## INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

Benton Township  
Pike County  
209 Rainbow Trail  
Waverly, Ohio 45690

We have performed the procedures enumerated below, which were agreed to by the Board of Trustees and the management of Benton Township (the Township), on the receipts, disbursements and balances recorded in the Township's cash basis accounting records for the years ended December 31, 2018 and 2017 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the Township. The Township is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2018 and 2017 and certain compliance requirements related to these transactions and balances included in the information provided to us by the Township. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

### Cash

1. We recalculated the December 31, 2018 and December 31, 2017 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2017 beginning fund balances recorded in the Fund Ledger Report to the December 31, 2016 balances in the prior year documentation in the prior year Agreed-Upon Procedures working papers. We found no exceptions. We also agreed the January 1, 2018 beginning fund balances recorded in the Fund Ledger Report to the December 31, 2017 balances in the Fund Ledger Report. We found no exceptions.
3. We agreed the totals per the bank reconciliations to the total of the December 31, 2018 and 2017 fund cash balances reported in the Fund Status Report. The amounts agreed.
4. We confirmed the December 31, 2018 bank account balance with the Township's financial institution. We found no exceptions. We also agreed the confirmed balances to the amounts appearing in the December 31, 2018 bank reconciliation without exception.
5. We selected a sample (agreed upon) of five reconciling debits (such as outstanding checks) from the December 31, 2018 bank reconciliation:
  - a. We traced each debit to the subsequent January bank statements. We found no exceptions.
  - b. We traced the amounts and dates to the check register, to determine the debits were dated prior to December 31. There were no exceptions.

### **Property Taxes, Intergovernmental and Other Confirmable Cash Receipts**

1. We selected a property tax receipt from one *Statement of Semiannual Apportionment of Taxes* (the Statement) for 2018 and one from 2017:
  - a. We traced the gross receipts from the *Statement* to the amount recorded in the Receipt Detail Report. We also traced the advances noted on the Statement to the Receipt Detail Report. The amounts agreed.
  - b. We inspected the Receipt Detail Report to confirm the receipt was allocated to the proper funds as required by Ohio Rev. Code Sections 5705.05-.06 and 5705.10. We found no exceptions.
  - c. We inspected the Receipt Detail Report to confirm whether the receipt was recorded in the proper year. The receipt was recorded in the proper year.
2. We inspected the Receipt Detail Report to determine whether it included two real estate tax receipts for 2018 and 2017 plus one advance for 2018. The Receipt Detail Report included the proper number of tax receipts for each year.
3. We selected a sample (agreed upon) of five receipts from the State Distribution Transaction Lists (DTL) from 2018 and five from 2017. We also selected a sample (agreed upon) of five receipts from the County Auditor's DTLs from 2018 and five from 2017.
  - a. We compared the amount from the above reports to the amount recorded in the Receipt Detail Report. The amounts agreed.
  - b. We inspected the Receipt Detail Report to determine that these receipts were allocated to the proper fund(s). We found no exceptions.
  - c. We inspected the Receipt Detail Report to determine whether the receipts were recorded in the proper year. We found no exceptions.

### **Debt**

1. The prior agreed-upon procedures documentation disclosed no debt outstanding as of December 31, 2016.
2. We inquired of management, and inspected the Receipt Detail Report and Payment Register Detail Report for evidence of debt issued during 2018 or 2017 and debt payment activity during 2018 or 2017. All debt agreed to the summary we used in procedure 3.
3. We obtained a summary of note debt activity for 2018 and 2017 and agreed principal and interest payments from the related debt amortization schedule to Fire fund payments reported in the Payment Register Detail Report. We also compared the date the debt service payments were due to the date the Township made the payments. We found that principal in the amount of \$5,742 and interest in the amount of \$1,121 was recorded as Other Supplies and Materials for 2017. We found that principal in the amount of \$2,953 and interest in the amount of \$478 was recorded as Other Supplies and Materials for 2018.
4. We agreed the amount of debt proceeds from the debt documents to amounts recorded in the Fire fund per the Receipt Detail Report. We found that the Township did not record the debt proceeds in the amount of \$30,991 due to the funds being paid directly to Vogelphol Fire Equipment from the bank.

5. For new debt issued during 2018 and 2017, we inspected the debt legislation, which stated the Township must use the proceeds to purchase a Holmatro Complete Rescue Set. We inspected the Payment Register Detail Report and observed the Township did not record the purchase of the Holmatro Complete Rescue Set due to the funds being paid directly to Vogelphol Fire Equipment from the bank. .

