An Independent Public Accounting firm has audited, in accordance with *Government Auditing Standards* issued by the Comptroller General of the United States, the basic financial statements of Athens County, Ohio for the year ended December 31, 2024, and has separately issued its unmodified report thereon dated June 27, 2025. These statements present the post closure liability in the General Fund and the County's governmental activities.

In a letter to the Ohio Environmental Protection Agency dated July 1, 2025 (the Letter), Jill Davidson, County Auditor of Athens County, specified that certain amounts disclosed in that Letter were derived from the independently audited financial statements referred in the first paragraph above.

We have performed the procedures described below on the Athens County Landfill. The Athens County's management is responsible for the information presented in the Letter.

Athens County has agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of solely providing assistance to you in determining that certain amounts reported in the Letter agreed to, or can be computed from, amounts presented in the audited basic financial statements. This report may not be suitable for any other purpose. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

As required by Ohio Admin. Code 3745-27-15(L)(5)(c) and 3745-27-16(L)(5)(c), we have agreed the following amounts included in the Letter to the audited financial statements:

Alternative 2, Line No.

- 5 Total assured environmental costs: \$669,495
- 6 Total annual revenue: \$101,229,661

The amounts on line 6 agree to the basic fund financial statements of Athens County, or can be computed from amounts appearing therein. We followed the definition for line 6 included in the *State Support Document for the Local Government Financial Test*, issued November 27, 1996 by the USEPA. Line 5 includes total assured environmental costs reported in the fund financial statements following Governmental Accounting Statement Number 18.
