Washington Township
Stark County

Alliance, Ohio 44601

We have performed the procedures enumerated below on Washington Township's (the Township) receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2024 and 2023 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the Township. The Township is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2024 and 2023 and certain compliance requirements related to these transactions and balances included in the information provided to us by the Township.

The Board of Trustees and the management of the Township have agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of providing assistance in the evaluation of the Township's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2024 and 2023, and certain compliance requirements related to these transactions and balances. No other party acknowledged the appropriateness of the procedures. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of the report and may not meet the needs of all users of the report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes. The sufficiency of the procedures is solely the responsibility of the parties specified in the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

For the purposes of performing these procedures, this report only describes exceptions exceeding \$10.

The procedures and the associated findings are as follows:

2. We agreed the January 1, 2023 beginning fund balances for each fund recorded in the Fund Ledger Report to the December 31, 2022 balances documentation in the prior year Agreed-Upon Procedures. We found no exceptions. We also agreed the January 1, 2024 beginning fund balances for each fund recorded in the Fund Ledger Report to the December 31, 2023 balances in the Fund Ledger Report. We found no exceptions.
3. We agreed the 2024 and 2023 Bank Reconciliation adjusted UAN Balances and Adjusted Bank Balances as of December 31, 2024 and 2023 to the total fund cash balances reported in the Fund Status Report and the financial statements filed by the Township in the Hinkle System. The amounts agreed.

5. We selected five reconciling debits (such as outstanding checks) from the December 31, 2024 bank reconciliation:
 - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
 - b. We traced the amounts and dates to the check register, and determined the debits were dated prior to December 31. We found no exceptions.
6. We traced interbank account transfers occurring in December of 2024 and 2023 to the accounting records and bank statements to determine if they were properly recorded. We found no exceptions.
7. We inspected investments held at December 31, 2024 and December 31, 2023 to determine that they:
 - a. Were of a type authorized by Ohio Rev. Code §§ 135.13, 135.14, 135.144 or 135.145. We found no exceptions

1. We selected a total of five receipts from the *Statement of Semiannual Apportionment of Taxes*, State Distribution Transaction Lists (DTL), and the County Auditor Settlement Report for 2024 and a total of five from 2023:
 - a. We compared the amount from the above named reports to the amount recorded in the Receipt Register Report. The amounts agreed.

The Receipt Register Report included the proper number of tax receipts for each year, however we also noted four homestead and rollback receipts totaling \$70,937 in 2023 and four homestead and rollback receipts totaling \$71,806 in 2024 were improperly posted as property taxes.

Other Receipts

- a. Agreed the receipt amount recorded in the Receipt Register Report to supporting documentation. The amounts agreed.

Debt

1. The prior Agreed-Upon Procedures documentation disclosed no debt outstanding as of December 31, 2022.
2. We inquired of management and inspected the Receipt Register Report and Payment Register Detail Report for evidence of debt issued during 2024 or 2023 or debt payment activity during 2024 or 2023. There were no new debt issuances, nor any debt payment activity during 2024 or 2023.

Payroll Cash Disbursements

1. We selected one payroll check for five employees from 2024 and one payroll check for five employees from 2023 from the Wage Detail Report and:
 - a. We compared the hours and pay rate, or salary recorded in the Wage Detail Report to supporting documentation (timecard, legislatively or approved rate or salary). We found no exceptions.
 - b. We inspected the fund and account codes to which the check was posted to determine the posting was allowable based on the employees' duties as documented in the minute record. We found no exceptions.
 - c. We confirmed the payment was posted to the proper year. We found no exceptions.
2. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2024 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2024.

We observed the following:

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid
Federal income taxes & Medicare	January 31, 2025	December 27, 2024	\$6,420	\$6,420
State income taxes	January 15, 2025	December 27, 2024	\$388	\$388
OPERS retirement	January 30, 2025	December 24, 2024	\$4,121	\$4,121

We found no exceptions.

3. For the pay periods ended December 31, 2024 and September 30, 2023 , we:
 - a. Recomputed the allocation of the Fiscal Officer's and Boards of Trustees' salary, per diem amounts and employer share withholding to the General Fund, Gasoline Tax Fund, Road and Bridge Fund, Road Levy and Fire Levy Funds per the Wage Detail Report.
 - b. Traced the Fiscal Officer's and Board of Trustees' pay for time or services performed to supporting certifications the Revised Code requires.
4. We compared total gross pay for the fiscal officer and each board of trustees for 2024 and 2023 to the compensation permitted by Ohio Rev. Code §§ 507.09 and 505.24, respectively. Their pay did not exceed the Ohio Rev. Code §§ 507.09 and 505.24 permitted amounts.

