We have reviewed the *Independent Auditors' Report* of Dover Township, Union County, prepared by Wilson, Phillips & Agin, CPA's, Inc., for the audit period January 1, 2017 through December 31, 2018. Based upon this review, we have accepted these reports in lieu of the audit required by Section 117.11, Revised Code. The Auditor of State did not audit the accompanying financial statements and, accordingly, we are unable to express, and do not express an opinion on them.

Our review was made in reference to the applicable sections of legislative criteria, as reflected by the Ohio Constitution, and the Revised Code, policies, procedures and guidelines of the Auditor of State, regulations and grant requirements. Dover Township is responsible for compliance with these laws and regulations.

INDEPENDENT AUDITORS' REPORT

Dover Township
Union County
13067 Hinton Mill Road
Marysville, Ohio 43040

To the Township Trustees:

Report on the Financial Statements

We have audited the accompanying financial statements of the cash balances, receipts and disbursements by fund type and related notes of the Dover Township, Union County, as of and for the years ended December 31, 2018 and 2017.

Management's Responsibility For the Financial Statements

Management is responsible for preparing and fairly presenting these financial statements in accordance with the financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit; this responsibility includes designing, implementing and maintaining internal control relevant to preparing and fairly presenting financial statements free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to opine on these financial statements based on our audit. We audited in accordance with auditing standards generally accepted in the United States of America and the financial audit standards in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require us to plan and perform the audit to reasonably assure the financial statements are free from material misstatement.

An audit requires obtaining evidence about financial statement amounts and disclosures. The procedures selected depend on our judgment, including assessing the risks of material financial statement misstatement, whether due to fraud or error. In assessing those risks, we consider internal control relevant to the Township's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not to the extent needed to opine on the effectiveness of the Township's internal control. Accordingly, we express no opinion. An audit also includes evaluating the appropriateness of management's accounting policies and the reasonableness of their significant accounting estimates, as well as our evaluation of the overall financial statement presentation.

We believe the audit evidence we obtained is sufficient and appropriate to support our audit opinion.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note 2 of the financial statements, the Township prepared these financial statements using the accounting basis permitted by the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D), which is an accounting basis other than accounting principles generally accepted in the United States, to satisfy these requirements.

Although the effects on the financial statements of the variances between the regulatory accounting basis and GAAP are not reasonably determinable, we presume they are material.

Though the Township does not intend these statements to conform to GAAP, auditing standards generally accepted in the United States of America require us to include an adverse opinion on GAAP. However, the adverse opinion does not imply the amounts reported are materially misstated under the accounting basis Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit. Our opinion on this accounting basis permitted is in the *Opinion on Regulatory Basis of Accounting* paragraph below.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the *Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles* paragraph, the financial statements referred to above do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of Dover Township, Union County as of December 31, 2018 and 2017, or changes in financial position thereof for the years then ended.

Opinion on Regulatory Basis of Accounting

In our opinion, the financial statements referred to above present fairly, in all material respects, the cash balances, receipts and disbursements by fund type and the related notes of Dover Township, Union County as of December 31, 2018 and 2017, for the years then ended in accordance with the financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit, described in Note 2.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued a report dated April 2, 2019, on our consideration of Dover Township's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. That report describes the scope of our internal control testing over financial reporting and compliance and the results of that testing, and does not opine on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Township's internal control over financial reporting and compliance.

DECEMBER 31, 2018**

1. REPORTING ENTITY

Description of the Entity

The constitution and laws of the State of Ohio establish the rights and privileges of Dover Township, Union County, (the Township) as a body corporate and politic. A publically-elected three-member Board of Trustees directs the Township. The Township provides road and bridge maintenance, cemetery and zoning operations. The Township contracts with the City of Marysville to provide fire and emergency medical services.

The Township participates in a jointly governed organization and a public entity risk pool. Note 6 and Note 10 to the financial statements provide additional information for these entities.

The Township's management believes these financial statements present all activities for which the Township is financially accountable.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Presentation

The Township's financial statements consist of a combined statement of receipts, disbursements and changes in fund balances (regulatory cash basis) for all governmental fund types and a combined statement of receipts, disbursements and changes in fund balances (regulatory cash basis) for all proprietary and fiduciary fund types which are organized on a fund type basis.

