INDEPENDENT AUDITOR'S REPORT

Area 7 Workforce Development Board Montgomery County 1111 South Edwin C. Moses Boulevard Dayton, Ohio 45422

To the Workforce Development Board:

Report on the Financial Statements

We have audited the accompanying cash-basis financial statements of the Area 7 Workforce Development Board, Montgomery County, Ohio (the Board), as of and for the year ended June 30, 2018, and the related notes to the financial statements, which collectively comprise the Board's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for preparing and fairly presenting these financial statements in accordance with the cash accounting basis Note 2 describes. This responsibility includes determining that the cash accounting basis is acceptable for the circumstances. Management is also responsible for designing, implementing and maintaining internal control relevant to preparing and fairly presenting financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to opine on these financial statements based on our audit. We audited in accordance with auditing standards generally accepted in the United States of America and the financial audit standards in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require us to plan and perform the audit to reasonably assure the financial statements are free from material misstatement.

An audit requires obtaining evidence about financial statement amounts and disclosures. The procedures selected depend on our judgment, including assessing the risks of material financial statement misstatement, whether due to fraud or error. In assessing those risks, we consider internal control relevant to the Board's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not to the extent needed to opine on the effectiveness of the Board's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of management's accounting policies and the reasonableness of their significant accounting estimates, as well as our evaluation of the overall financial statement presentation.

We believe the audit evidence we obtained is sufficient and appropriate to support our audit opinion.

Area 7 Workforce Development Board Montgomery County Independent Auditor's Report Page 2

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the cash financial position of the Area 7 Workforce Development Board, Montgomery County, Ohio, as of June, 30, 2018, and the change in cash financial position thereof for the year then ended in accordance with the accounting basis described in Note 2.

Accounting Basis

We draw attention to Note 2 of the financial statements, which describes the accounting basis. The financial statements are prepared on the cash basis of accounting, which differs from generally accepted accounting principles. We did not modify our opinion regarding this matter.

Other Matters

Supplementary Information

Our audit was conducted to opine on the financial statements taken as a whole.

The Schedule of Expenditures of Federal Awards presents additional analysis as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards and is not a required part of the financial statements.

The schedule is management's responsibility, and derives from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. We subjected this schedule to the auditing procedures we applied to the basic financial statements. We also applied certain additional procedures, including comparing and reconciling this schedule directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and in accordance with auditing standards generally accepted in the United States of America. In our opinion, this schedule is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Other Information

We applied no procedures to management's discussion & analysis as listed in the table of contents. Accordingly, we express no opinion or any other assurance on it.

Area 7 Workforce Development Board Montgomery County Independent Auditor's Report Page 3

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated July 18, 2019, on our consideration of the Board's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. That report describes the scope of our internal control testing over financial reporting and compliance, and the results of that testing, and does not opine on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Board's internal control over financial reporting and compliance.

MANAGEMENT DISCUSSION AND ANALYSIS FOR THE FISCAL YEAR ENDED JUNE 30, 2018 (UNAUDITED)

This discussion and analysis of the Area 7 Workforce Development Board's (the Board) financial performance provides an overall review of the Board's financial activities for the fiscal year ended June 30, 2018, within the limitations of the Board's cash basis of accounting. Readers should also review the basic financial statements and notes to the basic financial statements to enhance their understanding of the Board's financial performance.

Highlights

Key Highlights for 2018 are as follows:

- The Board's receipts are solely from support from Federal and State governmental agencies. The federal receipts are designated for employment and training related activities.
- The Board's total net position increased by \$15,461.
- The Board's program receipts decreased by \$1,785,070.
- The Boards program disbursements decreased by \$1,861,288.

Using the Basic Financial Statements

This annual report is presented in a format consistent with the presentation requirements of Governmental Accounting Standards Board Statement No. 34, as applicable to the Board's cash basis of accounting.

Report Components

The Statement of Net Position – Cash Basis and Statement of Activities – Cash Basis provide information about the cash activities of the Board.

The notes to the basic financial statements are an integral part of the financial statements and provide explanation and detail regarding the information reported in the statements.

