We have performed the procedures enumerated below, which were agreed to by the Board of Trustees and the management of Fox Township, Carroll County, Ohio (the Township) and the Auditor of State, on the receipts, disbursements and balances recorded in the Townships cash basis accounting records for the years ended December 31, 2017 and 2016, and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the Township. The sufficiency of the procedures is solely the responsibility of the parties specified in this report.

Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

5. We selected five reconciling debits (such as outstanding checks) haphazardly from the December 31, 2017 bank reconciliation:
 - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
 - b. We traced the amounts and dates to the check register, to determine the debits were dated prior to December 31. There were no exceptions.

Property taxes, Intergovernmental and Other Confirmable Cash receipts

1. We haphazardly selected a property tax receipt from one Statement of Semiannual Apportionment of Taxes (the Statement) for 2017 and one from 2016:
 - a. We traced the gross receipts from the Statement to the amount recorded in the Receipts Journal. The amounts agreed.
 - b. We inspected the Receipts Journal to confirm the receipt was allocated to the proper funds as required by Ohio Rev. Code 5705.05-.06 and 5705.10. We found no exceptions.
 - c. We inspected the Receipts Journal to confirm whether the receipt was recorded in the proper year. The receipt was recorded in the proper year.
2. We inspected the Receipts Journal to determine whether it included two real estate tax receipts for 2017 and 2016. The Receipts Journal included the proper number of tax receipts for each year.
3. We haphazardly selected all receipts from the State Distribution Transaction Lists (DTL) from 2017 and all from 2016. We also haphazardly selected five receipts from the County Auditor's Audit Trail Report from 2017 and five from 2016:
 - a. We compared the amount from the above reports to the amount recorded in the Receipts Journal. The amounts agreed.
 - b. We inspected the Receipts Journal to determine that these receipts were allocated to the proper funds. We found no exceptions.

Debt

1. From the prior audit documentation, we observed the following note was outstanding as of December 31, 2015. The amounts agreed to the Townships January 1, 2016 balance on the summary we used in procedure 3.

Issue	Principal outstanding as of December 31, 2015:
General Obligation Note	\$ 39,506

2. We inquired of management, and inspected the Receipts Journal and Appropriation Ledger for evidence of debt issued during 2017 or 2016 or debt payment activity during 2017 or 2016. All debt agreed to the summary we used in procedure 3.
3. We obtained a summary of note debt activity for 2017 and 2016 and agreed principal and interest payments from the related debt amortization schedule to the Road and Bridge Fund payments reported in the Appropriation Ledger. We also compared the date the debt service payments were due to the date the Township made the payments. We found no exceptions. Additionally, we noted the Township made an additional principal payment.

Payroll Cash Disbursements

1. We haphazardly selected one payroll check for five employees from 2017 and one payroll check for five employees from 2016 from the Payroll Ledger and:
 - a. We compared the hours and pay rate, or salary recorded in the Wage Detail Report to supporting documentation (timecard, legislatively or statutorily-approved rate or salary). We found no exceptions.
 - b. We recomputed gross and net pay and agreed it to the amount recorded in the payroll register. We found no exceptions.

Payroll Cash Disbursements

- c. We inspected the fund and account code(s) to which the check was posted to determine the posing was reasonable based on the employee's duties as documented in the minute record, timesheets or as required by statute. We also confirmed the payment was posted to the proper year. We found no exceptions.
- 2. For any new employees selected in procedure 1 we inspected the employees' personal files and minute record for the following information and compared it with the information used to compute gross and net pay related to this check:
 - a. Name
 - b. Authorized salary or pay rate
 - c. Department(s) and fund(s) to which the check should be charged
 - d. Retirement system participation and payroll withholding
 - e. Federal and State income tax withholding authorization and withholding
 - f. Any other deduction authorizations (deferred compensation, etc.)

We found no exceptions related to procedures a. – f. above.

- 3. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2017 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2017. We observed the following:

Withholding (plus employer share Where applicable)	Due Date	Date Paid	Amount W/H	Amount
Federal Income Taxes	January 31, 2018	January 16, 2018	\$ 734.43	\$ 734.43
State Income Taxes	January 31, 2018	January 25, 2018	333.65	333.65
OPERS Retirement	January 31, 2018	January 11, 2018	1,658.72	1,658.72

- 4. For the pay periods ending March 2017 and August 2016, we recomputed the allocation of the Boards' salaries to the General and Road and Bridge Funds in 2017 and the General and Motor Vehicle License Tax Funds in 2016 per the Cash Journal. We found no exceptions.
- 5. For the pay periods described in the preceding procedure, we traced the Fiscal Officer's and Boards' salary for time or services performed to supporting certifications the Revised Code Requires. We found no exceptions.
- 6. We inquired of management and inspected the Cash Journal and Appropriation Ledger for the years ended December 31, 2017 and 2016 to determine if township employees and/or Trustees were reimbursed for out-of-pocket insurance premiums. No such reimbursements occurred.

Non-payroll Cash Disbursements

- 1. From the Appropriation Ledger, we re-footed checks recorded as General Fund disbursements for *general government*, and checks recorded as *public works* in the Gasoline Tax Fund for 2017. We found no exceptions.
- 2. We haphazardly selected ten disbursements from the Cash Journal for the year ended December 31, 2017 and ten from the year ended 2016 and determined whether:
 - a. The disbursements were for a proper public purpose. We found no exceptions.
 - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Cash Journal and Appropriation Ledger and to the names and amounts on the supporting invoices. We found no exceptions.