B. Fund Accounting

The Township uses funds to maintain its financial records during the year. A fund is defined as a fiscal and accounting entity with a self-balancing set of accounts. The funds of the Township are presented below:

General Fund

The General Fund accounts for and reports all financial resources not accounted for and reported in another fund. The general fund balance is available to the Township for any purpose provided it is expended or transferred according to the general laws of Ohio.

Special Revenue Funds

These funds account for and report the proceeds of specific revenue sources that are restricted or committed to expenditure for specified purposes other than debt service or capital projects. The Township had the following significant Special Revenue Funds:

Gasoline Tax Fund – This fund receives gasoline tax monies to pay for constructing, maintaining, and repairing Township roads.

Special Levy Fire Fund – This fund receives fire levy tax money for the funding of fire and EMS services provided to the residents of the Township.

UNION COUNTY**

**NOTES TO FINANCIAL STATEMENTS

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

C. Basis of Accounting

These financial statements follow the accounting basis permitted by the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code 117-2-03(D). This basis is similar to the cash receipts and disbursements accounting basis. The Township recognizes receipts when received in cash rather than when earned, and recognizes disbursements when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code 117-2-03(D) permit.

D. Budgetary Process

The Ohio Revised Code requires that each fund be budgeted annually.

Appropriations

Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the fund, function and object level of control and appropriations may not exceed estimated resources. The Trustees must annually approve appropriation measures and subsequent amendments. Unencumbered appropriations lapse at year end.

Estimated Resources

Estimated resources include estimates of cash to be received (budgeted receipts) plus unencumbered cash as of January 1. The County Budget Commission must approve estimated resources.

Encumbrances

The Ohio Revised Code requires the Township to reserve (encumber) appropriations when individual commitments are made. Encumbrances outstanding at year end are canceled, and reappropriated in the subsequent year.

A summary of 2018 appear in Note 3.

E. Deposits and Investments

The Township's accounting basis includes investment as assets. This basis does not record disbursement for investment purchases or receipts for investment sales. This basis records gains or losses at the time of sale as receipts or disbursements, respectively.

F. Capital Assets

The Township records disbursements for acquisitions of property, plant and equipment when paid. The accompanying financial statements do not report these items as assets.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

G. Accumulated Leave

In certain circumstances, such as upon leaving employment, employees are entitled to cash payments for unused leave. The financial statements do not include a liability for unpaid leave.

H. Fund Balance

Fund balance is divided into five classifications based primarily on the extent to which the Township must observe constraints imposed upon the use of its governmental-fund resources. The classifications are as follows:

Nonspendable

The Township classifies assets as *nonspendable* when legally or contractually required to maintain the amounts intact.

Restricted

Fund balance is *restricted* when constraints placed on the use of resources are either externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments; or is imposed by law through constitutional provisions.

Committed

Trustees can *commit* amounts via formal action (resolution). The Township must adhere to these commitments unless the Trustees amend the resolution. Committed fund balance also incorporates contractual obligations to the extent that existing resources in the fund have been specifically committed to satisfy contractual requirements.

Assigned

Assigned fund balances are intended for specific purposes but do not meet the criteria to be classified as *restricted* or *committed*. Governmental funds other than the general fund report all fund balances as *assigned* unless they are restricted or committed. In the general fund, *assigned* amounts represent intended uses established by Township Trustees or a Township official delegated that authority by resolution, or by State Statute.

Unassigned

Unassigned fund balance is the residual classification for the general fund and includes amounts not included in the other classifications. In other governmental funds, the unassigned classification is used only to report a deficit balance.

The Township applies restricted resources first when expenditures are incurred for purposes for which either restricted or unrestricted (committed, assigned, and unassigned) amounts are available. Similarly, within unrestricted fund balance, committed amounts are reduced first, followed by assigned, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

3. BUDGETARY ACTIVITY

Budgetary activity for the years ended December 31, 2018 follows:

2018 Budgeted vs. Actual Receipts			
Fund Type	Budgeted Receipts	Actual Receipts	Variance
General	\$ 121,925	\$ 124,498	\$ 2,573
Special Revenue	369,337	370,891	1,554
Total	\$ 491,262	\$ 495,389	\$ 4,127

2018 Budgeted vs. Actual Budgetary Basis Expenditures			
Fund Type	Appropriation Authority	Budgetary Expenditures	Variance
General	\$ 205,218	\$ 105,280	\$ 99,938
Special Revenue	1,019,080	281,114	737,966
Total	\$ 1,224,298	\$ 386,394	\$ 837,904

4. EQUITY IN POOLED CASH

The Township maintains a deposit pool all funds use. The Ohio Revised Code prescribes allowable deposits and investments. The carrying amount of deposits at December 31 was as follows:

	2018
Demand deposits	\$ 498,878
STAR Ohio	397,557
Total Deposits	\$ 842,167

Deposits: Deposits are either insured by the Federal Depository Insurance Corporation or collateralized by the financial institution's public entity deposit pool.