Basis of Accounting

The basis of accounting is a set of guidelines that determine when financial events are recorded. The Board has elected to present its financial statements on a cash basis of accounting. This basis of accounting is a basis of accounting other than generally accepted accounting principles. Under the Board's cash basis of accounting, receipts and disbursements are recorded when cash is received or paid.

As a result of using the cash basis of accounting, certain assets and related revenues (such as accounts receivable) and certain liabilities and their related expenses (such as accounts payable) are not recorded in the financial statements. Therefore, when reviewing the financial information and discussion within this report, the reader must keep in mind the limitations resulting from the use of the cash basis of accounting.

Reporting the Board as a Whole

The Statement of Net Position – Cash Basis and Statement of Activities – Cash Basis reflects how the Board did financially during 2018, within the limitations of the cash basis of accounting. These two statements report the Board's net position and changes in net position. The Statement of Activities – Cash Basis also presents the receipt and disbursement activity during 2018.

MANAGEMENT DISCUSSION AND ANALYSIS FOR THE FISCAL YEAR ENDED JUNE 30, 2018 (UNAUDITED) (Continued)

These statements report the Board's cash position and the changes in cash position. Keeping in mind the limitations of the cash basis of accounting, you can think of these changes as one way to measure the Board's financial health. Over time, an increase or decrease in the Board's cash position is one indicator of whether the Board's financial health is improving or deteriorating. When evaluating the Board's financial condition, you should also consider the reliance on non-local financial resources for operations and the need for continued growth in revenue sources.

The Board as a Whole

The Statement of Net Position – Cash Basis provides the perspective of the Board's net position for 2018 and Table 1 provides a summary of the Board's net position for 2018 compared to 2017.

1. DESCRIPTION OF AREA 7 WORKFORCE DEVELOPMENT BOARD AND THE REPORTING ENTITY

A. Description of the Entity

The Workforce Innovation and Opportunity Act (WIOA) is a federally funded program that provides employment and job training services to eligible adults, dislocated workers and youth. The United States Department of Labor (DOL) is the federal agency responsible for the program. The Ohio Department of Job and Family Services (ODJFS) is the oversight agency for the State of Ohio.

Area 7 Workforce Development Board (the Board) is designated as a local Workforce Development Area under WIOA 116 and its geopolitical span includes 43 counties. The grant recipient is the Ohio Area 7 Consortium of Chief Elected Officials (the Consortium) from the counties within the local area. The functions of the consortium are carried out by a Board of Governors, which consists of the Chief Elected Official (CEO) of each participating sub area.

In accordance with WIOA 117, the consortium established a local Workforce Development Policy Board (WDB) to set policy for the local workforce development area system. The local board employs an Executive Director, Policy Director, Program Director and a secretary. The WDB staff perform administrative functions for the Board and are employees of Clark State Community College.

The grant recipient (the Consortium) designated Montgomery County Department of Job and Family Services (MCDJFS), an agency that is under the governance of the Montgomery County Board of Commissioners, as the Fiscal Agent for the Area 7 Workforce Development Board. The Fiscal Agent has responsibility to disburse funds to the participating sub-areas known as Sub-grantees at the direction of both the Consortium and the Board. Funds flow from the State to MCDJFS and are passed onto the 43 individual counties based on allocations established by the State. The individual counties have responsibility for the operation of the Adult, Dislocated Worker, Rapid Response, National Emergency Grants and Youth programs for their respective county.

Through a consortium process, the Area 7 Board has designated 2 comprehensive one-stop centers and 41 satellite one-stop offices throughout Area 7.

B. Reporting Entity

A reporting entity is comprised of the primary government, component units and other organizations, ensuring that the basic financial statements are not misleading. The primary government of the Board consists of the general fund, departments, and boards that are not legally separate from the Board. The Board's financial statements include Adult, Dislocated Worker, Rapid Response, Youth, National Emergency Grant, Employment Service/Wagner-Peyser Activities, Temporary Assistance for Needy Families Ohio Works First, Wage Pathway and Administrative programs. The Board has no component units.

