**INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES**

Pusheta Township  
Auglaize County  
15930 Wapak-Fisher Rd  
Wapakoneta, OH 45895

We have performed the procedures enumerated below on the Pusheta Township, Auglaize County's (the Township) receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2023 and 2022 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the Township. The Township is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2023 and 2022 and certain compliance requirements related to these transactions and balances included in the information provided to us by the Township.

The Board of Trustees and the management of the Township have agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of providing assistance in the evaluation of the Township's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2023 and 2022, and certain compliance requirements related to these transactions and balances. Additionally, the Auditor of State has agreed to and acknowledged that the procedures performed are appropriate to meet their purposes. No other party acknowledged the appropriateness of the procedures. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of the report and may not meet the needs of all users of the report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes. The sufficiency of the procedures is solely the responsibility of the parties specified in the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

For the purposes of performing these procedures, this report only describes exceptions exceeding \$10.

The procedures and the associated findings are as follows:

**Cash**

1. We recalculated the December 31, 2023 and December 31, 2022 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2022 beginning fund balances for each fund recorded in the Cash Summary by Fund Report to the December 31, 2021 balances in the prior year documentation in the prior year Agreed-Upon Procedures working papers. We found no exceptions. We also agreed the January 1, 2023 beginning fund balances for each fund recorded in the Cash Summary by Fund Report to the December 31, 2022 balances in the Cash Summary by Fund Report. We found no exceptions.
3. We agreed the 2023 and 2022 Bank Reconciliation adjusted UAN Balances and Adjusted Bank Balances as of December 31, 2023 and 2022 to the total fund cash balances reported in the Fund Status Report and the financial statements filed by the Township in the Hinkle System. The amounts agreed.

### Cash (Continued)

4. We confirmed the December 31, 2023 bank account balance with the Township's financial institution. We found no exceptions. We also agreed the confirmed balances to the amounts appearing in the December 31, 2023 bank reconciliation without exception.
5. We selected 5 reconciling debits (such as outstanding checks) from the December 31, 2023 bank reconciliation:
  - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
  - b. We traced the amounts and dates to the check register, and determined the debits were dated prior to December 31. We found no exceptions.
6. We inspected the Fund Status Report to determine whether the Finding For Adjustment identified in the prior agreed-upon procedures report, due from the Road and Bridge fund, payable to the General fund, was properly posted to the ledgers and reflected in the fund balances in Procedure 2. We found no exceptions.

### Property Taxes and Intergovernmental Cash Receipts

1. We selected a total of 5 receipts from the *Statement of Semiannual Apportionment of Taxes*, State Distribution Transaction Lists (DTL), and the Auglaize County Voucher Inquiry Report for 2023 and a total of 5 from 2022:
  - a. We compared the amount from the above named reports to the amount recorded in the Revenue Ledger Report. The amounts agreed.
  - b. We inspected the Revenue Ledger Report to determine these receipts were allocated to the proper funds as required by Ohio Rev. Code §§ 5705.05 and 5705.10. We found no exceptions.
  - c. We inspected the Revenue Ledger Report to determine whether the receipt was recorded in the proper year. The receipt was recorded in the proper year. We found no exceptions.
2. We inspected the Revenue Ledger Report to determine whether it included 2 real estate tax receipts for 2023 and 2022. The Revenue Ledger Report included the proper number of tax receipts for each year. We found no exceptions.

### Debt

1. From the prior agreed-upon procedures documentation, we observed the following lease was outstanding as of December 31, 2021.
  - a. These amounts agreed to the Township's January 1, 2022 balances on the summary we used in procedure 3.
  - b. We inspected the debt's final offering documents for all outstanding debt, and we confirmed the Township does not have any debt covenants.

Issue	Principal outstanding as of December 31, 2021:
Dump Truck Lease	\$36,747.51

2. We inquired of management and inspected the Revenue Ledger Report and Appropriation Ledger Report for evidence of debt issued during 2023 or 2022 or debt payment activity during 2023 or 2022. All debt agreed to the summary we used in procedure 3.

### Debt (Continued)

3. We obtained a summary of lease debt activity for 2023 and 2022 and agreed principal and interest payments from the related debt amortization schedule to Road and Bridge fund payments reported in the Appropriation Ledger Report. We also compared the date the debt service payments were due to the date the Township made the payments. We noted that debt payments were not properly allocated to principal and interest. We found no other exceptions.

