## INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON PROCEDURES

Grand Prairie Township  
Marion County  
3447 Marion-Bucyrus Road  
Marion, Ohio 43302

We have performed the procedures enumerated below on the Grand Prairie Township's (the Township) receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2024 and 2023 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the Township. The Township is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2024 and 2023 and certain compliance requirements related to these transactions and balances included in the information provided to us by the Township.

The Board of Trustees and the management of the Township have agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of providing assistance in the evaluation of the Township's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2024 and 2023, and certain compliance requirements related to these transactions and balances. No other party acknowledged the appropriateness of the procedures. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of the report and may not meet the needs of all users of the report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes. The sufficiency of the procedures is solely the responsibility of the parties specified in the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

For the purposes of performing these procedures, this report only describes exceptions exceeding \$10.

The procedures and the associated findings are as follows:

### Cash and Investments

1. We recalculated the December 31, 2024 and December 31, 2023 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2023 beginning fund balances for each fund recorded in the Fund Ledger Report to the December 31, 2022 balances in the documentation in the prior year Agreed-Upon Procedures. We found no exceptions. We also agreed the January 1, 2024 beginning fund balances for each fund recorded in the Fund Ledger Report to the December 31, 2023 balances in the Fund Ledger Report. We found no exceptions.
3. We agreed the 2024 and 2023 Bank Reconciliation as of December 31, 2024 and 2023 to the total fund cash balances reported in the Fund Status Report and the financial statements filed by the Township in the Hinkle System. The amounts agreed.

---

Efficient • Effective • Transparent

### **Cash and Investments (Continued)**

4. We confirmed the December 31, 2024 bank account balances with the Township's financial institutions and/or Ohio Pooled Collateral System. We found no exceptions. We also agreed the confirmed balances to the amounts appearing in the December 31, 2024 bank reconciliation without exception.
5. We selected all reconciling debits (such as outstanding checks) from the December 31, 2024 bank reconciliation:
  - a. We traced each debit to the subsequent January bank statements. We found no exceptions.
  - b. We traced the amounts and dates to the check register, and determined the debits were dated prior to December 31. We found no exceptions.
6. We inspected investments held at December 31, 2024 and December 31, 2023 to determine that they:
  - a. Were of a type authorized by Ohio Rev. Code §§ 135.13, 135.14, 135.144 or 135.145. We found no exceptions
  - b. Mature within the prescribed time limits noted in Ohio Rev. Code § 135.13 or 135.14. We found no exceptions.

### **Property Taxes and Intergovernmental Receipts**

1. We selected a total of 5 receipts from the *Statement of Semiannual Apportionment of Taxes*, State Distribution Transaction Lists (DTL), and the Marion County Auditor Audit Trail by Vendor Report for 2024 and a total of 5 from 2023:
  - a. We compared the amount from the above named reports to the amount recorded in the Receipt Detail Report. The amounts agreed.
  - b. We inspected the Receipt Detail Report to determine these receipts were allocated to the proper fund(s) as required by Ohio Rev. Code §§ 5705.05 and 5705.10. We found one receipt of \$359.80 for undivided liquor permits that was allocated between the General (\$193.42), Fire Levy (\$128.84), and Road & Bridge (\$37.54) funds. Ohio Rev. Code §4301.30(D)(2) provides to each Township the amount collected from permits in its territory for the use of the general fund of the township or for fire protection services. We brought the amount improperly allocated to the Road & Bridge fund to management's attention. They have corrected the General and Road & Bridge fund balances for this item. However, because we did not inspect all receipts, our report provides no assurance regarding whether or not other similar errors occurred.
  - c. We inspected the Receipt Detail Report to determine whether the receipt was recorded in the proper year. The receipt was recorded in the proper year. We found no exceptions.
2. We inspected the Receipt Register Report to determine whether it included 2 real estate tax receipts for 2024 and 2023. The Receipt Register Report included the proper number of tax receipts for each year. We found no exceptions.

### **Debt**

1. The prior Agreed-Upon Procedures documentation disclosed no debt outstanding as of December 31, 2022.
2. There were no new debt issuances, nor any debt payment activity during 2024 or 2023.

### Payroll Cash Disbursements

1. We selected 1 payroll check for 5 employees from 2024 and 1 payroll check for 5 employees from 2023 from the Wage Withholdings Detail Report and:
  - a. We compared the hours and pay rate, or salary recorded in the Wage Detail Report to supporting documentation (timecard, legislatively or approved rate or salary). We found one instance in 2024 and one instance in 2023 where the same employee was paid \$100 less than their approved salary. Because we did not compare all salaries, our report provides no assurance whether or not other similar errors occurred.
  - b. We inspected the fund and account codes to which the check was posted to determine the posting was allowable based on the employees' duties as documented in the employees' personnel files and/or minute record. We found no exceptions.
  - c. We confirmed the payment was posted to the proper year. We found no exceptions.
2. We selected all new employees from 2023 and:
  - a. We inspected the employees' personnel files and/or minute record for the Retirement system, Federal, State & Local income tax withholding authorization.
  - b. We agreed the items in a. above to the Employee General Information Report.
We found no exceptions.
3. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2024 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2024. We observed the following:

<b>Withholding (plus employer share, where applicable)</b>	<b>Date Due</b>	<b>Date Paid</b>	<b>Amount Due</b>	<b>Amount Paid</b>
Federal income taxes & Medicare (and social security, for employees not enrolled in pension system)	January 31, 2025	December 18, 2024	\$387.57	\$387.57
State income taxes	January 15, 2025	December 18, 2024	\$60.09	\$60.09
School income tax	January 15, 2025	December 18, 2024	\$51.53	\$51.53
OPERS retirement	January 2, 2025	December 18, 2024	\$1,236.56	\$1,236.56

We found no exceptions.

