask the question, how did we do financially? The Statement of Net Position and the Statement of Revenues, Expenses and Change in Net Position answer this question. These statements include all assets, liabilities, revenues, and expenses using the accrual basis of accounting, similar to the accounting used by most private-sector companies. The accrual basis of accounting considers all of the current year's revenues and expenses regardless of when cash is received or paid. These two financial statements report the Authority's net position and changes in those assets and liabilities. The Statement of Cash Flows provides information about how the Authority finances and meets the cash flow needs of its operations.

The basic financial statements also include notes that provide more detailed explanations of the information in the basic financial statements.

**555 West Goodale New Community Authority  
Franklin County**

**MANAGEMENT'S DISCUSSION & ANALYSIS  
FOR THE YEAR ENDED DECEMBER 31, 2023  
(UNAUDITED)**

**Economic Conditions**

The United States and the State of Ohio declared a state of emergency in March 2020 due to the COVID-19 pandemic. The financial impact of COVID-19 and the ensuing emergency measures may impact subsequent periods of the Authority. The impact on the Authority's future operating costs cannot be estimated.

**Contacting the Authority's Financial Management**

This financial report is designed to provide readers with a general overview of the Authority's finances and to demonstrate the Authority's accountability for the money it receives. Questions concerning any of the information in this report or requests for additional information should be directed to the Authority's Treasurer, 555 Edgar Waldo Way, Columbus, Ohio 43215.

**555 West Goodale New Community Authority**  
**Franklin County**  
*Notes to the Basic Financial Statements*  
*December 31, 2023*

**NOTE 1 – REPORTING ENTITY**

The 555 West Goodale New Community Authority, Franklin County, Ohio (the “Authority”) is a community authority created pursuant to Chapter 349 of the Ohio Revised Code (ORC). The Authority is comprised of approximately 19.3 acres of land located in Columbus, Ohio for redevelopment.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The significant accounting policies followed in the preparation of these basic financial statements confirm to generally accepted accounting principles (GAAP) for local governmental units as prescribed in the statements issued by the Governmental Accounting Standards Board (GASB) and other recognized authoritative sources.

For financial reporting purposes, the Authority’s basic financial statements would include all funds, agencies, boards, commissions, and departments for which the Authority is financially accountable. Financial accountability, as defined by the GASB, exists if the Authority appoints a voting majority of an organization’s Governing Board and is either able to impose its will on that organization or there is a potential for the organization to provide specific financial benefits to, or impose specific burdens on, the Authority. The Authority may also be financially accountable for governmental organizations with a separately elected Governing Board, a Governing Board appointed by another government, or a jointly appointed Board that is fiscally dependent on the Authority. The Authority also took into consideration other organizations for which the nature and significance of their relationship with the Authority are such that exclusion would cause the Authority’s basic financial statements to be misleading or incomplete.

**A. Basis of Presentation**

The Authority’s basic financial statements consist of a statement of net position; a statement of revenues, expenses, and changes in net position; and a statement of cash flows. The Authority uses enterprise accounting to maintain its financial records during the fiscal year. Enterprise accounting focuses on the determination of operating income, changes in net position, financial position, and cash flows.

**B. Measurement Focus and Basis of Accounting**

The Authority’s financial activity is accounted for using a flow of economic resources measurement focus. With this measurement focus, all assets and all liabilities and deferred inflows of resources associated with the operation of the Authority are included on the Statement of Net Position. The Statement of Revenues, Expenses and Changes in Net Position presents increases (e.g., revenues) and decreases (e.g., expenses) in total net position. The Statement of Cash Flows reflects how the Authority finances and meets its cash flow needs. Basis of accounting refers to when revenues and expenses are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made.

**C. Cash and Cash Equivalents**

Cash received by the Authority is deposited with a financial institution. Deposits having an original maturity of three months or less at the time they are purchased are presented in the financial statements as Cash and Cash Equivalents.

**555 West Goodale New Community**  
**Authority Franklin County**  
*Notes to the Basic Financial Statements*  
*December 31, 2023*

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**D. Net Position**

Net position represents the difference between assets and liabilities and deferred inflows of resources. Net position is reported as restricted when there are limitations imposed on their use either through enabling legislation adopted by the Authority or through external restrictions imposed by creditors, grantors, or laws or regulations of other governments. The Authority first applies restricted resources when an expense is incurred for which both restricted and unrestricted net position are available. The Authority had no restricted net position at December 31, 2023.

**E. Operating Revenues and Expenses**

Operating revenues are those revenues that are generated directly from the primary activity of the Authority. For the Authority, these revenues are community development charges. Operating expenses are the necessary costs incurred to provide the service that is the primary activity of the Authority. All revenues and expenses not meeting this definition are reported as non-operating.

**F. Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates.

**G. Subsequent Events**

The Authority has evaluated subsequent events through the date which the financial statements were available to be issued.

