## INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON PROCEDURES

Seneca Township  
Noble County  
54585 Opossum Run Rd.  
Senecaville, Ohio 43780

We have performed the procedures enumerated below on the Seneca Township's (the Township), receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2024 and 2023 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the Township. The Township is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2024 and 2023 and certain compliance requirements related to these transactions and balances included in the information provided to us by the Township.

The Board of Trustees and the management of the Township have agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of providing assistance in the evaluation of the Township's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2024 and 2023, and certain compliance requirements related to these transactions and balances. No other party acknowledged the appropriateness of the procedures. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of the report and may not meet the needs of all users of the report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes. The sufficiency of the procedures is solely the responsibility of the parties specified in the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

For the purposes of performing these procedures, this report only describes exceptions exceeding \$10.

The procedures and the associated findings are as follows:

### Cash

1. We recalculated the December 31, 2024 and December 31, 2023 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2023 beginning fund balances for each opinion unit recorded in the Cash Summary by Fund Report to the December 31, 2022 balances in the prior year audited statements. We found no exceptions. We also agreed the January 1, 2024 beginning fund balances for each fund recorded in the Cash Summary by Fund Report to the December 31, 2023 balances in the Cash Summary by Fund Report. We found no exceptions.

### **Cash (Continued)**

3. We agreed the 2024 and 2023 Bank Reconciliation adjusted UAN Balances and Adjusted Bank Balances as of December 31, 2024 and 2023 to the total fund cash balances reported in the Fund Status Report and the financial statements filed by the Township in the Hinkle System. For December 31, 2024 and 2023, there was a variance between the bank reconciliations and what was reported on the Fund Status Report and on the financial statements in the amounts of \$151 each year. The Township's bank reconciliations included an "other adjusting factor" in the amount noted above. The "other adjusting factor" is interest earned on an old, closed investment account balance that was never posted to the accounting system. This reconciling amount should be posted to the accounting system and removed from the monthly reconciliation.
4. We confirmed the December 31, 2024 bank account balances with the Township's financial institutions. We found no exceptions. We also agreed the confirmed balances to the amounts appearing in the December 31, 2024 bank reconciliation without exception.
5. We selected 5 reconciling debits (such as outstanding checks) from the December 31, 2024 bank reconciliation:
  - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
  - b. We traced the amounts and dates to the check register, and determined the debits were dated prior to December 31. We found no exceptions.
6. We selected the reconciling credit (such as deposits in transit) from the December 31, 2024 bank reconciliation:
  - a. We traced the credit to the subsequent January bank statement. We found no exceptions.
  - b. We agreed the credit amounts to the Receipts Register and determined they were dated prior to December 31. We found no exceptions.

### **Property Taxes, Intergovernmental and Other Confirmable Cash Receipts**

1. We selected a total of 5 receipts from the *Statement of Semiannual Apportionment of Taxes*, State Distribution Transaction Lists (DTL), and the County Auditor Transaction History Report for 2024 and a total of 5 from 2023:
  - a. We compared the amount from the above named reports to the amount recorded in the Receipt Register Report. The amounts agreed.
  - b. We inspected the Receipt Register Report to determine these receipts were allocated to the proper funds as required by Ohio Rev. Code §§ 5705.05 and 5705.10. We found no exceptions.
  - c. We inspected the Receipt Register Report to determine whether the receipt was recorded in the proper year. The receipt was recorded in the proper year. We found no exceptions.
2. We inspected the Receipt Register Report to determine whether it included 2 real estate tax receipts for 2024 and 2023. The Receipt Register Report included the proper number of tax receipts for each year. We found no exceptions.
3. We confirmed the total amount paid from the Ohio Public Works Commission (OPWC) to the Township during 2024 with the OPWC. We found no exceptions.
  - a. We inspected the Receipt Register Report to determine whether these receipts were allocated to the proper fund. We found no exceptions.
  - b. We inspected the Receipt Register Report to determine whether the receipts were recorded in the proper year. We found no exceptions.

### **Debt**

1. The prior audit report disclosed no debt outstanding as of December 31, 2022.
2. We inquired of management and inspected the Receipt Register Report and Payment Register Detail Report for evidence of debt issued during 2024 or 2023 or debt payment activity during 2024 or 2023. We included the newly issued debt for 2023 in the Summary Debt table below.
3. From the summary of outstanding debt for 2024 and 2023 below:
  - a. We agreed the principal and interest payments from the related debt amortization schedule to Gasoline Tax fund payments reported in the Payment Register Detail Report and included the total principal payments for both years in the table below. We found no exceptions.
  - b. We compared the date the debt service payments were due to the date the Township made the payments. We found no exceptions.
  - c. Based on the principal payments made, we agreed the outstanding balance to debt amortization schedule and included the outstanding balance in the summary table below. We found no exceptions.
  - d. For any outstanding debt listed in the table below, we obtained the debt agreements and confirmed the Township was in compliance with its debt covenants. We found no exceptions.

