INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

May 15, 2018

Congress Township
Morrow County
6643 County Road 97
Mt. Gilead, OH 43338

We have performed the procedures enumerated below, which were agreed to by the Board of Trustees and the management of **Congress Township**, Morrow County (the Township) and the Auditor of State, on the receipts, disbursements and balances recorded in the Township's cash basis accounting records for the years ended December 31, 2017 and 2016 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the Township. The Township is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2017 and 2016 and certain compliance requirements related to these transactions and balances included in the information provided to us by the Township. The sufficiency of the procedures is solely the responsibility of the parties specified in this report.

Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

Cash and Investments

1. We recalculated the December 31, 2017 and December 31, 2016 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2016 beginning fund balances recorded in the Combined Statement of Receipts, Disbursements, and Changes in Fund Balances to the balances in the prior year audited statements. We found no exceptions. We also agreed the January 1, 2017 beginning fund balances recorded in the Combined Statement of Receipts, Disbursements, and Changes in Fund Balances to the December 31, 2016 balances in the Combined Statement of Receipts, Disbursements, and Changes in Fund Balances. We found no exceptions.
3. We agreed the totals per the bank reconciliations to the total of the December 31, 2017 and 2016 fund cash balances reported in the Combined Statement of Receipts, Disbursements, and Changes in Fund Balances. The amounts agreed.

Cash and Investments (Continued)

4. We confirmed the December 31, 2017 bank account balances with the Township's financial institutions. We found no exceptions. We also agreed the confirmed balances to the amounts appearing in the December 31, 2017 bank reconciliation. We noted the Township continues to carry the same value of their two certificates of deposits over the course of 2017 and 2016 as well as the previous audit. The Township does not record the interest earned on the certificates, therefore the bank confirmation amount do not agree to the Township's accounting record of the certificates. The variance was \$28 in 2017 and \$24 in 2016.
5. We selected five reconciling debits (such as outstanding checks) haphazardly from the December 31, 2017 bank reconciliation:
 - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
 - b. We traced the amounts and dates to the check register, to determine the debits were dated prior to December 31. There were no exceptions.
6. We inspected investments held at December 31, 2017 and December 31, 2016 to determine that they:
 - a. Were of a type authorized by Ohio Rev. Code Sections 135.13, 135.14 or 135.144. We found no exceptions.
 - b. Mature within the prescribed time limits noted in Ohio Rev. Code Section 135.13 or 135.14. We noted no exceptions.

Property Taxes and Intergovernmental Receipts

1. We haphazardly selected a property tax receipt from one *Statement of Semiannual Apportionment of Taxes* (the Statement) for 2017 and one from 2016:
 - a. We traced the gross receipts from the *Statement* to the amount recorded in the Revenue Ledger. The amounts agreed.
 - b. We inspected the Revenue Ledger to confirm the receipt was allocated to the proper funds as required by Ohio Rev. Code Sections 5705.05-.06 and 5705.10. The amounts agreed. However, we determined Homestead and Rollback receipts were posted to Property and Other Local Taxes instead of Intergovernmental.
 - c. We inspected the Revenue Ledger to confirm whether the receipt was recorded in the proper year. The receipt was recorded in the proper year.
2. We inspected the Revenue Ledger to determine whether it included two real estate tax receipts for 2017 and 2016. The Revenue Ledger included the proper number of tax receipts for each year.
3. We selected all receipts from the State Distribution Transaction Lists (DTL) from 2017 and all from 2016. We also haphazardly selected five receipts from the Morrow County Auditor's Invoices Report from 2017 and five from 2016.
 - a. We compared the amount from the above reports to the amount recorded in the Revenue Ledger. The amounts agreed.
 - b. We inspected the Revenue Ledger to determine that these receipts were allocated to the proper funds. We found no exceptions.
 - c. We inspected the Revenue Ledger to determine whether the receipts were recorded in the proper year. We found no exceptions.