**Payroll Cash Disbursements**

1. We selected one payroll check for five employees from 2018 and one payroll check for five employees from 2017 from the Wage Detail Report and:
  - a. We compared the hours and pay rate, or salary recorded in the Wage Detail Report to supporting documentation (timecard, legislatively or statutorily-approved rate or salary). We found that the elected officials were not paid in accordance with ORC 505.24 and 507.09. They were paid based on a Township budget of \$250,000-500,000 per the Compensation Chart. However, the Township's actual budget per the Amended Certificate of Estimated Resources was over \$500,000 for 2017 and 2018, resulting in underpayments as follows: two trustees being underpaid \$514 per trustee, one trustee being underpaid \$566 and the fiscal officer being underpaid \$1,725 in 2017; trustees being underpaid \$566 per trustee, and the fiscal officer being underpaid \$1,558 in 2018.
  - b. We inspected the fund and account codes to which the check was posted to determine the posting was reasonable based on the employees' duties as documented on the employees' timecard or as required by statute. We also confirmed the payment was posted to the proper year. We found no exceptions.
2. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2018 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2018. We observed the following:

| <b>Withholding<br/>(plus employer<br/>share, where<br/>applicable)</b> | <b>Date<br/>Due</b> | <b>Date<br/>Paid</b> | <b>Amount<br/>Due</b> | <b>Amount<br/>Paid</b> |
|--|---------------------|----------------------|-----------------------|------------------------|
| Federal income taxes<br>& Medicare                                     | January 31, 2019    | December 31, 2018    | \$386.19              | \$386.19               |
| State income taxes   | January 15, 2019    | December 31, 2018    | \$206.21              | \$206.21               |
| OPERS retirement   | January 30, 2019    | December 31, 2018    | \$1,360.78            | \$1,360.78             |

3. For the pay periods ended August 13, 2018 and February 13, 2017, we recomputed the allocation of the Boards' salary to the Gasoline Tax and Cemetery Funds per the Wage Detail Report. We found that the Trustees were paid 100% from restricted funds for 2018 and 2017. Per ORC 505.24 (C), trustees receiving compensation by annual salary to be paid from the township general fund or from other township funds in such proportions as the board may specify by resolution. Each trustee is required to certify the percentage of time spent working on matters to be paid from the township general fund and from other township funds in such proportions as the kinds of services performed. To be paid on a salary basis in equal monthly installments, the board of trustees must unanimously pass a resolution to allow it. To be paid from any fund(s) other than the general fund, the resolution must also specify the proportions of the salary that are to be paid from each fund. Trustees must complete a certification prior to receiving his/her pay for that pay period. The certification must be done individually, but is not required to be notarized. The certification is not required to be a time log. Rather, all that is required is a statement detailing the percentage of time that the trustee/fiscal officer spent during that pay period providing services related to each fund to be charged. If 100% of the compensation of the township trustee is to be paid from the general fund, no certification is required. The Township paid 100% of the Trustee salaries from the Gasoline Tax and Cemetery funds. As explained in Auditor of State Bulletin 2013-002, Township officials are required to attend board meetings in order to conduct the regular business of the township. Attendance at board meetings and other activities supporting the general business of the township must be allocated to the general fund; therefore, the allocation of 100 percent of an official's compensation to funds other than the general fund is not permitted under Ohio law. The following trustee pay was moved from the Cemetery fund to the General fund in the amount of \$2,634 for 2017 and \$2,808 for 2018.
4. For the pay periods described in the preceding procedure, we traced the Boards' salary for time or services performed to supporting certifications the Revised Code requires. Certifications were completed for each pay, however they did not include any allocation to the General Fund. The Township prepared retroactive certifications on June 6, 2019 for all pay periods in 2018 and 2017 to meet Revised Code Requirement..
5. We inquired of management and inspected the Payment Register Detail Report for the years ended December 31, 2018 and 2017 to determine if township employees and/or trustees were reimbursed for out-of-pocket insurance premiums. Insurance reimbursements made were in compliance with ORC 505.60 and 505.601 and federal regulations.

#### **Non-Payroll Cash Disbursements**

We selected a sample (agreed upon) of ten disbursements from the Payment Register Detail Report for the year ended December 31, 2018 and ten from the year ended 2017 and determined whether:

- a. The disbursements were for a proper public purpose. We found no exceptions.
- b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found one instance where the Fiscal Officer was unable to provide a supporting invoice for a \$24 disbursement.
- c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found that the Township paid \$24 for meals out of the Gasoline Tax fund. Per Ohio Rev. Code Section 5735.27, gasoline tax monies should only be used for the purpose of maintaining, construction and widening of Township roads, therefore meals are not an allowable expense of the Gasoline Tax fund. Because we did not inspect all disbursements, our report provides no assurance whether or not additional similar errors occurred.

