INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

Bath Township
Greene County
1006 Yellow Springs-Fairfield Road
Fairborn, Ohio 45324

We have performed the procedures enumerated below, which were agreed to by the Board of Trustees and the management of Bath Township (the Township), on the receipts, disbursements and balances recorded in the Township's cash basis accounting records for the years ended December 31, 2018 and 2017 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the Township. The Township is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2017 and 2018 and certain compliance requirements related to these transactions and balances included in the information provided to us by the Township. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

Cash

1. We recalculated the December 31, 2018 and December 31, 2017 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2017 beginning fund balances recorded in the Fund Ledger Report to the December 31, 2016 balances in the prior year audited statements. We found no exceptions. We also agreed the January 1, 2018 beginning fund balances recorded in the Fund Ledger Report to the December 31, 2017 balances in the Fund Ledger Report. We found no exceptions.
3. We agreed the totals per the bank reconciliations to the total of the December 31, 2018 and 2017 fund cash balances reported in the Fund Status Report. The amounts agreed.
4. We observed the year-end bank balances on the financial institution's website. The balances agreed. We also agreed the confirmed balances to the amounts appearing in the December 31, 2018 bank reconciliation without exception.
5. We selected a sample (agreed upon) of five reconciling debits (such as outstanding checks) from the December 31, 2018 bank reconciliation:
 - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
 - b. We traced the amounts and dates to the check register, to determine the debits were dated prior to December 31. There were no exceptions.

Cash (Continued)

6. We selected the only reconciling credit (such as deposits in transit) from the December 31, 2018 bank reconciliation:
 - a. We traced the credit to the subsequent January bank statement. We found no exceptions.
 - b. We agreed the credit amount to the Receipts Register. The credit was recorded as a December receipt for the same amount recorded in the reconciliation.
7. We traced interbank account transfers occurring in December of 2018 and 2017 to the accounting records and bank statements to determine if they were properly recorded. We found no exceptions.

Property Taxes and Intergovernmental Cash Receipts

1. We selected a property tax receipt from one *Statement of Semiannual Apportionment of Taxes* (the Statement) for 2018 and one from 2017:
 - a. We traced the gross receipts from the *Statement* to the amount recorded in the Receipt Detail Report. The amounts agreed.
 - b. We inspected the Receipt Detail Report to confirm the receipt was allocated to the proper funds as required by Ohio Rev. Code Sections 5705.05-.06 and 5705.10. We found no exceptions.
 - c. We inspected the Receipt Detail Report to confirm whether the receipt was recorded in the proper year. The receipt was recorded in the proper year.
2. We inspected the Receipt Register Report to determine whether it included two real estate tax receipts for 2018 and 2017. The Receipt Register Report included the proper number of tax receipts for each year.
3. We selected a sample (agreed upon) of five receipts from the State Distribution Transaction Lists (DTL) from 2018 and five from 2017. We also selected a sample (agreed upon) of five receipts from the County Auditor's Detail Expense Report from 2018 and five from 2017.
 - a. We compared the amount from the above reports to the amount recorded in the Receipt Detail Report. The amounts agreed.
 - b. We inspected the Receipt Detail Report to determine that these receipts were allocated to the proper funds. We found no exceptions.
 - c. We inspected the Receipt Detail Report to determine whether the receipts were recorded in the proper year. We found no exceptions.

Over-The-Counter Cash Receipts

We selected a sample (agreed upon) of 10 over-the-counter cash receipts from the year ended December 31, 2018 and 10 over-the-counter cash receipts from the year ended 2017 recorded in the duplicate cash receipts book and:

- a. Agreed the receipt amount to the amount recorded in the Receipt Detail Report. The amounts agreed.
- b. Confirmed the amounts charged complied with rates in force during the period. We found no exceptions.
- c. Inspected the Receipt Detail Report to determine the receipt was posted to the proper funds, and was recorded in the proper year. We found no exceptions.

Debt

1. The prior audit documentation disclosed no debt outstanding as of December 31, 2016.
2. We inquired of management, and inspected the Receipt Detail Report and Payment Register Detail Report for evidence of debt issued during 2018 or 2017 or debt payment activity during 2018 or 2017. There were no new debt issuances, nor any debt payment activity during 2018 or 2017.