**NOTE 3 – ACCUMULATED DEFICIT OF NET POSITION**

At December 31, 2023, the Authority has an accumulated deficit net position of \$11,022,934. This deficit is a result of how the Authority is structured and its basic operations. The Authority was established to finance the costs of community land and facilities and has incurred such costs. The related deficit will be reduced and eliminated with future community development charges.

**NOTE 4 – RISK MANAGEMENT**

For the year ended December 31, 2023, the Authority has obtained risk coverage for general liability, including theft or loss.

**NOTE 5 – NOTES PAYABLE**

The Authority entered into an agreement on May 23, 2018 with the Ohio Water Development Authority (OWDA) to loan a maximum amount of \$5,000,000 at 2.56% from Other Projects-Brownfield Fund for 15 years with repayments starting on January 1, 2021 (the first payment date) with semi-annual principal and interest loan payments of \$203,319. The Authority did not make any draws from this loan during 2018. During 2019 the Authority made one draw in July 2019 in the amount of \$1,207,317. During 2020 the Authority made one draw in April 2020 in the amount of \$1,943,692 and accrued interest of \$38,598 was added to the loan balance. During 2021 the Authority made one draw in June 2021 in the amount of \$1,809,058 and a final draw in November 2021 in the amount of \$39,933.

**555 West Goodale New Community**  
**Authority Franklin County**  
*Notes to the Basic Financial Statements*  
*December 31, 2023*

The Authority entered into an agreement on May 23, 2018 with the Ohio Water Development Authority (OWDA) to loan a maximum amount of \$3,480,000 at 2.51% for stormwater facilities for 10 years starting on January 1, 2021 (the first payment date) with semi-annual principal and interest loan payments of \$83,271. The Authority did not make any draws from this loan during 2018. During 2019 the Authority made one draw in July 2019 in the amount of \$559,804. During 2020 the Authority made one draw in April 2020 for \$450,415 and accrued interest of \$15,626 was added to the loan balance. During 2021 the Authority made one draw in June 2021 in the amount of \$1,816,099 and a final draw in November 2021 in the amount of \$653,682.

The Authority entered into an agreement on May 23, 2018 with Jobs Ohio to loan a maximum amount of \$5,000,000 at 2% for eligible costs of the project. Loan payments are made over 15 years and begin in the month after draws are made on the loans. The Authority made one draw in June 2020 for the full \$5,000,000. In August 2020 the Authority began monthly payments of \$32,754 (including principal, interest, and servicing fees)

Proceeds from the above loans are forwarded to the Developer as reimbursement for funds expended on the redevelopment project. Therefore, these costs were expensed by the Authority as Donated Capital Assets. These loans will be repaid over the repayment period through community development charges assessed annually.

The Authority's long-term note activity for the year ended December 31, 2023 was as follows:

	<u>Maturity Date</u>	<u>Interest Rate</u>	<u>Beginning Balance</u>	<u>Additions</u>	<u>Repayment</u>	<u>Ending Balance</u>
OWDA Brownfield	7/1/2035	2.56%	\$4,472,547	-	\$(294,010)	\$4,178,537
OWDA Stormwater	7/1/2030	2.51%	3,335,031	-	(83,352)	3,251,679
Jobs Ohio	7/1/2035	2.00%	4,303,900	-	(299,286)	4,004,614
Total			<u>12,111,478</u>	<u>-</u>	<u>\$(676,648)</u>	<u>\$11,434,830</u>

**NOTE 6 – COVID-19**

The United States and the State of Ohio declared a state of emergency in March 2020 due to the COVID19 pandemic. The financial impact of COVID-19 and the ensuing emergency measures will impact subsequent periods of the Authority. In addition, the impact on the Authority's future operating costs, revenues, and any recovery from emergency funding, either federal or state, cannot be estimated.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER  
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS  
REQUIRED BY GOVERNMENT AUDITING STANDARDS**

555 West Goodale New Community Authority  
Franklin County  
555 Edgar Waldo Way  
Columbus, Ohio 43215

To the Board of Trustees:

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*), the financial statements of the 555 West Goodale New Community Authority, Franklin County, (the Authority) as of and for the years ended December 31, 2023 and 2022, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements and have issued our report thereon dated December 20, 2024, wherein we noted the Authority has an accumulated deficit net position. This deficit is a result of how the Authority is structured and its basic operations.

***Report on Internal Control Over Financial Reporting***

In planning and performing our audit of the financial statements, we considered the Authority's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purposes of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, we do not express an opinion on the effectiveness of the Authority's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Authority's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

***Report on Compliance and Other Matters***

As part of obtaining reasonable assurance about whether the Authority's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

***Purpose of This Report***

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Authority's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Authority's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

A handwritten signature in black ink that reads "BHM CPA Group". The letters are cursive and slightly slanted to the right.