The Board's management believes these financial statements present all activities for which the Board is financially accountable.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Presentation

These financial statements are prepared using the cash basis of accounting.

The Statement of Net Position (cash basis), and the Statement of Activities (cash basis), display information about the Board as a whole. These statements include the financial activities of the Board. The Statement of Net Position (cash basis) presents the financial condition of the governmental activities of the Board at year-end. The Statement of Activities (cash basis) presents a comparison between program disbursements and operating grants for each program or function of the Board's governmental activities. Program disbursements are those that are specifically associated with a service, program or department and therefore, clearly identifiable to a particular function. Program receipts include grants and contributions that are restricted to meeting the operational or capital requirements of a particular program. The comparison of program disbursements with program receipts identifies the extent to which each governmental program is self- financing or draws from the general revenues of the Board.

1. Fund Accounting

The Board uses a fund accounting system to maintain its financial records during the fiscal year. Fund accounting is designed to demonstrate legal compliance and to aid management by segregating transactions related to certain functions or activities. A fund is a fiscal and accounting entity with a self-balancing set of accounts. The Board utilizes the governmental category of funds.

2. Governmental Funds

Governmental funds are those through which most governmental functions of the Board typically are financed. Governmental fund reporting focuses on the sources, uses, and balances of current financial resources. Expendable assets are assigned to the various governmental funds according to the purpose for which they may or must be used. The following is the Board's only fund:

General Fund - The general fund accounts for all financial resources of the Board. The general fund balance is available for any purpose in accordance with Ohio law.

3. Measurement Focus

The Board has elected to present its financial statements on a cash basis of accounting. This basis of accounting is a basis of accounting other than generally accepted accounting principles. Under the Board's cash basis of accounting, receipts are recognized when received in cash, rather than when earned, and disbursements when paid, rather than when a liability is incurred.

NOTES TO THE BASIC FINANCIAL STATEMENTS FOR THE FISCAL YEAR ENDED JUNE 30, 2018 (Continued)

4. Basis of Accounting

As a result of using the cash basis of accounting, certain assets and their related revenues (such as accounts receivable) and certain liabilities and their related disbursements (such as accounts payable) are not recorded in the financial statements. Therefore, when reviewing the financial information and discussion within this report, the reader must keep in mind the limitations resulting from the use of the cash basis of accounting.

This annual report is presented in a format consistent with the presentation requirements of Governmental Accounting Standards Board Statement No. 34, *Basic Financial Statements-and Management's Discussion and Analysis-for State and Local Governments*, as applicable to the Board's cash basis of accounting.

B. Cash

The Montgomery County Treasurer is the custodian for the Board's cash. The Board's assets are held in the Montgomery County's cash and investment pool, and are valued at the County Treasurer's reported carrying amount.

C. Capital Assets

The Board does not own any capital assets. All capital assets used by the Board are owned by Montgomery County.

D. Long-term Obligations

The Board did not have any long-term obligations.

3. CASH AND DEPOSITS

The Montgomery County Treasurer maintains a cash pool used by all of the County's funds, including those of the Board. The Ohio Revised Code prescribes allowable deposits and investments. At yearend, the carrying amount of the Board's deposits with the Montgomery County Treasurer was \$15,510. Montgomery County, as the fiscal agent for the Board, is responsible for maintaining adequate depositor collateral for all funds in the County's pooled cash and deposit accounts.

4. RISK MANAGEMENT

For the year ended June 30, 2018 the Board maintained Commercial Insurance coverage for the following risks:

- Director, Officer, Trustee, and Organization Liability \$1,000,000;
- Employment Practicing Liability \$1,000,000;

5. CONTRACTED SERVICES

From July 1, 2017 to December 31, 2017, the Board did not have any employees. They contracted for accounting, administrative, use of facility and management services from other governmental agencies and educational institutions. See Note 6 for further information. As of January 1, 2018, the Board began processing payroll for its fiscal staff. The Board continues to contract for administrative, use of facility and management services from other governmental agencies and educational institutions.