Investments: Investments in STAR Ohio and mutual funds are not evidenced by securities that exist in physical or book-entry form.

5. PROPERTY TAX

Real property taxes become a lien on January 1 preceding the October 1 date for which rates are adopted by Township Trustees. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable homestead and rollback deductions. The financial statements include homestead and rollback amounts the State pays as intergovernmental receipts. Payments are due to the County by December 31. If the property owner elects to pay semiannually, the first half is due December 31. The second half payment is due the following June 20.

Public utilities are also taxed on personal and real property located within the Township.

The County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the Township.

**DOVER TOWNSHIP
UNION COUNTY**

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2018**

6. RISK MANAGEMENT

The Township is exposed to various risks of property and casualty losses, and injuries to employees.

The Township pays the State Workers' Compensation System a premium based on a rate of per \$100 of salaries. This rate is calculated based on accident history and administrative costs. The System administers and pays all claims.

The Government belongs to the Ohio Plan Risk Management, Inc. (OPRM) – formerly known as the Ohio Government Risk Management Plan, (the “Plan”), a non-assessable, unincorporated non-profit association providing a formalized, jointly administered self-insurance risk management program and other administrative services to Ohio governments (“Members”). The Plan is legally separate from its member governments.

Pursuant to Section 2744.081 of the Ohio Revised Code, the plan provides property, liability, errors and omissions, law enforcement, automobile, excess liability, crime, surety and bond, inland marine and other coverages to its members sold through fourteen appointed independent agents in the State of Ohio.

OPRM coverage programs are developed specific to each member’s risk management needs and the related premiums for coverage are determined through the application of uniform underwriting criteria addressing the member’s exposure to loss. Effective November 1, 2016, the OPRM retained 50% of the premium and losses on the first \$250,000 casualty treaty and 30% of the first \$1,000,000 property treaty. Effective November 1, 2017, the OPRM retained 47% of the premium and losses on the first \$250,000 casualty treaty and 30% of the first \$1,000,000 property treaty. Members are only responsible for their self-retention (deductible) amounts, which vary from member to member. OPRM had 764 members as of December 31, 2017.

Plan members are responsible to notify the Plan of their intent to renew coverage by their renewal date. If a member chooses not to renew with the Plan, they have no other financial obligation to the Plan, but still need to promptly notify the Plan of any potential claims occurring during their membership period. The former member’s covered claims, which occurred during their membership period, remain the responsibility of the Plan.

Settlement amounts did not exceed insurance coverage for the past three fiscal years.

The Pool’s audited financial statements conform with generally accepted accounting principles, and reported the following assets, liabilities and equity at December 31, 2017 (the latest information available).

	<u>2017</u>
Assets	\$14,853,620
Liabilities	<u>(9,561,108)</u>
Retained Earnings	<u>\$ 5,292,512</u>

You can read the complete audited financial statements for OPRM at the Plan’s website, www.ohioplan.org .

7. DEFINED BENEFIT PENSION PLANS

The Township’s full-time employees belong to the Public Employees Retirement System (OPERS) of Ohio. OPERS is a cost-sharing, multiple employer plan. The Ohio Revised Code prescribes the plan benefits, which include postretirement healthcare, and survivor and disability benefits.

The Ohio Revised Code also prescribes contribution rates. For 2018, OPERS members contributed 10.0% of their gross wages and the Township contributed an amount equal to 14.0% of participant’s gross salaries. The Township has paid all contributions required through December 31, 2018.

**DOVER TOWNSHIP
UNION COUNTY**

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2018**

8. POSTEMPLOYMENT BENEFITS

OPERS offers cost-sharing, multiple-employer defined benefit postemployment plans, which include multiple health care plans including medical coverage, prescription drug coverage, deposits to a Health Reimbursement Arrangement and Medicare Part B premium reimbursements, to qualifying benefit recipients. OPERS contributes 2 percent of the employer contribution to fund these benefits.