Summary Debt Table					
Debt Issued	Carry Forward Balance 1/1/2023	New Issue 2023	New Issue 2024	Total Principal Payments 2023/2024	Outstanding Balance 12/31/2024
Grader – Note	\$0	\$133,458	\$0	\$13,654	\$119,804

4. For any new debt identified in procedure 2 and added to the table in procedure 3, we agreed the amount of debt proceeds received for 2023 from the debt documents to amounts recorded in the Gasoline Tax Fund per the Receipt Register Report. The amounts agreed.
5. For new debt issued during 2023, we inspected the debt legislation, which stated the Township must use the proceeds to purchase a 2022 Mauldin grader. We inspected the Payment Register Detail Report and observed the Township purchased a grader in January of 2023 which was posted as a memo revenue and memo expenditure due to the bank paying Southeastern Equipment directly for the grader.

#### Payroll Cash Disbursements

1. We selected 1 payroll check for all employees from 2024 and 1 payroll check for all employees from 2023 from the Wage Withholdings Detail Report and:
  - a. We compared the hours and pay rate, or salary recorded in the Wage Detail Report to supporting documentation (timecard, legislatively or approved rate or salary). We found no exceptions.
  - b. We inspected the fund and account codes to which the check was posted to determine the posting was allowable based on the employees' duties as documented in the minute record. We found no exceptions.
  - c. We confirmed the payment was posted to the proper year. We found no exceptions.
2. We selected the new employee from 2024 and the new employee from 2023 and:
  - a. We inspected the employees' personnel files for the Retirement system, Federal, State & Local income tax withholding authorization.
  - b. We agreed the items in a above to the Employee General Information Report.
 We found no exceptions.

### Payroll Cash Disbursements (Continued)

3. We selected the new employee from 2024 and the new employee from 2023 and:
  - a. We inspected the employees' personnel files for the Retirement system, Federal, State & Local income tax withholding authorization.
  - b. We agreed the items in a above to the Employee General Information Report.
 We found no exceptions.
4. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2024 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2024. We observed the following:

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid
Federal income taxes & Medicare (and social security, for employees not enrolled in pension system)	01/31/2025	12/23/2024	\$367	\$367
State income taxes	01/15/2025	12/24/2024	\$129	\$129
OPERS retirement	01/30/2025	12/26/2024	\$1,309	\$1,309

We found no exceptions.

5. For the pay periods ended May 31, 2024, and November 30, 2023, we
  - a. Recomputed the allocation of the Board of Trustees' salary amounts and employer share withholding to the General and Gasoline Tax Funds per the Wage Detail Report.
  - b. Traced the Fiscal Officer's and Board of Trustees' pay for time or services performed to supporting certifications as the Revised Code requires.
 We found \$30 in Trustees' employer share withholdings were paid from the Gasoline Tax Fund instead of the General Fund. We brought this to management's attention. They corrected the Gasoline Tax and General Funds' balances for this. However, because we did not inspect all pay periods, our report provided no assurance regarding whether or not other similar errors occurred.
6. We compared total gross pay for the fiscal officer and each board of trustees for 2024 and 2023 to the compensation permitted by Ohio Rev. Code §§ 507.09 and 505.24, respectively. Their pay did not exceed the Ohio Rev. Code §§ 507.09 and 505.24 permitted amounts.

### Non-Payroll Cash Disbursements

- We selected 10 disbursements from the Payment Register Detail Report for the year ended December 31, 2024 and 10 from the year ended 2023 and determined whether:
- a. The disbursements were for a proper public purpose. We found no exceptions.
  - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found no exceptions.
  - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
  - d. The Fiscal Officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code § 5705.41(D). We found no exceptions.

### **Compliance – Budgetary**

1. Ohio Rev. Code § 5705.41(B) prohibits expenditures (disbursements plus contract commitments including outstanding encumbrances) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code §§ 5705.38 and 5705.40) plus any carryover appropriations for the years ended December 31, 2024 and 2023 for the General, Motor Vehicle License Tax, and Gasoline Tax Funds as recorded in the Appropriation Status Report. Expenditures did not exceed appropriations.
2. We inspected the Cash Summary by Fund Report for the years ended December 31, 2024 and 2023 for negative cash fund balances. Ohio Rev. Code § 5705.10(I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. No funds had a negative cash fund balances.
