We have performed the procedures enumerated below on the Benton Township, Pike County's (the Township) receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2024 and 2023 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the Township. The Township is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2024 and 2023 and certain compliance requirements related to these transactions and balances included in the information provided to us by the Township.

The Board of Trustees and the management of the Township have agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of providing assistance in the evaluation of the Township's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2024 and 2023, and certain compliance requirements related to these transactions and balances. Additionally, the Auditor of State has agreed to and acknowledged that the procedures performed are appropriate to meet their purposes. No other party acknowledged the appropriateness of the procedures. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of the report and may not meet the needs of all users of the report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes. The sufficiency of the procedures is solely the responsibility of the parties specified in the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

1. We selected 1 payroll check for all employees from 2024 and 1 payroll check for all employees from 2023 from the Wage Detail Report and:
 - a. We compared the hours and pay rate, or salary recorded in the Wage Detail Report to supporting documentation (timecard, legislatively or approved rate or salary). We found no exceptions.

We observed the following:

Benton Township

 Independent Accountant's Report on Applying Agreed-Upon Procedures
 Page 3

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid
Federal income taxes & Medicare (and social security, for employees not enrolled in pension system)	January 31, 2025	December 31, 2024	\$643.56	\$643.56
State income taxes	January 15, 2025	December 30, 2024	\$313.50	\$313.50
OPERS retirement	January 30, 2025	December 31, 2024	\$1,784.96	\$1,784.96

We found no exceptions.

4. For the pay periods ended July 31, 2024 and May 8, 2023, we
 - a. Recomputed the allocation of the Boards of Trustees' salary to the General, Gasoline Tax, and Cemetery Special Levy Fund per the Wage Detail Report.
 - b. Traced the Board of Trustees' pay for time or services performed to supporting certifications the Revised Code requires.

We found no exceptions.

5. We compared total gross pay for the fiscal officer and each board of trustees for 2024 and 2023 to the compensation permitted by Ohio Rev. Code §§ 507.09 and 505.24, respectively. We found the Fiscal Officer and three Trustees were overcompensated by \$5,951, \$2,791, \$2,700, and \$1,520, respectively, in 2023. These overpayments were due to elected officials being underpaid in 2021 and 2022. The overpayment amounts agree to prior year audit documentation. We found no other exceptions.

Non-Payroll Cash Disbursements

1. We selected 10 disbursements from the Payment Listing for the year ended December 31, 2024 and 10 from the year ended 2023 and determined whether:
 - a. The disbursements were for a proper public purpose. We found no exceptions.
 - b. The check number, date, payee name and amount recorded on the returned, canceled check or EFT/ACH transaction notice agreed to the check number or EFT/ACH transaction, date, payee name and amount recorded in the Payment Listing and to the names and amounts on the supporting invoices. We found no exceptions.
 - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
 - d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code § 5705.41(D). We found 1 instance where the certification date was after the vendor invoice date, and there was also no evidence that a *Then and Now Certificate* was issued. Ohio Rev. Code § 5705.41(D) requires certifying at the time of a commitment, which should be on or before the invoice date, unless a *Then and Now Certificate* is used. Because we did not inspect all disbursements requiring certification, our report provides no assurance whether or not additional similar errors occurred.

Compliance – Budgetary

1. Ohio Rev. Code § 5705.41(B) prohibits expenditures (disbursements plus contract commitments including outstanding encumbrances) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code §§ 5705.38 and 5705.40) plus any carryover appropriations for the years ended December 31, 2024 and 2023 for the General, Gasoline Tax, and Cemetery Special Levy funds as recorded in the Appropriation Status Report. Expenditures did not exceed appropriations.
2. We inspected the Cash Summary by Fund Report for the years ended December 31, 2024 and 2023 for negative cash fund balances. Ohio Rev. Code § 5705.10 (l) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates

that money from one fund was used to cover the expenses of another. No funds had a negative cash fund balances.

Code §§ 149.43(E)(2) and 149.43(B)(7(c) and did not limit the number of responses that may be made to a particular person, limit the number of responses during a specified period of time, or establish a fixed period of time before it will respond unless that period is less than eight hours. 6. We inquired with Township management to determine that the Township's poster describing their Public Records Policy was displayed conspicuously in all branches of the Township as required by Ohio Rev. We found no exceptions.

Other Compliance

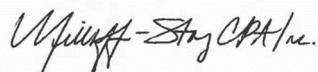

- 1. Ohio Rev. Code § 117.38 requires townships to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the Township filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy, within the allotted timeframe for the years ended December 31, 2024 and 2023 in the Hinkle system. We found no exceptions.
- 2. We inquired of the fiscal officer and inspected the Fiscal Integrity Act Portal (<http://www.ohioauditor.gov/fiscalintegrity/default.html>) to determine whether the fiscal officer obtained the training required by Ohio Rev. Code §§ 507.12 and 733.81. Fiscal Officer obtained the required training.
- 3. The Township provided out-of-pocket insurance reimbursements in lieu of providing coverage to all employees.
 - a. We inspected the resolution authorizing reimbursements and determined it met the following documentation requirements for Ohio Rev. Code § 505.601.
 - 1. The Township has not chosen to procure a health plan,
 - 2. The Township has chosen to reimburse its officers and employees for each out-of-pocket premium,
 - 3. It provides for a maximum uniform monthly or yearly payment amount for each officer and employee, and
 - 4. It lists only the specific benefits allowed under Ohio Rev. Code § 505.60A that will be reimbursed.

We found that the Township does offer insurance reimbursement to all officials and employees, where applicable. However, the Township could not provide a copy of the resolution passed by the Board which meets the documentation requirements of the Ohio Revised Code listed above.

We were engaged by the Township to perform this agreed-upon procedures engagement and conducted our engagement in accordance with the attestation standards established by the AICPA and the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review engagement, the objective of which would be the expression of an opinion or conclusion, respectively, on the Township's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We are required to be independent of the Township and to meet our ethical responsibilities, in accordance with the ethical requirements established by the Comptroller General of the United States' *Government Auditing Standards* related to our agreed upon procedures engagement.

Respectfully,