9. PUBLIC ENTITY RISK POOL

The Township belongs to the Ohio Government Risk Management Plan (the Plan) an unincorporated non-profit association providing a formalized, jointly administered self-insurance risk management plan. Member governments pay annual premiums to fund the Plan. The Plan pays judgments, settlements and other expenses resulting from covered claims exceeding the member's deductible.

10. JOINTLY GOVERNED ORGANIZATIONS

Dover Township participates in the LUC Regional Planning Commission which is a statutorily created political subdivision of the State. The Commission is jointly governed among Logan, Union, and Champaign Counties, and the cities of Bellefontaine, Marysville and Urbana. Each member's control over the operation of the Commission is limited to its representation on the Board. The Commission makes studies, maps, plans, recommendations and reports concerning the physical, environmental, social, economic and governmental characteristics, functions and services of the entities involved. The Township contributed \$1,772 in 2018. Due to the 2010 census, Union County has become the fiscal agent for the Commission starting in 2012. Additional information may be obtained by writing the LUC Regional Planning Commission, P.O. Box 219, East Liberty, Ohio 43319.

5. PROPERTY TAX

Real property taxes become a lien on January 1 preceding the October 1 date for which rates are adopted by Township Trustees. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable homestead and rollback deductions. The financial statements include homestead and rollback amounts the State pays as intergovernmental receipts. Payments are due to the County by December 31. If the property owner elects to pay semiannually, the first half is due December 31. The second half payment is due the following June 20.

Public utilities are also taxed on personal and real property located within the Township.

The County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the Township.

6. RISK MANAGEMENT

The Township is exposed to various risks of property and casualty losses, and injuries to employees.

The Township pays the State Workers' Compensation System a premium based on a rate of per \$100 of salaries. This rate is calculated based on accident history and administrative costs. The System administers and pays all claims.

The Government belongs to the Ohio Plan Risk Management, Inc. (OPRM) – formerly known as the Ohio Government Risk Management Plan, (the "Plan"), a non-assessable, unincorporated non-profit association providing a formalized, jointly administered self-insurance risk management program and other administrative services to Ohio governments ("Members"). The Plan is legally separate from its member governments.

Pursuant to Section 2744.081 of the Ohio Revised Code, the plan provides property, liability, errors and omissions, law enforcement, automobile, excess liability, crime, surety and bond, inland marine and other coverages to its members sold through fourteen appointed independent agents in the State of Ohio.

OPRM coverage programs are developed specific to each member's risk management needs and the related premiums for coverage are determined through the application of uniform underwriting criteria addressing the member's exposure to loss. Effective November 1, 2016, the OPRM retained 50% of the premium and losses on the first \$250,000 casualty treaty and 30% of the first \$1,000,000 property treaty. Effective November 1, 2017, the OPRM retained 47% of the premium and losses on the first \$250,000 casualty treaty and 30% of the first \$1,000,000 property treaty. Members are only responsible for their self-retention (deductible) amounts, which vary from member to member. OPRM had 764 members as of December 31, 2017.

Plan members are responsible to notify the Plan of their intent to renew coverage by their renewal date. If a member chooses not to renew with the Plan, they have no other financial obligation to the Plan, but still need to promptly notify the Plan of any potential claims occurring during their membership period. The former member's covered claims, which occurred during their membership period, remain the responsibility of the Plan.

Settlement amounts did not exceed insurance coverage for the past three fiscal years.

The Pool's audited financial statements conform with generally accepted accounting principles, and reported the following assets, liabilities and equity at December 31, 2017.

	<u>2017</u>
Assets	\$14,853,620
Liabilities	<u>(9,561,108)</u>
Retained Earnings	<u>\$ 5,292,512</u>

You can read the complete audited financial statements for OPRM at the Plan's website, www.ohioplan.org.

7. DEFINED BENEFIT PENSION PLANS

The Township's full-time employees belong to the Public Employees Retirement System (OPERS) of Ohio. OPERS is a cost-sharing, multiple employer plan. The Ohio Revised Code prescribes the plan benefits, which include postretirement healthcare, and survivor and disability benefits.

The Ohio Revised Code also prescribes contribution rates. For 2017, OPERS members contributed 10.0% of their gross wages and the Township contributed an amount equal to 14.0% of participant's gross salaries. The Township has paid all contributions required through December 31, 2017.