### Payroll Cash Disbursements

1. We selected 1 payroll check for 5 employees from 2023 and 1 payroll check for 5 employees from 2022 from the Township's Payroll Warrants and:
  - a. We compared the hours and pay rate, or salary recorded in the Township's Manual Payroll workbook to supporting documentation (timecard, legislatively or statutorily-approved rate or salary). We found no exceptions.
  - b. We recomputed gross and net pay and agreed it to the amount recorded in the payroll register. We found no exceptions.
  - c. We inspected the fund and account code to which the check was posted to determine the posting was allowable based on the employees' duties as documented in the minute record. We found 3 instances in 2022 and 3 instances in 2023 where employees were paid 100% from the Road and Bridge fund when compensation should have been allocated 10% to the General fund and 90% to the Road and Bridge fund. We found no other exceptions.
  - d. We confirmed the payment was posted to the proper year. We found no exceptions.
2. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2023 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2023. We observed the following:

<b>Withholding (plus employer share, where applicable)</b>	<b>Date Due</b>	<b>Date Paid</b>	<b>Amount Due</b>	<b>Amount Paid</b>
Federal income taxes & Medicare (and social security, for employees not enrolled in pension system)	January 31, 2024	December 29, 2023	\$501.73	\$501.73
State income taxes	January 31, 2024	January 3, 2024	\$182.56	\$182.56
Wapakoneta City School District Tax	January 31, 2024	January 3, 2024	\$200.00	\$200.00
OPERS retirement	January 30, 2024	January 2, 2024	\$1,246.46	\$1,246.46

We found no exceptions.

3. For the pay periods ended March 31, 2023 and June 30, 2022, we
  - a. Recomputed the allocation of the Boards' salary amounts and employer shares withholdings to the General and Road and Bridge Fund per the Appropriation Ledger Report.
  - b. Traced the Boards' pay for time or services performed to supporting certifications the Revised Code requires.

We noted that for the periods tested, all Trustees were paid 100% from the Road and Bridge Fund instead of their approved amounts of 10% General and 90% Road and Bridge. We expanded our testing and noted that in total for both years the allocations were correct due to paying the 10% general fund portion out in the first two pay periods of the year and paying remaining periods at 100% Road and Bridge Fund. No adjustments needed. We found no other exceptions.

#### **Payroll Cash Disbursements (Continued)**

4. We compared total gross pay for the fiscal officer and each board of trustees for 2023 and 2022 to the compensation permitted by Ohio Rev. Code §§ 507.09 and 505.24, respectively. Their pay did not exceed the Ohio Rev. Code §§ 507.09 and 505.24 permitted amounts.

#### **Non-Payroll Cash Disbursements**

1. We selected 10 disbursements from the Appropriation Ledger Report for the year ended December 31, 2023 and 10 from the year ended 2022 and determined whether:
  - a. The disbursements were for a proper public purpose. We found no exceptions.
  - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Appropriation Ledger Report and to the names and amounts on the supporting invoices. We found no exceptions.
  - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
  - d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code § 5705.41(D). We found no exceptions.

#### **Compliance – Budgetary**

1. Ohio Rev. Code § 5705.41(B) prohibits expenditures (disbursements plus certified commitments including outstanding encumbrances) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code §§ 5705.38 and 5705.40) plus any carryover appropriations for the years ended December 31, 2023 and 2022 for the General, Motor Vehicle License Tax and Road and Bridge Funds as recorded in the Appropriation Status Report. Expenditures did not exceed appropriations.
2. We inspected the 2023 and 2022 Revenue Status Reports and Appropriation Status Reports for interfund transfers in compliance with Ohio Rev. Code § 5705.16. We found no evidence of transfers these Sections prohibit, or for which Ohio Rev. Code § 5705.16 would require approval by the Tax Commissioner.
3. We inspected the Cash Summary by Fund Report for the years ended December 31, 2023 and 2022 for negative cash fund balances. Ohio Rev. Code § 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. No funds had a negative cash fund balances.

