INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

August 14, 2020

Bloomfield Township
Trumbull County
P.O. Box 34
North Bloomfield, OH 44450

We have performed the procedures enumerated below, which were agreed to by the Board of Trustees and the management of **Bloomfield Township**, Trumbull County (the Township) and the Auditor of State, on the receipts, disbursements and balances recorded in the Townships cash basis accounting records for the years ended December 31, 2019 and 2018 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the Township. The Township is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2019 and 2018 and certain compliance requirements related to these transactions and balances included in the information provided to us by the Township. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

Cash

1. We recalculated the December 31, 2019 and December 31, 2018 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2018 beginning fund balances recorded in the Cash Summary by Fund Report to the December 31, 2017 balances in the prior year audited statements. We noted the General and Special Revenue Fund amounts did not agree due to the Township properly classifying the Zoning Fund as part of the General Fund in 2018. We also agreed the January 1, 2019 beginning fund balances recorded in the Cash Summary by Fund Report to the December 31, 2018 balances in Cash Summary by Fund Report. We found no exceptions.

Cash (Continued)

3. We agreed the totals per the bank reconciliations to the total of the December 31, 2019 and 2018 fund cash balances reported in the Fund Status Report and the financial statements filed by the Township in the Hinkle System. The amounts agreed.
4. We confirmed the December 31, 2019 bank account balance with the Township's financial institution. We found no exceptions. We also agreed the confirmed balance to the amount appearing in the December 31, 2019 bank reconciliation without exception.
5. We selected five reconciling debits (such as outstanding checks) from the December 31, 2019 bank reconciliation:
 - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
 - b. We traced the amounts and dates to the check register, to determine the debits were dated prior to December 31. There were no exceptions.

Property Taxes and Intergovernmental Receipts

1. We selected a total of five receipts from the *Statement of Semiannual Apportionment of Taxes*, State Distribution Transaction Lists (DTL), and the Vendor Invoice List for 2019 and a total of five from 2018:
 - a. We compared the amount from the above named reports to the amount recorded in the Revenue Ledger. The amounts agreed.
 - b. We inspected the Revenue Ledger to determine these receipts were allocated to the proper funds as required by Ohio Rev. Code Sections 5705.05-.06 and 5705.10. We found one instance where Real Estate Rollback receipts were not properly allocated to the General, Road and Bridge, and Fire District Fund. We performed additional testing to verify receipts from the Trumbull County Auditor in 2019 and 2018 were recorded to the proper funds and found two additional errors in 2019 and three in 2018. The Township has posted adjustments to their accounting system to correct these errors.
 - c. We inspected the Revenue Ledger to determine whether the receipt was recorded in the proper year. The receipt was recorded in the proper year. We found no exceptions.
2. We inspected the Revenue Ledger to determine whether it included two real estate tax receipts plus three advances for 2019 and 2018. The Revenue Ledger included the proper number of tax receipts for each year.

Debt

1. The prior audit documentation disclosed no debt outstanding as of December 31, 2017.
2. We inquired of management, and inspected the Revenue Ledger and Appropriation Ledger for evidence of debt issued during 2019 or 2018 or debt payment activity during 2019 or 2018. All debt agreed to the summary we used in procedure 3.
3. We obtained a summary of loan debt activity for 2019 and 2018 and agreed principal and interest payments from the related debt amortization schedule to General and Road and Bridge Fund payments reported in the Appropriation Ledger. The total payment amount agreed, however, the allocation between Principal Retirement and Interest and Fiscal Charges did not, resulting in Principal Retirement being understated and Interest and Fiscal Charges being overstated in 2019 and 2018 by \$345 and \$160, respectively. We also compared the date the debt service payments were due to the date the Township made the payments. We found no exceptions.

Debt (Continued)

4. We agreed the amount of debt proceeds from the debt documents to amounts recorded in the General and Road and Bridge Fund per the Revenue Ledger. The amounts agreed.
5. For new debt issued during 2019 and 2018, we inspected the debt legislation, which stated the Township must use the proceeds to purchase a Mini Excavator. We inspected the Appropriation Ledger and observed the Township purchased a Mini Excavator in April of 2018.

Payroll Cash Disbursements

1. We selected one payroll check for five employees from 2019 and one payroll check for five employees from 2018 from the Wage Detail Report and:
 - a. We compared the hours and pay rate, or salary recorded in the Wage Detail Report to supporting documentation (timecard, legislatively or statutorily-approved rate or salary). We found the Fiscal Officer and all three Trustees were underpaid during each year. See Procedure Four below for more detail. We found no other exceptions.
 - b. We inspected the fund and account codes to which the check was posted to determine the posting was reasonable based on the employees' duties as documented in the minute record or as required by state statute. We also confirmed the payment was posted to the proper year. We found no exceptions.
2. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2019 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2019. We observed the following:

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid
Federal income taxes & Medicare (and social security, for employees not enrolled in pension system)	January 31, 2020	January 2, 2020	\$1,094.41	\$1,094.41
State income taxes	January 31, 2020	January 3, 2020	\$581.28	\$581.28
OPERS retirement	January 30, 2020	January 2, 2020	\$2,158.65	\$2,158.65

3. For the pay periods ended October 31, 2019 and May 31, 2018 we:
 - a. Recomputed the allocation of the Fiscal Officer's and Boards' salaries to the General, Gasoline Tax, Road and Bridge, and Fire District Fund per the Wage Detail Report.
 - b. Traced the Fiscal Officer's and Boards' salary for time or services performed to supporting certifications the Revised Code requires.