8. POSTEMPLOYMENT BENEFITS

OPERS offers cost-sharing, multiple-employer defined benefit postemployment plans, which include multiple health care plans including medical coverage, prescription drug coverage, deposits to a Health Reimbursement Arrangement and Medicare Part B premium reimbursements, to qualifying benefit recipients. OPERS contributes 2 percent of the employer contribution to fund these benefits.

9. PUBLIC ENTITY RISK POOL

The Township belongs to the Ohio Government Risk Management Plan (the Plan) an unincorporated non-profit association providing a formalized, jointly administered self-insurance risk management plan. Member governments pay annual premiums to fund the Plan. The Plan pays judgments, settlements and other expenses resulting from covered claims exceeding the member's deductible.

10. JOINTLY GOVERNED ORGANIZATIONS

Dover Township participates in the LUC Regional Planning Commission which is a statutorily created political subdivision of the State. The Commission is jointly governed among Logan, Union, and Champaign Counties, and the cities of Bellefontaine, Marysville and Urbana. Each member's control over the operation of the Commission is limited to its representation on the Board. The Commission makes studies, maps, plans, recommendations and reports concerning the physical, environmental, social, economic and governmental characteristics, functions and services of the entities involved. The Township contributed \$1,726 in 2017. Due to the 2010 census, Union County has become the fiscal agent for the Commission starting in 2012. Additional information may be obtained by writing the LUC Regional Planning Commission, P.O. Box 219, East Liberty, Ohio 43319.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
REQUIRED BY GOVERNMENT AUDITING STANDARDS.**

Dover Township
Union County
13067 Hinton Mill Road
Marysville, Ohio 43040

To the Township Trustees:

We have audited, in accordance with auditing standards general accepted in the United States and the Comptroller General of the United States' *Government Auditing Standards*, the financial statements of Dover Township, Union County as of and for the years ended December 31, 2018 and 2017, and the related notes to the financial statements and have issued our report thereon dated April 2, 2019, wherein we noted the Township followed financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit.

Internal Control Over Financial Reporting

As part of our financial statement audit, we considered Dover Township's internal control over financial reporting (internal control) to determine the audit procedures appropriate in the circumstances to the extent necessary to support our opinions on the financial statements, but not to the extent necessary to opine on the effectiveness of the Township's internal control. Accordingly, we have not opined on it.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, when performing their assigned functions, to prevent, or detect and timely correct misstatements. *A material weakness* is a deficiency, or a combination of internal control deficiencies resulting in a reasonable possibility that internal control will not prevent or detect and timely correct a material misstatement of the Township's financial statements. *A significant deficiency* is a deficiency or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, we did not identify any deficiencies in internal control that we consider material weaknesses. However, unidentified material weaknesses may exist. We consider Finding 2018-001 described in the accompanying schedule of findings to be a significant deficiency.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Dover Township's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, opining on compliance was not an objective of our audit and, accordingly, we do not express an opinion. The results of our tests disclosed one instance of noncompliance or other matters we must report under *Government Auditing Standards* described in the accompanying Schedule of Findings as item 2018-001.

Purpose of this Report

This report only describes the scope of our internal control and compliance testing and our testing results, and does not opine on the effectiveness of the Township's internal control or on compliance. This report is an integral part of an audit performed under *Government Auditing Standards* in considering the Township's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

FINDING NUMBER 2018-001

Significant Deficiency/ Noncompliance – Financial Reporting

Ohio Revised Code Section 117.38 requires townships to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. For financial information to be considered complete, financial statements must include footnotes. We noted the footnotes did not include certain information and there were some noted variances, as described below:

For December 31, 2017 were as follows:

- The Township did not include the following sections in their footnotes: Budgetary Activity, Public Entity Risk Pool, and Postemployment Benefits.
- The Risk Management Footnote did not include information for the Ohio Plan, which is what the township is enrolled in, instead it included information for OTARMA.
- There were immaterial differences in the Equity In Pooled Cash footnote.

For December 31, 2018 were as follows:

- The Township did not include the following sections in their footnotes: Budgetary Activity, Public Entity Risk Pool, and Postemployment Benefits.
- The Risk Management Footnote did not include information for the Ohio Plan, which is what the township is enrolled in, instead it included information for OTARMA.
- There were immaterial differences in the Equity In Pooled Cash footnote.

We recommend the Township complete accurate and complete financial information.