Debt

1. The prior audit documentation disclosed no debt outstanding as of December 31, 2015.
2. We inquired of management, and inspected the Revenue Ledger and Appropriation Ledger for evidence of debt issued during 2017 or 2016 or debt payment activity during 2017 or 2016. There were no debt issuances nor any debt payment activity during 2017 and 2016.

Payroll Cash Disbursements

1. We haphazardly selected one payroll check for five employees from 2017 and one payroll check for five employees from 2016 from the Wage Detail Report and:
 - a. We compared the hours and pay rate, or salary recorded in the Wage Detail Report to supporting documentation (timecard, legislatively or statutorily-approved rate or salary). The Fiscal Officer was not entitled to the 2016 rate increase until the start of the term on April 1, 2016. She was paid the 2016 rate from January 2016 to November 2016 and paid a different amount of \$1,186 in December 2016 instead of being paid the 2008 rate for the first quarter. The Fiscal Officer was overpaid \$125.
 - b. We inspected the funds and account codes to which the check was posted to determine the posting was reasonable based on the employees' duties as documented in the Employee Information Sheets and inquiries with management. We also confirmed the payment was posted to the proper year. We found no exceptions.
2. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2017 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2017. We observed the following:

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid
Federal income taxes & Medicare (and social security, for employees not enrolled in pension system)	January 31, 2018	January 4, 2018	\$ 747.20	\$ 747.20
State income taxes	January 31, 2018	February 12, 2018	\$ 98.40	\$ 98.40
School Tax	January 31, 2018	February 12, 2018	\$ 125.85	\$ 125.85
OPERS retirement	January 31, 2018	January 1, 2018	\$ 1,030.20	\$ 1,030.20

As stated above, the Township did not remit Ohio State Taxes or School Taxes in the timeframe required to be considered a timely payment. No other exceptions noted.

3. For the pay periods ended April 30, 2017 and September 30, 2016, we recomputed the allocation of the Boards' salaries to the General and Gasoline Tax Fund per the Wage Detail Report. We found no exceptions.
4. For the pay periods described in procedure 3, we traced the Boards' salary for time or services performed to supporting certifications the Revised Code requires. We found no exceptions.

Payroll Cash Disbursements (Continued)

5. We inquired of management and inspected the Appropriation Ledger for the years ended December 31, 2017 and 2016 to determine if township employees and/or trustees were reimbursed for out-of-pocket insurance premiums. Insurance reimbursements made were in compliance with ORC 505.60 and 505.601 and federal regulations.

Non-Payroll Cash Disbursements

1. We haphazardly selected ten disbursements from the Appropriation Ledger for the year ended December 31, 2017 and ten from the year ended 2016 and determined whether:
 - a. The disbursements were for a proper public purpose. We found no exceptions.
 - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Appropriation Ledger and to the names and amounts on the supporting invoices. We found no exceptions.
 - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
 - d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code Section 5705.41(D). We found one instance where the certification date was after the vendor invoice date, and there was also no evidence that a *Then and Now Certificate* was issued. Ohio Rev. Code Section 5705.41(D) requires certifying at the time of a commitment, which should be on or before the invoice date, unless a *Then and Now Certificate* is used. Because we did not inspect all disbursements requiring certification, our report provides no assurance whether or not additional similar errors occurred.

Compliance – Budgetary

1. We compared the total estimated receipts from the *Amended Official Certificate of Estimated Resources*, required by Ohio Rev. Code Section 5705.36(A)(1), to the amounts recorded in the Revenue Status Reports for the General, Gasoline Tax, and Road and Bridge funds for the years ended December 31, 2017 and 2016. The amounts agreed.
2. We inspected the appropriation measures adopted for 2017 and 2016 to determine whether, for the General, Gasoline Tax, and Road and Bridge funds, the Trustees appropriated separately for "each office, department, and division, and within each, the amount appropriated for personal services," as is required by Ohio Rev. Code Section 5705.38(C). We found no exceptions.
3. We compared total appropriations required by Ohio Rev. Code Sections 5705.38 and 5705.40, to the amounts recorded in the Appropriations Status Report for 2017 and 2016 for the following funds: General, Gasoline Tax, and Road and Bridge funds. The Appropriation Status Report recorded final appropriations for the General Fund of \$97,154 for 2016. However, the appropriations resolution reflected \$96,654 for 2016. The Appropriation Status Report recorded final appropriations for the Gasoline Tax Fund of \$210,000 for 2016. However, the appropriations resolution reflected \$209,000 for 2016.
4. Ohio Rev. Code Sections 5705.36(A)(5) and 5705.39 prohibits appropriations from exceeding the certified resources. We compared total appropriations to total certified resources for the General, Gasoline Tax, and Road and Bridge funds for the years ended December 31, 2017 and 2016. There were no funds for which appropriations exceeded certified resources.