Payroll Cash Disbursements

1. We selected one payroll check for five employees from 2018 and one payroll check for five employees from 2017 from the Wage Withholdings Report and:
 - a. We compared the hours and pay rate, or salary recorded in the Wage Withholdings Report to supporting documentation (timecards, legislatively-approved rate or salary). We found no exceptions.
 - b. We inspected the fund and account codes to which the check was posted to determine the posting was reasonable based on the employees' duties as documented in the employees' personnel files and/or minute record. We also confirmed the payment was posted to the proper year. We found no exceptions.
2. For any new employees selected in procedure 1 we inspected the employee's personnel file for the following information and compared it with the information used to compute gross and net pay related to this check:
 - a. Name
 - b. Authorized salary or pay rate
 - c. Department(s) and fund(s) to which the check should be charged
 - d. Retirement system participation and payroll withholding
 - e. Federal, State & Local income tax withholding authorization and withholding
 - f. Any other deduction authorizations (deferred compensation, etc.)

We found no exceptions related to procedures a. – f. above.

3. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2018 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2018. We observed the following:

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid
Federal income taxes & Medicare	January 31, 2019	December 31, 2018	\$1,041.53	\$1,041.53
State income taxes	January 31, 2019	January 20, 2019	\$998.56	\$998.56
Local income taxes	January 15, 2019	December 29, 2018	\$536.07	\$536.07
OPERS retirement	January 30, 2019	January 7, 2019	\$8,728.92	\$8,728.92

Payroll Cash Disbursements (Continued)

4. We selected and recomputed one termination payment (unused vacation, etc.) using the following information, and agreed the computation to the amount paid as recorded in Wage Withholdings Report:
 - a. Accumulated leave records
 - b. The employee's pay rate in effect as of the termination date
 - c. The Township's payout policy.

The amount paid was consistent with the information recorded in a. through c. above.

5. We inquired of management and inspected the Payment Register Detail Report for the years ended December 31, 2018 and 2017 to determine if township employees and/or trustees were reimbursed for out-of-pocket insurance premiums. No such reimbursements occurred.

Non-Payroll Cash Disbursements

We selected a sample (agreed upon) of 10 disbursements from the Payment Register Detail Report for the year ended December 31, 2018 and 10 from the year ended 2017 and determined whether:

- a. The disbursements were for a proper public purpose. We found no exceptions.
- b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found no exceptions.
- c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
- d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code Section 5705.41(D). We found one instance in 2018 where the certification date was after the vendor invoice date, and there was also no evidence that a *Then and Now Certificate* was issued. Ohio Rev. Code Section 5705.41(D) requires certifying at the time of a commitment, which should be on or before the invoice date, unless a *Then and Now Certificate* is used. Because we did not inspect all disbursements requiring certification, our report provides no assurance whether or not additional similar errors occurred.

Compliance – Budgetary

1. We compared the total estimated receipts from the *Amended Official Certificate of Estimated Resources* required by Ohio Rev. Code Section 5705.36(A)(1), to the amounts recorded in the Revenue Status Report for the General, Road and Bridge, and Cemetery funds for the years ended December 31, 2018 and 2017. The amounts agreed except for the General Fund for 2017 when the *Certificate* reported budgeted revenue of \$431,472 and the year-end Revenue Status Report showed an amount of \$429,472. The Township should periodically compare amounts recorded in the Revenue Status Report to amounts recorded on the *Amended Official Certificate of Estimated Resources* to assure they agree. If the amounts do not agree, the Trustees may be using inaccurate information for budgeting and monitoring purposes.
2. We inspected the appropriation measures adopted for 2018 and 2017 to determine whether, for the General, Road and Bridge, and Cemetery funds, the Trustees appropriated separately for "each office, department, and division, and within each, the amount appropriated for personal services," as is required by Ohio Rev. Code Section 5705.38(C). We found no exceptions.