We found no exceptions.

Payroll Cash Disbursements (Continued)

4. We compared total gross pay for the fiscal officer and each board member for 2019 and 2018 to the compensation permitted by Ohio Revised Code Sections 507.09 and 505.24, respectively. We found Fiscal Officer Kalsbeek was under compensated by \$1,559 in both 2019 and 2018 for a total underpayment of \$3,118. Trustee Peterson was under compensated by \$566 in both 2019 and 2018 for a total underpayment of \$1,132. Trustee Gwinn was under compensated by \$566 in both 2019 and 2018 for a total underpayment of \$1,132. Trustee Beran was under compensated by \$1,012 in both 2019 and 2018 for a total underpayment of \$2,024. The elected officials were paid based on the budget level that was a step level less than the Township's actual budget and Trustee Beran was paid at the 2016 rate rather than the 2018 rate.
5. We inquired of management and inspected the Appropriation Ledger for the years ended December 31, 2019 and 2018 to determine if township employees and/or trustees were reimbursed for out-of-pocket insurance premiums. No such reimbursements occurred.

Non-Payroll Cash Disbursements

1. We selected 10 disbursements from the Appropriation Ledger for the year ended December 31, 2019 and 10 from the year ended 2018 and determined whether:
 - a. The disbursements were for a proper public purpose. We found no exceptions.
 - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Appropriation Ledger and to the names and amounts on the supporting invoices. We found no exceptions.
 - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
 - d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code Section 5705.41(D). We found three instances where the certification date was after the vendor invoice date, and there was also no evidence that a *Then and Now Certificate* was issued. Ohio Rev. Code Section 5705.41(D) requires certifying at the time of a commitment, which should be on or before the invoice date, unless a *Then and Now Certificate* is used. Because we did not inspect all disbursements requiring certification, our report provides no assurance whether or not additional similar errors occurred.

Compliance – Budgetary

1. Ohio Rev. Code Section 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code Section 5705.38 and 5705.40) plus any carryover appropriations for the years ended December 31, 2019 and 2018 for the General, Motor Vehicle License Tax, and Gasoline Tax Fund. There were no funds for which expenditures exceeded appropriations.
2. We inspected the 2019 and 2018 Revenue Status and Appropriation Status reports for evidence of interfund transfers exceeding \$1,000 which Ohio Rev. Code Sections 5705.14-.16 restrict. We found no evidence of transfers these sections prohibit, or for which Section 5705.16 would require approval by the Tax Commissioner.

Compliance – Budgetary (Continued)

3. We inspected the Cash Summary by Fund Report for the years ended December 31, 2019 and 2018 for negative cash fund balances. Ohio Rev. Code Section 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. No funds had a negative cash fund balance.

Sunshine Law Compliance

1. We inquired with Township management and determined that the Township did not have a public records policy during the engagement period as required by Ohio Rev. Code § 149.43(B)(7)(c).

Code § 149.43(E)(1) (or his/her designee) successfully attended a certified three-hour Public Records Training for each term of office as required by Ohio Rev. Code § 109.43(B). We found one trustee did not receive the required training. The other trustees still have the remainder of their terms to obtain the required training.
11. We inspected the public notices for the public meetings held during the engagement period and determined the Township notified the general public and news media of when and where meetings during the engagement period were to be held as required by Ohio Rev. Code § 121.22(F). We found no exceptions.

Sunshine Law Compliance (Continued)

12. We inspected the minutes of public meetings during the engagement period in accordance with Ohio Rev. Code § 121.22(C) and determined whether they were:
- Prepared – a file is created following the date of the meeting
 - Filed – placed with similar documents in an organized manner
 - Maintained – retained, at a minimum, for the engagement period
 - Open to public inspection – available for public viewing or request
- We found no exceptions.
13. We inspected the minutes from the engagement period in accordance with Ohio Rev. Code § 121.22(G) and determined the following:
- Executive sessions were only held at regular or special meetings.
 - The purpose for the meetings and going into an executive session (when applicable) correlated with one of the matters listed in Ohio Rev. Code Section 121.22(G).
 - Formal governing board actions were adopted in open meetings.
- We found no exceptions.

Other Compliance

1. Ohio Rev. Code Section 117.38 requires townships to file their financial information in the HINKLE System within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the Township filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy, within the allotted timeframe for the years ended December 31, 2019 and 2018 in the Hinkle System. There were no exceptions.
2. For all credit card accounts we obtained:
- copies of existing internal control policies,
 - a list(s) of authorized users, and
 - a list of all credit card account transactions.
- a. We inspected the established policy obtained above and determined it is:
- in compliance with the HB 312 statutory requirements, and
 - implemented by the entity.
- We found no exceptions.
- b. We selected 1 credit card transaction from each credit card account for testing. For selected transactions we inspected documentation to determine that:
- Use was by an authorized user within the guidelines established in the policy, and
 - Each transaction was supported with original invoices and for a proper public purpose.
- We found no exceptions.
- c. We selected 3 credit card statements from each credit card account for testing. For selected statements we inspected documentation to determine that:
- No unpaid beginning balance was carried forward to the current billing cycle,
 - Ending statement balance was paid in full, and
 - Statement contained no interest or late fees.
- We found no exceptions.

This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on the Township's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is for the use of the Township to assist in evaluating its receipts, disbursements, and balances recorded in their cash-basis accounting records for the years ended December 31, 2019 and 2018, and certain compliance requirements related to these transactions and balances and is not suitable for any other purpose.