Compliance – Budgetary (Continued)

5. Ohio Rev. Code Section 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total appropriations for the years ended December 31, 2017 and 2016 for the General, Gasoline Tax, and Road and Bridge funds, as recorded in the Appropriation Status Report. There were no funds for which expenditures exceeded appropriations.
6. Ohio Rev. Code Section 5705.09 requires establishing separate funds to segregate externally-restricted resources. We inspected the Revenue Ledger for evidence of new restricted receipts requiring a new fund during December 31, 2017 and 2016. We also inquired of management regarding whether the Township received new restricted receipts. We observed no evidence of new restricted receipts for which Ohio Rev. Code Section 5705.09 would require the Township to establish a new fund.
7. For funds existing in prior years, inspect the fund activity to determine whether the fund is still being used for the statutorily approved purpose and that all the required funds were established. All the required funds were established and no funds for which the statutorily approved purpose was no longer valid were included on the accounting records.
8. We inspected the 2017 and 2016 Revenue Status Reports and Appropriation Status Reports for evidence of interfund transfers exceeding \$1,000 which Ohio Rev. Code Sections 5705.14 - .16 restrict. We found no evidence of transfers these Sections prohibit, or for which Section 5705.16 would require approval by the Tax Commissioner or Court of Common Plea.
9. We inquired of management and inspected the Appropriation Status Reports to determine whether the Township elected to establish reserve accounts permitted by Ohio Rev. Code Section 5705.13. The Township did not establish these reserves.
10. We inspected the Cash Summary by Fund Report for the years ended December 31, 2017 and 2016 for negative cash fund balances. Ohio Rev. Code Section 5705.10 (l) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. No funds had a negative cash fund balances.

Compliance – Contracts & Expenditures

We inquired of management and inspected the Appropriation Ledger for the years ended December 31, 2017 and 2016 to determine if the township proceeded by force account (i.e. used its own employees) to maintain or repair roads (cost of project \$15,000-\$45,000) or to construct or reconstruct township roads (cost of project \$5,000-\$15,000/per mile) for which Ohio Rev. Code Section 5575.01 requires the county engineer to complete a force account project assessment form (i.e., cost estimate). We identified no projects requiring the county engineer to complete a force account cost estimate.

Other Compliance

1. Ohio Rev. Code Section 117.38 requires townships to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies, in addition to filing extensions granted for extenuating circumstances, allow for refiling complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System for December 31, 2017 and 2016 fiscal year ends included in 2015-2016 or 2016-2017 agreed up on procedure engagements, subsequent to the Township's deadline where the initial filing was filed on time but incomplete. We confirmed the Township filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy, within the allotted timeframe for the year ended December 31, 2017 in the Hinkle system. Financial information for 2016 was filed on March 13, 2017 which was not in the allotted time frame.
2. We inquired of the fiscal officer and inspected the Fiscal Integrity Act Portal (<http://www.ohioauditor.gov/fiscalintegrity/default.html>) to determine whether the fiscal officer obtained the training required by Ohio Rev. Code Section 507.12 and 733.81. We determined that the Fiscal Officer did not complete the training for the Fiscal Integrity Act for the term, but has the rest of her term to complete the training.

This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on the Township's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is to provide assistance in the evaluation of the Township's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2017 and 2016, and certain compliance requirements related to these transactions and balances and is not suitable for any other purpose.