- d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code Section 5705.41(D). We found one instance where the certification date was after the vendor invoice date, and there was also no evidence that a *Then and Now Certificate* was issued. Ohio Rev. Code Section 5705.41(D) requires certifying at the time of a commitment, which should be on or before the invoice date, unless a *Then and Now Certificate* is used. Because we did not inspect all disbursements requiring certification, our report provides no assurance whether or not additional similar errors occurred.

### **Compliance – Budgetary**

1. We compared the total estimated receipts from the *Amended Official Certificate of Estimated Resources*, required by Ohio Rev. Code Section 5705.36(A)(1), to the amounts recorded in the Revenue Status Report for the General, Motor Vehicle License Tax and Gasoline Tax funds for the years ended December 31, 2018 and 2017. The amounts agreed.
2. We inspected the appropriation measures adopted for 2018 and 2017 to determine whether, for the General, Gasoline Tax and Fire funds, the Trustees appropriated separately for “each office, department, and division, and within each, the amount appropriated for personal services,” as is required by Ohio Rev. Code Section 5705.38(C). We found no exceptions.
3. We compared total appropriations required by Ohio Rev. Code Sections 5705.38 and 5705.40, to the amounts recorded in the Appropriation Status Report for 2018 and 2017 for the following funds: General, Cemetery, and Fire. The amounts on the appropriation resolutions agreed to the amounts recorded in the Appropriation Status Report.
4. Ohio Rev. Code Sections 5705.36(A)(5) and 5705.39 prohibits appropriations from exceeding the certified resources. We compared total appropriations to total certified resources for the General, Motor Vehicle License Tax and Gasoline Tax funds for the years ended December 31, 2018 and 2017. There were no funds for which appropriations exceeded certified resources.
5. Ohio Rev. Code Section 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total appropriations for the years ended December 31, 2018 and 2017 for the General, Cemetery and Fire fund, as recorded in the Appropriation Status Report. There were no funds for which expenditures exceeded appropriations.
6. Ohio Rev. Code Section 5705.09 requires establishing separate funds to segregate externally-restricted resources. We inspected the Receipt Detail Report for evidence of new restricted receipts requiring a new fund during December 31, 2018 and 2017. We also inquired of management regarding whether the Township received new restricted receipts. We observed no evidence of new restricted receipts for which Ohio Rev. Code Section 5705.09 would require the Township to establish a new fund.
7. For funds existing in prior years, we inspected the fund activity to determine whether the fund is still being used for the statutorily approved purpose and that all the required funds were established. All the required funds were established and no funds for which the statutorily approved purpose was no longer valid were included on the accounting records.
8. We inspected the 2018 and 2017 Revenue Status Reports and Appropriation Status Reports for evidence of interfund transfers which Ohio Rev. Code Sections 5705.14 - .16 restrict. We found no evidence of transfers these Sections prohibit, or for which Section 5705.16 would require approval by the Tax Commissioner (effective after June 30, 2017) or Court of Common Pleas (effective through June 30, 2017).

9. We inquired of management and inspected the Appropriation Status Reports to determine whether the Township elected to establish reserve accounts permitted by Ohio Rev. Code Section 5705.13 or 5705.132. The Township did not establish these reserves.
10. We inspected the Cash Summary by Fund Report for the years ended December 31, 2018 and 2017 for negative cash fund balances. Ohio Rev. Code Section 5705.10 (l) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. No funds had a negative cash fund balances.

### **Compliance – Contracts & Expenditures**

We inquired of management and inspected the Payment Register Detail Report for the years ended December 31, 2018 and 2017 to determine if the township proceeded by force account (i.e. used its own employees) to maintain or repair roads (cost of project \$15,000-\$45,000) or to construct or reconstruct township roads (cost of project \$5,000-\$15,000/per mile) for which Ohio Rev. Code Section 5575.01 requires the county engineer to complete a force account project assessment form (i.e., cost estimate). We identified no projects requiring the county engineer to complete a force account cost estimate.

### **Other Compliance**

1. Ohio Rev. Code Section 117.38 requires townships to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the Township filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy, within the allotted timeframe for the years ended December 31, 2018 and 2017 in the Hinkle system. There were no exceptions.
2. We inspected the Fiscal Integrity Act Portal (<http://www.ohioauditor.gov/fiscalintegrity/default.html>) to determine whether the fiscal officer obtained the training required by Ohio Rev. Code Section 507.12 and 733.81. Fiscal Officer obtained the required training.

This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on the Township's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is to provide assistance in the evaluation of the Township's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2018 and 2017, and certain compliance requirements related to these transactions and balances and is not suitable for any other purpose.