NOTES TO THE BASIC FINANCIAL STATEMENTS FOR THE FISCAL YEAR ENDED JUNE 30, 2018 (Continued)

6. CONTRACTUAL OBLIGATIONS

The Board entered into a contract with Clark State Community College, for the period October 1, 2017 through September 30, 2018, at a cost not to exceed \$738,678, for continuation and maintenance of Board headquarters and administrative services.

The Board entered into a Memorandum of Understanding with Montgomery County, for the period July 1, 2017 through June 30, 2018, to provide fiscal agent and business driven services. This Memorandum of Understanding was established not to exceed \$124,170 for Montgomery County Auditor and Treasurer to provide financial processing and accountability services for Area 7 Workforce Development Board.

The Board entered into a contract with Rochelle Daniels, for the period November 1, 2017 through June 30, 2018, at a cost not to exceed \$10,000 for consulting and advising services as legal counsel.

The Board entered into a contract with Tim McCourtie, for the period December 1, 2017 through June 30, 2019, at a cost not to exceed \$32,200 for consulting services to provide program and fiscal monitoring duties for Area 7 sub-recipient counties.

The Board entered into a contract with Donald Myers, for the period December 1, 2017 through June 30, 2019, at a cost not to exceed \$42,000 or consulting services to provide program and fiscal monitoring duties for Area 7 sub-recipient counties.

The Board entered into a contract with Workforce Services Unlimited, for the period January 5, 2018 through September 30, 2018, at a cost not to exceed \$75,000 for consulting services to provide one stop operator duties consistent with WIOA regulation(s).

7. CONTINGENCIES

A. Litigation

The Board is not a party to any litigation.

B. Grants

The Board receives financial assistance from Federal and State agencies in the form of grants. Disbursing grant funds generally requires compliance with terms and conditions specified in the grant agreements and are subject to audit. Any disallowed claims resulting from such audits could become a liability. However, in the opinion of management, any such disallowed claims through June 30, 2018 will not have a material adverse effect on the Board.

NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS 2 CFR 200.510(b)(6) FOR THE FISCAL YEAR ENDED JUNE 30, 2018

NOTE A – BASIS OF PRESENTATION

The accompanying Schedule of Expenditures of Federal Awards (the Schedule) includes the federal award activity of Area 7 Workforce Development Board (the Board) under programs of the federal government for the fiscal year ended June 30, 2018. The information on this Schedule is prepared in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the Board, it is not intended to and does not present the financial position or changes in net position of the Board.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the cash basis of accounting, except expenditures from the WIOA Cluster are presented on an accrual basis. Such expenditures are recognized following the cost principles contained in Uniform Guidance wherein certain types of expenditures may or may not be allowable or may be limited as to reimbursement.

NOTE C – INDIRECT COST RATE

The Board has elected not to use the 10-percent de minimis indirect cost rate as allowed under the Uniform Guidance.

NOTE D – SUB-RECIPIENTS

The Board passes certain federal awards received from the Ohio Department of Job and Family Services to other governments (sub-recipients). As Note B describes, the Board reports expenditures of Federal awards to sub-recipients when paid in cash, except expenditures from the WIOA Cluster are presented on an accrual basis.

As a sub-recipient, the Board has certain compliance responsibilities, such as monitoring its subrecipients to help assure they use these subawards as authorized by laws, regulations and the provisions of contracts or grant agreements, and that sub-recipients achieve the award's performance goals.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY *GOVERNMENT AUDITING STANDARDS*

Area 7 Workforce Development Board Montgomery County 1111 South Edwin C. Moses Boulevard Dayton, Ohio 45422

To the Workforce Development Board:

We have audited, in accordance with auditing standards generally accepted in the United States and the Comptroller General of the United States' *Government Auditing Standards*, the cash-basis financial statements of the Area 7 Workforce Development Board, Montgomery County (the Board) as of and for the year ended June 30, 2018, and the related notes to the financial statements, which collectively comprise the Board's basic financial statements and have issued our report thereon dated July 18, 2019, wherein we noted the Board uses a special purpose framework other than generally accepted accounting principles.