Non-Payroll Cash Disbursements

1. We selected ten disbursements from the Payment Register Detail Report for the year ended December 31, 2024 and ten from the year ended 2023 and determined whether:
 - a. The disbursements were for a proper public purpose. We found no exceptions.
 - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found there were three employees who were paid via non-payroll checks instead of processed through payroll. Payment of an individual as an independent contractor instead of as an employee results in benefits not being paid or offered and taxes not being withheld from wages. If an entity is classified as an employee rather than as an independent contractor and has no reasonable basis for doing so, they can be liable for employment taxes for that worker. The Township should review the guidance noted in IRS Publication 15-A before declaring any worker as an employee or independent contractor upon soliciting their services. In the event that such worker is considered an independent contractor, the Township should have evidence to support the determination in line with the criteria as defined in the IRS Publication 15-A. This matter will be referred to the Internal Revenue Service, Ohio Department of Taxation, Bureau of Workers' Compensation and Ohio Office of Unemployment Compensation.
 - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
 - d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code § 5705.41(D). We found two instances in 2023 and two instances in 2024 where the certification date was after the vendor invoice date, and there was also no evidence that a *Then and Now Certificate* was issued. Ohio Rev. Code § 5705.41(D) requires certifying at the time of a commitment, which should be on or before the invoice date, unless a *Then and Now Certificate* is used. Because we did not inspect all disbursements requiring certification, our report provides no assurance whether or not additional similar errors occurred.

Compliance – Budgetary

1. Ohio Rev. Code § 5705.41(B) prohibits expenditures (disbursements plus contract commitments including outstanding encumbrances) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code §§ 5705.38 and 5705.40) plus any carryover appropriations for the years ended December 31, 2024 and 2023 for the General, Road and Bridge, and Permissive Motor Vehicle License Tax funds as recorded in the Appropriation Status Report. Expenditures did not exceed appropriations.
2. We inspected the Cash Summary by Fund Report for the years ended December 31, 2024 and 2023 for negative cash fund balances. Ohio Rev. Code § 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. No funds had a negative cash fund balances.

Sunshine Law Compliance

1. We obtained and inspected the Township's Public Records Policy to determine the policy was in accordance with Ohio Rev. Code §§ 149.43(E)(2) and 149.43(B)(7(c) and did not limit the number of responses that may be made to a particular person, limit the number of responses during a specified period of time, or establish a fixed period of time before it will respond unless that period is less than eight hours. We found no exceptions.

 - b. Filed – placed with similar documents in an organized manner
 - c. Maintained - retained, at a minimum, for the engagement period
 - d. Open to public inspection – available for public viewing or request.We found no exceptions.
11. We inspected the minutes from the engagement period in accordance with Ohio Rev. Code § 121.22(G) and determined the following:

 - b. The purpose for the meetings and going into an executive session (when applicable) correlated with one of the matters listed in Ohio Rev. Code § 121.22(G).
 - c. Formal governing board actions were adopted in open meetings.We found no exceptions.

Contract Compliance:

1. We inspected the Minutes and Appropriation Ledger and identified the Township had expenditures subject to competitive bidding. We found no exceptions.
2. We selected one contract subject to competitive bidding requirements for 2024 and one for 2023 and
 - a. We inspected the contract and other bids for the contracted expenditure and determined:
 - i. The Township accepted the lowest bid and met the requirements of Ohio Rev. Code §5575.01.
 - ii. No bid splitting occurred
 - iii. No deliberate attempts to evade bid limitations occurred, such as successive contracts just under the bid amount, occurred.
 - iv. No apparent interest in the contract by a public official occurred.

We found no exceptions.

Other Compliance

1. Ohio Rev. Code § 117.38 requires townships to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the Township filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy, within the allotted timeframe for the years ended December 31, 2024 and 2023 in the Hinkle system. We found no exceptions.
2. We inquired of the fiscal officer and inspected the Fiscal Integrity Act Portal (<http://www.ohioauditor.gov/fiscalintegrity/default.html>) to determine whether the fiscal officer obtained the training required by Ohio Rev. Code §§ 507.12 and 733.81. The Fiscal Officer obtained the hours needed for the term ended March 31, 2024, however he did not obtain the two hours of ethics training required.

Related Party Transactions

1. We inquired with management in order to identify any related party transactions and confirm if the required elected officials abstained from voting. We identified the following:
 - a. Trustee Merrit Boyce's father and brother own Dehoff Flowers, which the Township utilizes for flowers on occasion. We noted one payment in 2023 for \$87 and one payment in 2024 for \$150.We found no exceptions.
2. We confirmed the transactions with the other party. We found no exceptions.