4. For the pay periods ended August 31, 2024 and March 31, 2023, we:
  - a. Recomputed the allocation of the Boards of Trustees' salary amounts and employer share withholding to the General and Gasoline Fund per the Wage Detail Report.
  - b. Traced the Board of Trustees' pay for time or services performed to supporting certifications the Revised Code requires

Ohio Rev. Code § 505.24(C) sets forth the method by which township trustees' compensation should be allocated. By summary, Ohio Revised Code § 505.24(C) permits trustees to receive per diem payments or annual salaries if voted upon unanimously by the township board of trustees.

If using the annual salary compensation method, the amount of the annual salary approved by the board shall be no more than the maximum amount that could be received annually by a trustee if the trustee were paid on a per diem basis as specified in Ohio Revised Code § 505.24(C), and shall be paid from the township general fund or from other township funds in such proportions as the board may specify by resolution.

### Payroll Cash Disbursements (Continued)

Each trustee shall certify the percentage of time spent working on matters to be paid from the township general fund and from other township funds in such proportions as the kinds of services performed.

We found one instance each year in which a Trustee's time certification indicated that 15% of the time was spent on General Fund activities and 85% on Gasoline Tax Fund activities; however, the Trustee's salary and related employer contributions were allocated 10% to the General Fund and 90% to the Gasoline Tax Fund. For 2024 and 2023, this resulted in salary and related employer contributions in the amounts of \$738.50 and \$725.82, respectively, that were recorded in the Gasoline Tax Fund that should have been recorded in the General Fund.

We brought this to management's attention. They corrected the General and Gasoline Tax funds for this item.

5. We compared total gross pay for the fiscal officer and each board of trustees for 2024 and 2023 to the compensation permitted by Ohio Rev. Code §§ 507.09 and 505.24, respectively. Their pay did not exceed the Ohio Rev. Code §§ 507.09 and 505.24 permitted amounts.

### Non-Payroll Cash Disbursements

We selected 10 disbursements from the Payment Register Detail Report for the year ended December 31, 2024 and 10 from the year ended 2023 and determined whether:

- a. The disbursements were for a proper public purpose. We found no exceptions.
- b. The check number, date, payee name and amount recorded on the returned, canceled check, and EFT/ACH agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found warrant #10238 dated September 14, 2023 to Salt Rock Township for 3<sup>rd</sup> quarter fire protection services in the amount of \$10,844 was in excess of the quarterly amount of \$10,211 contained in the Fire Protection Agreement dated December 31, 2022 and for the period of December 31, 2022 and December 31, 2023 between the Grand Prairie Township and the Salt Rock Township. The Township also paid Salt Rock Township \$10,844 for each of the other three quarters for a total of \$43,376, which was in excess of the yearly contract amount of \$40,844 by \$2,532.

In accordance with the foregoing facts and pursuant to Ohio Rev. Code § 117.28, a Finding for Recovery for public money illegally expended is hereby issued against Salt Rock Township in the amount of \$2,532 and in favor of the Grand Prairie Township Fire Levy Fund. In the 2026 Fire & Emergency Medical Service Contract between Salt Rock Township and Grand Prairie Township, the contract amount of \$60,000 was reduced by the \$2,532 overpayment, resulting in quarterly payments of \$14,367. This finding is considered resolved under audit.

- c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
- d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code § 5705.41(D). We found 1 instance where the certification date was after the vendor invoice date and there was also no evidence that a *Then and Now Certificate* was issued. Ohio Rev. Code § 5705.41(D) requires certifying at the time of a commitment, which should be on or before the invoice date, unless a *Then and Now Certificate* is used. Because we did not inspect all disbursements requiring certification, our report provides no assurance whether or not additional similar errors occurred.

### **Compliance – Budgetary**

1. Ohio Rev. Code § 5705.41(B) prohibits expenditures (disbursements plus contract commitments including outstanding encumbrances) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code §§ 5705.38 and 5705.40) plus any carryover appropriations for the years ended December 31, 2024 and 2023 for the General, Motor Vehicle License Tax and Gasoline Tax funds as recorded in the Appropriation Status Report. Expenditures did not exceed appropriations.
2. We inspected the Cash Summary by Fund Report for the years ended December 31, 2024 and 2023 for negative cash fund balances. Ohio Rev. Code § 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. No funds had a negative cash fund balance.