#### **Sunshine Law Compliance**

1. We obtained and inspected the Township's Public Records Policy to determine the policy was in accordance with Ohio Rev. Code §§ 149.43(E)(2) and 149.43(B)(7)(c) and did not limit the number of responses that may be made to a particular person, limit the number of responses during a specified period of time, or establish a fixed period of time before it will respond unless that period is less than eight hours. We found no exceptions.
2.
  - a. We inquired with Township management and determined that the Township did not have any completed public records requests during the engagement period.
  - b. The Township did not have any denied public records requests during the engagement period.
  - c. The Township did not have any public records requests with redactions during the engagement period.

**Sunshine Laws (Continued)**

3. We inquired with Township management and determined that the Township did not have a records retention schedule during the engagement period and therefore could not make it readily available to the public as required by Ohio Rev. Code § 149.43(B)(2).
4. We inspected written evidence that the Public Records Policy was provided to the records custodian/manager as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.
5. We inquired with Township management and determined that the Township did not have a policy manual during the engagement period therefore the public records policy could not be included as required by Ohio Rev. Code § 149.43(E)(2).
6. We inquired with Township management and determined that the Township did not have the public records policy displayed in all branches of the Township as required by Ohio Rev. Code § 149.43(E)(2).
7. We inquired with Township management and determined that the Township did not have any applications for record disposal submitted to the Records Commission during the engagement period.
8. We inquired with Township management and determined that the Township did not have any elected officials attend the Public Records Training during the engagement period as required by Ohio Rev. Code §§ 149.43(E)(1) and 109.43(B).
9. We inspected the public notices for the public meetings held during the engagement period and determined the Township notified the general public and news media of when and where meetings during the engagement period were to be held as required by Ohio Rev. Code § 121.22(F). We found no exceptions.
10. We inspected the minutes of public meetings during the engagement period in accordance with Ohio Rev. Code § 121.22(C) and determined whether they were:
  - a. Prepared – a file is created following the date of the meeting
  - b. Filed – placed with similar documents in an organized manner
  - c. Maintained - retained, at a minimum, for the engagement period
  - d. Open to public inspection – available for public viewing or request.We found no exceptions.
11. We inspected the minutes from the engagement period in accordance with Ohio Rev. Code § 121.22(G) and determined the following:
  - a. Executive sessions were only held at regular or special meetings.
  - b. The purpose for the meetings and going into an executive session (when applicable) correlated with one of the matters listed in Ohio Rev. Code § 121.22(G).
  - c. Formal governing board actions were adopted in open meetings.We found no exceptions.

## Other Compliance

1. Ohio Rev. Code § 117.38 requires townships to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the Township filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy, within the allotted timeframe for the years ended December 31, 2023 and 2022 in the Hinkle system. We found no exceptions.
2. The Township provided out-of-pocket insurance reimbursements in lieu of providing coverage to all employees.
  - a. We inspected the resolution authorizing reimbursements and determined it met the following documentation requirements for Ohio Rev. Code § 505.601.
    1. The Township has not chosen to procure a health plan,
    2. The Township has chosen to reimburse its officers and employees for each out-of-pocket premium,
    3. It provides for a maximum uniform monthly or yearly payment amount for each officer and employee, and
    4. It lists only the specific benefits allowed under Ohio Rev. Code § 505.60A that will be reimbursed.

We found that the Township did not state in their 2022 or 2023 Healthcare Reimbursement Resolutions that it had chosen not to procure a health plan or that it had chosen to reimburse its officers and employees for each out-of-pocket premium. We also found that the Township did not list specific benefits allowed under Ohio Rev Code § 505.60A that will be reimbursed. As a result of these issues, healthcare reimbursement transactions were tested and it was noted that Trustee Kaeck was reimbursed for \$107.98 in unallowable out-of-pocket medical expenses. It was also noted that healthcare reimbursement transactions were not allocated in accordance with payroll certifications between the General and Road and Bridge Funds in 2023 and 2022. We proposed an adjustment to decrease the General Fund balance by \$179 and to increase the Road and Bridge Fund balance by \$179 to correct for this error. The Township has posted this adjustment to their accounting system. We found no other exceptions.

We were engaged by the Township to perform this agreed-upon procedures engagement and conducted our engagement in accordance with the attestation standards established by the AICPA and the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review engagement, the objective of which would be the expression of an opinion or conclusion, respectively, on the Township's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We are required to be independent of the Township and to meet our ethical responsibilities, in accordance with the ethical requirements established by the Comptroller General of the United States' *Government Auditing Standards* related to our agreed upon procedures engagement.