Compliance – Budgetary (Continued)

3. We compared total appropriations required by Ohio Rev. Code Sections 5705.38 and 5705.40, to the amounts recorded in the Appropriation Status Report for 2018 and 2017 for the following funds: General, Road and Bridge, and Cemetery. The amounts on the appropriation resolutions agreed to the amounts recorded in the Appropriation Status Report except for the General Fund for 2018 when the approved appropriations amount was \$607,224 and the year-end Appropriation Status Report showed \$604,624. The Township should periodically compare amounts recorded in the Appropriation Status Report to the actual approved appropriations to assure they agree. If the amounts do not agree, the Trustees may be using inaccurate information for budgeting and monitoring purposes.
4. Ohio Rev. Code Sections 5705.36(A)(5) and 5705.39 prohibits appropriations from exceeding the certified resources. We compared total appropriations to total certified resources for the General, Road and Bridge, and Cemetery funds for the years ended December 31, 2018 and 2017. There were no funds for which appropriations exceeded certified resources.
5. Ohio Rev. Code Section 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total appropriations for the years ended December 31, 2018 and 2017 for the General, Road and Bridge, and Cemetery funds, as recorded in the Appropriation Status Report. There were no funds for which expenditures exceeded appropriations.
6. Ohio Rev. Code Section 5705.09 requires establishing separate funds to segregate externally-restricted resources. We inspected the Receipt Register Report for evidence of new restricted receipts requiring a new fund during December 31, 2018 and 2017. We also inquired of management regarding whether the Township received new restricted receipts. We observed no evidence of new restricted receipts for which Ohio Rev. Code Section 5705.09 would require the Township to establish a new fund.
7. For funds existing in prior years, we inspected the fund activity to determine whether the fund is still being used for the statutorily approved purpose and that all the required funds were established. All the required funds were established and no funds for which the statutorily approved purpose was no longer valid were included on the accounting records.
8. We inspected the 2018 and 2017 Revenue Status Reports and Appropriation Status Reports for evidence of interfund transfers which Ohio Rev. Code Sections 5705.14 - .16 restrict. We found no evidence of transfers these Sections prohibit, or for which Section 5705.16 would require approval by the Tax Commissioner (effective after June 30, 2017) or Court of Common Pleas (effective through June 30, 2017).
9. We inquired of management and inspected the Appropriation Status Reports and Reserve Balance Account Detail Reports to determine whether the Township elected to establish reserve accounts permitted by Ohio Rev. Code Section 5705.13. We identified that the Township established two dump truck reserve account funds, a mausoleum reserve account fund, and a tanker reserve account fund. We identified no compliance exceptions related to these funds.

Compliance – Budgetary (Continued)

Additionally, the Township established budget reserve accounts within the general fund, fire levy fund, and road and bridge fund during the period. Ohio Rev. Code Section 5705.13(A) requires, in part, that such reserve accounts cannot exceed one-sixth of the preceding year's expenditures from the applicable fund. However, for 2017, the reserve amount in the general fund and fire levy fund exceeded one-sixth of the 2016 expenditures from the funds by \$12,611 and \$9,994, respectively. The Township should implement procedures to verify that the amount reserved for such budget reserve accounts do not exceed the maximum as required by the above revised code section.

10. We inspected the Fund Status Report for the years ended December 31, 2018 and 2017 for negative cash fund balances. Ohio Rev. Code Section 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. No funds had a negative cash fund balance.

Compliance – Contracts & Expenditures

We inquired of management and inspected the Payment Register Detail Report for the years ended December 31, 2018 and 2017 to determine if the township proceeded by force account (i.e. used its own employees) to maintain or repair roads (cost of project \$15,000-\$45,000) or to construct or reconstruct township roads (cost of project \$5,000-\$15,000/per mile) for which Ohio Rev. Code Section 5575.01 requires the county engineer to complete a force account project assessment form (i.e., cost estimate). We identified no projects requiring the county engineer to complete a force account cost estimate.

Other Compliance

1. Ohio Rev. Code Section 117.38 requires townships to file their financial information in the Hinkle System within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies, regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the Township filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy, within the allotted timeframe for the years ended December 31, 2018 and 2017 in the Hinkle system. There were no exceptions.
2. For all credit card accounts we obtained:
 - copies of existing internal control policies,
 - a list of authorized users, and
 - a list of all credit card account transactions.

We selected 3 credit card transactions for testing. For selected transactions we inspected documentation to determine that each transaction was supported with original invoices and for a proper public purpose. We found no exceptions.