Internal Control Over Financial Reporting

As part of our financial statement audit, we considered the Board's internal control over financial reporting (internal control) to determine the audit procedures appropriate in the circumstances to the extent necessary to support our opinion on the financial statements, but not to the extent necessary to opine on the effectiveness of the Board's internal control. Accordingly, we have not opined on it.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, when performing their assigned functions, to prevent, or detect and timely correct misstatements. A *material weakness* is a deficiency, or combination of internal control deficiencies resulting in a reasonable possibility that internal control will not prevent or detect and timely correct a material misstatement of the Board's financial statements. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all internal control deficiencies that might be material weaknesses or significant deficiencies. Given these limitations, we did not identify any deficiencies in internal control that we consider material weaknesses. However, unidentified material weaknesses may exist.

Compliance and Other Matters

As part of reasonably assuring whether the Board's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, opining on compliance with those provisions was not an objective of our audit and accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*.

Area 7 Workforce Development Board Montgomery County Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Required by *Government Auditing Standards*

Purpose of this Report

This report only describes the scope of our internal control and compliance testing and our testing results, and does not opine on the effectiveness of the Board's internal control or on compliance. This report is an integral part of an audit performed under *Government Auditing Standards* in considering the Board's internal control and compliance. Accordingly, this report is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE WITH REQUIREMENTS APPLICABLE TO EACH MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Area 7 Workforce Development Board Montgomery County 1111 South Edwin C. Moses Boulevard Dayton, Ohio 45422

To the Workforce Development Board:

Report on Compliance for Each Major Federal Program

We have audited Area 7 Workforce Development Board's (the Board) compliance with the applicable requirements described in the U.S. Office of Management and Budget (OMB) *Compliance Supplement* that could directly and materially affect each of Area 7 Workforce Development Board's major federal programs for the year ended June 30, 2018. The *Summary of Auditor's Results* in the accompanying schedule of findings identifies the Board's major federal programs.

Management's Responsibility

The Board's Management is responsible for complying with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to opine on the Board's compliance for each of the Board's major federal programs based on our audit of the applicable compliance requirements referred to above. Our compliance audit followed auditing standards generally accepted in the United States of America; the standards for financial audits included in the Comptroller General of the United States' *Government Auditing Standards*; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). These standards and the Uniform Guidance require us to plan and perform the audit to reasonably assure whether noncompliance with the applicable compliance requirements referred to above that could directly and materially affect a major federal program occurred. An audit includes examining, on a test basis, evidence about the Board's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe our audit provides a reasonable basis for our compliance opinion on each of the Board's major programs. However, our audit does not provide a legal determination of the Board's compliance.

Opinion on Each Major Federal Program

In our opinion, Area 7 Workforce Development Board complied, in all material respects with the compliance requirements referred to above that could directly and materially affect each of its major federal programs for the year ended June 30, 2018.

Area 7 Workforce Development Board Montgomery County Independent Auditor's Report on Compliance With Requirements Applicable to Each Major Federal Program and on Internal Control Over Compliance Required by the Uniform Guidance Page 2

Report on Internal Control Over Compliance

The Board's management is responsible for establishing and maintaining effective internal control over compliance with the applicable compliance requirements referred to above. In planning and performing our compliance audit, we considered the Board's internal control over compliance with the applicable requirements that could directly and materially affect a major federal program, to determine our auditing procedures appropriate for opining on each major federal program's compliance and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not to the extent needed to opine on the effectiveness of internal control over compliance. Accordingly, we have not opined on the effectiveness of the Board's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, when performing their assigned functions, to prevent, or to timely detect and correct, noncompliance with a federal program's applicable compliance requirement. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance requirement will not be prevented, or timely detected and corrected. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance requirement will not be prevented, or timely detected and corrected. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with federal program's applicable compliance requirement that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

This report only describes the scope of our internal control over compliance tests and the results of this testing based on Uniform Guidance requirements. Accordingly, this report is not suitable for any other purpose.