Non-payroll Cash Disbursements

- c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
- d. The fiscal officer certified disbursements requiring certification or issued a Then and Now Certificate, as required by Ohio Rev. Code Section 5705.41(D). We found two instances where the certification date was after the vendor invoice date and there was also no evidence that a Then and Now Certificate was issued. Ohio Revised Code Section 5705.41(D) requires certifying at the time of a commitment, which should be on or before the invoice date, unless a Then and Now certificate is used. Because we did not inspect all disbursements requiring certification, our report provides no assurance whether or not additional similar errors occurred.

Compliance-Budgetary

1. We compared the total estimated receipts from the *Amended Official Certificate of Estimated Resources*, required by Ohio Revised Code Section 5705.36 (A)(1), to the amounts recorded in the Revenue Status Report for the General Fund, Gasoline Tax Fund, and Road and Bridge Fund for the years ended December 31, 2017 and 2016. The amounts agreed.
2. We inspected the appropriation measures adopted for 2017 and 2016 to determine whether, for the General Fund, Gasoline Tax Fund and the Road and Bridge Fund, the Trustees appropriated separately for "each office, department, and division, and within each, the amount appropriated for personal services," as is required by Ohio Revised Code Section 5705.38(C). We found no exceptions.
3. We compared total appropriations required by Ohio Revised Code Section 5705.38 and 5705.40, to the amounts recorded in the Appropriation Ledger for 2017 and 2016 for the following funds: General Fund, Gasoline Tax Fund and the Road and Bridge Fund. The amounts on the appropriation resolutions agreed to the amounts recorded in the Appropriation Ledgers.
4. Ohio Revised Code Section 5705.36(A)(5) and 5705.39 prohibits appropriations from exceeding the certified resources. We compared total appropriations to total certified resources for the General Fund, Gasoline Tax Fund and the Road and Bridge Fund for the years ended December 31, 2017 and 2016. There were no funds for which appropriations exceeded estimated resources.
5. Ohio Revised Code Section 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total appropriations for the years ended December 31, 2017 and 2016 for the General Fund, Gasoline Tax Fund and the Road and Bridge Fund, as recorded in the Appropriation Ledger. There were no funds for which expenditures exceeded appropriations.
6. Ohio Revised Code Section 5705.09 requires establishing separate funds to segregate externally-restricted resources. We inspected the Receipts Journal for evidence of new restricted receipts requiring a new fund during December 31, 2017 and 2016. We also inquired of management regarding whether the Township received new restricted receipts. We observed no evidence of new restricted receipts for which Ohio Rev. Code Section 5705.09 would require the Township to establish a new fund.
7. For funds existing in prior years, inspect the fund activity to determine whether the fund is still being used for the statutorily approved purpose and that all the required funds were established. All the required funds were established and no new funds for which the statutorily approved purpose was no longer valid included on the accounting records.
8. We inspected the 2017 and 2016 Receipts Journal and Appropriation Ledger for evidence of interfund transfers exceeding \$5,000 which Ohio Revised Code Sections 5705.14 - .16 restrict. We found no evidence of transfers these Sections prohibit, or for which Section 5705.16 would require approval by the Tax Commissioner and Court of Common Pleas.

9. We inquired of management and inspected the Appropriation Ledger to determine whether the Township elected to establish reserve accounts permitted by Ohio Revised Code Section 5705.13. The Township did not establish these reserves.
10. We inspected the Cash Journal for the years ended December 31, 2017 and 2016 for negative cash fund balance. Ohio Revised Code Section 5701.10(I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. No funds had a negative cash fund balances.

Compliance – Contracts and Expenditures

1. We inquired of management and inspected the Appropriation Ledger for the years ended December 31, 2017 and 2016 to determine if the township proceeded by force account (i.e. used its own employees) to maintain or repair roads (cost of project \$15,000-\$45,000) or to construct or reconstruct township roads (cost of project \$5,000-\$15,000/per mile) for which Ohio Revised Code Section 5575.01 requires the county engineer to complete a force account project assessment form (i.e., cost estimate). We identified no projects requiring the county engineer to complete a force account cost estimate.

Other Compliance

1. Ohio Revised Code Section 117.38 requires townships to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies, in addition to filing extensions granted for extenuating circumstances, allow for refiling complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System for December 31, 2017 and 2016 fiscal year ends included 2015-2016 or 2016-2017 agreed up on procedure engagements, subsequent to the Township's deadline where the initial filing was filed on time but incomplete. We confirmed the Township filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy within the allotted timeframe for years ended December 31, 2017 and 2016 in the Hinkle system. There were no exceptions.
2. We inquired of the fiscal officer and/or inspected the Fiscal Integrity Act Portal to determine whether the fiscal officer obtained the training required by Ohio Revised Code Section 507.12 and 733.81. The fiscal officer obtained the required training.

This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on the Township's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is to provide assistance in the evaluation of the Township's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2017 and 2016, and certain compliance requirements related to these transactions and balances and is not suitable for any other purpose.