### **Sunshine Law Compliance**

1. We obtained and inspected the Township's Public Records Policy to determine the policy was in accordance with Ohio Rev. Code §§ 149.43(E)(2) and 149.43(B)(7(c)) and did not limit the number of responses that may be made to a particular person, limit the number of responses during a specified period of time, or establish a fixed period of time before it will respond unless that period is less than eight hours. We found no exceptions.
2. We inquired with Township management and determined that the Township did not have any completed or denied public records requests nor any public records requests with redactions during the engagement period.
3. We inquired whether the Township had a records retention schedule and observed that it was readily available to the public as required by Ohio Rev. Code § 149.43(B)(2). We found no exceptions.
4. We inspected written evidence that the Public Records Policy was provided to the records custodian/manager as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.
5. We inquired with Township management and determined that the Township did not have a policy manual during the engagement period therefore the public records policy could not be included as required by Ohio Rev. Code § 149.43(E)(2).
6. We observed that the Township's poster describing their Public Records Policy was displayed conspicuously in all branches of the Township as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.
7. We inquired with Township management and determined that the Township did not have any applications for record disposal submitted to the Records Commission during the engagement period.
8. We inspected individual proof of attendance and determined whether each elected official in accordance with Ohio Rev. Code § 149.43(E)(1) (or his/her designee) successfully attended a certified three-hour Public Records Training for each term of office as required by Ohio Rev. Code § 109.43(B). We found one elected official with a term ending December 31, 2023 did not attend Public Records Training or assign a designee. Ohio Rev. Code §§ 109.43(B) and 149.43(E) require that all elected officials (or their appropriate designees) successfully attend a certified three-hour Public Records Training during each term of office.

### **Sunshine Law Compliance (Continued)**

9. We inspected the public notices for the public meetings held during the engagement period and determined the Township notified the general public and news media of when and where meetings during the engagement period were to be held as required by Ohio Rev. Code § 121.22(F). We found no exceptions.
10. We inspected the minutes of public meetings during the engagement period in accordance with Ohio Rev. Code § 121.22(C) and determined whether they were:
  - a. Prepared – a file is created following the date of the meeting
  - b. Filed – placed with similar documents in an organized manner
  - c. Maintained - retained, at a minimum, for the engagement period
  - d. Open to public inspection – available for public viewing or request.We found no exceptions.
11. We inspected the minutes from the engagement period in accordance with Ohio Rev. Code § 121.22(G) and determined the following:
  - a. Executive sessions were only held at regular or special meetings.
  - b. The purpose for the meetings and going into an executive session (when applicable) correlated with one of the matters listed in Ohio Rev. Code § 121.22(G).
  - c. Formal governing board actions were adopted in open meetings.We found no exceptions.

### **Contract Compliance:**

1. We inspected the Minutes/Appropriation Ledger and identified the Township had expenditures subject to competitive bidding. We found no exceptions.
2. We selected 1 contract subject to competitive bidding requirements for 2024 and 1 for 2023 and
  - a. We inspected the contract and other bids for the contracted expenditure and determined:
    - i. The Township accepted the lowest bid and met the requirements of Ohio Rev. Code § 5575.01.
    - ii. No bid splitting occurred
    - iii. No deliberate attempts to evade bid limitations occurred, such as successive contracts just under the bid amount, occurred.
    - iv. No apparent interest in the contract by a public official occurred.We found no exceptions.

### **Other Compliance**

1. Ohio Rev. Code § 117.38 requires townships to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the Township filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy, within the allotted timeframe for the years ended December 31, 2024 and 2023 in the Hinkle system. Financial information for fiscal year 2024 was filed on March 11, 2025, which was not within the allotted timeframe.
2. We inquired of the fiscal officer and/or inspected the Fiscal Integrity Act Portal (<http://www.ohioauditor.gov/fiscalintegrity/default.html>) to determine whether the fiscal officer obtained the training required by Ohio Rev. Code §§ 507.12 and 733.81. The Fiscal Officer obtained the required training.

**Other Compliance (Continued)**

3. The Township provided out-of-pocket insurance reimbursements in lieu of providing coverage to all employees.
  - a. We inspected the resolution authorizing reimbursements and determined it met the following documentation requirements for Ohio Rev. Code § 505.601.
    1. The Township has not chosen to procure a health plan,
    2. The Township has chosen to reimburse its officers and employees for each out-of-pocket premium,
    3. It provides for a maximum uniform monthly or yearly payment amount for each officer and employee, and
    4. It lists only the specific benefits allowed under Ohio Rev. Code § 505.60A that will be reimbursed.

We found the annual motion by the Trustees only included the maximum yearly payment amount for each officer and employee, contrary to Ohio Rev. Code § 505.601. The Township should revisit these requirements of Ohio Rev. Code § 505.601 and update its resolution accordingly.

We were engaged by the Township to perform this agreed-upon procedures engagement and conducted our engagement in accordance with the attestation standards established by the AICPA and the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review engagement, the objective of which would be the expression of an opinion or conclusion, respectively, on the Township's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We are required to be independent of the Township and to meet our ethical responsibilities, in accordance with the ethical requirements established by the Comptroller General of the United States' *Government Auditing Standards* related to our agreed upon procedures engagement.
